

TOWN
OF
Jaffrey
NEW HAMPSHIRE

2022 Annual Report

Dedication

CYNTHIA HAMILTON

The Board of Selectmen are dedicating this year's town report to Cynthia Hamilton in recognition of her significant efforts serving the Town of Jaffrey. As a Jaffrey native, she returned to Jaffrey in 1976 and has been volunteering since.

Some of Cynthia's accomplishments include:

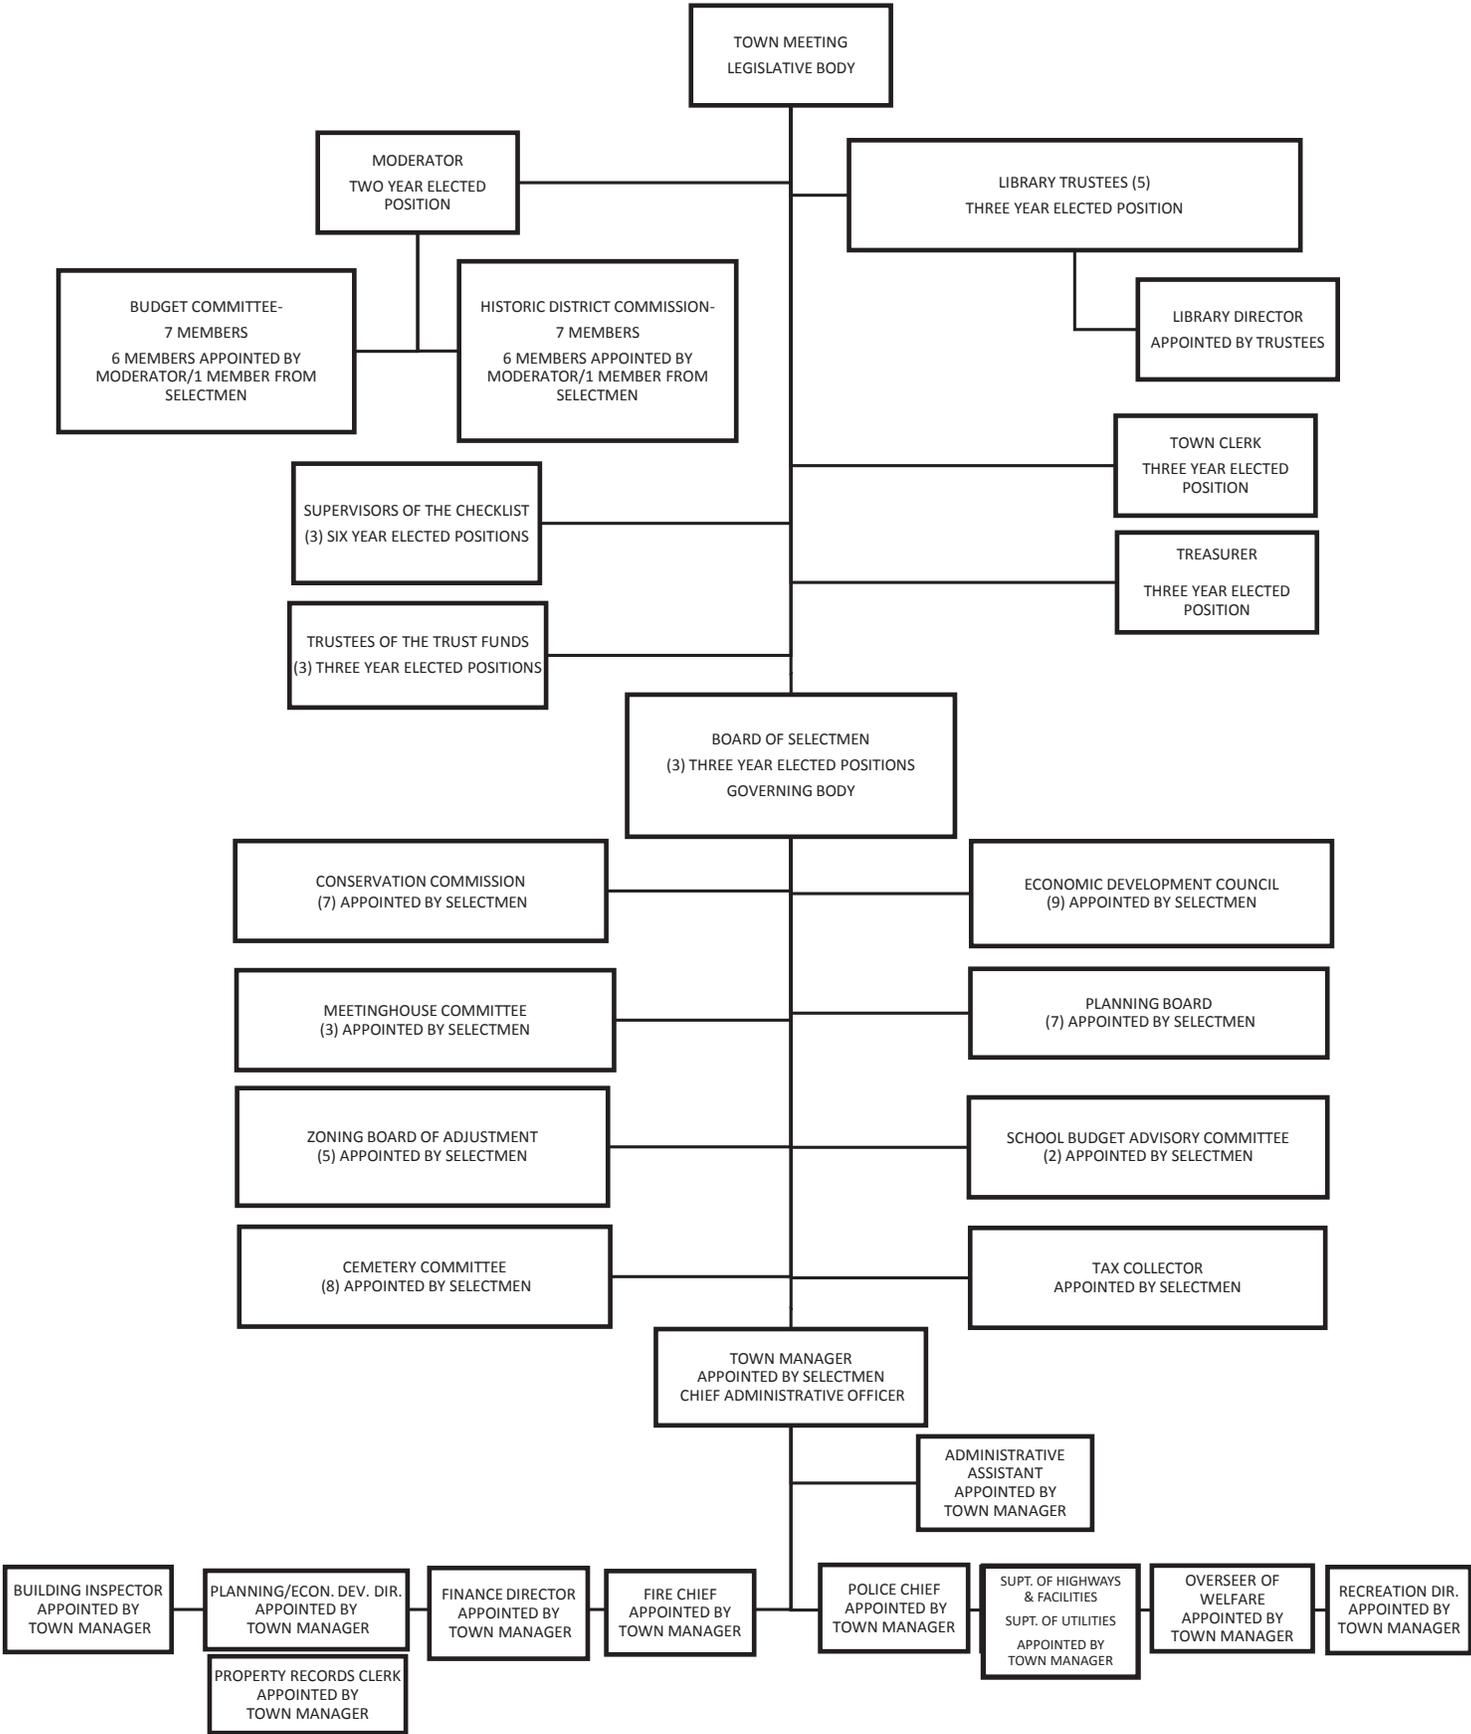

- Library Director 1982-1996,
Cynthia was instrumental in the building of the new library wing in 1990
- 2010 Jaffrey Chamber Citizen on the Year
- Frequent visitor to Rehabilitation Center providing companionship & comfort
 - Food Pantry volunteer
 - Jaffrey Woman's Club member
 - Jaffrey Chamber of Commerce volunteer
- Member of the Steeple Restoration Committee,
which helped to raise \$102,000 to save the clock tower
- Member of the Jaffrey 250th Committee
 - Alice Poole Fund Member

**We thank you, Cynthia,
for your service to Jaffrey!**

RESULTS OF THE
ANNUAL TOWN MEETING
MARCH 8, 2022

2022 TOWN MEETING MINUTES

**STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
ANNUAL TOWN MEETING WARRANT
2022**

**Elections – March 8, 2022 (7:00 a.m. to 7:00 p.m.)
Business Meeting – March 12, 2022 (9:00 a.m.)**

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Conant High School Pratt Auditorium in said Jaffrey on Tuesday, the 8th of March, 2022 at seven o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2-a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting recessed until nine o'clock in the forenoon, Saturday, March 12th, 2022, at the Ernst J. Pratt Auditorium in Jaffrey, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Selectman	Franklin W. Sterling Jr	540
Trustee of Trust Funds	William Raymond	572
Library Trustees	Emily Carr	481
	Deborah Weissman	495
Moderator	MarcTieger	621

Moderator Marc Tieger called the meeting to order at 9:01am. The attendees were asked to stand as Jaffrey-Rindge Boy Scouts Troop 33 members Logan Hocter and David Levesque presented the colors and Kamryn Castricone and Jacob Levesque lead the assembly in the Pledge of Allegiance. Tieger then asked all attendees to joined in a group sing of the National Anthem.

Marc Tieger then asked everyone to be seated. Marc shared a few words to reflect on the current situation of what is happening in the world and those being affected by it. He asked the audience to join him for a few moments of remembrance and gratitude and to think about the Jaffrey people whom we've lost this year. Marc Tieger then introduced the Board of Selectman, he asked Norm Langevin, Chair of the Budget Committee to introduce the Budget Committee group and Town Manager, Jon Frederick introduced all Town employees. Jon address an overview of the Town's financial position and goes over the fund balances for the Town; and mentions all the projects that are taking place in Town and that we are on the right track and right where we should be. Jon also acknowledges all the retirees for this year, Chris Anderson, Jaffrey police officer served for 15 years and Mark Bosse, Jaffrey Fireman who served for 35 years. He thanks all his staff for a job well done throughout the year and all volunteers, primarily the Election volunteers with handling a difficult environment. Jon then turns the meeting back over to the Moderator and before starting,

2022 TOWN MEETING MINUTES

Marc introduces his Assistant Moderator, Paul “Hutch” Hutchinson, who has been a Jaffrey resident for 13 years along with his wife Jaime and their 2 children. Marc also introduces Nick Handy whom is the Communication Coordinator for the Jaffrey-Rindge School district. Before reading article 2 Marc goes over a just a few ground rules on how the articles will be presented, how to speak on the articles and then to proceed with the vote.

Art. 2. To see if the Town will vote to raise and appropriate the sum of \$1,500,000 (One Million, Five Hundred Thousand Dollars) for the purpose of replacement and rehabilitation of sewer lines, and any other costs related thereto, and to authorize the issuance of not more than \$910,000 (Nine Hundred Ten Thousand Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et. seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds. And further, the balance of \$590,000 (Five Hundred Ninety Thousand Dollars) is to come from grants and donations, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project. And further, without impairing the status of this bond as a general obligation of the Town, it is intention and expectation of the Selectmen that debt service on this bond will be provided 100% from sewer user fees. *Recommended by the Select Board (3-0 and Budget Committee (7-0)).* **3/5 Ballot Vote Required**

Frank Sterling moved the article and Jack Belletete seconds. Frank addressed the article. With one question made by John McCarthy in regards to why we are moving the cost away from the tax rate, Franks response was because the tax rate has been hurt enough, it was time to switch this to the utility users and not to the tax payers. With no other questions the voting began by ballot vote and the polls remained open for one hour. **The article passed by ballot vote.**

YES 76 NO 7

Art. 3. To see if the Town will vote to raise and appropriate the sum of \$750,000 (Seven Hundred Fifty Thousand Dollars) for the purpose of purchasing a replacement for Fire Engine One, and to authorize the withdrawal of \$350,000 (Three Hundred Fifty Thousand Dollars) from the Fire Department Capital Reserve Fund created for that purpose, and to authorize the issuance of not more than \$400,000 (Four Hundred Thousand Dollars) of bonds, notes or leases in accordance with the provisions of the Municipal Finance Act (RSA 33 et. seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds, notes or leases, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds, notes or leases and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said purchase. *Recommended by the Select Board (3-0) and Budget Committee (7-0).* **3/5 Ballot Vote Required**

Kevin Chamberlain moved the article and Frank Sterling seconds. Kevin addressed the article. Tori McCagg made one suggestion in which maybe the Town could consider electric/hybrid vehicles. With the cost of fuel increasing that this could be a better option down the road. Kevin mentioned that this is something the Town is considering, but possibly within the next few years

2022 TOWN MEETING MINUTES

for we are not quite there yet. With no other questions or comments voting began by ballot vote and the polls were open for one hour. **The article passed by ballot vote. YES 78 NO 6**

Art. 4. To see if the Town will vote to raise and appropriate the sum of \$1,522,100 (One Million, Five Hundred Twenty-Two Thousand, One Hundred Dollars) as a supplemental appropriation for the purpose of developing a new water source known as Cold Stone Springs previously approved at the 2020 Town Meeting. The total project costs increased \$4,300,000 (Four Million Three Hundred Thousand Dollars) and includes acquisition of land, the installation of water mains to connect the new source to the water system, and to construct any related treatment facilities for the new water source, and any other costs related thereto, in collaboration with the Town of Peterborough. With total costs of the project to be shared, Jaffrey's share of the supplemental appropriation is \$1,522,100 (One Million, Five Hundred Twenty-Two Thousand, One Hundred Dollars). And further, the balance of the supplement appropriation is to come from grants and donations, and authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project, and to comply with all laws applicable to this project. Should this article be approved but the grants or donations not be awarded or received, this article shall be considered null and void. This is a special non-lapsing article and will not lapse until the project is completed or by December 31, 2027, whichever is sooner. *Recommended by the Select Board (3-0) and Budget Committee (7-0).* **Majority Vote Required**

Frank Sterling moved the article and Jack Belletete seconds. Frank addressed the article and with no discussion the article was moved to a vote. **The article passed by voice vote.**

Art. 5. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

Kevin Chamberlain moved the article and Jack Belletete seconds. Before Kevin addressed the article, Moderator Marc Tieger mentions there being a scrivener's error on the length of terms for the members on the Budget Committee which he then announces the corrected term for each member on that committee. Marc then turns the article back over to Kevin Chamberlain. Kevin recognizes Carolyn Garretson to whom the Town Report was dedicated to and for all of her dedication that she has given to this Town. The article then was moved to a vote. **The article passed by voice vote.**

Art. 6. To see if the Town will vote to raise and appropriate the following sums for the operation of the water and sewer systems, to be funded entirely through user fees and other non-property tax resources:

Water Department	\$ 1,092,218
Sewer Department	<u>\$ 2,001,384</u>
	\$ 3,093,602

Recommended by the Select Board (3-0) and Budget Committee (7-0).

