Moderator Marc Tieger called the meeting to order at 9:04am. The attendants were asked to stand as the Jaffrey-Rindge Boy Scouts Troop 33 presented the colors and Gabriel Castle, Jacob Sawyer, and David Southwick lead the assembly in the Pledge of Allegiance. Freshman, Hannah Lambert from Conant High School sang the National Anthem.

Mr. Marc Tieger then asked everyone to be seated. Marc spoke a few workds of wisdom and then asked the audience to join him in a few moments of silence of meditation and reflection. Mr. Marc Tieger then introduced the head tables: the Board of Selctmen, Department Heads, and the new Town Manager, Mr. Jon Frederick. He then introduced the Budget Committee. Mr. Tieger encouraged the assembly to partake in the food and beverages being sold in the lobby by the Fast Food group for the Jaffrey Fire Dpartment. Mr. Marc Tieger then turns the meeting over to his Assistant Moderator, Phil Cournoyer, and just before he finishes he sends out a special thanks to Renee Sangermano and her team at the Jaffrey Rec Department for all of their help in setting up for Town Electon and Town Meeting. Mr. Phil Cournoyer then steps in, welcomes everyone and proceeds by going over the guidelines for how our town meeting is conducted. He also introduces the microphone runners from Conant High School, Joseph Blood, Lily Bennett, Colby Williams and Kamryn Call. Mr. Cournoyer then turns to the Chairman of the Board to announce the Proclamations.

Don MacIsaac then offered the following Proclamations:

Art. 29. We, the undersigned registered Jaffrey voters, petition the Town of Jaffrey to appropriate the sum of $6,311 (Six thousand Three Hundred Eleven dollars) to Southwestern Community Services, Inc. (SCS), a private non-profit, Community Action Agency. In 2014-2015 SCS provided 1,243 units of service to the citizens of Jaffrey totaling $603,771 in direct assistance. SCS is requesting 1% of the amount of that direct assistance equaling $6,038.00. The 1% request results in a decrease from the amount requested in 2014-2015. (Submitted by Petition). *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

Mary Merrell moved the article and Marc Tieger seconded. Frank Sterling addressed the article. Ken Whiton states there is an error on the article which shows the figures and dates of last years warrant article and there are no supporting numbers for this years requested amount. Frank Sterling agreed and stated he had the amended article in which was read. Phil Cournoyer re-read the article as "scriveners" error and makes correction; 2016-2017 Southwestern Community Services, Inc provided services for Jaffrey totaling $603,863 and is requesting direct assistance equaling $6,311 which results in a 1% increase from the amount requested in 2014-2015. The article was then moved to a vote. **The article passed by voice vote.**

Art. 30. To see if the Town will vote to raise and appropriate the sum of $3,500 for support of the Jaffrey Civic Center, a non-profit agency, or take any action relating thereto. (Submitted by petition). *Recommended by the Select Board (2-0) and the Budget Committee (6-0).*

Bill Schofield moved the article and Don MacIsaac seconded. Bill addressed the article and with no discussion the article was moved to a vote. **The article passed by voice vote.**

Art. 31. To see if the Town of Jaffrey will vote to raise and appropriate the sum of Two Thousand dollars ($2,000) for the purpose of funding the Community Volunteer Transportation Company programs and services for the people of greater Contoocook Valley area. This amount represents the Town of Jaffrey's portion of the funds needed to support Community Volunteer Transportation Company, a nonprofit service organization; or take any other action relating thereto. (Submitted by Petition). *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

Don MacIsaac moved the article and Frank Sterling seconded. Don addressed the article. With no discussion the article was moved to a vote. **The article passed by voice vote.**

Art. 32. To see if the Town of Jaffrey will raise and appropriate the sum of $1,500.00 for the support of The River Center, a nonprofit agency providing services to the citizens of Jaffrey, or take any action relating thereto. (Submitted by Petition). *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

Frank Sterling moved the article and Lee Sawyer seconded. Frank addressed the article. With no discussion the article was moved to a vote. **The article passed by voice vote.**

Art. 33. The Town of Jaffrey affirms its commitment to the rights ensured by the First and Fourth Amendments to the Constitution of the United States of America and declares that in the town of Jaffrey no person shall be required to declare their religious or philosophical belief or affiliation, nor to sign a registry for any belief or affiliation. *(Submitted by petition).*

Bill Schofield moved the article and Barbara Danser seconded. Tori McCagg addressed the article. With many comments and concerns, Bernie Hampsey then made a motion to move the question. Motion moved by voice vote. The article was moved to a vote.
The article passed by voice vote.

Marc Tieger then steps in to end Town Meeting. He first thanks, Phil Cournoyer for all of his help as Assistant Moderator, the microphone runners, and everyone at theVFW. With no further business Marc Tieger called the meeting adjourned at 12:19 p.m.

LAYMAN'S LANGUAGE: The Cemetery Trees Trust Fund was established in 2007 to set aside funds for the care and removal of trees in the Town's cemeteries. A separate private fund has been established for the same purpose. Older trees are of concern as falling branches or worse can causing expensive and sometimes irreparable damage to historic gravestones. As of 12/31/17, the balance of the Town fund was $3,118 and the private fund balance was $34. The private and public funds are accounted for separately by the Trustees of the Trust Funds.

Art. 21 To see if the Town will vote to raise and appropriate the sum of $1,000 (One Thousand Dollars) to be deposited into the Gravestone Restoration Trust Fund established in 2000. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: The Gravestone Restoration Fund, created in 2000, is used to repair and maintain stones that have been damaged or vandalized, specifically in those cases where a family member can't be found to assume the responsibility. As of 12/31/17, the Fund balance was $6,012.

Art. 22. To see if the Town will vote to raise and appropriate the sum of $3,000 (Three Thousand Dollars) to be deposited into the Meetinghouse Trust Fund established in 1991. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: The Meetinghouse Fund was created in 1991 to support major capital costs associated with Jaffrey's most historic building, the town-owned 1775 Meetinghouse. Much attention during the past year was focused on replacing the wood shingle roof which had reached the end of its useful life. Leaks had occurred on the south side and have caused a certain amount of damage. The Town retained Catlin + Petrovick, architects of Keene, to assist in the process, prepare specifications, participate with the Town in the bidding process and oversee the work. The total project cost stands at $81,729. The Town was fortunate in receiving both a LCHIP (NH Land & Community Heritage Investment Program) grant for one half of the project cost as well as a Mooseplate grant for $10,000, not to mention donations totaling $21,994 from the Amos Fortune Forum, Bean Family Foundation, Jaffrey Center Village Improvement Society, Jaffrey Historical Society, Jaffrey Historic District Commission Trust, Meetinghouse Trust Fund, Terra Nova Trust and an anonymous gift. The remaining necessary funds—yet to be determined but likely under $5,000—will come from the Municipal Buildings Trust Fund. Additional information may be found at http://www.rs41.org/Meetinghouse/roof.htm.
The balance of the Meetinghouse Trust Fund at the start of the year was $10,028.93. During 2017 rental fees for the use of the Meetinghouse totaled $2,825. At last year's Town Meeting, $1,000 was added to the fund. Expenditures from the trust fund totaled $5,000 for the roof replacement. At the end of the year the balance of the Meetinghouse Trust Fund was $13,494.09.

Art. 23. To see if the Town will vote to raise and appropriate the sum of $1,000 dollars (One Thousand Dollars) to be deposited into the Municipal Building Maintenance Capital Reserve Fund established in 2010 pursuant to RSA 35:1. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This article will place $1,000 into the Municipal Building Maintenance Capital Reserve Fund for major maintenance of municipal buildings. The current balance of the account as of 12/31/2017 was $194,442.

Art. 24. To see if the Town will vote to raise and appropriate the sum of $50,000 (Fifty Thousand Dollars) to be deposited into the Bridge Rehabilitation Capital Reserve Fund established in 2017 for the purpose of design, engineer and rehabilitate bridges throughout Jaffrey. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

INDEFINITE DELEGATION OF AUTHORITY

INDEFINITE DELEGATION OF AUTHORITY

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as "boilerplate articles." During the 1999 annual meeting, Jaffrey's citizens voted (Articles 32-38) to "authorize indefinitely, until specific recision of such authority" the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire Revised Statutes Annotated (RSA) 31:95-b, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH RSA 202-A:4-c, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH RSA 33:7, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVISES

Shall the Town accept the provisions of NH RSA 31:19, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH RSA 31:95-e, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH RSA 202-A:4-d, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided,

however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH RSA 80:80, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Jaffrey, New Hampshire

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2016, and for the year then ended, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting

policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2016, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis, the Schedule of Proportionate Share of Net Pension Liability, and the Schedule of Pension Contributions be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Town of Jaffrey, New Hampshire, we offer readers this narrative overview and analysis of the financial activities of the Town for the year ended December 31, 2016.

A. OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the basic financial statements. The basic financial statements are comprised of three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of our finances in a manner similar to a private-sector business.

The Statement of Net Position presents information on all assets, liabilities, and deferred outflows/inflows of resources with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position is improving or deteriorating.

The Statement of Activities presents information showing how the Town's net position changed during the most recent year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities include general government, public safety, highways and streets, sanitation, health and welfare, culture and recreation, conservation, and economic development. The business-type activities include water activities.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements. All of the funds can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

An annual appropriated budget is adopted for the general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

Proprietary funds. Proprietary funds are maintained as follows:

Proprietary funds provide the same type of information as the business-type activities reported in the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the water operations, which is considered to be a major fund.

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

Notes to financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information which is required to be disclosed by accounting principles generally accepted in the United States of America.

B. FINANCIAL HIGHLIGHTS

- As of the close of the current year, the total of assets exceeded liabilities by $21,578,831 (i.e., net position), a change of $1,437,455 in comparison to the prior year.
- As of the close of the current year, governmental funds reported combined ending fund balances of $7,017,874, a change of $290,405 in comparison to the prior year.
- At the end of the current year, unassigned fund balance for the general fund was $2,238,289 a change of $478,407 in comparison to the prior year.
- Total long-term debt (i.e., bonds payable) at the close of the current year was $13,280,027, a change of $(951,991) in comparison to the prior year.

Net position - end of year	$ 15,425	$ 14,437	$ 6,154	$ 5,705	$ 21,579	$ 20,142

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At the close of the most recent year, total net position was $21,578,831, a change of $1,437,455 from the prior year.

The largest portion of net position $18,233,733 reflects our investment in capital assets (e.g., land, buildings, machinery, equipment, and infrastructure), less any related debt used to acquire those assets that is still outstanding. These capital assets are used to provide services to citizens; consequently, these assets are not available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt

must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of net position $3,610,674 represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position $(265,576) may be used to meet the government's ongoing obligations to citizens and creditors.

Governmental activities. Governmental activities for the year resulted in a change in net position of $988,187. Key elements of this change are as follows:

General fund operations, as discussed further in Section D	$	576,987
Major sewer fund operating results		(32,568)
Nonmajor funds accrual basis		987,488
Depreciation expense in excess of principal debt service		(611,012)
Change in net pension liability		(1,485,527)
Other GAAP accruals		1,552,819
Total	$	988,187

Business-type activities. Business-type activities for the year resulted in a change in net position of $449,268 for water operations.

D. FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

As noted earlier, fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the year.

