

HISTORIC DISTRICT COMMISSION
TOWN OF JAFFREY, NEW HAMPSHIRE
Thursday, March 5, 2020

Present: Kit Schiele, Rick Stein, Frank Sterling, Ron Reid
Unable to attend: Rich Pedott, Marijean Parry, Jack Minter

Chairman Ron Reid called the meeting to order at 6:00 pm

MINUTES:

Agenda: To meet with residents of the Historic District to discuss the best ways that the Commission and residents can work together to enhance our district and to meet the needs of our community. To that end, Kit Schiele mailed to each resident a letter of invitation and our current guidelines handbook. Unfortunately, this meeting was poorly attended and little was discussed.

Minutes of our last meeting were read and accepted. A brief conversation was had pertaining to the installation of a generator at one of the district's residences. There was no objection in the planning stages and the only concern voiced was of an additional propane tank that was visible.

Rick Stein felt confident that the owner would take the proper steps to address the tasteful "hiding" of this tank from the road view.

A conversation was had about some of the properties on Main Street that have fallen in disrepair.

Mr. Stein inquired as to whether a letter to the owner would be in everyone's best interests informing the out of state owner that the property is suffering from lack of attention.

Ron will pursue this further.

At 6:30pm with no audience in attendance the motion to adjourn was accepted and approved.

Our next meeting in April will be scheduled the first Thursday if there is business to be had.

PLANNING BOARD: No Report.

SELECTMEN: No Report

With no other business, the meeting was adjourned at 6:17pm.

Respectfully,
Kit Schiele, Secretary