2023 LAYMAN'S WARRANT

LAYMAN’S WARRANT
STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
LAYMAN’S WARRANT
2023

Elections – March 14, 2023 (7:00 a.m. to 7:00 p.m.)
Business Meeting – March 18, 2023 (9:00 a.m.)

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Conant High School Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 14th of March, 2023 at seven o’clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2-a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting recessed until nine o’clock in the forenoon, Saturday, March 18th, 2023 at the Pratt Auditorium in Jaffrey, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Selectman	one person for three-year term
Town Clerk	one person for three-year term
Treasurer	one person for three-year term
Supervisor of Checklist	one person for six-year term
Trustee of Trust Funds	one person for three-year term
Library Trustees	one person for three-year term

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Land Use Code, as proposed by the Jaffrey Planning Board to be voted by Official Ballot: (The exact text of each of the proposed changes is available at the Town Clerk’s and Planning Offices and on the Town website on the Planning Board page).

1. Are you in favor of Amendment #1 to the Land Use Code to amend Section XII: Guide to Zoning Districts to correct a scrivener’s error in the Residence A District (West)?

YES

NO

LAYMAN’S LANGUAGE: The purpose of the proposed change is to correct the narrative description of the district. The description neglects to include the language of “running southeasterly parallel to route 124 and 500 feet north of Route 124”.

LAYMAN’S WARRANT

2. Are you in favor of Amendment #2 to the Land Use Code to amend Section II: Definitions to amend the definition of dwelling unit and add definitions for Inn/Hotel, Senior Housing, Short-term Rental and Transient Occupancy?

YES

NO

LAYMAN’S LANGUAGE: The purpose of these amendments is to clarify definitions for residential and commercial uses.

3. Are you in favor of Amendment #3 to the Land Use Code to amend Section VI: Areas and Setbacks for Buildings – All Districts, to address legislative changes which affect Senior and Workforce Housing?

YES

NO

LAYMAN’S LANGUAGE: The legislative change requires communities that allow senior housing by right at higher densities to also permit workforce housing with consistent rules. The Planning Board proposes to consolidate senior housing with the recently added workforce housing (2021) with this proposal.

4. Are you in favor of Amendment #4 to the Land Use Code to amend Section IV: District Regulations and Permitted Uses and Section V: General Provisions that may apply to more than one Zoning District, to regulate the rental of short-term stays?

YES

NO

LAYMAN’S LANGUAGE: The purpose of the proposed change is to clarify the procedure for permitting short-term rentals.

Art. 3. To see if the Town will vote to raise and appropriate the sum of \$10,000,000 (Ten Million Dollars) for the purpose of constructing and installing a water treatment building, associated water treatment equipment, and any costs related thereto for the purpose of removing Manganese and Per- and Polyfluoroalkyl Substances (PFAS) from the public drinking water well located at 104 Turnpike Road in Jaffrey, NH. And further, to authorize the issuance of not more than \$4,011,563 (Four Million, Eleven Thousand, Five Hundred Sixty-Three Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell, and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds. The sum of \$2,988,860 (Two Million, Nine Hundred Eighty-Eight Thousand, Eight Hundred Sixty Dollars) is to come from grants and the sum of \$2,962,445 (Two Million, Nine Hundred Sixty-Two Thousand, Four Hundred Forty-Five Dollars) is to come from principle forgiveness. The remainder amount of \$37,132 (Thirty-Seven Thousand, One Hundred Thirty-Two Dollars) is to come from the water fund balance. And further, to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project, and to comply with all laws applicable to this project. And further, without impairing the status of this

LAYMAN'S WARRANT

bond as a general obligation to the Town, it is the intention and expectation of the Selectmen that debt service on this bond will be supported 100% by Water User Fees. *Recommended by the Select Board (3-0) and Budget Committee (7-0). 3/5 Ballot Vote Required*

LAYMAN'S LANGUAGE: The State of New Hampshire Department of Environmental Services (NHDES) recently lowered the Maximum Contaminant Level (MCL) of both Manganese and Per- and Polyfluoroalkyl substances (PFAS). Because of these new rule changes, Turnpike Well is out of compliance with drinking water standards. Constructing and installing treatment alternatives that remove the contaminants to a safe level will allow us to continue to utilize Turnpike Well, one of our oldest and largest drinking water sources. The total project cost is estimated at \$10 million. The Town has applied for funding through NHDES Drinking Water State Revolving Fund, Emerging Contaminant Loan, and Per- and Polyfluoroalkyl Substances Remediation Grant and Loan Fund. It is the expectation of the Select Board to fund this project with a minimum of \$5,951,305 in grants and principle forgiveness. \$37,132 may come from the water fund if grants and loans do not cover the full \$10 million. No more than \$4,011,563 will be indebted for the project through the NHDES revolving loan fund. Loan amounts will be lowered if additional grant funding is received. Town funding for this project will be provided 100% from water user fees and will have no impact on property taxes.

Art. 4. To see if the Town will vote to raise and appropriate the sum of \$1,500,000 (One Million, Five Hundred Thousand Dollars) for the purpose of municipally managing the design, engineering, permitting and construction of the replacement bridge for Letourneau Drive, and any other costs related thereto. Ninety percent (90%) of the appropriation in the amount of \$1,350,000 (One Million, Three Hundred Fifty Thousand Dollars) is to come from FEMA Hazard Mitigation Grant Program Declaration DR 4622. And further to authorize the withdrawal of 10% town-funded match in the amount of \$150,000 (One Hundred Fifty Thousand Dollars) from the Bridge Rehabilitation Capital Reserve Fund created for that purpose. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This article provides the funds necessary to permanently repair the July 2021 flood damage at the Tyler Brook crossing on Letourneau Drive. A box culvert and bridge will replace the existing dual culvert system. The estimated cost to replace the bridge is \$1,500,000 and will be funded on a 90% grant-10% match through the FEMA Hazard Mitigation Grant Program Declaration DR 4622. Up to \$1,350,000 of the costs will come from FEMA and the remaining \$150,000 will come from the Town of Jaffrey's Bridge Rehabilitation Capital Reserve Fund created for this purpose. With the grant and CRF, the cost to replace the Letourneau Drive Bridge will not have a direct impact on our taxes.

Art. 5. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN'S LANGUAGE: The purpose of this article is to accept all reports as printed in the Town Report.

LAYMAN'S WARRANT

Art. 6. To see if the Town will vote to raise and appropriate the following sums for the operation of the water and sewer systems, to be funded entirely through user fees and other non-property tax resources:

Water Department	\$ 1,106,919
Sewer Department	<u>\$ 2,094,034</u>
	\$ 3,200,953

Recommended by the Select Board (3-0) and Budget Committee (7-0).

LAYMAN'S LANGUAGE: This article provides the funds necessary to operate the Town's Water and Sewer Departments on an annual basis.

Art. 7. To see if the Town will vote to raise and appropriate the following sums for the operation of the Tax Increment Finance Districts, to be funded entirely through tax increments:

Downtown TIF District	\$ 181,311
Stone Arch TIF District	<u>\$ 68,637</u>
	\$ 249,948

Recommended by the Select Board (3-0) and Budget Committee (7-0).

LAYMAN'S LANGUAGE: This article provides the funds necessary to operate the Town's Tax Increment Finance Districts on an annual basis.

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$ 7,156,964 (Seven Million, One Hundred Fifty-Six Thousand, Nine Hundred Sixty-Four Dollars) for general municipal operations. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This article provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 9. To see if the Town will vote to raise and appropriate the sum of \$1,232,500 (One Million, Two Hundred Thirty-Two Thousand, Five Hundred Dollars) to be deposited into in the following existing Capital Reserve Funds (CRF) previously established for the listed purposes:

LAYMAN’S WARRANT

<u>Trust Name</u>	<u>Year Established</u>	<u>Amount</u>
1 Road Paving CRF	2021	\$ 575,000
2 Highway Equipment CRF	1997	\$ 200,000
3 Town Office CRF	2017	\$ 25,000
4 Fire Department CRF	1996	\$ 60,000
5 Land Acquisition CRF	2008	\$ 5,000
6 Municipal Building Maintenance CRF	2010	\$ 150,000
7 Bridge Rehabilitation CRF	2017	\$ 120,000
8 Police Cruiser Replacement CRF	2019	\$ 40,000
9 Jaffrey 250th Celebration CRF	2020	\$ 7,500
10 Recreation Equipment CRF	2021	\$ 50,000
		<u>\$ 1,232,500</u>

Recommended by the Select Board (3-0) and Budget Committee (7-0).

LAYMAN’S LANGUAGE: This article funds the appropriations for the Town’s Capital Improvement Plan.

1. The Road Paving CRF permits the Town to fund a ten-year paving plan to bring our road system from grade D grade to grade B by 2030, with steady funding of \$575,000 per year. Consistent annual contributions to the fund will permit the town to pave \$650,000 annually for the life of the plan through the capital reserve fund.
2. The Highway Equipment CRF funds the repair or replacement of Highway equipment. The equipment replacement schedule requires funding at \$200,000 for the duration of the 20-year plan to purchase equipment without incurring debt.
3. The Town Office CRF funds the design, engineering, construction and land acquisition for a new Town Office.
4. The Fire Department CRF funds the repair or replacement of firefighting and/or rescue equipment. Annual funding levels have been \$60,000. The equipment replacement schedule requires funding at \$180,000 for the duration of the 20-year plan to purchase equipment without incurring debt. The ability to increase funding for this plan will be evaluated on an annual basis.
5. The Land Acquisition CRF funds the acquisition of land and conservation easements to conserve strategic open space for the Town, help maintain scenic views, wildlife habitat and water quality.
6. The Municipal Building Maintenance CRF funds major maintenance on existing Town buildings. The Capital Improvement Plan requires funding at \$150,000 annually.
7. The Bridge Rehabilitation CRF funds design and engineering to rehabilitate or replace bridges throughout Jaffrey. The Capital Improvement Plan requires funding at \$120,000 annually.
8. The Police Cruiser Replacement CRF, funded at \$40,000 annually, permits replacement of police cruisers two out of every three years. The typical life span of a police cruiser is five years due to their intensive use and extensive idling hours. The next cruiser slated for replacement is in 2024.

LAYMAN’S WARRANT

9. The Jaffrey 250th Celebration is under way and funding is required to hold events and plan for this special occasion. The last celebration of this magnitude was in 1973. This is the final year for this appropriation.
10. The Recreation Equipment CRF, initially funded at \$25,000 per year, replaces Recreation Department vehicles and equipment. The department’s 2009 Ford Econoline 350 has 87,000 miles and leaks water through the roof, has damage to interior surfaces and rust damage on exterior surfaces. The request for 2023 is \$50,000 to expedite the process of vehicle replacement with estimated costs in excess of \$100,000.

<u>Trust Name</u>	<u>Trust Balance as of 12/31/2022</u>	<u>2022 Appropriation</u>	<u>2023 Increase/ (Decrease)</u>
1 Road Paving CRF	\$ 386,009	\$ 575,000	\$ -
2 Highway Equipment CRF	\$ 659,324	\$ 200,000	\$ -

		<u>\$ 1,242,500</u>	<u>\$ (10,000)</u>

Art. 10. To see if the Town will vote to raise and appropriate the sum of \$100,000 (One Hundred Thousand Dollars) to be deposited into the following existing Capital Reserve Funds previously established for the listed purposes, with the sum of \$60,000 (Sixty Thousand Dollars) to come from Downtown Tax Increment Finance District and the sum of \$40,000 (Forty Thousand Dollars) to come from Stone Bridge Tax Increment Finance District:

<u>Trust Name</u>	<u>Year Established</u>	<u>Amount</u>
1 Downtown TIF District CRF	2017	\$ 60,000
2 Stone Bridge TIF District CRF	2022	\$ 40,000
		<u><u>\$ 100,000</u></u>

Recommended by the Select Board (3-0) and Budget Committee (7-0).

LAYMAN’S LANGUAGE: This article will place \$60,000 into the Downtown TIF District Capital Reserve Fund to fund future infrastructure enhancements in the Downtown area. It will also place \$40,000 into the Stone Bridge TIF District Capital Reserve Fund to fund future infrastructure enhancements in the Stone Bridge district. All funds will come from their respective TIF District and have no impact on the tax rate.

LAYMAN'S WARRANT

<u>Trust Name</u>	<u>Trust Balance as of 12/31/2022</u>	<u>2022 Appropriation</u>	<u>2023 Increase/ (Decrease)</u>
1 Downtown TIF District CRF	\$ 272,329	\$ 60,000	\$ -
2 Stone Bridge TIF District CRF	\$ 37,954	\$ 40,000	\$ -
		<u>\$ 100,000</u>	<u>\$ -</u>

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$24,000 (Twenty-Four Thousand Dollars) to be deposited into in the following existing Expendable Trust Funds previously established for the listed purposes:

<u>Trust Name</u>	<u>Year Established</u>	<u>Amount</u>
1 Gravestone Restoration TF	2000	\$ 1,000
2 Cemetery Trees TF	2007	\$ 5,000
3 Meetinghouse TF	1991	\$ 3,000
4 Retirement Buyout TF	2021	\$ 15,000
		<u><u>\$ 24,000</u></u>

Recommended by the Select Board (3-0) and Budget Committee (7-0).

LAYMAN'S LANGUAGE:

1. The Gravestone Restoration Trust is used to repair and maintain stones that have been damaged or vandalized, specifically in those cases where a family member can't be found to assume the responsibility.
2. The Cemetery Trees Trust funds the care and removal of trees in the Town's cemeteries. Older trees are of concern as falling branches can cause expensive and sometimes irreparable damage to historic gravestones.
3. The Meetinghouse Trust supports major capital costs associated with Jaffrey's most historic building, the town-owned 1775 Meetinghouse.
4. The Retirement Buyout Trust funded at \$15,000 annually eliminates the direct tax burden associated with retirement buyouts due to their impact on the operational budget. There are six employees within six years of retirement eligibility, with a liability of \$90,000.