As of the end of the current year, governmental funds reported combined ending fund balances of $7,017,874, a change of $290,405 in comparison to the prior year. Key elements of this change are as follows:

General fund operating results	$	576,987
Major sewer fund operating results		(32,568)
Nonmajor fund operating results		(254,014)
Total	$	290,405

Report of the Trustees of Trust Funds

The three elected Trustees of Trust Funds assisted by appointed alternate trustees oversee and administer the many trust and capital reserve funds of the Town of Jaffrey. These funds are listed and described in the Trustees of Trust Funds section of the Town website. On December 31, 2017, market value of the three investment accounts was:

Account Name	Market Value
Town of Jaffrey, Common Fund	$ 5,050,762.58
Town of Jaffrey, Capital Reserve Funds	$ 983,897.74
Town of Jaffrey, Other Funds	$ 692,749.49
Total	**$ 6,727,409.81**

Charter Trust Company, a division of Bar Harbor Bank & Trust of Bar Harbor, Maine is retained by the Trustees to provide investment advice, execute investment transactions, perform trust accounting and prepare reports required by the Town of Jaffrey and the State of New Hampshire.

During 2017, the Trustees met quarterly with representatives from Charter Trust. On three occasions the meetings were held at Charter Trust's Peterborough office, while one meeting was held at Charter Trust's Concord office. These meetings were open to the public and notices were posted in advance according to State statute.

The Trustees also met frequently throughout the year to receive and disburse funds, respond to correspondence and transact other business. These meetings were also open to the public, posted in advance and were usually held at the Town Office on Wednesdays at 4:00 pm.

During 2017, the Board of Selectmen appointed Robert Stephenson and Bruce Edwards as alternate Trustees.

Citizens are invited to consider creating new trusts for the benefit of the Town. More information may be found by visiting the Trustees of Trust Funds section of the Town website, or by contacting a Trustee.

Gary Arceci, Trustee, Term expires 2018
William Raymond, Trustee, Term expires 2019
Nancy Belletete, Trustee, Term expires 2020
Robert Stephenson, Alternate Trustee, Term expires 2018
Bruce Edwards, Alternate Trustee, Term expires 2018

2017 ANNUAL REPORT OF THE TOWN OF JAFFREY ALICE W. POOLE FUND

This past year the Alice Poole Committee made contributions to Santa's House, during the Christmas season, so Jaffrey's needy children could have a Merry Christmas.

Again this year, we sponsored several young children at the AIM summer camp offered by the Jaffrey Recreation Department.

We continue to purchase magazine subscriptions for the Good Shepherd Rehabilitation Center and provide small birthday gifts to local residents living there. We also help with the Activity Fund at Good Shepherd.

Many of the elderly Jaffrey citizens, in temporary need, were remembered with small gifts, usually in the form of gas cards and small checks as well as fuel assistance.

Gift certificates for food orders were purchased from Market Basket and certificates for clothing were purchased from Wal-Mart. The certificates were distributed during the Holiday Season and at other times during the year, to those in need. Also holiday centerpieces and fruit baskets were distributed at Christmas to Jaffrey residents.

This past year we did not receive any new requests for student loans from Conant High School students going off to college. The reason may be the fact that we are unable to offer the larger amounts of money needed for today's higher costs of education.

As usual, the Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund Trustees in accordance with the will of Alice Poole.

AND COMMITTEES

BOARD OF SELECTMEN

We started the year with a very experienced interim Town Manager, John MacLean. He served us well until March when our newly contracted Town Manager, Jon Frederick arrived and became a resident of Jaffrey, as well as assuming his new position.

At town meeting, residents voted to retire two water bonds prematurely - should be a sign we are moving in the right direction. Later this year we lowered water and sewer connection rates in an effort to attract new users. This year (2018) should allow us to retire another water bond.

During April and May, our Facebook account was brought to fruition, including a video system at the town office. Many meetings are now video cast on the town website. Also in the spring, VFW Post 5613 gave the town Howard Memorial Park, guaranteeing a forever pleasant green space entering Jaffrey from the north.

Team Jaffrey, Jaffrey Chamber of Commerce and the Jaffrey Recreation Department continue to make downtown Jaffrey pleasant and active with great flower arrangements, summer concerts, Scarecrows, Riverfest, and summer and winter carnivals. Welcomed back this past summer was the the Festival of Fireworks. We feel Jaffrey is still a great place to live, raise a family, or retire. Our goal is always to continue to improve. We are proud of our community spirit and services we offer to all.

2017 MODERATOR'S REPORT

Once again it is my pleasure to report to you, the voters of Jaffrey. As I prepare to enter my 28th year as your Town moderator, I am aware of the honor and the responsibility that comes with the position. The conducting of the elections is always a challenge. This year we have the Town elections in March, the State primary election in September and the general election in November. For some of the State and Federal elections we receive inspections from the Attorney General's office. I'm pleased to report that Jaffrey has always had a perfect or near perfect score. The moderator is charged with the overall responsibility of the elections, but credit goes to the volunteer ballot clerks, the supervisors of the checklist, the assistant moderator and our highly competent Town Clerk Kelly Langevin-Rollins. We also thank our hosts, the Jaffrey Veterans of Foreign Wars Post 5613. The business portion of our annual Town meeting is held at the Pratt Auditorium at the Jaffrey-Rindge Middle School and, from start to finish, it is always interesting. Over the years I have been very fortunate to have had David Tower, long serving Rindge Town and School District Moderator, and my predecessor, retired Superior Court Judge Bernie Hampsey, as mentors. If you're reading this at Town Meeting you'll know that Bernie is my assistant moderator this year. Phil Cournoyer has been my assistant moderator since I was first elected in 1990. It has been very reassuring to me to have had his wise counsel and help. Many thanks to all of you for your encouragement and support throughout the years. Here's to a productive Town meeting.

REPORT OF THE CEMETERY COMMITTEE

THE CEMETERY COMMITTEE was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey's public cemeteries: Conant, Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is composed of representatives of the American Legion and Veterans of Foreign Wars, Historical Society, Cournoyer Funeral Home, Board of Selectmen and up to five appointed Members-at-Large. Randall Heglin, Director of Public Works, and Bruce Hautanen assist the Committee in its work. The *Resolution* establishing the Committee and the *Cemetery Rules and Regulations* are on the Town's website: http://townofjaffrey.com

*Sections A, B & F single lots only. Additional lots will become available in future years.

During 2017 the Committee met six times with Town staff to discuss operation, budget and maintenance issues, or to undertake inspections. Each cemetery is visited by the Committee at least once a year. A designated member of the Committee oversees each cemetery. This oversight involves inspecting the cemetery from time-to-time and reporting on conditions and problems at Committee meetings. Members of the Committee also participated in several work sessions to clean or straighten headstones.

Katsura Landscaping continues to do an excellent job of grass cutting, cleanup and grounds maintenance at all the cemeteries.

Charlie removed many feet of unused water lines in The Old Burying Ground. These had been hindering mowing. He also 'weed whacked' the Smallpox Cemetery. On August 12, Bruce conducted a stone cleaning workshop at Cutter Cemetery (see https://rs41.smugmug.com/Cemeteries/Stone-cleaning-workshop-August-12-2017/). A video was made of this (see https://vimeo.com/230438946). A number of stones have since been cleaned by volunteers. The materials and techniques employed are approved by the National Park Service.

A Cemetery Trees Trust Fund was established at the 2007 Town Meeting. The balance of this fund at the start of the year was $5,398.28. At last year's Town Meeting, $1,000 was added to the fund. Expenditures from the fund totaled $3,300, $250, paid to GreenLife Tree Care for

pruning in Cutter Cemetery & Extension and Katsura Landscaping for mulching in Cutter Cemetery, and $3,050 paid to Wally's Tree Service for tree removal in Conant and Cutter Extension cemeteries. At the end of the year the balance of the Cemetery Trees Trust Fund was $3,118.41.

The Cemetery Trees Trust Fund (private donations) was established in 2008. The balance of this fund at the start of the year was $506.50. Maple trees were planted along the south boundary of Cutter Extension by Katsura Landscaping at a cost of $475. The closing balance of the fund was $34.15. Individuals may make tax-deductible donations to this fund which is for the care and planting of trees in the Town's cemeteries.

A Gravestone Restoration Trust Fund was established at the 2000 Town Meeting to support the repair and maintenance of damaged or vandalized gravestones. The balance of this fund at the start of the year was $5,382.13. At last year's Town Meeting, $1,000 was added to the fund. At the end of the year the balance of the Gravestone Restoration Trust Fund was $6,012.28. Repairs were made by Peterborough Marble & Granite in The Old Burying Ground and in Conant and Cutter Cemeteries for total of $400. Minor gravestone repairs, cleaning and stone straightening were done by volunteers, mainly in The Old Burying Ground.

The Committee co-sponsored with the Jaffrey Historical Society a walking tour of The Old Burying Ground on Sunday, June 25, 2017. The gravesites of various prominent Jaffrey citizens were visited on this very well attended guided tour. (The hand-out guide is available at http://www.rs41.org/jhs/obgtour.pdf) A similar tour is being planned for 2018.

The Jaffrey Department of Public Works maintains a Cemetery Database which can be found at http://www.townofjaffrey.com/Pages/JaffreyNH_Bcomm/Cemetery/inventories.

Residents and lot owners are reminded that the Town's *Cemetery Rules & Regulations* and *A Guide to the Public Cemeteries of Jaffrey* are available from the Department of Public Works and on the Town website http://townofjaffrey.com. The Cemetery Committee has a page on the site under Boards & Committees.

The Committee thanks those volunteers who have shown an interest in Jaffrey's cemeteries by devoting their time and attention to their care and maintenance over the past year.

Conservation Commission

The Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watersheds. The Commission provides a focal point within the town and its government for environmental concerns. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission also manages designated town forests.

The Conservation Commission holds regular meetings, open to the public, on the fourth Wednesday of the month at 7 p.m. in the Town Hall. Meeting minutes are posted on the Town's website. The Conservation Commission's section of the Town's website also contains detailed information about the Town's conservation areas and a copy of the Natural Resources Inventory inluding detailed maps of resources within the Town of Jaffrey.

Numerous projects were planned and approved during 2017 with Conservation Commission members actively attending meetings of the ZBA and the Planning Board. The Commission reviewed DES applications, inventoried conservation lands in Jaffrey and continued to develop an open space sub-committee. Several site visits were made to Cheshire Pond Conservation Area, Children's Woods and Carey Park for trail development and restoration. Other activities included developing a supportive relationship between the Conservation Commission and the Villi Pony Farm, continued efforts to support conservation easements, planning educational programs for the public, sponsorship of a Jaffrey student for an educational conservation camp and continued monitoring of easement properties. Our activities are detailed below:

- An Open Space Sub-Committee continues with Bill Graf as chair. In coordination with the mission of the Conservation Commission and the Open Space sub-committee, a relationship with the endangered Newfoundland Pony breed was established using the ponies as ambassadors to raise awareness of conservation and open spaces in Jaffrey. The ponies were used to assist clean-up of Children's Woods and Carey Park for Earth Day, and Riverfest activities, with future events planned.

- Cheshire Pond Conservation Area (CPCA): Charlie Koch completed a Forest Plan for this area with Conservation Commission members hiking through potential new loop trail placement areas. Such trails will be laid out through some of the land currently without trails including some high land and some wetland areas which will require raised boardwalks. The Commission had the entrances to CPCA surveyed and plans were approved to create a small parking area at the Letourneau entrance. Gates will be installed at that entrance as soon as the trail is repaired by DPW. Meetings were held with abutters to allay concerns. It is hoped that it will be possible to add parking spaces on the Nutting Road entrance and gates and bars will be installed there as well.

