Project Grandparent: Internet Safety 101

Project Grandparent is funded by a grant from the NH Charitable Foundation.

Children Use the Internet... a LOT!

- Number of 5-10 year olds who spend 4+ hours on electronic devices has increased from 17% to 44% since pre-Covid
- Children between ages 8-12 spend an average of 6 hours a day on social media
- As of 2019, 95% of 3-18 year olds had home internet access
- Education app downloads increased 1087% between March 2-16, 2020

Today's Agenda