<u>Trust Name</u>	<u>Trust Balance as of 12/31/2022</u>	<u>2022 Appropriation</u>	<u>2023 Increase/ (Decrease)</u>
Gravestone Restoration TF	\$ 9,609	\$ 1,000	\$ -
Cemetery Trees TF	\$ 12,220	\$ 5,000	\$ -
Meetinghouse TF	\$ 12,142	\$ 3,000	\$ -
Retirement Buyout TF	\$ 4,789	\$ 10,000	\$ 5,000
		<u>\$ 19,000</u>	<u>\$ 5,000</u>

LAYMAN'S WARRANT

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$260,000 (Two Hundred Sixty Thousand Dollars) to purchase a new Highway dump truck, plow and sander, and authorize the withdrawal of \$260,000 (Two Hundred Sixty Thousand Dollars) from the Highway Equipment Capital Reserve Fund created for that purpose. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This article will fund the replacement of the 2006 Freightliner Truck, acquired in March 2007, that is slated for replacement in the Capital Improvement Plan. Replacement includes a plow, wing plow, sander and all-season body. Cost of repairs to date are \$51,544. All funds come from the Capital Reserve Fund and not from general taxation. Approval of this article would bring the reserve fund balance to \$399,324.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$139,000 (One Hundred Thirty-Nine Thousand Dollars) to purchase a new Highway snow blower, and authorize the withdrawal of \$139,000 (One Hundred Thirty-Nine Thousand Dollars) from the Highway Equipment Capital Reserve Fund created for that purpose. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This article will fund the replacement of the 2002 RPM Tech loader mounted snow blower, acquired in May 2002, that is slated for replacement in the Capital Improvement Plan. Cost of repairs to date are \$16,386. All funds come from the Capital Reserve Fund and not from general taxation. Approval of this article would bring the reserve fund balance to \$260,324.

Art. 14 To see if the Town will vote to raise and appropriate the sum of \$75,000 (Seventy-Five Thousand Dollars) to purchase a new Highway pickup truck, and authorize the withdrawal of 75,000 (Seventy-Five Thousand Dollars) from the Highway Equipment Capital Reserve Fund created for that purpose. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

LAYMAN'S LANGUAGE: This article will fund the replacement of the 2010 GMC 3500, acquired in May 2010 and the 2011 GMC K3500 that are slated for replacement in the Capital Improvement Plan. Combined cost of repairs to date for the two is \$45,853. All funds come from the Capital Reserve Fund and not from general taxation. Approval of this article would bring the reserve fund balance to \$185,324.

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$1,625 (One Thousand, Six Hundred Twenty-Five Dollars) to be deposited into the Meetinghouse Trust Fund established in 1991. This sum is to come from unassigned fund balance (this sum represents Meetinghouse donations and income collected in 2022). No amount to be raised by taxation. *Recommended by the Select Board (3-0).*

LAYMAN'S WARRANT

LAYMAN'S LANGUAGE: New Hampshire Department of Revenue Administration requires any funds placed in an expendable trust fund be approved at Town Meeting. The Town received donations and income totaling \$1,625 in 2022 for the Meetinghouse. Approval of this article is required to transfer this amount to the Meetinghouse Trust Fund.

Art. 16. To see if the Town will vote to designate the Selectmen as agents to expend from the Highway Equipment Capital Reserve Fund established in 1997 for the purpose of purchasing new, or refurbishing existing highway equipment. *Recommended by the Select Board (3-0).*

LAYMAN'S LANGUAGE: The Highway Equipment Capital Reserve Fund was created in 1997 without a designated agent to expend, requiring all expenditures from the fund be approved at Town Meeting. The only two operating capital reserve funds without an agent to expend are the Highway Equipment CRF and the Fire Department CRF. Making the Selectmen agents to expend allows the Town to make emergency purchases and repairs for large-scale equipment without waiting for Town Meeting. We currently have a snow blower on its last leg and waiting for March Town Meeting would impair our ability to effectively conduct snow removal operations if it were to fail. Approval of this article improves the Town's ability to continue its normal operations when major equipment malfunctions occur. All purchases are required to follow the Town's purchasing policy and require Select Board review and approval.

Art. 17. To see if the Town will vote to designate the Selectmen as agents to expend from the Fire Department Capital Reserve Fund established in 1996 for the purpose of purchasing new, or refurbishing existing firefighting and/or rescue equipment. *Recommended by the Select Board (3-0).*

LAYMAN'S LANGUAGE: The Fire Department Capital Reserve Fund was created in 1996 without a designated agent to expend, requiring all expenditures from the fund be approved at Town Meeting. The only two operating capital reserve funds without an agent to expend are the Highway Equipment CRF and the Fire Department CRF. Making the Selectmen agents to expend allows the Town to make emergency purchases and repairs for large-scale equipment without waiting for Town Meeting. Approval of this article improves the Town's ability to continue its normal operations when major equipment malfunctions occur. All purchases are required to follow the Town's purchasing policy and require Select Board review and approval.

Art. 18. To see if the Town will vote to expand the Downtown Tax Increment Finance District under the provisions of RSA 162-K:5 to include 39 Webster Street (former W.W. Cross site) for the purpose of facilitating redevelopment of the site. No change in the Financing Plan is proposed with this request. *Recommended by the Select Board (3-0).*

LAYMAN'S WARRANT

LAYMAN'S LANGUAGE: Tax Increment Finance Districts may be expanded providing certain acreage and valuations do not exceed town wide values. This article would expand the Downtown TIF to include only the property at 39 Webster Street (W.W. Cross) and keeps the TIF Districts well below the statutory limits. Expanding the TIF will allow the Town to pursue cleanup of the W.W. Cross site through the financing options afforded by tax increment finance districts. Additionally, expansion demonstrates the Town's commitment and participation in any grant funding requests for cleanup and re-use planning and provides financing opportunities that will not directly burden property taxes. Any redevelopment proposal requiring the Town's financial commitment will require a change in the financing plan and further approval by Town Meeting.

Art. 19. Shall the Town of Jaffrey approve the readoption of the Optional Veteran's Tax Credit in accordance with RSA 72:28 II to allow for the expansion of the criteria needed to qualify for the Optional Veteran's Tax Credit of \$500 to now include those service members that are currently serving and have not yet been honorably discharged from the armed services. The readoption of the Optional Veteran's Tax Credit, if approved would continue to offer an annual \$500 tax credit on residential property to all honorably discharged Veterans that qualify under the current requirements but as of April 1, 2023, it would expand the eligibility requirements to now include those individuals that have not yet been discharged from active service. *Recommended by the Select Board (3-0).*

LAYMAN'S LANGUAGE: The passage of House Bill, HB 1667 (Chapter 121, Laws of 2022) amends the eligibility requirements for certain veteran's property tax credits to now include service members currently serving active duty. The law requires readopting the veteran's credits already in place. If this article does not pass, the Optional Tax Credit would revert to the Standard Veteran Tax Credit under RSA 72:28-I, and as of April 1, 2023, the Standard Veteran Tax Credit of \$50 would be in place and reduce the Veteran Tax Credit from \$500 to \$50 per year.

Art. 20. Shall the Town of Jaffrey approve the readoption of the All Veteran's Tax Credit in accordance with RSA 72:28.b to allow for the expansion of the criteria needed to qualify for the All Veteran's Tax Credit of \$500 to now include those service members that are currently serving and have not yet been honorably discharged from the armed services. The readoption of the All Veteran's Tax Credit, if approved would continue to offer an annual \$500 tax credit on residential property to all honorably discharged Veterans that qualify under the current requirements of (RSA 72:28.b) but as of April 1, 2023, it would expand the eligibility requirements to now include those individuals that have not yet been discharged from active service. *Recommended by the Select Board (3-0).*

LAYMAN’S WARRANT

LAYMAN’S LANGUAGE: The passage of House Bill, HB 1667 (Chapter 121, Laws of 2022) amends the eligibility requirements for certain veteran’s property tax credits to now include service members currently serving active duty. The law requires readopting the veteran’s credits already in place. If this article does not pass, the All Veteran Tax Credit would revert to the Standard Veteran Tax Credit under RSA 72:28-I, and as of April 1, 2023, the Standard Veteran Tax Credit of \$50 would be in place and reduce the Veteran Tax Credit from \$500 to \$50 per year.

Art. 21. To see if the Town will vote to adopt the Jaffrey Community Power Electric Aggregation Plan, which authorizes the Select Board to develop and implement Jaffrey Community Power as described therein (pursuant to RSA 53-E:7). The program would provide a new default electric supply and new renewable energy supply options for customers in Jaffrey. There is no impact on the Town’s operating budget, and there is no obligation to participate. Customers can opt out at any time and return to utility default service. *Recommended by the Select Board (3-0).*

LAYMAN’S LANGUAGE: The Jaffrey Community Power Electric Aggregation Plan would empower the Town to enter into Electric Services Agreements with Competitive Electric Power Suppliers to serve the electric supply needs of residents and small businesses. The intent is to pool our electricity demand and use the power of the competitive market for cost savings and more local renewable energy supply choices. This program would affect only the supply line on customer electric bills. Transmission and distribution, emergency services, and billing all stay with the distribution utility, Eversource. Eligible customers are automatically enrolled in the program’s default product following notification of program rates and an opt out period. They can also elect to choose an optional product. There are no fees to opt out, join, or change options within the program. Customers that opt out and then rejoin the program may be charged a market rate. Customers currently on competitive supply are not automatically enrolled, but they can opt in. Program savings over the contract period is the goal of the program along with more renewable energy choices. There is no cost to the taxpayer for this program. The full text of the Plan is available on the Town website.

Art. 22. To see if the Town will vote to modify the income and asset limits for elderly exemption in accordance with the provisions of RSA 72:39-a, exemption for elderly from property tax based on assessed value for qualified tax payers, to the following amounts to be effective April 1, 2023:

<u>Limits</u>	<u>Current</u>	<u>Proposed</u>
Income - Single	\$24,000	\$35,000
Income - Married	\$30,000	\$45,000
Asset – Single/Married	\$50,000	\$75,000

Recommended by the Select Board (3-0).

LAYMAN’S LANGUAGE: The income limits for the elderly exemption have not been adjusted since 2009 and core inflation averaged 2.29% per year since that time. The proposed adjustments in this article bring the exemption limits to a level appropriately adjusted for inflation. The median household income for Jaffrey is \$68,222.

Art. 23. To see if the Town will vote to modify the income and asset limits for disabled exemption in accordance with the provisions RSA 72:37-b, exemption for disabled from property tax based on assessed value to qualified tax payers to the following amounts to be effective April 1, 2023:

<u>Limits</u>	<u>Current</u>	<u>Proposed</u>
Income - Single	\$18,000	\$28,000
Income - Married	\$25,000	\$40,000
Asset – Single/Married	\$50,000	\$75,000

Recommended by the Select Board (3-0).

LAYMAN’S LANGUAGE: The income limits for the disabled exemption have not been adjusted since 2004 and core inflation averaged 2.27% per year since that time. The proposed adjustments in this article bring the exemption limits to a level appropriately adjusted for inflation.

Given under our hands, February 13, 2023.

We certify and attest that on or before February 27, 2023, we posted a true and attested copy of the within Warrant at the place of meeting, Ernest J. Pratt Auditorium, and like copies at the Town Office and the Town Library, and delivered the original to the Town Clerk.

INDEFINITE DELEGATION
OF AUTHORITY

INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as “boilerplate articles.” During the 1999 annual meeting, Jaffrey’s citizens voted (Articles 32-38) to “authorize indefinitely, until specific rescision of such authority” the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire *Revised Statutes Annotated (RSA) 31:95-b*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH *RSA 202-A:4-c*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH *RSA 33:7*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVICES

Shall the Town accept the provisions of NH *RSA 31:19*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH *RSA 31:95-e*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

**INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN
TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES**

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH *RSA 202-A:4-d*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH *RSA 80:80*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen and Town Manager
Town of Jaffrey
Jaffrey, New Hampshire

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, business-type activities, each major governmental and proprietary fund, and aggregate remaining fund information of the Town of Jaffrey as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, each major governmental and proprietary fund, and aggregate remaining fund information of the Town of Jaffrey, as of December 31, 2021, the respective changes in financial position, and where applicable cash flows thereof, and the respective budgetary comparisons for the general and sewer funds for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town of Jaffrey and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The Town of Jaffrey's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Jaffrey's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

AUDIT

Town of Jaffrey Independent Auditor's Report

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town of Jaffrey's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Jaffrey's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Required Supplementary Information – Accounting principles generally accepted in the United States of America require that the following be presented to supplement the basic financial statements:

- Management's Discussion and Analysis,
- Schedule of the Town's Proportionate Share of Net Pension Liability,
- Schedule of Town Contributions – Pensions,
- Schedule of the Town's Proportionate Share of the Net Other Postemployment Benefits Liability,
- Schedule of Town Contributions – Other Postemployment Benefits,
- Schedule of Changes in the Town's Total Other Postemployment Benefits Liability and Related Ratios, and
- Notes to the Required Supplementary Information

Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information – Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Jaffrey's basic financial statements. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

TOWN OF JAFFREY, NEW HAMPSHIRE MANAGEMENT DISCUSSION AND ANALYSIS 2021

As management of the Town of Jaffrey, NH, we offer readers this narrative overview and analysis of the financial activities of the Town for the fiscal year ended December 31, 2021.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the basic financial statements. The basic financial statements are comprised of four components: 1) government-wide financial statements, 2) fund financial statements, 3) notes to the financial statements of (4) required supplementary information. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements.

The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of Town's assets, liabilities, deferred outflows/inflows of resources, with the difference between reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The *statement of activities* presents information showing how the Town's net position changed during the most recent year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The government-wide financial statements include general government, public safety, roadways, cemetery, library, trust and capital reserve funds, grants, conservation, sanitation, culture and recreation.

Fund financial statements-

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements. All of the funds can be divided into three categories: governmental, proprietary, and fiduciary funds.

Governmental Funds. *Governmental funds* are used to report on the general operations of the town. They are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus only on *near-term inflows and outflows of spendable resources this year*, as well as on balances of *spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's current financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

An annual appropriated budget is adopted for the general fund. A budgetary comparison statement has been provided for general fund to demonstrate compliance with this budget.

Proprietary Funds. *Proprietary fund* reporting focuses on the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. The proprietary fund category includes enterprise funds.

AUDIT

Enterprise funds are used to report activity for which a fee is charged to external users, and must be used when one of the following criteria are met: (1) activity is financed with debt that is secured solely by a pledge of the net revenues from fees and charges, (2) laws or regulations require the activity's costs of providing services be recovered with fees and charges, and (3) the pricing policies of the activity establish fees and charges designed to recover its costs, including capital costs such as depreciation or debt service. The primary focus on these criteria is on fees charged to external users. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements, only in more detail. Specifically, enterprise funds are used to account for the water operations, which is considered to be a major fund.

Fiduciary Funds. *Fiduciary funds* are used to account for resources held for the benefit of parties outside the government, such as developer's performance bonds, capital reserve and expendable trust funds belonging to other governments, and trust funds for which the income is used for purposes that are not normally funded by the Town. Fiduciary funds are *not* reflected in the government-wide financial statement because these funds are not available to support the Town's own programs. The accounting used for the fiduciary funds is much like that used for proprietary funds.

Notes to the Financial Statements.

The notes provide additional information that is necessary to a full understanding of the data provided in the government-wide and fund financial statements, and can be found on page 24 to 54.