- Charlie Koch also completed a Forest Plan for Children's Woods and Carey Park. Results include possible timber harvest to manage areas for wildlife. However, access is currently limited and will need to be investigated further.

- The Land Acquisition Capital Reserve Fund (LACRF) was funded with $5,000 at the 2016 Town Meeting.

- DES Applications: Numerous DES applications were reviewed and site visits were made regarding the applications.

- Monadnock Conservancy has received grant support for developing the William Royce property for conservation easement, a project that will be supported financially by the Conservation Commission.

- Students at Jaffrey-Rindge Middle School, working on Community Service projects under the direction of Thomas Meehan constructed a beautiful park bench and picnic table that were donated to the Conservation Commission. They will be placed on town owned conservation areas in the spring.

- Educational Programs:

  A program on Vernal Pools was held at the Jaffrey Civic Center presented by Brett Amy Thelan in conjunction with the Harris Center for Conservation.

  Newfoundland ponies assisted in the Earth Day Spring cleanup with Conservation Commission members and volunteers in Children's Woods and Carey Park.

  Jaffrey Conservation Commission brochures were placed in the Town Library, Rails to Trails kiosk, Recreation Center, Welcome Center, Civic Center, Community Bulletin Board, Teen Center and distributed at Riverfest.

  The Jaffrey-Rindge Envirothon students won first place in the state competition and the Conservation Commission proudly supported their program financially.

  The Conservation Commission contributed toward a scholarship for a Jaffrey student to attend Camp Wildwood, the Massachusetts Audubon Society's Conservation Camp.

  Riverfest activities included a display of invasive species along with the Natural Resource Inventory base map and wildlife maps. To emphasize the need for conservation of all species, an pony from Villi Pony Farm, a Newfoundland Pony Rescue facility, attracted many visitors to our booth. Additional educational material related to conservation, wildlife and nature and recreational areas was on display. JCC's weed wrench, available for use by town residents, was on display.

  Numerous Commission members participated in the Complete Streets Initiative to encourage safety for resident pedestrians through development of sidewalks, bike lanes and road crossings.

  Members attended the following educational programs:

Mapping, Removal and Monitoring of Aquatic Invasives
The Town's Role in Invasive Species Management
Aquatic Resource Mitigation Fund Resources
Town and Community Forests
Forest Society's Updated Conservation Easement Model
Alternatives to Cold-Calling Landowners
Approval Processes for Spending Town Conservation Funds
Maximizing Impact, Engaging Youth: Conserving Land Near School

- Monitoring of Easements:
  Grey Goose Easement: Annual monitoring of the Grey Goose Easement was completed by William Graf, Francis McBride, Charlie Koch and Carolyn Garretson. All easement requirements were in compliance.

  Whittemore Island Easement: The Monadnock Conservancy, as holders of the easement completed the annual survey.

  Children's Woods and Carey Park: The Monadnock Conservancy, as holders of the easement completed the annual survey.

- Regular activities of the commission also included review of wetland permit applications, site visits of applications, and responding to town residents who had questions relating to conservation issues.

- The Jaffrey Representatives to the Contoocook and North Branch Rivers Local Advisory Committee are Carolyn D Garretson and James Webster. The new chair of the committee is Matt Lunstead, an Environmental Engineer from Peterborough.

- Membership:
  Two new alternate members were added this year, Serra Gauthier and Ann Marie Furnival. Current membership includes Pamela Armstrong, Kathy Batchelder, Carolyn Garretson, William Graf, Francis McBride, Tim Rothermel and Elizabeth Webster. Our alternate members are Nan Beiter, Nora Bryant, Ann Marie Furnival, Serra Gauthier, Michael George, Charles Koch and Patricia Weiner. Our Select Board Representative is James Cushnie Moore. We are extremely fortunate to have such a strong and dedicated membership.

  In 2018, the commission has plans to:

- Establish active programs in the Open Space Committee
- Establish parking spaces on CPCA land at the Letourneau entrance to Cheshire Pond Conservation Area
- Install gates at the Letourneau Road and Nutting Road entrances
- Lay out a new trail loop with wetland crossings in CPCA
- Install a kiosk at the Letourneau Road entrance with maps of trails

- Finalize the Forestry Plan for Children's Woods/Carey Park and Cheshire Pond Conservation Area
- Charles Koch, at the direction of the commission, will continue to develop forest plans for our town owned conservation areas.
- Provide additional educational programs for the public and for commission members
- Present a program on acquatic invasive species including programs to the Select Board to provide initial control for invasives in the Contoocook River
- Continue to participate in ZBA and Planning Board site visits
- Monitor town held easements
- Review DES applications
- Provide information on conservation easements to interested residents

As your conservation commission, we welcome your participation and input on any and all conservation issues. We invite visitors to our meetings and look forward to developing new initiatives that will conserve and promote Jaffrey's unique character.

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

The Economic Development Council (EDC) is made up of business people, community leaders, and local residents with an interest in promoting the economic vitality and growth of Jaffrey. The EDC is committed to promoting business friendly policies and creating business and job opportunities which build on our retail and manufacturing base.

We regretfully accepted Peter Davis' resignation this year. Peter has served the town for many years in several capacities, from Selectman, to being the first Economic Development Director and then serving as long-time EDC Board member. His insight and knowledge of town events will be missed.

This year in review begins with the EDC prioritizing top issues to address in 2017: Creating opportunities for new business to move downtown, completing a hazardous building materials and Phase I assessment for the WW Cross building, increasing access to broadband, promoting Jaffrey as a tourist destination through a map and local guide to events, and improving traffic through downtown.

A major milestone on the Route 202/124 Traffic Improvement project was met this year through the final contract approval by the Governor and Executive Council. An Advisory Committee was appointed by the Selectmen. Members include representatives of the Chamber of Commerce, TEAM Jaffrey, Downtown Businesses, industrial business/trucking, Conservation Commission, Planning Board, Schools and Citizen at large. Town staff are included in advisory committee meetings as support to the DOT, consultant and committee.

A subcommittee working with the Planning Board undertook an effort to review the downtown business district with an eye to expansion. After meeting over the course of the summer and into fall, a proposal was made to the public at a workshop in December. As a result of that effort the Planning Board agreed to take the next steps of public hearing for a possible vote at the 2018 Town Meeting.

One priority of obtaining ownership of the section of rail trail behind Rite Aid, extending to Webster Street, was achieved this year. The goal is to install lighting along this stretch to make it more safe and inviting as an alternative to the northeast side Peterborough Street, where there is no sidewalk.

Work was completed on preliminary design and engineering for improvements and extension of sidewalks downtown and completing the rail trail from Webster Street to Hillcrest Road. It is hoped that grant funds can be won from the Department of Transportation – Transportation Alternatives Program to implement the plan. Complementary to this work was the Planning Board's Complete Streets Initiative which prioritizes improved pedestrian and bicycle access in the downtown area. Here the volunteer crew are demonstrating options for cross walks at the Jaffrey Grade School.

Through the Planning and Economic Development Department, we provide guidance for new and expanding businesses on the development process and coordinate with the planning board and building department along the way. Our larger businesses continue with expansion plans, and interest in commercial space continues to grow. We are happy to see business clusters taking shape and provide information and support through the Economic Revitalization Zone Program. Four such zones have been adopted in Jaffrey, these provide business profits tax credits and business enterprise tax credits for new investments.

We look forward to the coming year and the opportunities it will present as we proceed with ongoing projects and begin new initiatives to help sustain Jaffrey's economic vitality.

Historic District Commission

In 1969 the citizens of Jaffrey established the Jaffrey Historic District Commission whose mission is to aid in preserving the rich cultural, social, economic, and architectural histories of our town. 2017 was a busy year meeting with members of our community seeking our guidance for a wide variety of concerns. These included appropriate window replacements, roofing designs, materials selections, fencing, landscaping and a shed installation all keeping with District Commission standards. Most notable is the beautiful new roof on our Meeting House that reflects the pride that Jaffrey has in our historical treasures.

In July, members of the Commission met with representatives of the CLG for a Performance Standards Evaluation. At this meeting The Commission received a certificate from the National Park Service, Department of the Interior congratulating Jaffrey on being a Certified Local Government and partner in the Federal Preservation Program since December 28, 1987.

The Commission invited the representatives to visit the Jaffrey Civic Center. In communications later, the CLG recognizes the Civic Center as a “gem” and is assisting us with the possibility of the Civic Center being placed on the National Registry. This will continue to be explored with the valuable assistance of Regina Vorce, Executive Director of the Civic Center, Jo Anne Carr, Director of Planning and Economic Development, Town of Jaffrey, and Rob Stephenson, Jaffrey Historical Society.

Most gratifying was the statement made by Amy Dixon, CLG representative writing: “it was nice to see how cordial the process is you’ve established in the district and the consultation you provide to make the process run smoothly.

The Commission continues to co-sponsor the annual reading of the Declaration of Independence at our historic meeting house on the 4th of July.

Monthly meetings of the Historic District are held on the first Thursday at 7pm. Winter meetings are held at the Town Office Building and summer meetings in the Meeting House in Jaffrey Center. These meetings are open to the public and all interested parties are invited to attend. Agenda and minutes can be viewed on the town website at www.townofjaffrey.com

Library Trustees

The Library Trustees have had to fasten their seat belts for the year 2017. Under the leadership of our new Director, Julie Perrin, the library has undergone the most major transformation since the addition to the building was added in 1990. Dubbed the Big Shift, the Children's Department has been re-located to the main floor and the long-dormant upper floor has been re-opened to the public (now called the History Floor), staffed by volunteers, many of whom are members of the Historical Society. The public meeting space has been re-located on the lower level, offering a larger, non-claustrophobic room. It is now available to community organizations after library hours.

Usage of the library for all types of activities has surged in 2017. Highlights of the many improvements include:

- Re-instatement of Saturday hours
- New book clubs for youth and adults
- Many new activities and programs for all ages
- Hiring of High School students as Library Pages
- Collaboration with many community organizations
- Monthly email newsletter
- Social media presence on Facebook

2018 promises to be another banner year as the Library plans to install the magnetic Cutter Creativity Wall and acquire a 3D printer. But the biggest improvement will be something the community has desired for years - a climate controlled building! Finally.

Respectfully submitted,

Francis McBride

REPORT OF THE MEETINGHOUSE COMMITTEE

THE MEETINGHOUSE COMMITTEE advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

The Meetinghouse served as a venue for many events in 2017: Amos Fortune Forum (seven lectures), two Electric Earth concerts, a dance performance, Conant High School's 25th annual Shakespeare Festival, 101st annual First Church Fair, a Rotary Camp Quest visit and three weddings. The Meetinghouse was also the scene of numerous other meetings, school group visits, and gatherings between May and October. The Committee, along with the Jaffrey Historical Society, the Village Improvement Society and the Historic District Commission, co-sponsored the 17th annual reading of *The Declaration of Independence* on the Fourth of July. The Meetinghouse was again full and the 39 volunteer readers did a marvelous job. All are invited to attend and participate.

