Absent: Aaron Abitz, Kathy Batchelder, Jim Bearce, Michael George

Meeting convened at 7:05PM. The meeting took place at the Jaffrey Town Offices.  
The meeting was called to order by Carolyn Garretson, Chair.

1. Eleanor Ahlborn presented a proposal on the Community Garden. Because the proposed site is on Town land, it makes sense that a Town body should have oversight. Before the garden can be installed, formal permission must be obtained. This will require the preparation of a charter and a draft of the gardeners' contract, followed by a conversation with Tony Cavalieri and Jon Frederick. That conversation should address proposed structures and improvements, as well as liability and responsibility for maintenance. Jon will then take the proposal to the Select Board for final approval. Tom Ahlborn-Hsu has volunteered to be the liaison between the Community Garden and the Conservation Commission. Motion: The Jaffrey Conservation Commission agrees to be the umbrella organization to the Community Garden under the condition that it be approved by the Select Board. Motion: BG, 2nd: CK Passed