Required Supplementary Information

In addition to this Management's Discussion and Analysis the basic financial statements and accompanying notes are followed by a section of required supplementary information.

This section includes the following information:

- Schedule of the Town's Proportionate Share of Net Pension Liability
- Schedule of Town Contributions – Pensions
- Schedule of the Town's Proportionate Share of Net Other Postemployment Benefits Liability
- Schedule of Town Contributions – Other Postemployment Benefits
- Schedule of Changes in Town's Total Other Postemployment Benefits Liability and Related Ratios

Other information.

In addition to the basic financial statements and accompanying notes, this report also presents certain supplementary information which is required to be disclosed by accounting principles generally accepted in the United States of America.

AUDIT

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At the close of the most recent fiscal year total net position was \$34,424,319, a change of \$1,246,329 from the prior year or 3.76% when compared to the end of the previous year.

By far the largest portion of the Town of Jaffrey's net position \$34,424,319 reflects its net investment in capital assets (e.g. land, buildings, machinery, equipment, vehicles, infrastructure) in the amount of \$25,209,072, less any related debt used to acquire those assets that still outstanding. The Town of Jaffrey uses these capital assets to provide services to citizens, consequently, these assets are not available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of net position \$5,305,047 represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position \$3,910,200 may be used to meet the government's ongoing obligations to citizens and creditors.

Statement of Activities

During the current year the Town's net position increased by \$1,246,329. Total revenues of \$13,166,068 exceeded expenses of \$11,919,739. The largest revenue sources were property and other taxes, which generated \$5,934,707, and motor vehicle and other fees which generated \$1,393,595 in revenues for the Town. Other revenues consisted of charges for license fees, services, grants, contributions, and miscellaneous revenues.

The Town's expenses cover a range of services. The largest expenses were highway and streets (21.68%), public safety (16.94%), and general government (23.71%), which accounted for 62.25% of total expenditures.

AUDIT

FINANCIAL ANALYSIS OF GOVERNMENTAL FUNDS

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with finance related legal requirement.

Governmental Fund

The focus of governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing financing requirement. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the year.

As of the end of the current year, governmental funds reported combined ending fund balances of \$11,582,455, a change of \$1,729,794 in comparison to the prior year, as restated. Key elements of this change are as follows:

General fund operating results	\$ 1,239,095
Major sewer fund operating results	228,652
Major permanent trust fund results	420,177
Nonmajor fund results	(158,130)
	<u>\$ 1,729,794</u>

General Fund. The General fund is the Town's primary operating fund and the largest source of day-to-day service delivery. At the end of the current year, unassigned fund balance was \$2,720,607 while total fund balance was \$5,824,677. The general fund unassigned balance increased by \$281,044 from last year. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Refer to the table below.

	December 31, 2021	January 1, 2021 (as restated)	Change	% of Total General Fund Expenditures
General Fund				
Unassigned fund balance	\$ 2,720,607	\$2,442,102	\$ 281,044	40.95%
Total fund balance	\$ 5,824,677	\$4,585,582	\$ 1,239,095	87.66%

General Fund Budgetary Highlights

The actual revenues received were more than the budgeted by \$66,190. Operating expenses were under budget by \$628,975. The Town under expended its budget due disciplined budget management by all town department heads. The pandemic has created an economic environment that either makes good and services difficult to obtain or extremely costly.

Each year during the Budget Committee process, we project returning to the general fund \$435,000 for property tax reduction. By returning funds in excess of \$435,000, we are able to maintain our undesignated fund balance according to our finance policy.

There are no major differences between the original budget and the final amended budget.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets.

The Town of Jaffrey considers a capital asset to be an asset whose cost exceeds \$20,000 and has a useful life of more than two years.

Assets are depreciated on a straight-line basis, with the original cost divided evenly by the useful life of the asset.

AUDIT

Total investment in capital assets for governmental and business-type activities at year-end amounted to \$39,341,542 (net of accumulated depreciation). This investment in capital assets includes land, buildings and system, improvements, machinery and equipment, infrastructure. The Town added more assets that have not been previously reported. Several assets that did not meet the threshold were removed.

NEXT YEAR'S BUDGETS AND RATES

The tax rate is set by the New Hampshire Department of Revenue Administration, usually in October. The Town estimates a 2022 Municipal Tax Rate (excluding school and county component) of \$10.51 per \$1,000 property assessed value, an increase of \$.35 or 3.41% above the 2021 rate. The increase is attributable increases in salaries and retirement contributions.

The Jaffrey-Rindge School District approved a budget with an estimated increase of \$3.79 on the tax rate. A property assessed for tax purposes at \$250,000 in 2022 will have an estimated tax bill increase over 2021 of about \$948 for the local school portion alone.

REPORT OF THE TRUSTEES OF TRUST FUNDS

The three elected Trustees of Trust Funds assisted by appointed Alternate Trustees oversee and administer the many trust and capital reserve funds for the Town of Jaffrey. The funds are listed and described in the Trustees of Trust Funds section of the Town website. On December 31, 2022, market value of the three investment accounts was:

Account Name	Market Value
Town of Jaffrey, Common Funds	\$ 6,960,874
Town of Jaffrey, Capital Reserve Funds	\$ 3,243,247
Town of Jaffrey, Other Funds (Expendable)	\$ 697,734
Total	\$10,901,855

Bar Harbor Wealth Management of Maine is retained by the Trustees to manage the investments of the various funds by executing buy and sell transactions according to the Town’s Investment Policy and its outlook of the various markets and economies. Bar Harbor Wealth Management also prepares trust accounting and reports required by the Town of Jaffrey and the State of New Hampshire.

The Trustees meet quarterly with representatives from Bar Harbor Wealth Management. These meetings are held at their Peterborough office. These meetings are open to the public and notices are posted in advance according to State statute.

The Trustees also meet throughout the year to receive and disburse funds, respond to correspondence, and transact other business. Normal meetings are held at the Town Office on Wednesday at 4:00 pm. Open to the public and posted in advance.

In August of 2022, Trustee Bruce Edwards resigned as he was moving out of state. Alternate Trustee Shari Fish agreed to fill Bruce’s unexpired term. The Trustees are searching for another Alternate Trustee.

Citizens are invited to consider creating new trusts for the benefit of the Town. More information may be found by visiting the Trustees of Trust Funds section of the Town website.

ANNUAL REPORT OF THE TOWN OF JAFFREY ALICE W. POOLE FUND

The Alice W. Poole Fund Committee did manage to have our regularly scheduled quarterly meetings, thanks to the flexibility of our members.

Through the Jaffrey Community at large, our members are able to learn of those families and individuals who are in need.

If anyone reading this Report knows of someone who needs help, please reach out to a committee member in person or simply drop a note to the Alice W. Poole Fund Committee at Post Office Box 727, Jaffrey NH 03452.

We were able to help many of the elderly Jaffrey citizens, to remain independent and remain in their own homes, by remembering them with personal donations which could be used as fuel assistance or to help with utility bills.

Gift certificates were purchased from Market Basket and Rite Aid and certificates for clothing were purchased from Wal-Mart. These certificates, along with gas cards, were distributed during the Holiday Season and at other times during the year.

This year we were able, thanks to fully vaccinated members, to continue to brighten the Holidays with personal deliveries of Holiday flowers and gift cards to more than twenty families of the elderly and homebound.

We continued our donations to the Jaffrey Food Pantry, Shelter from the Storm and Santa's House in hopes of assisting as many people as possible.

Again this year we did not have any requests for Student Loans. However we did reach out to the community via the Jaffrey Chamber of Commerce newsletter, about the availability of student loans from the Alice W. Poole Fund.

As usual, The Alice W. Poole Fund Committee continues to spend all of the interest received from the Alice W. Poole Fund Trustees in accordance with the will of Alice Poole.

SELECTMEN'S REPORT

As we move into 2023 the Town has made significant progress on the Cold Stone Springs water project. The Town has secured all the required funding that was approved at Town Meeting necessary to move ahead with the construction of the pump house, and all required infrastructure to connect with the Town's existing system. Bringing this water source online will ensure that the Town has sufficient clean water supply for many years into the future.

Spring of 2023 will be the third year of the Town's highway reconstruction and repaving program. The results of the prior two years are readily apparent around Town. To see when your road is scheduled for paving/reconstruction go to the Town's web site and search under the Department of Public Works link.

The Town has been the beneficiary of several Brownfield Grants to determine what levels of contamination exist at the W.W. Cross property. With the results of this testing in hand the Town can move forward with plans to clean up the site and plan for redevelopment of the area.

The Selectboard, at the end of 2022, made the difficult decision to raise water and sewer rates by 5%. While acknowledging that these rates are already high the rate increases are necessary to maintain the systems infrastructure. Much of the systems' water and sewer lines are aging and not gracefully. In addition, keeping up with increasing regulatory requirements from Federal and State agencies will result in often expensive upgrades throughout the system.

The 250th Anniversary Committee has worked very hard over the past year to bring many exciting events for all to enjoy during the Spring and Summer of 2023. Please reference the Town's website to review the schedule of planned events.

The Selectboard would like to thank all the citizens who serve on the various committees, and boards, in support of the Town with many hours of volunteered time in order to continue to make Jaffrey a great place to live.

On a positive note, the COVID-19 pandemic has eased somewhat and is no longer as disruptive to our daily lives. There is still danger from the virus and we need to continue to be vigilant in protecting ourselves and those around us from contracting what is still a deadly disease.

Franklin W. Sterling, Jr., *Chairman*

REPORT OF THE MODERATOR

It is my pleasure, as your Moderator, to once again report to you, the voters and citizens of Jaffrey. Some years ago, rumors were circulating nationally alleging fraud in New Hampshire elections. That surprised me then and is something that I deem preposterous today. The people, the paid staff, ballot clerks, election officials, the Supervisors of the Checklist, the Town Clerk, volunteers, and everyone else involved at our local level, Selectmen, Moderator and his assistant are, in my opinion, beyond reproach. We had three elections in 2022: the Town Election in March, the State Primary in October and the General Election in November. The glue that holds everything together is our Town Clerk, Kelly Rollins.

All of us are grateful to have help from Tax Collector Chelsea Thibault, the guidance of our Town Manager Jon Frederick, and our dedicated Supervisors of the Checklist: Carolyn Garretson, Eunice Jadlocki and Vicki Arceci.

The November General Election brought 68% of the voters on the checklist out to vote. There were 166 new voters and it was gratifying to see many of the people who had been first time voters previously, continue to exercise their constitutional right.

As I write this the question of whether or not New Hampshire remains as the “first in the nation” election is still undecided. Whatever happens, you may be assured that everyone involved in the election process is discharging her/his duties in a courteous, professional manner. I am very proud of them and I hope that you are too.

Respectfully submitted,
Marc P. Tieger, *Moderator*

REPORT OF THE CEMETERY COMMITTEE

“Show me your Cemeteries and I will tell you what kind of people you have” - Benjamin Franklin

The Cemetery Committee was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey’s public cemeteries: Conant, Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is comprised of representatives of the American Legion and Veterans of Foreign Wars, Historical Society, Cournoyer Funeral Home, Board of Selectmen and up to five appointed Members-at-Large. Todd Croteau, Superintendent of Highways & Facilities, assists the Committee in its work. The Resolution establishing the Committee and the *Cemetery Rules and Regulations* are on the Town’s website: townofjaffrey.com/cemetery.

During 2022 the Committee met seven times with the Superintendent of Highways and Facilities to discuss operation, budget and maintenance issues, or to undertake inspections, cleaning and minor straightening. Each cemetery is visited by the Committee at least once a year. A designated member of the Committee oversees each cemetery. This oversight involves inspecting the cemetery from time-to-time and reporting on conditions and problems at Committee meetings. Members of the Committee also participated in a work session to clean, repair and straighten headstones in the Old Burying Ground and Village Cemetery. The Annual Meeting with the Superintendent of Highways & Facilities and the Town Manager is held each year in October.

Griffin Property Management’s contract was extended to do the grounds keeping of the town owned Cemeteries for 2022.

Last year during the inspections of the town owned cemeteries it was noted by the committee that a number of tablet style markers were very much in need of repair. Bruce Hill compiled a list of the most needed repairs. Gravestone Restoration of N.E., was asked to come to Jaffrey and estimate the cost of the repairs. Village Cemetery needed fifteen repairs, Old Burying Ground four each. Gravestone Restoration of N.E. estimate of repairs \$5,150. The Town Manager, Select Boards Representative and the Facilities Manager were in favor of the repairs being made. The cost of the repairs to come from the Gravestone Restoration Fund.

The Old Burying Ground has had two work sessions dedicated to straightening markers. The committee and volunteers straightened nineteen markers, four-foot stones and four corner posts. The committee also inspected the trees in and around the cemeteries to ensure that they were not going to cause

REPORT OF THE CEMETERY COMMITTEE

any damage to the markers should they fall. The Committee recommended to the Town Manager and the Facilities Manager that at Philips-Heil there were many trees in need of trimming due to rotted branches and at the Old Burying Ground there is one tree in the south west corner that needs to be taken down. The Superintendent of Highways and Facilities will see that this work is done. (ASAP)

The DPW under the direction of the Superintendent of Highways and Facilities has installed a loop style gravel roadway in Cutter Extension to better facilitate vehicle access and egress. Thank you Mark Cournoyer for suggesting that.

A Cemetery Trees Trust Fund was established at the 2007 Town Meeting. The balance of the Fund as of December 31, 2022 is \$12,705.63. At last year's Town Meeting, \$5,000.00 was added to the fund. The Committee, at its October Annual Meeting with the Town Manager recommended that the Cemetery Trees Trust Fund warrant article at Town Meeting remain at present level of \$5,000.00.

A Gravestone Restoration Trust Fund was established at the 2000 Town Meeting to support the repair and maintenance of damaged or vandalized gravestones. The balance of this Fund as of December 31, 2022 is \$9,959.92.00. At last year's Town Meeting, \$1,000 was added to the fund. The Committee, at its October Annual Meeting with the Town Manager recommended that the Gravestone Restoration Trust Fund warrant article at Town Meeting remain at its present level of \$1,000.00.

In recent years, the Committee has co-sponsored, with the Jaffrey Historical Society, walking tours of Conant, Phillips-Heil and Village Cemeteries and the Old Burying Ground. The gravesites of various prominent Jaffrey citizens were visited on these well-attended guided tours (hand-out guides are available at www.rs41.org/jhs/tours.htm). A similar tour of St. Patrick Cemetery was held in June of 2022. Cathy Proulx, Dick Boutwell and Marcie Manning did an outstanding job on both the research and narratives. We are looking forward to our 2023 Walking Tour of the Old Burying Ground on June 17, 2023, honoring the Veterans who served our country from Revolutionary times to present.

The Jaffrey Department of Public Works maintains a Cemetery Database which can be found at www.townofjaffrey.com/cemetery/pages/cemetery-inventories

Residents and lot owners are reminded that the Town's *Cemetery Rules & Regulations and A Guide to the Public Cemeteries of Jaffrey* are available from the Department of Public Works and on the Town website: www.townofjaffrey.com/cemetery. The Cemetery Committee has a page on the site under Boards & Committees.