The Committee made thorough inspections of the Meetinghouse in April and November. Between these inspections a variety of projects were undertaken, sometimes by members of the Committee and at other times by volunteers, contractors or Town staff (primarily Glenn Ruschioni): Inspection and servicing of the Town clock (overseen by Kevin Sterling and Dick Boutwell and with the professional involvement of D'Avanza Clock Repair of Goffstown); annual testing of the fire alarm system by Monadnock Security and the fire extinguishers by Guyette Fire Protection; and the usual touch-up painting.

Other than this there were no major projects in 2017. The South and East facades are due for painting in 2018, this work have been delayed because of the roof replacement project.

Much attention during the past year was focused on replacing the wood shingle roof which had reached the end of its useful life. Leaks had occurred on the south side and have caused a certain amount of damage. The Town retained Catlin + Petrovick, architects of Keene, to assist in the process, prepare specifications, participate with the Town in the bidding process and oversee the work. The total project cost stands at $81,729. The Town was fortunate in receiving both a LCHIP (NH Land & Community Heritage Investment Program) grant for one half of the project cost as well as a Mooseplate grant for $10,000, not to mention donations totaling $21,994 from the Amos Fortune Forum, Bean Family Foundation, Jaffrey Center Village Improvement Society, Jaffrey Historical Society, Jaffrey Historic District Commission Trust, Meetinghouse Trust Fund, Terra Nova Trust and an anonymous gift. The remaining necessary funds—yet to be determined but likely under $5,000—will come from the Municipal Buildings Trust Fund. Additional information may be found at http://www.rs41.org/Meetinghouse/roof.htm

The balance of the Meetinghouse Trust Fund at the start of the year was $10,028.93. During 2017 rental fees for the use of the Meetinghouse totaled $2,825. At last year's Town Meeting, $1,000 was added to the fund. Expenditures from the trust fund totaled $5,000 for the roof replacement. At the end of the year the balance of the Meetinghouse Trust Fund was $13,494.09.

For the twelfth year a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 4th. Organized by the Village Improvement Society. As always, candles are set in the south windows of the Meetinghouse for the holiday season and remain lighted well into January.

The Meetinghouse has its own webpage, hosted on the Town's website at http://townofjaffrey.com. Go to > Boards & Committees > Meetinghouse Committee. Here you

will find, among other things, historical and financial information, photographs, the current and past schedules of events, and the application and guidelines for use.

The Committee would like to thank Judy Zola, Town Administrative Assistant, for her supportive and professional attention to Meetinghouse matters particularly in scheduling and overseeing applications for use.

The calendar for next season is beginning to fill. Most events benefit the Town through rental fees.

MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State statute and is charged to advise and guide the Department of Resources and Economic Development on the managed lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept tax deductible donations. MAC funds are a primary source for search and rescue supplies and equipment.

Members of the Commission include two representatives from each of the towns these mountains are part of, the Monadnock State Park manager, the commissioner of DRED (Department of Resources and Economic Development), and the Director of Parks. Other members and guests include representatives from the State agencies represented above, as well as the NH Division of Forests and Lands, SPNHF (Society for the Protection of New Hampshire Forests), Antioch University MERE (Monadnock Ecological Research and Education) Project, and Monadnock State Park volunteer coordinator.

The commission met three times in 2017. The two regular Spring and Fall meetings include voting on any expenditures, hearing reports from the various agencies in attendence, and reviewing and discussing recommendations and new business. In addition to the regular meetings, a third meeting was called in May in order to focus on reviewing the Monadnock State Park Master Plan, which was last adopted in 2003 and needs updating to reflect current needs and pressures on the State Park.

Day use of the State Park facilities in 2017 was slightly down from 2016, in part due to inclement weather during what are usually peak usage times. However, significant upgrades are needed at the State Park Headquarters in order to adequately serve and process the visitors to that site. Much of the meeting time this year was devoted to developing the most effective plans to address these needs, which include expanding the capacity of the bathhouses, the function and placement of the visitors center, and a better placement of the tollhouse and improving the traffic flow. Plans for those upgrades are being developed.

Much work is done each year to maintain and improve the trails on the mountain, some by volunteer crews and some by hired professional crews. These improvements provide significant use and preservation benefits, but accomplish far less than the estimates of needed work. Capital budget requests continue to reflect these needs.

Much time and effort has been spent attempting to come to an understanding of what the effect would be of over-use of the mountain, and what steps and controls would be necessary to prevent that. While no definite conclusions have been made beyond steps already taken, this is a major consideration and responsibility of the Monadnock Advisory Commission.

PLANNING BOARD

Your Planning Board was busy throughout the year with 23 applications and a number of initiatives to move our community forward.

Update: The Board reviewed 6 Minor Subdivisions, 5 Technical Subdivisions, 9 Site Plans, held 2 Compliance Hearings and approved an Excavation application in 2016.

Initiatives:
The Planning Board received a grant from the Southwest Region Planning Commission to proceed with adopting a Complete Streets Planning and Design Guideline. With considerable volunteer support this work was completed, adopted by the Planning Board and the Select Board by resolution.

The Board was asked to appoint a representative to the Jaffrey-Rindge Cooperative School District Apportionment Committee, in response to the School District vote to study alternative apportionment formulae. Laurel McKenzie offered to stand in.

In May, the Planning Board updated the design standards for managing storm-water on site plans and subdivisions. This change brings improved runoff volume and flow requirements as well as providing improvements for water quality.

Work continued on the Master Plan Update after Completing the Vision and Community Character Chapter last year, the Board took on the Population and Housing and Regional Context Chapters. These are currently in draft form, we anticipate a public hearing in early spring.

The Board also considered changes to the zoning ordinance, and on the recommendation of the subcommittee a modest expansion to the General Business District is proposed for approval at Town Meeting. This change expands the District along Main Street and Turnpike Road. On feedback from the public a new table of uses is proposed as a "business light" in order to protect the character of the neighborhoods. There were a number of additional map changes, mostly correcting district boundaries, aligning district with property lines and allowing the General Business District along Route 202 north.

The Board continues to support the Downtown Traffic Study for improvements to the Route 202/124 dogleg with participation on the Advisory Committee reviewing alternatives.

Erlene Lemire retired in October, after 14 years of service to the Town. On behalf of the

Board, we thank Erlene for all she has provided to the board over the years. With Erlene's departure, we welcomed Becky Newton as our new organizer in Chief. JoAnne Carr continues to do an excellent job in her thoughtful role as the Town's Planner. I know that I have found her to be a valuable resource for the town. In fact, our thanks go to all the dedicated Town employees who make the town run on a daily basis and provide us guidance in performing our roles effectively. It's up to us as residents to set the agenda, but I have found our Town staff to be friendly, responsive and genuinely interested in the best interests of our community.

Other than the change with Erlene, the Board has been stable through 2017, with only one departure. Rob Deschenes retired from the board this year, Patty Farmer moved from Alternate to Board Member to fill the opening. As of the date of this report, we are still seeking an alternate member to join our ranks. Please consider adding your voice to our group and working to steer our community forward into a bright future.

There are many important issues facing our community in the coming years. Changing demographics, the effect of technology on how we live, pressures to fund our schools – all have a direct bearing on how we plan for the future. One such program currently under development is the Downtown Traffic study. Of all the issues that we currently have on our plate, the possibility to re-invent our downtown, and through that provide an economic boost to our community is our most promising way forward. I encourage all residents of our community to take a positive, forward looking approach to considering the options and arriving at a great outcome.

The board enters the 2018 year energized and ready to work with our existing and future residents to build a better community. Thank you for the opportunity to serve.

Respectfully submitted,

Tim Gordon on behalf of the Planning Board

SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist are responsible for maintaining an accurate and current list of the voters in Jaffrey. We are elected for six year terms and report directly to the Secretary of State's Office. The state has established a state-wide electronic data base of voters and supervisors are responsible for maintaining the Jaffrey portion of this list by registering new voters and removing voters who have moved out of the town or have died. The Supervisors meet very regularly on a weekly or monthly basis to make corrections to the Checklist and add new registrations. In addition they have special sessions prior to elections to register new voters. Dates for these special sessions are listed on the Town of Jaffrey website. New voters may register to vote with the Town Clerk during normal business hours and may also register at the polls during town, state and general elections.

In addition to registering voters and maintaining the Checklist, the Supervisors attend all Town Meetings and the School Deliberative Sessions to provide oversight. We certify signatures on petitioned articles to the Town Warrant as well as certifying nominations for state and federal offices.

The table below shows the number of Jaffrey voters for the past three years:

	Voters	Dems	Reps	Undeclared	Libertarian
2015	3530	1019	1075	1436	
2016	4008	1201	1283	1524	
2017	3970	1183	1258	1528	1

The year 2018 will see local elections as well as state and federal elections. New voters may register to vote in these elections with proof of identity, citizenship and residence.

January 2018

As we start a new year, we at TEAM Jaffrey look back on the accomplishments and growth of 2017. With continued support from our friends, associates, and residents, we have kept our mission statement in focus as we planned our events, decorated the town, and continued to build partnerships with our businesses and organizations, to enhance, revitalize, and improve downtown Jaffrey.

2017 brought many successes:

- We improved our Farmer's Market on the Common by giving it its own day and attention, adding Lil Sprouts Kids Klub to encourage our young residents to learn about agriculture, planting, shopping locally and supporting our local farmers.

- We continued with *RiverFest, Scarecrows on the Common*, our signature event, and we added a second year to our popular *Breakfast with Superheroes* and *Spaghetti with Santa*. We sustained our yearly *Town Wide Clean Up*, *Downtown Plantings*, *Summer Concert Series*, and *Trick or Treat on the Town* with over 45 businesses and organizations participating. Our holiday season brought uniformity to our downtown with our Design Team's, *Wreath Sales* and our *Holiday Decorating Contest*, produced one of our best participation from our town's businesses with 25 decorating for the Judge's and People's Choice Awards. 2017 Judge's Award went to Christine Givens of Givey's Barber Shop and for People's Choice, our 2017 winner was, USA Karate.

- New to our menu in 2017, we added a *Paint & Sip*, *The Teal Pumpkin Project*, *Fall Dress Up*, became a contributing founder of *Welcome to Jaffrey Committee*, developed a more media savvy campaign with an updated website and Facebook page, and on November 3rd, we revealed our new logo! We had a very busy and successful year!

TEAM Jaffrey remains a proud member of the National Main Street Program, which encourages a mix of funding sources including municipal support, event income, as well as corporate and community donors. With this backing we will continue to advance our goals in 2018:

- Pilot Franklin Pierce Internship Program
- Form a Youth Advisory Board to encourage our younger generation to be more involved in town through volunteering
- Prospective New Events
- Continue to improve and enhance our annual projects
- Encourage new business on Main Street and continue to support our existing owners

Again, we would like to thank all our donors, volunteers, friends, the residents of Jaffrey, as well as our Town partners, for the on-going support and generosity we have received year after year. We will continue to evolve, improve and work hard to bring focus to our downtown and stay the course of making Jaffrey the best it can be.

JRMA

Jaffrey - Rindge Memorial Ambulance Inc.

Emergency medical response and transport in the Town of Jaffrey is served by Jaffrey-Rindge Memorial Ambulance. We are a dedicated 27-person service comprised of per-diem and on-call staff administered by 3 Supervisors and a Board of Directors. We operate two fully equipped, advanced life support ambulances from our Main Street station.

We currently have three Paramedics, seven Advanced EMTs, and eleven EMTs. Two providers are on duty at the station from 6 a.m. until 6 p.m. ready to respond immediately to any medical or trauma call. New this year, we added weekend daytime station duty to expand our immediate response to 7 days a week. From 6 p.m. until 6 a.m. providers are on call and turn out from home. All field personnel are dedicated and licensed providers who stand ready to assist with all emergency medical situations.

In December we purchased a new ambulance, trading in our 12 year old vehicle. We also upgraded our ambulance stretcher to a power lift version, saving the backs of our providers. With upgrades in communications, telemetry, and medication delivery we are able to transport critical cardiac patients directly to Manchester for faster intervention.

Jaffrey-Rindge Memorial Ambulance responded to an average of 90 emergency calls a month and served about 1,000 patients, reflecting a 10% increase in volume this year. We are able to bill Medicare and insurance companies only when a patient is transported to a hospital. Consequently we rely on other sources of revenue such as town subsidies, fund raisers, and donations to meet our expenses. Replacing or maintaining vehicles and equipment, expanding technology, the costs of training, insurance, and a modest payroll require a worthy budget. Our mission is to maintain the high quality of service we currently provide in Jaffrey and to remain on the leading edge of best practice in the field of emergency medical care.

We thank the Jaffrey and Rindge Fire Departments and Police Departments for their cooperation and assistance. We are most appreciative of the support we receive from the Selectmen and particularly the townspeople who value and contribute to JRMA. We remain at your service.

Joint Loss Management Committee (Safety Committee)

The purpose of the Joint Loss Management Committee (JLMC) is to conduct research, develop recommendations, and study and review matters pertaining to occupational safety and health within the Town of Jaffrey.

The JLMC consists of ten (10) members who are employees of the Town of Jaffrey and the membership consists of both management and staff personnel and is representative of the major work activities (departments).

The JLMC holds regularly scheduled meetings on the first Thursday of the month, quarterly during the following months: March, June, September and December and will hold special meetings whenever necessary.

Agendas are distributed and posted and the JLMC maintains written minutes of each meeting which are posted, made available to all town employees and retained. Additionally, the JLMC conducts safety inspections of all town buildings and promotes training for all employees whether job specific or applicable to all the town's employees.

The duties of the JLMC are generally consistent with the New Hampshire Department of Labor's Rules and Regulations.

During 2017, the Town of Jaffrey experienced no lost-time injuries. As a result of the efforts of the committee and all town employees, Jaffrey was recognized by Primex (workmen's comp and property & liability insurer) and will receive reductions in insurance premiums beginning in 2018.

STAFF REPORTS

TOWN MANAGER

I am pleased to submit my first annual report for the Town of Jaffrey. My service began on March 6, 2017 and Lynette and I were fortunate to move into our home in Jaffrey by early May. We have enjoyed living in Jaffrey and working with our new community.

The Town saw quite a few personnel changes in 2017. Congratulations to Erlene Brayall, Scott Stevens and Howard Eaves on their retirements – we wish you the best of luck! The Town Office added part-time Finance Assistant Kelly Sawtelle and part-time Assistant Municipal Clerk Judy Roberts this summer. The Police Department hired Patrol Officer Brian Riley and Lieutenant Todd Muilenberg, while the Highway Department hired Jeff Wright. Finally, Becky Newton was hired as the new Property Clerk and the first face you see inside the Town Office. Welcome to you all.

The Town Office underwent some interior and social media changes this year. The Clerk/Tax Collector's counter received a facelift and consolidated into one service area to improve customer service. Additionally, flooring was replaced in the lobby, in property records and on the second floor to improve appearances. Behind the scenes, we are now operating public meetings on Livestream to facilitate transparency and afford residents a chance to see our meetings live from home or later via archives. The Town's website underwent an upgrade in cooperation with the Library – visit us at www.townofjaffrey.com. Finally, the Town is on Facebook to serve as an official public notification page. Thank you for your patience while we were under physical and virtual construction.

A couple of key issues were on the forefront for Jaffrey in 2017 that will continue to impact us in years to come. First, the Route 202 improvement project entered the advisory committee phase and the opportunity for public participation will continue. Second, the Jaffrey-Rindge School Board placed an article on their warrant changing the apportionment formula to 100% average daily membership – a total shift in excess of $1M onto the taxpayers of Jaffrey. The vote on this article will be March 13th on town election day. Citizen involvement makes our communities stronger and I encourage you all to participate in these important processes and decisions.

In closing, I would like to express my gratitude to the Town's staff for enduring the Town Manager transition and for their patience with me as I learn the Town's processes.

Respectfully submitted,

2017 Total Calls for Service	**360**	**100.00%**

The 2017 calls for service percentage by day of the week were fairly even with **19%** of the calls occurring on Saturdays followed closely by **17%** on Wednesdays, Tuesdays **16%**, Sundays **15%,** Mondays and Fridays **12%**, and Thursdays **9%**.

The Fire Department ended 2017 with a staff of twenty-four (24) that included the Fire Chief, Assistant Fire Chief, two (2) Captains, three (3) Lieutenants and seventeen (17) Call Firefighters. The department currently has fifteen (15) Certified Firefighter II Firefighters, four (4) Certified Firefighter I Firefighters, three (3) Probationary SCBA/PPE Firefighters and two (2) Youth Firefighters. Fifteen (15) of the Firefighters are Certified Emergency Medical Technicians (EMT).

FIRE DEPARTMENT

Two of our Firefighters returned home from serving our county on active military duty. We would like to take this time to thank Greg Beals and Clayton Lampinen for their service as well as our Retired Firefighters, Family Members of our Department and all the Men and Women that have served or are actively serving our Country in the Military.

All apparatus / vehicles are currently in good condition. Continued maintenance and care along with annual maintenance and required testing should allow for the apparatus / vehicles to remain on track for the years of service as estimated in the Apparatus Replacement Schedule for the Capital Improvement Plan. We have submitted a proposal for the replacement of the fire department boat on 2018 Town Meeting Warrant and ask for support to approve the use of funds from the Fire Department Capital Reserve Fund to make this purchase. The firefighters continued to train weekly, monthly and throughout the year as well as conducted weekly equipment and apparatus checks. The trainings, equipment and apparatus checks will continue to be a priority which allows the equipment and apparatus to remain in response ready status and for the firefighters to be prepared to respond to calls for service in a safe, timely manner and to the best of the department's ability.

TOWN OF JAFFREY
FIRE DEPARTMENT

In response to the challenge of recruiting new call firefighters for the fire department we initiated the First Jaffrey Fire Department Recruit School in September. The recruit school was a four-week program designed to allow people a chance to voluntarily sign for the program to learn about what it takes to be a call firefighter. The recruit school program was put together by Lt. Ray Turilli and with the help of a few of the firefighters the recruit candidates were given class room instruction, quizzes and practical evolutions. At the end of the four weeks the recruits were given a final written exam as well as a practical exam in our training building.

As an additional effort to address the recruitment of new call firefighters we also created a program to encourage the involvement of 16 and 17-year-old high school youth through a Youth Firefighter Member Program. The drive behind the Youth Member Program is to provide an opportunity to encourage and have youth become interested in the field of firefighting, rescue and emergency services, as well as training and educational mechanisms to prepare them as a youth firefighter for future advancement to a call firefighter when they turn 18 years old. I am happy to announce and would like to congratulate Stephen Turilli and Nicholas Bergeron for attending and graduating from the First Jaffrey Fire Department Recruit School. Not only were Stephen and Nicholas the first ones to attend and graduate the recruit school but they are also the first Youth Firefighters Members to be hired by the Jaffrey Fire Department.

TOWN OF JAFFREY
FIRE DEPARTMENT

As part of the Youth Firefighter Program we are working closely with the Conant High School in supporting the Firefighter I (FF I) and EMT Course offered to high school Juniors and Senior students through the Applied Technology Program at Conval High School as this program would allow the youth firefighters during their junior and senior year at Conant to take a FF I Class and EMT class as part of their normal high school classes. Successful completion of this high school program would allow the student to take an exam and practical to receive their Firefighter I Certification and be promoted from a youth firefighter to a call firefighter when they turn 18 years old. New ideas and a creative plan of action need to continue to be a priority to resolve the shortage of firefighters and future needs of the fire department.

With today's modern building construction, furnishing materials, plastic, electronics, chemicals and fabric materials firefighters are exposed to dangers contaminates during a fire incident which created a need to have showering facilities for the firefighters to decontaminate before returning home or back to work. A discussion and a plan needs to be drafted to resolve the lack of showering facilities at the fire station. Part of this discussion and plan should be what are the immediate and long-term building and facility needs for the fire department. The Fire Department will be asking the Town Manager and Select Board for permission to start looking at ways to fund this future project so that we can correct and solve immediate and future issue while also looking at ways to lessen the financial impact on the Town but keeping firefighters health and wellness the number one priority.

Smoke alarms save lives and when properly installed and maintained play a vital role in reducing fire deaths and injuries. If there is a fire in your home, smoke spreads fast and you need smoke alarms to give you time to get out. Here is some important information you need to know and do:

- A closed door may slow the spread of smoke, heat and fire.
- Install smoke alarms in every sleeping room and outside each separate sleeping area. Install alarms on every level of the home.
- Smoke alarms should be interconnected. When one sounds, they all sound.
- Large homes may need extra smoke alarms.
- Test your smoke alarms at least once a month.
- There are two kinds of alarms. Ionization smoke alarms are quicker to warn about flaming fires. Photoelectric alarms are quicker to warn about smoldering fires. It is best to use of both types of alarms in the home.
- When a smoke alarm sounds, get outside and stay outside.
- Replace all smoke alarms in your home every 10 years.

TOWN OF JAFFREY
FIRE DEPARTMENT

Carbon Monoxide (CO) Alarms are just as important as smoke alarms. Here is some important information you need to know and do:

- CO alarms should be installed in a central location outside each sleeping area and on every level of the home and in other locations where required by applicable laws, codes or standards.
- For the best protection, interconnect all CO alarms throughout the home. When one sounds, they all sound.
- Follow the manufacturer's instructions for placement and mounting height.
- Choose a CO alarm that has the label of a recognized testing laboratory.
- Test CO alarms at least once a month; replace them according to the manufacturer's instructions.
- If the audible trouble signal sounds, check for low batteries. If the battery is low, replace it. If it still sounds, call the fire department.
- If the CO alarm sounds, immediately move to a fresh air location outdoors or by an open window or door. Make sure everyone inside the home is accounted for. Call for help from a fresh air location and stay there until emergency personnel declare that it is safe to re-enter the home.
- If you need to warm a vehicle, remove it from the garage immediately after starting it. Do not run a vehicle or other fueled engine or motor indoors, even if garage doors are open. Make sure the exhaust pipe of a running vehicle is not covered with snow.
- During and after a snowstorm, make sure vents for the dryer, furnace, stove, and fireplace are clear of snow build-up.
- A generator should be used in a well-ventilated location outdoors away from windows, doors and vent openings.
- Gas or charcoal grills can produce CO — only use outside

It is very important to make sure you don not hesitate to call the fire department by dialing 911 if you see fire, smell smoke or have other indicators that you may have a fire or other emergency. Several times this past year we had incidents where people hesitated to dial 911 or they call the fire department non-emergency number which delayed the notification of the fire department and delayed the response of the fire department. If you have any doubt dial 911.