I would like to thank the Committee for its steadfast commitment to the town of Jaffrey and thank those volunteers, who have shown an interest in Jaffrey's cemeteries by devoting their time and energies to the care and maintenance of them.

Donations to the Gravestone Restoration and Cemetery Tree Trust Funds are always welcome!

CONSERVATION COMMISSION

The Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watersheds. The Commission provides a focal point within the town and its government for environmental concerns. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission also manages designated town forests.

The Conservation Commission holds regular meetings, open to the public, on the third Wednesday of the month at 7 p.m. at the Town Offices. Meeting minutes, completed by our excellent scribe Elizabeth Webster are posted on the Town's website and in the Town Offices. The Conservation Commission's section of the Town's website also contains information about the Town's conservation areas and a copy of the Natural Resources Inventory including detailed maps of resources within the Town of Jaffrey. Additional informative links were placed on the website in 2022 with the capable assistance of Judy Zola.

Numerous projects and activities were planned and undertaken during 2022. Conservation Commission members actively attended meetings of the ZBA and the Planning Board. The Commission reviewed DES applications, inventoried conservation lands in Jaffrey and attended site visits with the ZBA and Planning Boards. Site visits were made to Cheshire Pond Conservation Area, Children's Woods and Carey Park for trail development and restoration.

Our activities are detailed below:

- Cheshire Pond Conservation Area (CPCA): Numerous work sessions were planned and carried out in 2022. Trails were marked and cleared of many fallen trees. With a donation from Herb Gramm, benches constructed by members and put in place. Walkways and bridges were constructed on trails. Work on the project included Tom Ahlborn-Hsu, Jim Bearce, Bill Graf, Charlie Koch, Fran McBride, David Peragallo and Marc Olshan a volunteer from Hancock. They continued their tremendous efforts throughout the summer and fall with excellent results. The new trail includes bog bridges and raised boardwalks. Trail markers are in place. Maintenance of trails was required this year on several occasions due to increased rainfall & storms.

CONSERVATION COMMISSION

- Children’s Woods and Carey Park: The Conservation Commission successfully presented a Warrant article at Town Meeting: Passed at Town Meeting: Article 28. “To see if the Town will vote to authorize the Select Board and the Conservation Commission to place conservation easements on all present and future Jaffrey Conservation properties and town forests (designated as such in accordance with RSA 31:110). These easements, which require approval by the Select Board, will assure permanent protection for all Jaffrey conservation properties and town forests.”

Members of Coach Gascamp’s Franklin Pierce football team once again volunteered their strength and efforts in installing water bars on the Carey Road entrance to the park, putting logs across wet parts of trails and mulch was spread on the upper slope of the trail and at the trailhead for a parking area. An ARM grant for Carey Park was written and applied for with the DES, but was not funded.

- Support of a Community Garden was investigated during 2022 and will continue to be pursued in 2023.
- The Conservation Commission voted to participate in the Jaffrey 250th celebration with purchase of banners, numerous activities during the month of April 2023 and in the August celebration.
- The Land Acquisition Capital Reserve Fund (LACRF) was funded with \$5,000 at the 2022 Town Meeting.
- DES Applications: Numerous DES wetland permit applications were reviewed and site visits conducted in 2022 with recommendations forwarded to DES and input given to the ZBA and the Planning Board. The commission filed a complaint with the DES re: conservation violations. In addition, the commission responds to community members who have questions relating to wetland and conservation issues.
- Monitoring of Easements:
Grey Goose Easement has new owners and was monitored in 2021 and found in compliance.
Whittemore Island Easement: The Monadnock Conservancy, as holders of the easement completed the annual survey.
Children’s Woods: The Monadnock Conservancy, as holders of the easement completed the annual survey.
- For Earth Day 2022, seed packets were donated to residents, along with informational brochures and pollinator-friendly plants and bushes. Pollinator Garden signs were also distributed.

- Nutting Rd. Bridge: The Commission members financially supported the town through funds for the ARM fees required in the repair of the bridge.
- Regular activities of the commission include representatives attending the Zoning Board of Adjustment - Elizabeth Webster and Planning Board meetings - Tom Ahlborn-Hsu.
- The Conservation Commission's representative to the Downtown Revitalization Committee is Elizabeth Webster.
- The Jaffrey Representatives to the Contoocook and North Branch Rivers Local Advisory Committee are Carolyn D Garretson, William Graf and Gail Lang.

In 2023, the commission will continue its focus on participating in town meetings, building, improving and maintaining trails, supporting the town in downtown revitalization, transfer station improvements, working with the town schools on conservation, developing additional pocket gardens and encouraging pollinator gardens in town, provision of community education programs including assisting residents in land conservation.

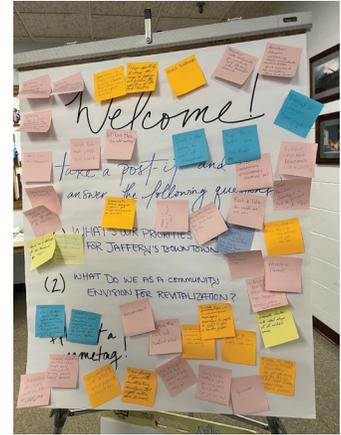

As your conservation commission, we welcome your participation and input on all conservation issues. We invite visitors to our meetings and look forward to developing new initiatives that will conserve and promote Jaffrey's unique character.

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

The Economic Development Council (EDC) is made up of business owners, community leaders, and local residents with an interest in promoting the economic vitality and growth of Jaffrey. The EDC is committed to promoting business-friendly policies and creating business and job opportunities which build on our retail and manufacturing base. This year we were joined by James Geogopoulos and Peter Constant who provided a fresh look at the needs of local business and creative placemaking. Sadly, both had to resign due to life/work changes. In addition long time member Cathy Furze also submitted her resignation. Cathy was diligent in bringing broadband to Town as well as being a strong supporter of community initiatives and representing the Chamber of Commerce on the EDC. We are looking to fill the three seats, please reach out if you are interested. Meanwhile, Stephanie Porter resigned from the Executive Director position of TEAM Jaffrey, too hard to let her go. And we welcome Tarah Castiglioni as the new ED and TEAM representative to the EDC. Welcome Tarah!

This year in review begins with the EDC prioritizing top issues to address in 2022:

- 1) Facilitate a workshop to help frame a vision for the Downtown Revitalization Committee
- 2) Promote the downtownjaffrey.org website
- 3) Complete the data collection and community profile for the Economic Development Chapter of the Master Plan and draft the Implementation Plan
- 4) Continue liaison with business and community members on the roundabout project and move forward with public engagement
- 5) Continue promoting the Revolving Loan Fund for businesses during the pandemic
- 6) Continue to press forward the W.W. Cross and St Patrick School brownfield assessments and cleanup
- 7) Complete the Road Safety Audit for Old Sharon Road and Route 202 intersection

As some Federal and State Covid pandemic programs remained open through the year, opportunities were posted to the Facebook page and the Town website. Also beneficial were the bi-weekly Department of Business and Economic Affairs meetings with Commissioner Caswell and Economic Development Directors from across the state.

Progress has been made on the proposed solar installation at the Wastewater Treatment facility, the goal being access of renewable energy at the best financial return for the taxpayers.

The Environmental Protection Agency's Emergency Planning and Response Branch completed its work on a partial site stabilization at the W.W. Cross site. Thus releasing the funds for the Town's assessment grant to begin.

The Downtown Traffic Project continues moving through the final design and engineering phase, with construction anticipated in 2024-2026. Two properties were acquired and demolition is scheduled for spring of 2023. In other transportation news, final design, environmental assessments and rights-of-way have been completed for the sidewalks and pedestrian improvements on Peterborough Street and Stratton Road. Engineers are coordinating with DOT on the downtown project. Toward the end of the year the Town entered into a contract with Toole Design to generate specific design layouts of sidewalks, welcome center, landscaping, and pedestrian amenities related to the final design of the bridge and roundabout project. These will be presented to the Downtown Revitalization Committee and the public in early 2023. As a complement to the design work by Toole, the EDC hosted a set of workshops: Community Conversations, facilitated by NH Listens at UNH's Carsey School to provide opportunity to engage in revitalization efforts.

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

Director Carr and TEAM Jaffrey Director Scotland hosted a couple of small work group meetings of downtown property owners and prospective businesses. These were well received and more of these small group meetings are planned for FY 23.

Through the Planning and Economic Development Department, we provide guidance for new and expanding businesses on the development process and coordinate with the planning board and building department along the way. In addition, we coordinate the Economic Revitalization Zone Program and Ch 79E tax relief programs for new development and redevelopment. We look forward to the coming year and the opportunities it will present as we proceed with ongoing projects and begin new initiatives to help sustain Jaffrey’s economic vitality.

HISTORIC DISTRICT COMMISSION

In 1969 the citizens of Jaffrey established the Jaffrey Historic District Commission whose mission is to aid in preserving the rich cultural, social, economic and architectural histories of our town.

2022 saw this Commission actively involved in our community. Welcoming new residents to our District, we worked in an advisory capacity to assist owners in the best practices to meet the established standards. Whether it be fence and porch considerations, deck possibilities, roofing and general maintenance needs, landscaping concerns, the Commission members were there to lend thoughts and suggestions.

There was one formal application. This was to build a garage and breezeway addition to an existing historic residence. The Commission worked with the owners and met with abutters and interested parties to

ensure that the guideline standards were met. The Commission had no objection and approved this application.

Several properties on Main Street have seen substantial renovation making for a very inviting image of the historic district. The Commission commends the owners for their commitment to the spirit of the district and encourage all district property owners to consider “curb-appeal” as we head towards Jaffrey’s 250th Celebration in 2023.

The Commission needs interested residents stepping up to help fill the ranks of the Commission. If you have interest, please contact one of our commissioners or our Town Moderator for consideration.

The Commission meets the first Thursday of the month at 6pm at the Town Offices during colder seasons and at the Jaffrey Meetinghouse during the summer months. Meetings are held generally on a need basis. If there is no new business, a no meeting notice will be posted.

LIBRARY TRUSTEES

The Jaffrey Public Library Board of Trustees and Staff would like to thank you for your adaptability and support as we continue to address the ever-changing needs of you, our loyal patrons. During the past year many have used our library for internet use, periodicals, books, downloadable books, DVDs, and other avenues of research. Folks have sought out knowledge in the form of programs such as AARP Income Tax Help, Interactive displays, on-line book discussions, book clubs, Grub Club, Story Times, Vaccinations Clinics, NH Chief Justice Visits, forensic investigation with the Jaffrey Police Department and the Curiosity Cube from Millipore. Children looked forward to story times, arts and crafts and other programs designed by our talented staff to appeal to their interests.

The Trustees are responsible for planning – and securing – the library’s future. A thorough review of our Bylaws and Investment Policy resulted in some important revisions and allowed us to add two new Trust Funds, both of which are open to current donations as well as legacy gifts.

Jaffrey Public Library Future Fund

The purpose of the Jaffrey Public Library Future Fund is to fuel innovation, foster bold initiatives, and fund the development of innovative programs and services that will further the ability of the JPL to empower our community.

Clay Library Fund

The Clay Library Fund is intended to strengthen the ability of the Jaffrey Public Library to maintain the magnificent building which houses our library and to preserve and showcase the history of Jaffrey.

We ask you to promote our library by speaking to others whenever possible. Make others aware of all the benefits and services we provide. The next time you visit the library invite a friend who hasn’t been in yet to see what they are missing. If you have questions or concerns, we want to hear them. Our board meetings are open to the public and are held on the 3rd Wednesday of each month starting at 10 AM. We are your elected board and welcome your questions, concerns and praise.

As trustees and residents, we firmly believe that the Jaffrey Public Library provides essential services and makes a huge and continuing impact on our community. We are proud to serve on the board for you, our loyal supporters and patrons.

MEETINGHOUSE COMMITTEE

The Meetinghouse Committee advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

The Meetinghouse served as a venue for several events in 2022: One wedding, the installation ceremony for the new First Church minister, a Board of Selectmen meeting, the 22nd Reading of the Declaration of Independence, the annual First Church Fair on the first Wednesday of August, eight Amos Fortune Forum programs, the annual meeting of the Jaffrey Historical Society and a relocated Concert on the Common.

The two big events scheduled for the 2023 summer season include the 250th anniversary of the Town of Jaffrey, *Commemoration Day*, which will be celebrated on August 17th, the day the Charter was issued, and *A Salute to Jaffrey Veterans* will be held on June 17th, the day in 1775 when the frame of the Meetinghouse was raised and the date of the Battle of Bunker Hill.

The Committee made an inspection of the Meetinghouse in May. Several small projects were undertaken, sometimes by members of the Committee and at other times by volunteers, contractors or Town staff.

- Inspection and servicing of the Town clock (now overseen by Sean Driscoll and Rob Stephenson with the professional involvement of D'Avanza Clock Repair of Goffstown);
- Annual testing of the fire alarm system by Monadnock Security and the fire extinguishers by Life Safety Fire Protection;
- Winterizing the Meetinghouse by the Department of Public Works and the Water Department;
- Wi-fi was extended to the Meetinghouse in 2022, overseen by Chief David Chamberlain.

The largest Meetinghouse project since the 1990s was successfully undertaken during the years 2021 and 2022: The 1822 Tower was extensively renovated inside in the upper non-public levels. This involved all new flooring and stair treads, installation of steel handrails, plastering and painting and new lighting. Much of this work dealt with safety and code concerns. The disintegrated balustrade above the bell level was replaced as were several finials, urns and other wood elements. A new metal roof was installed above the bell level and the entire Tower was painted as was the south façade of the main structure. The last major task was the painting of four clock faces and the re-gilding of the numerals and the new hands undertaken by Phil D'Avanza of Goffstown who has been maintaining our clocks for many years. The entire project was completed in the fall of 2022. This was an expensive undertaking, just under \$192,000. The general contractor was Davis Construction—which did an excellent job in replacing the wood roof back in 2017. Among the many subcontractors was Stebbins Superior Painting. Major grant support was obtained from LCHIP (Land and Community Heritage Investment Program) and the Moose Plate program, the two totaling \$78,500. Local Jaffrey organizations donated \$5,663 and citizens and friends of the Meetinghouse contributed \$7,990. Three Town trust funds (Meetinghouse, Town Clocks and Municipal Buildings) paid the remainder (\$102,741).

The balance of the Meetinghouse Trust Fund (established 1991) at the start of the year was \$16,159.86. During 2022 \$4,625 was added to the Fund (mostly rental fees for the use of the Meet-

MEETINGHOUSE COMMITTEE

inghouse and the annual warrant article at Town Meeting of \$3,000). Disbursements from the fund totaled \$8,125 (reimbursement of Town expenditures on the Tower project). Income, Fees and Gains/Losses totaled \$64.25. At the end of the year the balance of the Meetinghouse Trust Fund was \$12,724.11.

For the seventeenth year a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 4th organized by the Village Improvement Society. As always, candles are set in the south windows of the Meetinghouse for the holiday season and remain lighted through the winter months.

The Meetinghouse has its own webpage, hosted on the Town's website at <http://townofjaffrey.com>. Go to > Boards & Committees > Meetinghouse Committee. Here you will find, among other things, historical and financial information, photographs, the current and past schedules of events, and the application and guidelines for use. Many photographs & images of the Meetinghouse may be found at <https://rs41.smugmug.com/Jaffrey/Meetinghouse>.

The Committee would like to thank Judy Zola, Town Administrative Assistant, for her supportive and professional attention to Meetinghouse matters particularly in scheduling and overseeing applications for use. It would also like to thank Gary Duquette of the Jaffrey Department of Public Works who has been very helpful on many Meetinghouse matters particularly in assisting in the Tower project and re-building the exterior stairs at the east end of the Meetinghouse. Sean Driscoll continues to assist the Committee on matters of maintenance and setting-up for the 4th of July and holiday candles.

The Committee looks forward to seeing more events at the Meetinghouse in 2023 especially those associated with the 250th anniversary of the Town, *A Salute to Jaffrey Veterans*, June 17; *Commemoration Day*, August 17).

MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State statute (RSA 227-D:4) and is charged to advise and guide the Department of Natural and Cultural Resources on the managed lands on Monadnock, Gap and Little Monadnock mountains. State law allows the Commission to accept tax deductible donations. MAC funds are used primarily as a source for search and rescue supplies and equipment.

Members of the Commission include two representatives from each of the towns these mountains are part of, the director of the Division of Parks and Recreation, the director of the Division of Forests and Lands, and the president of the Forest Society (Society for the Protection of New Hampshire Forests). Other guests include the Monadnock State Park manager and assistant manager, the commissioner of the Department of Natural and Cultural Resources, Antioch University MERE (Monadnock Ecological Research and Education) Project, Forest Society recreation manager, and the Parks and Recreation South Region Supervisor.

The Commission met twice in 2022, once in the Spring at the State Park headquarters, and again in the Fall at the East Hill Farm in Troy. Trail usage of the park and trails that access the summit is again slightly down from the last two years, but camping usage continues to increase. Park staff has had to work extra hard this year due to the difficulty of filling open positions, putting a strain on resources and making it difficult to achieve goals for increased presence at trailheads. Plans for requiring reservations and fees at some of the more remote trailheads have had to be modified or delayed. The reservation system in place at the park and primary trailheads continues to function well, and is still being considered for the other access points. Income from iron rangers at remote trailheads has increased, perhaps due to more and better signage.

Monadnock Trails Week was well attended and a great deal of much needed work was done, by both volunteer and professional trail crews. The total number of rescues was down from last year, but staff hours spent on rescues increased due to the nature of assistance needed. Timber harvesting planning and execution continues on several sites on lands surrounding these mountains, with careful plans to limit their effect on recreation uses. Some areas are being selected for interpretive signage describing forest condition and related topics. Project MERE continues their research and efforts to protect fragile areas on the mountain.

Parking and other issues around the Pumpelly Trailhead continue to be of concern, and there are new initiatives to clarify and validate trail easements on the first mile of the present trail.

The members of the Monadnock Advisory Commission encourage input from the citizens of our towns regarding anything to do with the care of the mountains we are charged with helping to maintain. Please contact your representatives listed below.

PLANNING BOARD

The Planning Board reviewed and approved several major applications in 2022. The Stony Brook Village subdivision was approved to extend and connect to the town municipal sewer. The existing infrastructure was inspected and tested and the force main construction is underway. Millipore and Teleflex continue site plan upgrades and building renovations. Several self-storage facilities have been approved, and the board reviewed 4 minor lot line adjustments.

Two chapters to the Master Plan have been drafted, Economic Development and Energy & Resilience, and are available for review and comment. Most important will be the approval of the implementation plans this year. Take a look on the website Planning and Economic Development page for links to the chapters and upcoming meetings.

No changes to the Land Use Code were proposed for 2022. The Board plans updates for Town Meeting 2023 which will be workshopped over the year. In general, if anyone has a concern regarding zoning or a recommended change, please let the office know and we can bring it before the Board.

With the lifting of Covid restrictions on public gatherings we resumed meeting in person, a relief for most, especially as it could be difficult to see and hear the proceedings at some times. Director Carr continues liaison on the NH Planners Association legislative committee, advocating for legislative changes which will impact local communities. The Board in conjunction with the Economic Development Council, supported a series of workshops Downtown Conversations to support the development of the implementation plans for the two new chapters of the Master Plan. Be sure to check in with the Economic Development Council report for additional projects in the Planning & Economic Development Department.

With regret, the Board accepted the resignation of Laurel McKenzie who served for ten years. Her insight and experience proved invaluable over the years. The remainder of the board membership was stable this year and we now have a nearly full complement of alternates. One more seat is available and with the planning work anticipated for 2023, we need your help! Please consider adding your voice to our group and working to steer our community forward into a bright future.

There are many important issues facing our community in the coming year. The Board enters the 2023 year energized and ready to work with our existing and future residents to build a better community. Thank you for the opportunity to serve.

SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist are responsible for registering voters and maintaining an accurate checklist identifying Jaffrey voters. Procedures allow registration of new voters with the Town Clerk during business hours, or at the polls during town, state and general elections. Supervisors are responsible for finalizing voter registration which includes filing paper records in the Town Office and entering registration data into ElectioNet, the online database overseen by the NH Secretary of State's office. Changes must be made such as a voter's change of address, name or party affiliation, driver's license changes and removing individuals from the roles who have moved out of Jaffrey or have died. Supervisors met regularly to cross-check and verify that every voter's hard copy file matches the ElectioNet database to ensure all files are up to date.

In addition, Supervisors need to provide up to date checklists and be present when checklists are being used at elections and town meetings. Supervisors certify signatures on petitioned articles to the Town Warrant, certifying nominations for state and federal offices and attend all Town Meetings and the School Deliberative Sessions to identify registered residents and provide oversight. Special sessions prior to elections to register new voters are held at the town office. Dates for these special sessions are listed on the Town of Jaffrey website. Supervisors were present at all elections and school deliberative sessions this year and held special sessions as mandated by the State of NH.

The Secretary of State's office provided numerous webinars and zoom meetings including consultation and seminars on dealing with concerned or stressed voters at elections. Each of our Supervisors participated in the seminars.

Elections this year were again held at Pratt Auditorium. Many volunteers came forward again to assist the voting process. These volunteers continue to be indispensable, giving of their time and helping in many capacities to provide successful voting experiences. Election procedure training was completed with online webinars for Ballot Clerks. This entire voting procedure required extensive planning and the results were extremely gratifying with over 50 dedicated volunteers spending numerous hours to help assure a safe and successful election. A special thank you goes to Sharon Tieger who worked expertly and tirelessly the entire day for the State Primary Election filling in for one of our supervisors.

We are very appreciative of the dedication of all volunteers and for Kelly Rollins, Town Clerk, Marc Tieger, Moderator, Jon Frederick, Town Manager and our DPW along with many town staff assisting in the elections.

As of December 31, 2022, Jaffrey has 3,514 registered voters.

The table below shows the number of Jaffrey voters for the past six years:

Year	Voters	Dems	Reps	Undeclared
2017	3970	1183	1258	1528
2018	4004	1204	1247	1553
2019	3934	1171	1194	1569
2020	4348	1437	1393	1518
2021	3336	1142	1120	1047

TEAM JAFFREY

2022 has been a wonderful year of growth and change for TEAM Jaffrey. This year, TEAM Jaffrey welcomed new businesses: Blue Star Fitness, The Optimist Cafe, and Mane and Blake Salon. We bid farewell to long-time businesses, The Vine, and Candy's Hair Salon. TEAM Jaffrey also facilitated support for various businesses in town who were still feeling the strain from the Covid pandemic by providing financial support and advertising opportunities such as the Keene Sentinel's Facebook Live, and the Discovery Maps.

TEAM Jaffrey saw the return of the Farmer's Market, which ran from June through September. "Concerts on the Common" highlighted local talent throughout July and August. "Riverfest" returned with favorites such as the 2nd Annual Car Show, Vendors on the Common, and Touch a Truck. Beloved fall events "Scarecrows on the Common" and "Trick or Treat on the Town" returned fully in person for the first time since 2019 and were met with great success.

TEAM Jaffrey welcomed new Executive Director Tarah Castiglioni, who transitioned into the position with the guidance and support of outgoing Executive Director Stephanie Scotland.

Through all of the transitions and changes, TEAM Jaffrey continues to put our local businesses and community first, and we will strengthen our commitment, and continue to facilitate the growth of our community.

With Gratitude,
TEAM Jaffrey

JOINT LOSS MANAGEMENT COMMITTEE (Safety Committee)

JMLC General Information:

The purpose of the Joint Loss Management Committee (JLMC) is to conduct research, develop recommendations, and study and review matters pertaining to occupational safety and health within the Town of Jaffrey. The JLMC consists of eight (8) members who are employees of the Town of Jaffrey and the membership consists of both management and staff personnel and is representative of the major work activities (departments). The JLMC holds meeting quarterly meeting and will hold special meetings whenever necessary. Additionally, the JLMC conducts safety inspections of all town buildings and promotes training for all employees whether job specific or applicable to all the town's employees. The duties of the JLMC are generally consistent with the New Hampshire Department of Labor's Rules and Regulations.

2022 Recap:

Being a newly elected Chairperson, I had a learning curve, but hopefully I served the committee well. Together with Past Chairman Baranowski, we successfully submitted our Primex P3 recertification, which reduces the cost of the Property/Liability Insurance premium. Primex developed a new computerized way of tracking employee training, which we will use to enhance our ability to track compliance. Because of Covid 19, many of the annual safety trainings were done online, however, we were able to attend in person trainings for Safe Shooter by the Jaffrey Police and Fire Extinguisher training by the Jaffrey Fire Department. Employee badges were also updated this year.

Looking Forward:

In 2023 we will be reviewing and updating our town Safety Plan as well as renewing the Primex P3 certification. In person trainings for AED's and CPR are also planned. Annual refreshers for Back Injury Prevention, Slips, Trips & Falls, and Cybersecurity will be asked of all employees.

I thank the JLMC for their support and confidence in electing me for another year of Chairperson. I will strive to maintain compliance with NH Department of Labor rules and regulations and more importantly, endeavoring to keep all employees healthy and safe while at work.

Judith A. Zola
Chairperson, JLMC

CONTOOCOOK & NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

The Contoocook & North Branch Rivers Local Advisory Committee, (CNBRLAC) completed a productive year in 2022 with a full slate of meetings and monitoring activities for the Contoocook and North Branch River communities. The Committee met in person monthly at the Monadnock Paper Mill in Bennington.

Established in 1988, the CNBRLAC represents the fourteen communities that the rivers run through; Antrim, Bennington, Boscawen, Concord, Deering, Greenfield, Hancock, Henniker, Hillsborough, Hopkinton, Jaffrey, Peterborough, Rindge, and Stoddard. The CNBRLAC performs statutory duties including permit review and management plan coordination. The CNBRLAC provides a voice for the Contoocook and North Branch River towns and cities through the river's designation in the New Hampshire Rivers Management and Protection Program. The CNBRLAC updates the Contoocook and North Branch Rivers Corridor Management Plan (CNBRCMP) <https://www4.des.state.nh.us/blogs/rivers/wp-content/uploads/ctc-plan.pdf> and coordinates the activities in it. Work on an updated plan continued in 2022. The CNBRLAC website is www.cnbrlac.org. (As always, special thanks to river lover Luciano Lipari of Antrim for his volunteer creation and maintenance of our website).

This past year the CNBRLAC reviewed and provided comment on twenty proposed projects for Wetlands, Shorelands and Alteration of Terrain permit applications within the Contoocook and North Branch River's watersheds. There were a few major projects reviewed including permits for demolition of two properties in Jaffrey associated with the NHDOT proposed intersection improvements at Routes 124 and 202, a proposed water main crossing of the river as a new drinking water source for Peterborough which is part of a joint project between Jaffrey and Peterborough and FEMA funded culvert work in Jaffrey. Smaller projects typically included improvements to homes/camps along several of the impounded lakes/ponds along the river. In general, CNBRLAC comments to NHDES included encouraging leaving as much natural shoreline vegetation as possible, enhancing shoreland areas with additional trees/plantings and encouraging low impact development (LID) techniques which handle impervious surface stormwater runoff more naturally and promote enhanced infiltration to groundwater.

Representatives from the committee are regularly promoting the protection of the river and interests that the river supports outside CNBRLAC monthly meetings. Several members are either current or past legislators who work within those roles to help the river and others are members of town boards such as Conservation Commissions where the river's interests are promoted. In addition, members attended a few events this year representing the CNBRLAC. The Jaffrey Riverfest, Bennington Rhubarb Festival and Historic Hillsborough are among the events CNBRLAC volunteers presented at in 2022.

The VRAP Monitoring Program marked its twenty-fourth year in 2022. The VRAP Monitoring Program depends on the high-quality work of many volunteers each year who monitor river and stream health on the Contoocook and North Branch Rivers, and their tributaries at over twenty sites between Rindge and Concord. During the summer, volunteers collect river water samples and record the results of in-field testing. The resulting data are used to evaluate the condition of the water quality of the rivers. The information is shared with municipalities and their local officials, as well as to the State of New Hampshire and the US Congress. This data is available for viewing at Publications | NH Department of Environmental Services (acsitefactory.com).

CNBRLAC's elected officers which include Matt Lundsted, Chairman; John Haley, Treasurer and

CONTOOCOOK & NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

Marco Philippon, Secretary were re-elected for 2022. CNBRLAC also lost long-time member from Rindge William (Bill) Preston during the year. His dedication to causes he cared deeply for including the River and his friendship will be sorely missed.

The CNBRLAC work would not be possible without the generosity of all fourteen of its municipal supporters. Their support assures that the program has the resources that it needs to continue. Special thanks goes to Monadnock Mills as they provide the committee with an in-person monthly meeting space which provides for a consistent venue with convenient accommodations.

The CNBLAC meets monthly every third Monday at 7:00 PM. If you are interested in attending or participating, please call the Chair, Matt Lundsted, for in-person or Zoom meeting information. All are welcome to attend the meetings. For further information, please contact Matt Lundsted, Chairman via telephone at 603.424.8444 ext. 305, email at mlundsted@ceiengineers.com or through your local representatives listed below.

STAFF REPORTS

TOWN MANAGER

Welcome to the 2022 annual report. I am blessed to be surrounded by great staff and supported by our Select Board and Budget Committee. We have a fantastic group of volunteers and elected officials that serve on a multitude of boards and contribute to the town's work on a daily basis. Their work is greatly appreciated. Thank you all for your support again this year.

Following two years of outdoor Town Meetings, we returned to Pratt Auditorium in March for our traditional format. It was nice to not worry about inclement weather, but I will certainly miss the military flyovers.

We have worked throughout the year to streamline the warrant and the business of Town Meeting and I am confident you will be pleased with the results. The Select Board formed a Social Service Agencies subcommittee to meet with all of our usual petitioners requesting funding from the town. Selectman Kevin Chamberlain, Charlie Turcotte and Ben Wheeler met with eleven agencies over two days in November to review financials and thoroughly vet each request. The subcommittee made their recommendations to the Select Board for funding in the 2023 operating budget. With inclusion in the operating budget, you will not see individual petition warrant articles from the requesting agencies at Town Meeting.