Equally important to all the tips we have listed is making sure that your home or business is identified with the correct address number and the address number is posted. Address numbers shall contrast with the background, be a minimum of four (4) inches in height with a ½ inch

TOWN OF JAFFREY
FIRE DEPARTMENT

minimum brush stroke width and be plainly visible from the road fronting the property. When the address can't be viewed from the public way, a post, mailbox or other sign shall be used to identify the structure. Address numbers that are installed on a post, mailboxes or sign shall have numbers installed so that the number can be read from either travel direction on the road or street.

The level of service provided by the fire department, the facilities, apparatus, equipment, tools, funding and support provided are made possible by the dedicated firefighters, their families, the retired firefighters, the Jaffrey Firefighters Company Inc., the FAST Squad, local businesses, citizens, taxpayers and all of the fire departments in the area that helped us in a time of need. We thank you for your continued support and assistance.

Anyone that is interested in becoming a call firefighter or has ideas as to how to help resolve our staffing problems should contact the Fire Chief at the fire station 532-8377, by email **firechief@townofjaffrey.com** or visit the fire departments website **www.jaffreyfire.org** for information on joining the fire department.

LIBRARY DIRECTOR'S REPORT

Jaffrey Public Library experienced transformational growth in 2017. With a renewed commitment to our mission to promote literacy in all its forms, the Library has become a 21st century center for learning and information access, and the public has responded with a dramatic increase in usage of library services.

This year alone, we registered 345 new library users, bringing the total number of active library accounts to 3,740. In 2017, we documented 35,686 visits to the library, up from approximately 20,000 visits in 2016. Circulation, the number of materials checked out from the library, also showed a pronounced increase with 46,634 items checked out in 2017. Our Summer Reading program boasted 320 participants, more than double last year's participation. This year, 5,770 adults and children attended Library programs.

The Library's collection is strong and varied with physical holdings numbering 35,959 and shared digital holdings (eBooks and downloadable audiobooks available through the state consortium) at 37,734. In 2017, we added 1,908 new titles to our physical collection, of which 731 (valued over $17,000) were funded by grant programs and donations, at no cost to taxpayers. 4,358 items were withdrawn from the collection as part of a comprehensive collection development and maintenance plan, according to professional standards. Many of these withdrawn items were duplicate titles that we were able to donate to smaller libraries, the Cheshire County Jail or NH Department of Corrections. This number also includes the deletion of titles from our system that had long since been lost or withdrawn in previous years but not recorded.

To augment these traditional holdings, the Library added new electronic resources, available 24/7 to cardholders, in the form of databases for job searching, career planning, education, and language learning. These are in addition to our online genealogical resources and research databases. As we expanded the availability of professional staff, we also witnessed a marked increase in the number of reference and technology questions answered by staff. In 2017, we answered 6,785 reference questions and provided technology assistance on 1,396 occasions.

This year also saw a space redesign that moved Children's services to the Main Floor of the library to create family-friendly inter-generational spaces and expand Ground Floor meeting spaces. A former staff work room was adapted to be a Learning Lab for children, complete with 3D printer. Public computer workstations were reconfigured to provide a quiet computer space in the Wetherell Room. The top floor of the Library was renovated and reopened to the public this fall as a quiet History Floor. A new partnership with the Jaffrey Historical Society and the participation of a new team of library volunteers will help to showcase the town's rich history through exhibits and programs on the History Floor, in a space that had until now, been unavailable to the general public. The space redesign, dubbed the Big Shift, was funded by private donors and trust funds managed by the Library Board of Trustees, at no cost to taxpayers.

Since the return of Saturday hours last Spring, we have provided the community with individualized service six days a week. We look forward to serving you in 2018.

POLICE DEPARTMENT

I brought it on myself when, in last year's annual report, I bragged a bit about having been at full staffing levels for 3 years and the benefits to the town resulting from that condition. The ink hadn't dried on that report when I learned that Lieutenant Choate and Detective Hileman were retiring from full time law enforcement to pursue civilian business career opportunities. The substantial impact on our schedule was lessened somewhat as each of them agreed to continue working for our department on a part-time basis as we began the work of backfilling their open positions.

Later in the year Sergeant Stevens announced that he was also retiring after serving the town of Jaffrey for over 28 years.

Finally, Crossing Guard Paul St. Pierre decided that it was time for him to give up crossing guard duties and enjoy his retirement by spending fewer days standing in the driving rain and blowing snow as he escorted Jaffrey's school kids across streets on their way to and from school each day.

These were all personnel with several years employment with the town and all held key specialized positions within the department. Change is inevitable. It's never pleasant to lose good people, but these departures came about for what I consider to be the "right" reasons. My sincere thanks and gratitude go to Sgt. Scott Stevens for his 28 years of police service, Lt. Terry Choate and Detective Joseph Hileman for their nearly 12 years each and Paul St. Pierre for his nearly 5 years of service as a crossing guard.

The happy ending, at least of this particular chapter, is that at the time of this report we have been successful in refilling all 3 of the full time officer positions. Better yet, all 3 positions were filled with "already certified" police officers saving the town multiple tens of thousands of dollars in training costs associated with hiring of uncertified people. This almost unheard of good fortune is due in large part to the support given to our department by this community. We welcome Lieutenant Todd Muilenberg, Officer Brian Riley and Officer Amanda Swanson to our ranks and look forward to receiving the benefit of their prior police experience.

It is the commitment of this department to honor the faith and support we receive from the community by providing professional level police services with the goal of maintaining the safe and welcoming environment the town enjoys. Please let me know if there is anything we can do for you in that regard.

Chief William Oswalt

PROSECUTOR'S OFFICE

Annual Report

In 2017, the Town of Jaffrey Police Department continued to be the agency that submitted the highest volume of cases to the Court for prosecution. Since the introduction of "felonies first" legislation in 2016, felony cases are submitted directly to the Superior Court. This has resulted in a slight drop in the number of cases going before the District Court. This year the Jaffrey Police Department submitted 59 felony cases directly to the Superior court for prosecution.

The decriminalization of marijuana in New Hampshire this past September has reduced the number of misdemeanor cases that we previously experienced however, the number of violations level offenses are consistent with the number of cases that we have had in the past. The legalization of recreational marijuana use in bordering states and the overall societal acceptance of its use has undoubtedly contributed to the frequency of Possession of Marijuana cases that we have handled. It is disturbing to see the amount of use / abuse of marijuana by our youth.

The most common types of cases that come before the court are: Drug and alcohol related DWI cases, simple assaults, domestic violence, trespass, suspended driver's licenses, and alcohol and traffic related offenses. Although it is not reflected in the number or types of arrests made, the opioid epidemic still maintains a presence in Jaffrey and the Monadnock Region.

In 2017, after 27 years on the bench, our Judge, the Hon. L. Phillips Runyon, III reached mandatory retirement age for judges and retired. He was a true gentleman in and out of the court room and a fair and open-minded jurist. He is greatly missed. As a result of his retirement, Judge Burke from the Keene Court and Judge Crocker of the Milford Court presided over our cases on an interim basis. Despite procedural differences, their years of experience on the bench and patience made for a seamless transition period. We will be assigned a new judge in 2018.

Once again, throughout this past year Administrative Office of the Courts has further reduced the number of scheduled court sessions and we're likely to have even deeper cuts for 2018. Compared to many years ago, this is only a fraction of the court sessions that we had which translates to having less court time to handle a higher caseload resulting in some longer court sessions and longer delays before case resolution.

It was also our pleasure in 2017 to host and take part in a Moot Court session for the Conant High School Criminal Justice Class. The session went well and we're hoping that it will be repeated in the future. We also had a Conant High School student intern work with us over the school's summer vacation. We also continued to enjoy the partnership that we've had with the Con-Val High School student intern program. However, the status of that program is now unknown based on the departure of their long-time coordinator Mary Lou O'Neil who also recently retired.

In cases where it is applicable we have had $11,228.14 in restitution ordered to be paid to victims through the Court, Department of Corrections or through our office.

In 2017 we received revenue in the amount of $350.00 through the collection of discovery fees.

The statistical breakdown is as follows and includes cases that are open, pending, or closed out in 2017.

2014	2015	2016	2017
599	682	583	536

Of the 536 cases, 25 were juvenile, 40 were motor vehicle, and 471 were adult criminal cases. In addition, there are 110 cases for which bench warrants have been issued that remain unresolved.

Richard Carpenter, Jr.

REPORT OF THE PUBLIC WORKS DEPARTMENT

Cemeteries/Parks and Commons Division: In 2017, the Town performed 7 full-body and 10 cremation burials. The staff assisted and participated with the Cemetery Committee by attending regular meetings, work sessions and the annual cleanup. Annual cemetery cleanup day was performed in November which removed materials from gravesites in preparation for winter and those that do not comply with the regulations to improve the general appearance of the facilities. The Town continued contracting out landscaping maintenance activities to a private contractor. As a reminder to those who have loved ones buried in the cemeteries, artificial flowers are not permitted. These arrangements get entangled in the landscaping equipment and are a serious hazard to the workers. Grave owners and families are encouraged to visit the cemetery webpage on the Town of Jaffrey website to review the current cemetery regulations. Also included on the website is an inventory of interments within the Conant, Phillips-Heil, Old Burial Ground and Cutter Extension Cemeteries.

Highway Division: In 2017, the Highway Department reconstructed Cross Street and sections of Fitzwilliam Road, Great Road, Gilmore Pond Road, Old Sharon Road and Nutting Road. Pavement overlays were accomplished on a section of Amos Fortune Road, Bourgeois Street, Dionne Street, and Woodbound Road. Sidewalk resurfacing was accomplished on Cross Street and Goodnow Street. In the Fall, the Town received funding from the State which were required to be used for roads and subsequently overlay paving was accomplished on Hillcrest Road, Nelson Circle and Tyler Hill Road and an additional section of Fitzwilliam Road was reconstructed. Preventive maintenance crack-sealing of roadways was undertaken on Fitch Road, Lakewood, South Shore and Carmella Drives. Highway Crews performed winter and summer (seasonal) maintenance on over 64 miles of Town roads (including 20 miles of gravel road) and assisted other Departments throughout the year including the Water, Sewer, Recreation, Fire and Police Departments.

The Mechanic with assistance from Highway staff maintained and kept operational the Town's vehicles and in addition to maintaining highway department vehicles, over 240 hours of labor was expended maintaining Fire, Police, Water, Sewer, and Recreation Department vehicles and equipment.

Wastewater Division: In 2017, the wastewater treatment plant processed approximately 182,253,000 gallons (average 499,323 gallons per day) of wastewater from 825 connections. Suez Environmental is the contract operator of the sewer facilities including the wastewater treatment plant, Hadley Road pump station and head works, 5 sewer collection pump stations and approximately 20 miles of collection sewer. As part of their normal operations, 11 manholes were repaired. During 2017, there were 17 callouts for sewer related problems (blockages or overflows in the collection system) of which 4 were on the Town side.

The Town completed the eighth full year of operation of the advanced wastewater treatment plant and six full year of operation of the filtration system providing tertiary treatment both built to comply with NPDES requirements and an EPA Administrative Order to meet more stringent effluent standards.

Total residential septage waste received at the wastewater plant during 2017 was 2,296,625 gallons (equivalent to about 2,296 - 1,000 gallon residential septage holding tanks). Revenues to the Town from septage disposal totaled approximately $188,570 for the year.

The septage receiving station upgrades to accommodate the volumes of septage that the facility is receiving is currently under design. The Department was able to secure USDA Rural Development funding for the project. The design is nearing 90% complete and it's anticipated that the project will be advertised for construction in 2018.