As Jaffrey's Legislative Body, our citizens gather at Town Meeting to make decisions for our community and direct the business of the coming year. Your participation is necessary to be informed and make the meeting a success. Please join us on March 18th.

The Jaffrey 250th Jubilee Committee continued their work planning our celebration in 2023. Events throughout the year have been planned and the schedule is at www.jaffrey250.com. The celebration will culminate with a massive parade and a fireworks show. This is a historic year and your participation will make it memorable for the next 50 years.

Senator Jeanne Shaheen visited Jaffrey on August 10th to congratulate us for receiving \$1 million in federal funding for the Wheeler Street neighborhood water main replacement project. She also came to discuss our PFAS issues with the Turnpike Well and hear our concerns with the costs of treatment and the search for funding assistance. Our meeting concluded with a tour of the well facility on Turnpike Road.

Jaffrey was fortunate to host the Governor & Council meeting on September 21st at the Fire Station and Silver Ranch Airpark. Governor Sununu, District 5 Executive Councilor Wheeler, the rest of the Executive Council and an entourage of nearly forty State representatives were treated to a breakfast feast hosted by the Jaffrey Fire Department before mov-

TOWN MANAGER

ing to the airpark hangar for the regular meeting. Carolyn Garretson, Franklin Sterling and Harvey Sawyer were honored for their service to our community. Additionally, I was appointed by Governor Sununu to the NH Retirement System Board of Trustees. Town staff did an excellent job coordinating and executing every phase of the meeting. They made the Town of Jaffrey look like a top-notch organization and I am extremely proud of their efforts.

The following projects were completed in 2022:

- Year two of the 10-year paving plan
- Jaffrey 250th banners installed throughout town
- Bryant Road water main replacement
- Meetinghouse tower and clock refurbished
- Per diem firefighter staffing
- Route 202 dogleg project community engagement
- Purchased one wing plow truck and outfitted another truck with a wing plow
- Cold Stone Springs project went out for bids and we obtained a \$2.3M EDA grant
- Nutting Road Bridge project went out for bids
- Swap shop roof replaced
- Letourneau Drive Bridge FEMA funding
- Community Power committee formed

As we moved away from Covid, in person meetings and gatherings became normal. Town staff was able to breathe and enjoy the social aspects of work. We worked hard and had fun together. Pictured is the Town Office staff dressed in a Grease theme on Halloween. We were joined by one of Jaffrey's younger residents with town manager aspirations.

We were fortunate to have a fairly stable year with staffing. Transfer Station Manager Nick Kavalchuk departed and Zack Pelletier moved over from Highway to fill the position. We also hired Joe Bogoslofski to the Highway division. Police Sargent Craig Tucker retired from the Police Department in August after 22 years of service. Thank you all for serving the Town of Jaffrey.

Our work will continue in 2023 on the following projects:

- Jaffrey 250th Jubilee Celebration
- Transfer Station improvement and reconfiguration
- Solar at the landfill
- Route 202 landscape design
- Nutting Road, Letourneau Drive and Heath Road bridge replacements
- PFAS at Turnpike Well #1
- WW Cross Brownfields assessment and action
- Cold Stone Springs construction

TOWN MANAGER

- Year three of the 10-year paving plan
- Stratton Road sewer main replacement
- Sawtelle Road water main replacement
- Wheeler Street neighborhood water main replacement
- Community Power

In closing, the Select Board and I agreed to terms for an additional three years that will carry my contract term through June 2026. I look forward to the next three years and our continued focus on the future Jaffrey.

Respectfully submitted,

Jon R. Frederick

The year 2022 had an increase of 48 calls for service over the calls for service in 2021 (412).

The following is the percentage for calls for service by day of the week for 2022:

Mondays 14%, Tuesdays 10%, Wednesdays 12%, Thursdays 14%, Fridays 19%, Saturdays 17%, and Sundays 15%.

FIRE DEPARTMENT

The Fire Department ended 2022 with a staff of Twenty (20) that included the Fire Chief, Assistant Fire Chief, Two (2) Captains, Three (3) Lieutenants, Ten (10) Call Firefighters and Three (3) Per Diem Firefighters. The department currently has Fourteen (14) Certified Firefighter II Firefighters, Six (6) Certified Firefighter I Firefighters. Nine (9) of the Firefighters are Certified Emergency Medical Technicians (EMT), Three (3) are Certified Advanced Emergency Medical Technicians (A-EMT) and One (1) is a Certified Paramedic (Medic).

In the Fall of 2022, we started our Daytime Per Diem Firefighter Shifts. We have three Per Diem Firefighters and a few Call Firefighters who are working Daytime Per Diem Shifts during the week to help with having staff available to respond to emergencies. During the Per Diem Shifts the Firefighters are completing equipment / truck checks, maintenance projects, station chores and other items assigned by the Fire Chief, but most importantly being available to respond to emergencies. The Per Diem shifts are a start to helping with our staffing issues, but we still need people to become Call Firefighters and continue to research future ways of solving our staffing issues. Anyone that is interested in becoming a Call Firefighter should contact the Fire Chief by email firechief@townofjaffrey.com, or call the fire station 603-532-8377, or visit the fire departments website www.jaffreyfire.org for information on joining the fire department. Recruitment of new firefighters and staffing continues to be a priority for the department.

We continue to maintain all the fire apparatus and equipment, so the apparatus and equipment are always in response ready status. The new 16 Engine 1 that was approved at the 2022 Town Meeting has been ordered. Due to supply and demand for fire apparatus the new 16 Engine 1 will not be delivered until the late summer of 2024. We will continue to apply for grants and seek out other funding sources to help with the cost of training classes and future purchases of equipment.

The fire department trainings took place monthly and throughout the year. We had firefighters attend Firefighter Certification Classes as well. Chastity Hodgson completed her Firefighter 2 Certification and Garrett Cournoyer, Cody Hautanen and Sam Mullen completed Firefighter 1 Certification. The trainings and certification classes that the firefighters attend prepare them to respond to and mitigate emergencies to the best of the department's ability.

We are still looking to develop a plan for a future building expansion of the Fire Station. The building expansion will allow for space for the fire department operations and growth with a priority to have locker room facilities for the firefighters to be able to shower after fires and other hazardous incidents.

We continued to attend several community events this year and conducted fire prevention programs in the schools as well as provided tours of the fire station to citizens, visitors, and group organizations. Our Annual Open House and All You Can Eat Buffet Breakfast and other JFFCI events had great attendance and support from the Community and local Businesses. The support of JFFCI through their fundraising and purchasing of equipment for the fire department is greatly appreciated.

FIRE DEPARTMENT

We highly recommend sleeping with your bedroom door closed as UL research shows how a closed door can keep smoke out of a bedroom longer as well as change the flow of heat and toxic gases, acting as a shield for someone trapped and unable to get out of a fire. Along with the NFPA we continue to promote the importance of having a working smoke alarm inside each bedroom, outside each separate sleeping area and on every level of the home. Just as important is to have working CO Alarms on every level of your home. For the best protection, smoke and CO alarms should be interconnected so when one sounds, they all sound. Smoke alarms need to be replaced every 10 years and CO detectors need to be replaced every 7 years. Anyone that needs fire safety information, has questions and or needs assistance with installing Smoke and CO alarms and or help with other safety items is encouraged to contact the Fire Chief at the Fire Station.

The level of service provided by the fire department, the facilities, apparatus, equipment, tools, funding, and support provided are made possible by the dedicated firefighters, their families, the retired firefighters, the Jaffrey Firefighters Company Inc. (JFFCI), the FAST Squad, local businesses, citizens, taxpayers and all the fire departments in the area that helped us in a time of need.

LIBRARY DIRECTOR'S REPORT

The Jaffrey Public Library continues to be a vibrant center of the community, providing lifelong learning opportunities for all ages. 2022 brought exciting growth, with record circulation numbers and high attendance at library programs. We provide individualized service six days a week, as well as expanded digital offerings available 24/7 to cardholders. We were happy to welcome many new families to Jaffrey this year. New users abound with 260 new patrons this year alone, bringing our total number of users to 4,910.

Our services include technology help, reference assistance, professional tutoring, and countless educational programs for youth, teens, and adults. We serve local residents of Jaffrey and Sharon, all middle and high school students in the Jaffrey-Rindge district, and non-residents locally employed in Jaffrey, as well as local institutions.

Throughout the year, the library supported public welfare by providing the community with an accessible venue for the state's Covid-19 vaccination clinics, and other support services through outside organizations for fuel assistance, income tax preparation, and employment assistance programs. Our Farm Fresh Checkout program in cooperation with our local farmers provided the community with 1,200 items of fresh produce at no cost, and the sixth year of our community Seed Library distributed over 1,600 seed packets to support local gardeners and our food literacy goals. We are the safe space for our community's children and teens after school, providing activities, computer and internet access, and food through the Jaffrey Food Pantry. We are also an accessible space for adults to gather and learn about new technology, history and current events.

In 2022, library staff answered 19,739 reference and technology questions, and we had over 9,959 participants in library programs! The library provided a wide array of materials for checkout, including books, audiobooks, magazines, movies, learning tablets, microscopes, sewing machines, STEAM kits, and Wi-Fi hotspots. Circulation, the number of materials checked out from the library, totaled 54,534 in 2022, a 23% increase over last year.

Summer Learning participation and circulation exceeded pre-pandemic levels. In-person activities came back in full force, and the public responded with record engagement. Outreach services also grew this year with a full season of our Book Bike and active program partnerships with Jaffrey

LIBRARY DIRECTOR'S REPORT

Grade School, Head Start and the Jaffrey Recreation Department.

The library's collection is diverse, inclusive, and relevant, with physical holdings at 35,460, and shared downloadable digital holdings of 39,147 eBooks, 34,889 audiobooks, and 4,428 magazine copies, available through the state consortium from Overdrive. We also offer 1,450 always-available digital titles for youth through our Tumble-Book Library. Access is free to all library cardholders, and many titles include added features to support varied learning styles.

We support researchers of all ages with vetted, up to date electronic resources, including an expanded subscription to *Newsbank – Access World News*, featuring local newspaper access as well as national and world newspapers, including full image editions. *Newsbank's Special Reports and Hot Topics* streamline research topics, covering key global issues including business, economics, crime, politics, science, health, sports, and the arts. *Britannica Library* from *Encyclopedia Britannica* remains our most used online resource, followed by our *AtoZ World Food* and *Food America* databases, full of regional information and recipes from around the world. Residents of all ages took advantage of free language learning for over 70 languages, with an easy-to-use app from *Mango Languages*, and a special edition, *Little Pim*, for our youngest students. *Brainfuse HelpNow* continues to provide all of our local students with free professional tutoring and homework help, along with adult career resources, test prep, and even live help for filling out the FAFSA for Federal Student Aid. We continue to provide free access to *Ancestry.com* and *Heritage Hub* for your genealogy pursuits, as well as multiple, reliable and current resources for answering your reference questions on multiple topics.

In 2022, we added 1,317 new titles to our physical collection, of which 575 (valued over \$12,848) were funded by grant programs and donations, at no cost to taxpayers. 1,116 items were withdrawn from the physical collection as part of a comprehensive collection development and maintenance plan, according to professional standards. Many of these withdrawn items were donated to smaller libraries, local classrooms and preschools, Monadnock Adult Day Care, and even the local laundromat! This number also includes the deletion of titles from our system discovered missing during inventory.

We addressed a shortfall in funding for our 2022 budget request without cutting open hours or staff. We did so with dogged determination, succeeding in our commitment to bring in outside funding in 2022 through grants and donations, valued over \$48,500. The Library Trustees took that a step further by establishing two new trust funds to ensure the future of innovation in our services and the preservation of our historic facility. It was only through grants and gifts that we were able to have almost 10,000 participants in library programs, with only ten dollars in our Town funded Programming budget line. We thank all of our funders for this incredible support.

LIBRARY DIRECTOR'S REPORT

We were again awarded a \$20,000 STEAM Learning grant from MilliporeSigma, allowing for the continuation of our science education, arts and technology programming. We were also awarded a grant from the Beard Foundation to support children's programming, as well as an in-kind grant from MagiKids for afterschool programming, and summer reading program support from the Children's Literacy Foundation.

We were able to continue our adult book group, led by humanities experts, through multiple grants with New Hampshire Humanities. A gift from the Community Center of Jaffrey provided funding for our first Memory Kits, developed in partnership with Monadnock Adult Care Center, to support local caregivers and those suffering from dementia. Lastly, we were honored

to receive two additional grants for our historic building – a Certified Local Government grant to support the library's nomination to the National Register of Historic Places, and a grant from the NH Preservation Alliance for a historic building condition assessment, to serve as a professional planning document for future preservation efforts.

The Friends of the Library has continued ongoing funding for our popular mobile hotspot lending program, providing mobile wi-fi access to our patrons and the elves at the Santa's House program. The Friends also provide our NH State Park Pass, as well as local museum passes, and *Ancestry.com*.

2022 was a great year at the library. We look forward to serving you in 2023.

POLICE DEPARTMENT

*“A standard that is easy to meet is an endorsement of mediocrity.
A standard that is challenging is a catalyst for excellence.” ~TM*

In 2022 the Jaffrey Police Department returned to a full sense of normalcy after weathering the effects the last three years have had on the law enforcement community. The COVID-19 Pandemic finally eased, the social unrest that was prevalent around the country subsided, and the national calls for police reform declined after the law enforcement community made reasonable and appropriate changes to enhance support. The resilience of our officers during this difficult time was bolstered by the confidence our citizens have in our ability to deliver courteous, professional, and equitable law enforcement services to our community. Because of that, the negative effects of the last three years were minimized in Jaffrey. For this we are thankful and we look forward to continuing to earn our citizen's support.

*Sergeant Craig Tucker
Retired 2022*

An important staffing change occurred in 2022. Sergeant Craig Tucker, known to many Jaffrey natives as “Tuck”, retired after 24-years of service to the citizens of Jaffrey. We sincerely thank him for his dedication and the many contributions he made to our community and the Police Department. He will be greatly missed. On a positive note, Officer Joe Golinski was deservingly promoted to Sergeant to fill the supervisor vacancy.

A primary goal in 2022 was to obtain and maintain a full staffing model in order to maximize our efficiency and the services we can provide to our community. This has proven to be an elusive goal. Craig Tucker's retirement, combined with the vacancy created by a medical retirement in late 2021, and a resignation of another officer left us trying to fill three of eleven allocated positions over the course of 2022. This placed an increased burden on remaining officers and forced us to adopt less than optimal shift schedules.

One of the lingering effects of the intense national scrutiny law enforcement has endured over the last three years is a rapidly shrinking candidate pool. Today, more than ever, it takes a special person with a strong character and sense of service to embark on a law enforcement career. Finding quality candidates, combined with the high standards we set for our officers, stringent testing and hiring processes, and our intensive 30-week training regimen, has made hiring and retaining new officers very difficult. We close 2022 on an optimistic note however, given that we welcomed lateral Officer Scott Merrell to our ranks in June, lateral Officer Igor Celzner in December, and we have a new recruit ready to attend the New Hampshire Police Academy in March of 2023. If all goes well, all officers will be fully trained and we will attain a full staffing allocation model in September of 2023. This will allow us to implement more proactive policing activities once again. (Fingers crossed.)