Total sludge processed at the wastewater plant in 2017, was 139.7 dry tons. The sludge was then transported to the Merrimack, NH wastewater plant composting facility where it was composted for beneficial reuse.

As reported last year, replacement of the River Street and Nelson Circle sewer pump stations were both substantially complete by the end of the 2016. During 2017 the projects "punch list" and additional site work was completed and the projects were closed out. The cost for these projects is aided by the State of New Hampshire CWSRF.

A project to begin decommissioning the old aeration lagoons was initiated in the Fall with the approval of NHDES. Lagoon #1 was dewatered and suitable fill that was made available as a result of a construction project at Millipore was begun to be placed in Lagoon #1 by the end of the year. Once completely filled the restored lagoons offer a future site for public benefit projects.

Finally, Suez' contract for operations of the wastewater facilities was extended for another 5 years following receipt of competitive proposals from Suez and Veolia. The department thanks former Board of Selectmen Chairman Don MacIssac and Planning Board Member and former Chairman Ed Merrill who volunteered their time to review the proposals and participate in interviews with the Public Works Director and Town Engineer.

Water Division: In 2017, the Department produced 131,397,640 gallons (average 359,994 gallons per day) from four (4) groundwater wells at the Contoocook, Turnpike, and Squantum well houses and provided potable drinking water and fire protection to over 1,500 accounts in Jaffrey and Rindge.

In addition to daily checks and maintenance of the pump stations, samples and state reporting, the Department performed high water usage checks for customers, located water lines for Dig Safe, performed seasonal water turn-on and shut-off requests and assisted with leak detection and providing materials as needed. The Department also responded to two (2) water main breaks, four (4) service line breaks, repaired four (4) curb stops, repaired one (1) hydrant and replaced one (1) flushing station. Three hundred and fifteen (315) hydrants were flushed during the spring and the fall. One hundred and eight (108) meters were replaced and one hundred and thirty-six (136) MXU (radio read) were changed out.

Continued administration of the Cross Connection and Backflow Testing Program with town staff and a contractor to complete mandatory semi-annual testing of all backflow prevention devices in town. To date there are 113 backflow prevention devices at 58 businesses, schools and town buildings included in this program and tested twice per year.

The Town completed an asset management plan in 2014, following receipt of a $15,000 grant from the New Hampshire Department of Environmental Services for asset management and financial planning of the water distribution system. The plan which included expanding the buried water system inventory; organizing and incorporating the water system geographic system (GIS) data and the Town's existing GIS data into a web-based GIS; and, updating the water distribution system model also prioritized water main improvement projects and, developed a capital spending plan. The first such improvement project was approved at the 2016 Town Meeting and was substantially completed during the year with replacement of old water mains on Main Street and Mountain Road and improvements at the Prospect Street booster pump station. During 2017, the project's "punch list" was completed and the project closed out. The funding for this project is aided in part by the State of New Hampshire DWSRF.

The Water Department continues to be proactive in identifying leaks in the distribution system. The Department monitors the water production carefully and compares to billing and other records as a means of ensuring that we are most efficiently pumping and treating the water to both limit operating costs and preserve the valuable resource.

Administration and Engineering: In 2017, in addition to managing all Department of Public Works functions, assistance was provided to other town departments and committees as necessary including the Cemetery Committee, Recycling Committee and Joint Loss Management Control Committee. Special projects included continued work on GPS/field locating and GIS mapping of the water and sewer system physical structures, drainage structures, and signage inventory; infiltration/inflow reduction program for the sewer system; water conservation and asset management programs; administration of the industrial pretreatment program; updating the wastewater local limits and sewer use ordinance; administration of the septage program; and, cemetery inventory program.

Staff renewed Green SnowPro Certification (DES and the Snow and Ice Management Association). This program covers highway winter maintenance and more efficient methods to improve or enhance plowing and ice control. One such method is calibration of spreaders which

results in more efficient treatment of roads with salt and sand. The Highway Department purchased and installed a loader scale which more accurately calculates the amount of salt and road sand loaded to the trucks for treatment. We continue to monitor and refine the application rates of materials used.

An asset management study of all vertical water assets (water supply wells, water storage tanks and booster pump station) funded in part from a competitive grant from DES, was initiated during 2017 and similar to other asset management studies completed in Jaffrey for water mains and wastewater facilities. This study focuses on civil/process, architectural/structural, HVAC/plumbing, electrical/emergency power, instrumentation and controls, and safety and security. Ultimately the end product will be a risk-based prioritization with planning level cost estimates to quantify and identify short and long-term maintenance and repair of the facilities to preserve the asset and to appropriately plan for its ultimate rehabilitation or replacement.

Energy audits by DES of all wastewater and water facilities and equipment were undertaken during 2017 for Jaffrey. Following benchmarking results for the wastewater facilities, a more in-depth audit was conducted by DES and Process Energy Services, LLC at the wastewater treatment plant and sewer pump stations. The Town was also able to receive similar energy audits at each of the municipal wells and Prospect Street pumping station.

The LED Streetlight conversion project began its first phase with the installation of six (6) LED streetlights on Turnpike Road and Stratton Road. The purpose of the pilot is to compare various manufacturer's fixtures and the light quality and coverage by each light. This study allowed the Department to to choose two preferred manufacturers. In 2018, a comprehensive RFP will be advertised for the turnkey replacement of all existing metal halide street lights with energy efficient LED streetlights at an anticipated significant power (cost) savings.

In 2017, the Department assisted the Meetinghouse Committee in the procurement of a contractor to replace the roof at the Meetinghouse. The Department worked with the architect for the project to develop a bid package suitable for the public procurement process, as mandated by the funding agencies for the project. Additional assistance included bid opening, pre-construction meeting, periodic project inspection, processing of periodic payments to the contractor and project closeout.

The Public Works Software program which tracks all service requests and complaints that public works receives including but limited to road conditions (summer and winter), drainage problems, water turn-on and shut-offs, sewer blockages and general questions on cemeteries and transfer station. The program also tracks the maintenance activities being completed at all town buildings. Residents can either call the office, use email, or can access through the Town's website. During the year, 576 service requests were documented and handled.

The department continued to work with the NHDES Dam Bureau on dam inspections and updating of operations and maintenance and emergency operations plans.

Oversee gas and groundwater monitoring as required by NHDES at closed landfill and wastewater lagoons and file required reports.

The division also applied for and received various DES permits for culvert work and highway maintenance as needed and as required.

Support was provided to the Planning Board as needed by reviewing site and subdivision plans, inspecting development projects, preparing bond recommendations for projects incorporating public improvements and approving as-built plans.

Building maintenance activities are coordinated through the Department. The building maintenance craftsperson assisted all departments with miscellaneous building related items. Additionally, renovation to the Tax Collector and Town Clerks' office were coordinated through the department.

Solid Waste/Transfer/Recycling Division: Material received and processed at the Transfer Station in 2017 included the following approximate amounts: 832 tons compactor waste, 511 tons bulky waste including construction and demolition debris, 189 tons recycled material (plastics, paper, corrugated), 111 tons light iron, 6.4 tons aluminum, 513 home electronic items (televisions, computer monitors, VCR and DVD players, and microwaves), 4 containers of tires (38,400 lbs), 48 propane tanks, batteries, 181 Freon containing items (refrigerators, freezers, air conditioners, and dehumidifiers), and fluorescent bulbs.

In March of 2016, the Board of Selectmen appointed an Ad-Hoc committee to study operations at the Transfer Station and make recommendations to the Board with regard to operations, revenues and facility improvements including building and layout. The committee met several times a month and visited several nearby facilities to compare operations to Jaffrey. The Committee continued in 2017 and presented a plan to the Board of Selectmen in 2017 with recommendations for facility improvements. Staff continues to provide support to the committee as requested.

In 2017 facility improvements included the addition of three vertical balers which supplement the existing two balers and allow for dedicated baling for each of the three types of plastics,

cardboard and aluminum. A new glass crusher was purchased to replace the old crusher that hd failed. A security camera system was also installed during the year.

The transfer station also began a vegetable oil recycling program to supplement the waste oil program offered to residents.

The town expects to continue participation in the regional Household Hazardous Waste disposal program offered in Keene in 2018 with collections held during summer and fall. The town in cooperation with DES, EPA and DEA has sponsored prescription drug take-back days at the Jaffrey Police Department as well as area police departments in accordance with a national program to promote safe drug disposal and keeping discarded drugs from solid waste and wastewater.

In 2017, the Town of Jaffrey was awarded a grant from NH the Beautiful (NHtB) in the amount of $4,350.00. This grant was used toward the purchase of the three (3) vertical balers described above.

NH the Beautiful, Inc. (www.nhthebeautiful.org) is a private non-profit charitable trust founded in 1983. All NHtB funding comes from voluntary donations made by the soft drink, grocery, and malt beverage industries in NH.

NHtB has been helping New Hampshire communities improve their recycling programs for over 30 years by providing equipment grants and recycling signs as well as offering discounted pricing on recycling bins and containers.

NHtB New Hampshire the Beautiful, Inc. also supports the NRRA School Education Program (the CLUB). The Northeast Resource Recovery Association (NRRA) (www.nrra.net) is administrator for the New Hampshire the Beautiful programs.

NH the Beautiful is pleased to support the Town of Jaffrey in its efforts to improve its recycling program.

Planet Aid reported that a total of 4,456 pounds (2.23 tons) of donated clothing was collected at the receptacle box located at the Transfer Station.

The staff will continue to check for valid "dump" stickers and remind all residents that stickers can be obtained at both the Town Clerk's office and at the Transfer Station with a proof of residency. Seasonal stickers can be obtained at the DPW office.

We continue to process commodities through the NRRA, which competitively bids commodities and insures the best prices for their members. Throughout this year, we have seen the prices received for recyclables remain dismal. We are attempting to stockpile some recyclables until the market improves as we are able to receive more favorable pricing if full loads of the same commodity are sent to the vendor. Estimated revenue received from the sale of these commodities and fees totaled approximately $ 28,980 in 2017. By actively recycling, the town saved over $29,760 by not disposing of recyclable items along with household trash. Following is a summary of the materials processed at the Transfer Station last year.

During 2017, Foreman Bruce Hautanen celebrated 40 years of service to the Town and Department of Public Works. Also, during the year, Highway Department Truck Driver Howard Eaves retired in November with over 10 years of service. Howard was a valuable employee to Public Works and we wish him well in retirement. Two new employees, Chris Sylvia and Jeff Wright were hired in 2017.

RECREATION DEPARTMENT

2017 saw continued expansion in youth, teen, and adult program offerings and facilities and ground improvements through the dedication and diligence of the department staff. A big "Thank You" is due to the staff of the Recreation Department team for reaching and surpassing programming and maintenance goals. To: Caren Lewis, Dana Kurylo, Anne Maher, our seasonal maintenance staff, program coordinators, lifeguards, summer counselors, Youth Advisory Committee, and numerous volunteers: the department's success is because of you!

Thank you to the many residents who have taken time throughout the year to stop and compliment us on how beautiful the parks and facilities are look. Dana Kurylo, our lead maintenance technician, with assistance from our seasonal maintenance staff and the Department of Public Works, have completed various improvement projects throughout the year that have enhanced the look of each recreational property under our care.