To recognize the resilience and dedication of our officers who have been tirelessly working to compensate for our staffing shortages, we re-initiated an **“Officer of the Year”** award program. Although the decision was difficult due to a strong pool of nominees, Officer Zach Lazzaro was the 2022 recipient. Among other criteria, Zach is the employee who **“best represented our organization in 2022 and who showed the highest levels of professionalism, dedication, and productivity.”** We congratulate him on this achievement and look forward to the 2023 competition.

Traffic safety was a priority for us this year and our motor vehicle stops were up approximately 70% over 2021. Officer Scott Merrell led the way in this effort. Some drivers have complained about our increased traffic enforcement activity despite the fact that over 80% of our stops resulted in a warning. Our goal is not to punish drivers, it is to encourage voluntary compliance with traffic laws and bolster safety. I occasionally have a person call to complain about being stopped and they often use the old cliché, “Don't your officers have anything better to do?” I proudly say, “No.” I politely tell them

*Officer Zach Lazzaro
“2022 Officer
of the Year”*

POLICE DEPARTMENT

that Jaffrey is a very safe community, our crime rates are far below national averages, and therefore we can put a stronger focus on keeping our roads safe. (They usually hang up at that point.) So you are all aware, Areavibes.com, a website that compiles FBI crime data gave Jaffrey an “A+” crime rating and reported that our overall crime rate is 74% lower than the national average. This speaks highly of our residents, our police department, and reinforces our premise that Jaffrey is a safe community in which to live and work.

Another priority for us in 2022 was Community Policing. We made a concerted effort to engage and collaborate with our citizens to enhance safety, mutual respect, trust, and understanding. We delivered educational presentations to citizens and school students, collaborated with local businesses and groups such as McDonalds, Station 16, Reality Check, and Shelter from the Storm to help community members in need, and we participated in several safety-oriented community events. The list is long and space prohibits me from listing them all. What should be noted is that Officer Kelsea Ashmore received the Police Department’s “**Community Policing Ribbon**” for willingness to spearhead many of our outreach efforts.

The members of the Jaffrey Police Department will continue to proudly serve our community and we will set our standards high to provide excellent law enforcement services to our citizens and guests. If you have any comments, concerns, or ideas on how we can best do that, please give me a call or stop by the station. I welcome input and feedback. **We work for you...**

In 2022, New Hampshire Courts resumed full in-person operations however, we are still working our way through cases that were initiated before or during the height of the Covid-19 pandemic that have lingered without being resolved. However, significant progress has been made in that regard. Through necessity and with Court approval, some hearings are still conducted telephonically or via the internet application WebEx. DMV hearings, with the consent of all parties can be conducted via WebEx. During the year, police activity increased slightly and as a result our statistical numbers were higher than in the immediate past.

Another new Judge was assigned to preside over the Jaffrey Court. While Justice Patrick Ryan is the regular presiding judge, Justice Joseph Tessier is now also serving in the 8th Circuit which consists of the Jaffrey and Keene courts. Judge Tessier has prior experience in both Prosecution and Criminal Defense and is familiar with court operations from both perspectives which is beneficial to his position.

Sweeping changes in juvenile law have resulted in a completely new way of dealing with juvenile offenders. Under the revised statutes, juvenile offenders must be referred to "community based" services to be arranged by DCYF before court action can be initiated. While this will diminish the number of juvenile cases submitted to the Court, it does not indicate that there is a reduction in juvenile offenses. Under this new method, 7 juveniles were referred for services.

Also in April of 2022, upon the retirement of their prosecutor, the Temple-Greenville Police Department approached our office to provide prosecution services for their agency. A contract was developed and implemented which includes an agreement to compensate the Town of Jaffrey on an annual basis to cover office supplies and overhead while wages are paid directly to the staff.

We have maintained our partnership with the Hillsborough Office of Youth Services who have expanded their program to include adult diversion and they also meet the criteria for being a "community based" service under the revised juvenile law. We referred 1 adult case and 1 juvenile case was referred to them from DCYF. We also referred 1 adult defendant to the Merrimack County Diversion program.

The Circuit Court has jurisdiction over all misdemeanor cases including drug and alcohol related offenses, DWI (drugs and/or alcohol,) simple assaults, domestic violence, trespass, criminal mischief, suspended driver's licenses, fugitive from justice cases (both felony and misdemeanor). It also presides over violation level offenses, traffic related offenses and town ordinance violations.

In cases where it is applicable we have had \$4,219.32 in restitution ordered to be paid to victims through the Court, Department of Corrections or through our office.

The statistical breakdown is as follows and includes cases that are open, pending, or closed out in 2022

<u>2019</u>	<u>2020</u>	<u>2021</u>	<u>2022</u>
381	267	272	344

Of the 344 cases, 14 were juvenile, 30 were motor vehicle, and 300 were adult criminal cases. There were 22 summonses issued under the personal possession of marijuana statute and 15 Town Ordinance violations. In addition, there are 107 cases for which bench warrants have been issued and 25 cases in default that remain unresolved.

On August 13th we held our 4th annual Household Hazardous Waste Collection Day. The event was held at the Wastewater Treatment Facility with the assistance of Suez staff and their generous donation of a variable message board. A total of 93 units of hazardous waste was collected.

Cemeteries and Parks: Staff performed 2 full burials and 16 cremation burials in 2022. Griffin Landscaping performed landscape maintenance on green-spaces throughout the town and in the cemeteries.

PUBLIC WORKS: HIGHWAYS AND FACILITIES DIVISION

Highway: Crews performed a number of maintenance operations on town roads this year. This included sweeping, pothole patching, ditching, replacing signs, culvert replacement, catch basin repairs and grading of gravel roads.

The Highway Division teamed with All States Asphalt Incorporated to reconstruct Hunt Road, Jennifer Lane, Kevin Lane, Lacy Road and portions of Town Farm Road, School Street and Bryant Road. They also placed a shim coat on a section of Thorndike Pond Road

In 2022 we added a new employee to the Highway Division. In August Joseph Bogoslofski was hired as a Facility Maintenance Technician. In October, Zachary Pelletier was promoted from Truck Driver to Transfer Station Manager and Joseph was promoted to Truck Driver.

PUBLIC WORKS: UTILITIES

2022 was a very busy year for the town utilities! All three drinking water wells were inspected, cleaned, and rehabbed. Contoocook Well and Turnpike Well 2 were both fully replaced with new parts and pipe. The Water Department began our in-house rehabilitation of the Contoocook Well pump-house. All new piping, bolts, and valves were installed as a preventative measure inside the building. Bryant Road received a brand new watermain to replace the previous line that was over 100 years old. The same work began on Sawtelle Road and it is expected to be completed in 2023. We even got our break trailer finalized with all the emergency repair equipment we could need in the event of a watermain break. Even better, it was all done with recycled equipment at little to no-cost.

The Sewer Department began in-house CCTV inspections of the sewer mains with our new camera so problem areas can be addressed before roads are paved. Roughly \$30,000 in chemical costs were saved by working with neighboring communities. Force main sewer lines were run down Route 124 to help connect in the new Stony Brook Development being built behind the golf course, at no cost to the Town of Jaffrey. To help replace our aging infrastructure, between the two departments, over \$10 million in grant funding was offered and/or obtained in 2022.

On the water side of things, this year brought:

- 3 water main repairs
- 4 service line leaks
- 3 fire hydrant repairs
- 140 exercised valves
- 8 curb stop repairs
- 66 turn on requests
- 61 shut off requests
- 64 meter change-outs
- 13 meter radio change-outs
- 6 parts requests
- 65 final meter reads
- 87 Dig Safe locates
- 2 new service inspections

The Town's Water Operators worked seven days a week performing daily checks and maintenance of the two water tanks, one booster station, and three well sites. Meters were read monthly, and 24 high water use checks were provided at no costs to residents who had noticed a spike in water use. Please call the DPW for a high use check if you have noticed a strange and unexpected jump in water use. The average American uses about 3,000 gallons of water, per person, per month. However, this varies and the average residential household in Jaffrey uses roughly 4,000 to 5,000 gallons a month. Nine times out of ten a leaky toilet flapper or fill valve is the culprit of a high water bill. The Water Operators have also been sampling and testing the water according to our Monthly Sampling Schedule, provided by The State of New Hampshire. Testing is done to ensure that the water flowing out of your faucet is 100% safe to drink, cook, and bath in.

On the wastewater side of things, 169,552,000 gallons of wastewater were cleaned and returned back to the Contoocook River at an almost drinking water level of cleanliness. 10 sewer manholes were repaired, 15,819 feet of sewer mains were cleaned, 10 blockages on homeowners' lines & 5 on The Towns' side were addressed, 2,052,586 gallons of septage was received in our newly built septage receiving station, and 130.1 dry tons of sludge was processed and shipped out. The contract Sewer

PUBLIC WORKS: UTILITIES

Operators (Veolia) have been working 7 days a week to ensure that all the wastewater in Town gets properly collected, remains contained within the system, and gets treated at our wastewater treatment plant to near drinking water level standards. The crew performed daily checks and maintenance at the wastewater treatment plant and the 6 sewer pump stations which are used to overcome the forces of gravity within the gravity fed sewer collection system. Maintaining 20 miles of sewer collection pipes, and keeping the wastewater treatment plant's biological and mechanical systems running smoothly is no easy task, but our skilled operators are always prepared to get the job done. Much like the drinking water systems in Town, the wastewater systems are also tested for contaminants. The crews test the wastewater coming into the treatment plant, at key points within the plant, and at the end of the plant to ensure that safe, and clean water is being released back to the environment. After-all, the water cycle that everyone learned about in grade school is constantly going on all around us. The Earth naturally circulates and cleans water. Here in Jaffrey, we perform this same process, but on a much faster timeline.

The Jaffrey Water and Sewer Departments worked around the clock to sample, monitor, repair, and keep the water flowing. We often take for granted the simple task of turning the tap and receiving fresh, clean, and safe drinking water. There is a lot of hard work behind the faucet in your home. The Operators in Town have missed holidays, had sleepless nights, and missed time with family over the years to ensure that the water gets delivered in a safe and reliable manner. Life on this planet began with, and continues to thrive, with water. Here at the Jaffrey DPW, we will do all we can to protect this natural resource for generations to come.

Please feel free to stop by the DPW, or give me a call if you have any questions or concerns related to the water and sewer systems in Town.

RECREATION DEPARTMENT

The staff at Jaffrey Parks and Recreation Department consistently worked diligently to provide quality programs. We offered events for 2022 such as our Easter Egg Hunt, The Spring, Fall, Holiday Craft Fairs, Annual Tree Lighting and we also joined Team Jaffrey for Downtown Trick or Treating. We are looking forward to bringing more events back in 2023 including a community favorite, the Father Daughter Dance.

Contoocook Beach was staffed with lifeguards this year Monday-Friday from 11-5pm and we had a beach attendant 7 days a week from 11-5pm. We hope to be fully staffed in 2023.

In 2022 the Recreation Department offered a variety of youth programs. It was great seeing our youth find their passions and receive enjoyment from the programs below.

Afterschool Karate

Camp Rec

February Vacation Trip

Youth Basketball

SkyHawks Football

SkyHawks Softball

Youth Archery

Fall Soccer

Safe Sitter

Indoor Soccer

SkyHawks Tennis

Toddler Dance

One of our favorite moments this year was Camp Rec being back at the Beach. Camp Rec was at the beach daily, creating memories and having fun in the sun. Seeing everyone playing in the water again was one of the true highlights for us this year.

In 2022 we had a lot of fun together for Senior Coffee, Create & Connect, Zumba, Zumba Gold, and going on more Trips. This year we visited:

Lilac Blossom Nashua, NH

Holy Grail Restaurant Epping, NH

Chez Vachon Manchester, NH

Ray Seafood & Wallis Sands Rye, NH

RECREATION DEPARTMENT

Humiston Field dugouts, bathrooms and the irrigation building were freshly painted this year during April Vacation. Special thank you to our Volunteers from Interact Club and Jaffrey-Rindge Rotary Club. We have received many compliments and it's all thanks to our volunteers.

The Recreation Staff always welcomes new ideas for programs, trips and activities for all age groups. Please feel free to contact us with your comments, thoughts and ideas.

Contact us: Phone: 603-532-7863 Email: recreation@townofjaffrey.com

Stop in our office: 31 Howard Hill Road.

Office hours are Monday-Friday 8am-1pm or by appointment.

To learn more about our programs, you may find us at Jaffrey.recdesk.com

or Friend us on Facebook or Instagram.

THANK YOU! The Playground Fund has reached approximately \$26,644 in donations of the \$40,000 needed for the installation of Phase 2 of the Humiston Park Playground Project. We would like to thank all the businesses, organizations, and residents who donated to the playground fund this year. A special thank you to the Amato Family for donating \$15,000 towards phase 2 of the playground this year. Every dollar gets us closer to our goal. Together, we can build it!

We have a great team, however that doesn't just consist of Recreation Staff. We have help and partnerships from all over our town and community. Jaffrey Recreation Department Seasonal Staff, The Department of Public Works, Water Department, Fire Department, Police Department, Jaffrey Public Library, Team Jaffrey, Park Theatre, VFW, American Legion, Jaffrey-Rindge Rotary Club, Subway, Santa, Conant High School Honor Society, Conant High School Interact Club, Chorus from JGS, JRMS, Conant, SAU 47 Management, SAU 47 Facility and Custodial Staff, Coaches, Volunteers, and so many others. The community involvement with our department needs to be recognized for their contributions and efforts. None of this would be possible without our partners and their support. Thank you all for supporting Jaffrey Parks and Recreation.

Respectfully submitted,

John Kohlmorgen, *Recreation Director CPRP*

Samantha Bontempo, *Program Coordinator*

Caren Lewis, *Administrative Assistant & Adult Program Coordinator*

WELFARE DEPARTMENT

I hope this finds you all healthy and happy and in anticipation for the New Year.

This year sure has seen its challenges. One of the biggest one has been affordable housing and the cost of inflation.

The welfare budget showed an increase this year from last year. We've experienced an increase in the cost of housing. The Housing Relief Program is no longer accepting applications. This program ended in October. Individuals and families were then referred to their town for help with housing.

A big Thank You to private companies, Santa's House and the local churches for their support and help during the year.

Please see the below numbers for a breakdown of what was spent this year.

With warmest regards,
Carrie Traffie

Incorporated: 1773

Origin: In 1749 this territory was chartered as Monadnock Number 2, sometimes called Middle Monadnock or Middletown. It was one of the first towns established under the New Hampshire proprietors' purchase of undivided lands under the Masonian claim. The grant was renewed in 1767, and the town incorporated in 1773 as Jaffrey, in honor of George Jaffrey, member of a prominent Portsmouth family. Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.

Villages and Place Names: Hadley, Jaffrey Center, Squantum