The part-time maintenance staff at the Recreation Department is responsible for the daily and seasonal care and maintenance of recreation facilities and grounds located at Community Field, Shattuck Park, Contoocook Beach, Humiston Park, and the War Memorial. The Recreation Department is also responsible for snow removal for the public walkways at the Town Offices, Police Department, Public Library, and Town Common as well as the set-up and clean-up for elections and town meeting.

In addition to the responsibilities listed above, the following projects were completed:

Community Field:

- Rebuilt, relocated, and painted the storage shed.
- Created new "hard pack" pathways and bleacher pads
- Moved fencing, created pathways, and removed a concrete slab to make the facility ADA compliant.
- Improved the softball infield and outfield.
- Regraded lawn area to reduce trip and fall hazards.
- Regraded parking lot area.
- Completed a water mitigation project with the help of the DPW
- Removed hazardous trees.

Contoocook Beach:

- Painted support beams.

Shattuck Park:

- Removed hazardous trees.

RECREATION DEPARTMENT

Humiston Park:

- Completed War Memorial improvements.
- Removed overgrown shrubs with the help of the DPW
- Improved the batting cage area.
- Painted exterior bathrooms and installed new exhaust fans and lights.
- Improved the lawn.
- Completed ballfield improvements to the infield and outfield.
- Painted exterior doors on all buildings.
- Removed old playground equipment.
- Site prep work for new playground.
- Painting of "multipurpose" room.

The Recreation Department's Youth Advisory Committee (YAC) concluded its second calendar year in operation and continues to meet the first and third Mondays of the month September through June. The mission of the YAC is to build a connection between youth, during their middle-school and high-school years, and their community, by giving the youth a voice in what services are provided for their age group by the Parks and Recreation Department in a team environment where the youth feel heard and their ideas validated. Any youth in grades 6+ are invited to apply to be a member to the YAC and work directly with the Recreation Director to create programs specifically for middle and high school aged youth so teen programs provided by the Recreation Department are designed for the youth by the youth. The YAC has helped the department create over 40 offerings for teens including classes, field trips, summer camp activities, and a teen dance series throughout the 2017 calendar year. This is a significant increase in offerings compared to the approximate 9 offerings for teens offered in 2014, the year prior to the creation of the Recreation Department's Youth Advisory Committee.

Our monthly adult trip program, "Lunch Bunch", which began late fall of 2016 saw a growth in popularity throughout 2017. Traveling to a different restaurant, diner, or pub within one to one and a half hours from Jaffrey each month, the Lunch Bunch program allows our adult residents to get out of the house and socialize in a relaxed environment.

Our weekly adult coffee club held on Wednesdays from 9:30am-11am at the Jaffrey Civic Center, continues to be a well-attended. Coffee and refreshments are provided for participants as they social and enjoy the changing art exhibits.

RECREATION DEPARTMENT

Unlike the previous winter, January and February 2017 provided consistent cold temperatures which enabled plentiful enjoyment of outdoor winter activities. The ice skating rink was open for many weeks and kids of all ages twirled and dance, or shot hockey pucks. The afterschool ski program ran at maximum capacity with 22 children skiing or snowboarding at Crotched Mountain on Tuesdays and Thursday afternoons for five weeks., The Recreation Department partnered with New Hampshire Fish and Game to offer a free Lean to Ice Fish class, and participants enjoyed hands-on practice out on the pond.

The winter weather also provided the opportunity for residents to "snow" us what they were made of in our First Annual "Spontaneous Snowman Challenge." Jaffrey residents were encouraged to get outdoors and enjoy the snow by spontaneously making a snowman anytime during the winter season. Congratulations to The Cummings family for being the first "Spontaneous Snowman Challenge" winners!

Indoors, the Youth Basketball Program ran Saturday mornings through January and February. 75 children ranging in age from preschool through 6th grade took advantage of this opportunity to hone their skills on the court. 7th and 8th graders are reminded that they are also welcomed to participate.

School break weeks provide an opportunity for the children to try something new. February school vacation trips had children bowling, swimming, rock climbing, skiing and snowboarding; playing at the Franklin Pierce Bubble; watching movies, roller-skating, and playing laser tag. While during April school vacation week, children got a spring time version of our Adventure in Movement summer day camp program and a chance to work on their basketball skills at Pure Shot Basketball Camp.

March brought our first spring window painting contest with 16 participants of all ages, children through adults. Our annual Halloween window painting contest had 25 participants of all ages, children through adults.

The Annual Easter Egg hunt was held on a Saturday April 8, 2017 at Humiston Park. Nearly 1,500 brightly colored eggs dotted the snow-covered field. Within minutes, the eggs were gone and the children were delighted by their collection. Thank you to our volunteers from Conant High School Interact Club who hid eggs, provided a Mr. E. Bunny, and painted faces. Thank you to the volunteers from our weekly Senior Coffee Hour who filled all the eggs with treats for the event. A special thank you to Amy

Caron for volunteering her photography skills and capturing the magic of the event. Images can be found on our Facebook page.

May saw the start of our first afterschool golf program for teens through a partnership with Shattuck Golf Club. The program had maximum participation with 13 youth receiving golf instruction and time on the course each week.

Our 2nd Annual Mother-Son Extravaganza held on June 2, 2017 had us sporting grass skirts and bowling with coconuts at Contoocook beach for a luau themed beach party. This outdoor event was attended by 32 mothers and sons who braved temperatures lower than average and a breeze off the lake. *Brrr!*

Our annual June trip to Maine for the famous Foster's Clambake was once again sold out as well our trip to see the Tall Ships in Boston, and our Safe Sitter Baby Sitter training course held in June and July. Thank you to The River Center and the Jaffrey Fire Department for partnering with us so we could offer the Safe Sitter class.

Summer time activities kicked-off at the end of June and continued into July and August with the return of our Adventure in Movement (AIM) summer camp program, Challenger Sports British Soccer Camps, Marlin's swim team, Pure Shot Basketball camp, baseball camp, our annual trip to see the Red Sox, and swim lessons at Contoocook Beach. The summer also brought the new adult fitness classes at Contoocook beach including: Aqua Zumba classes, yoga, and kick boxing.

New this year, AIM counselors and one week of our teen AIM campers received Basic Water Rescue Training from JPRD's Lead Lifeguard Katie L'Ecuyer, a certified Water Safety Instructor. We invited counselors from Rindge Recreation Department to join in the training so we could spread the water safety message.

Contoocook beach was open from Memorial Day weekend through Labor Day weekend. It was guarded five days a week throughout the summer due to lifeguard staffing shortages. The snack shack was staffed for the same time schedule. Shattuck Park was not guarded this year due to lifeguarding staff shortages and budget reductions.

In August, we wished Anne Maher, the department's part-time program coordinator, farewell after one year of service. Anne oversaw the department's usual line-up of youth programs in addition to organizing and implementing new programs for the department including a spring window painting contest, afterschool golf for teens, adult fitness classes on the beach, adult wiffleball, and flag football.

RECREATION DEPARTMENT

The new school year brought the start of Club Rec, our active before-school morning care program, overseen by Tom Fahey. Tom's background as a camp counselor, tennis, and hockey coach has allowed children in our Club Rec program to learn new games, learn how to play tennis, and learn how to skate. Thank you to the community members who donated ice skates so all the children in our Club Rec program could learn to ice skate.

In September, we kicked-off our Saturday morning youth soccer program and our first NFL Flag USA Football program held on Sunday mornings. The soccer program served children in preschool through 6th grade and we had 97 participants in 2017. The flag football program served children in kindergarten through 8th grade and we had 26 participants in our inaugural year. Thank you to all the volunteer coaches for these programs. Without you, we would not be able to offer these youth sport programs.

In the fall of 2017, the Recreation Department applied for and was award a grant to build a new playground. The old playground had reached its end of life (20 years old) and no longer met playground safety standards as indicated by a report completed by a certified playground safety inspector. Some hazards identified in the report were not able to be corrected. The new playground equipment will be installed in late spring 2018, will meet current safety standards, will meet ADA requirements, and will serve more children and ages. The old playground was removed in early December and site work was begun for the springtime playground installation.

The 3rd Annual Halloween Hoopla entertained approximately 300 people throughout the course of the evening with carnival games, a costume contest sponsored by McDonald's of Jaffrey, hot food, and a spooky trail created by the Recreation Department's Youth Advisory Committee. Thank you to Conant High School's Interact Club and JPRD's Youth Advisory Committee for volunteering to run the carnival games.

The 3rd Annual Father Daughter Dance, sponsored by the Woodbound Inn, was held on November 11, 2017. A sold-out event again this year with 160 people in attendance, we once again had to turn away approximately 25 people. The Father Daughter Dance is one of our favorite events of the year. We try to create an affordable, special evening to honor the bond between little girls and their father/father-figure. Thank you to all the fathers, grandfathers, uncles, and family friends for devoting your evening to the young lady in your life. The smiles, excitement, and love which emanates from both these little ladies and their special guy, fills the room. You are creating memories

to last a lifetime. Thank you to all those who helped make this year's event possible, our sponsor The Woodbound Inn, Colls Garden Center & Florist, Caren Lewis, Tim Boudrieau for being the dj, and the many volunteers from Conant High School's Interact Club who helped us decorate and photograph the event.

Over 200 people joined us on the Town Common for the Town of Jaffrey's Annual Tree Lighting held on December 1, 2017. The Common was decorated with festive luminaries and sounds of Christmas carols provided by the Girls Scouts, Brownies, and Daisy troops. Town Manager Jon Frederick accompanied by his wife Lyn Frederick, read "The Polar Express" while children waited with excitement for Santa Claus to arrive with silver Christmas bells in hand. With lights and sirens ablaze, all knew Santa was on his way, arriving by fire engine courtesy of the Jaffrey Fire Department and escorted by the Jaffrey Police Department. Upon arrival, Santa greeted the crowd and provided the Christmas magic needed to light-up the Town Tree to the delight of all. Thank you to the all the organizations and individuals who helped us create this magical holiday event: Jaffrey Girls Scouts, Brownies, and Daisy troops; Jon and Lyn Frederick; Conant High School Interact Club; Jaffrey Police Department; Jaffrey Fire Department; Jaffrey Public Library; Jaffrey Park and Recreation Department's Youth Advisory Committee.

The Annual Holiday Craft Fair held at Conant High School's Pratt Auditorium continues to be a favorite community tradition, now in its 37th year! Handmade and other goods from over 60 vendors were on sale while Santa Claus visited with children young and old, along with his elves. Over 650 patrons walked through the doors while an impending winter storm threatening to start at any moment. The broken-down concession food truck would have left us with no concessions, but the event was rescued by Jennifer Greenough. Thank you to Jennifer! Jennifer pulled a concession stand together for us at the last minute and oversaw it all day, with help from Michael Greenough and the Youth Advisory Committee as well. Thank you to the Recreation Department's Youth Advisory Committee for volunteering to help where needed during the event, including helping set-up and clean-up the event, assisting Santa Claus, and working in the concession stand. Thank you to Conant High School Interact club members for assisting Santa Claus and helping with day-of advertising.

Renee Sangermano

Incorporated: 1773

Origin: In 1749 this territory was chartered as Monadnock Number 2, sometimes called Middle Monadnock or Middletown. It was one of the first towns established under the New Hampshire proprietors' purchase of undivided lands under the Masonian claim. The grant was renewed in 1767, and the town incorporated in 1773 as Jaffrey, in honor of George Jaffrey, member of a prominent Portsmouth family. Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.
