

Ms. Linda's Take & Make: Apples

Visit [TumbleBooks](#) on the library catalog and search "Apples and Bananas" by Aiden Board to read this week's Take & Make picturebook. Then continue to the next page for instructions on making Ms. Linda's craft.

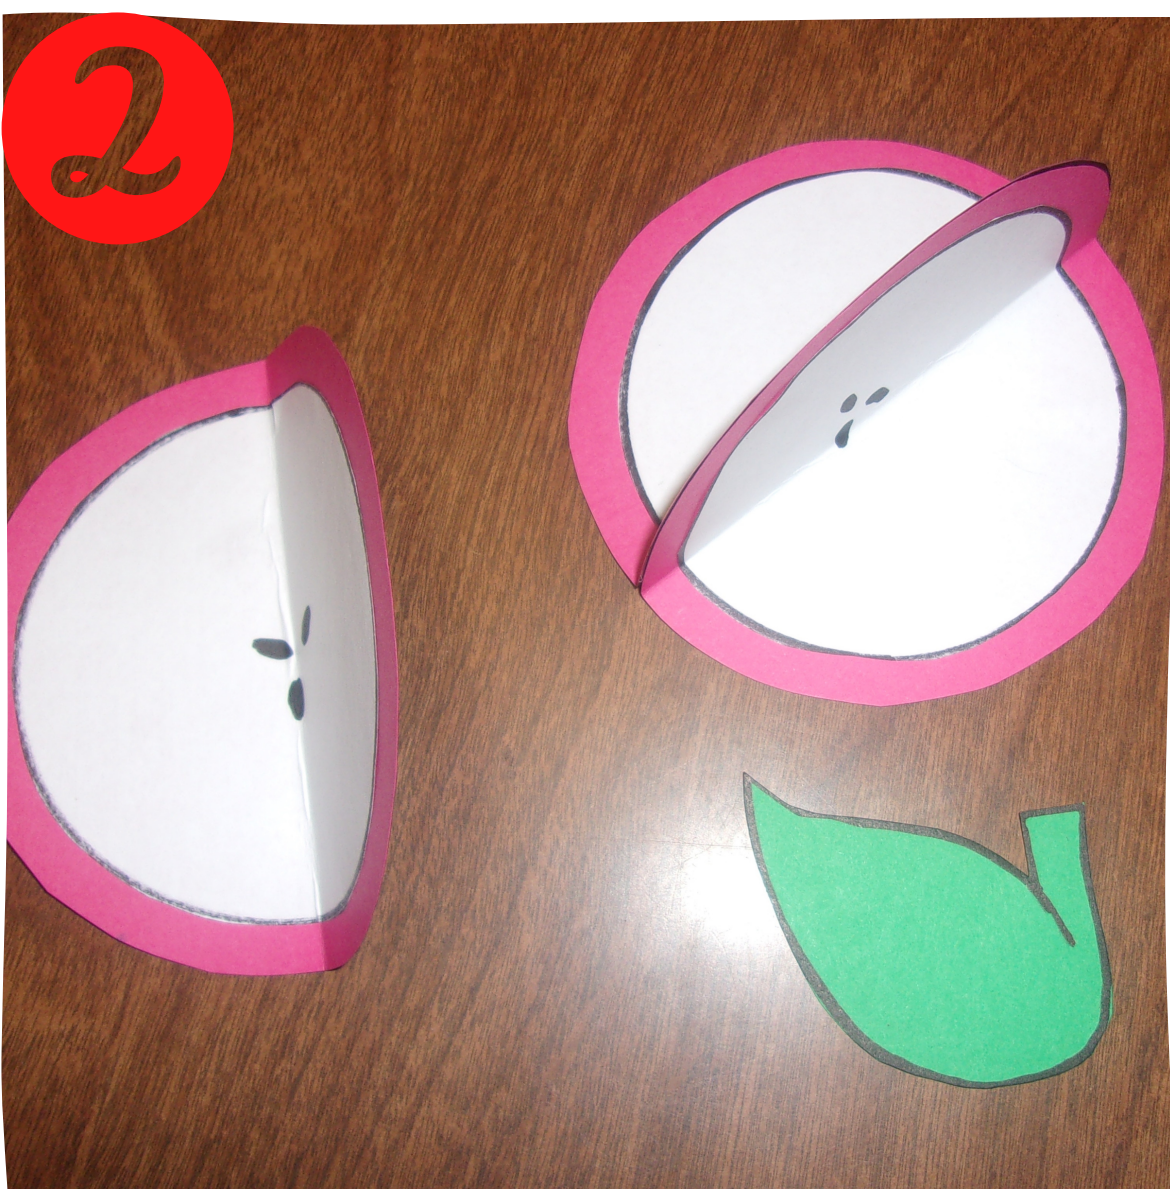

Materials Needed:

- Construction paper, red, white, green.
- Scissors & glue stick.
- Marker, black/brown

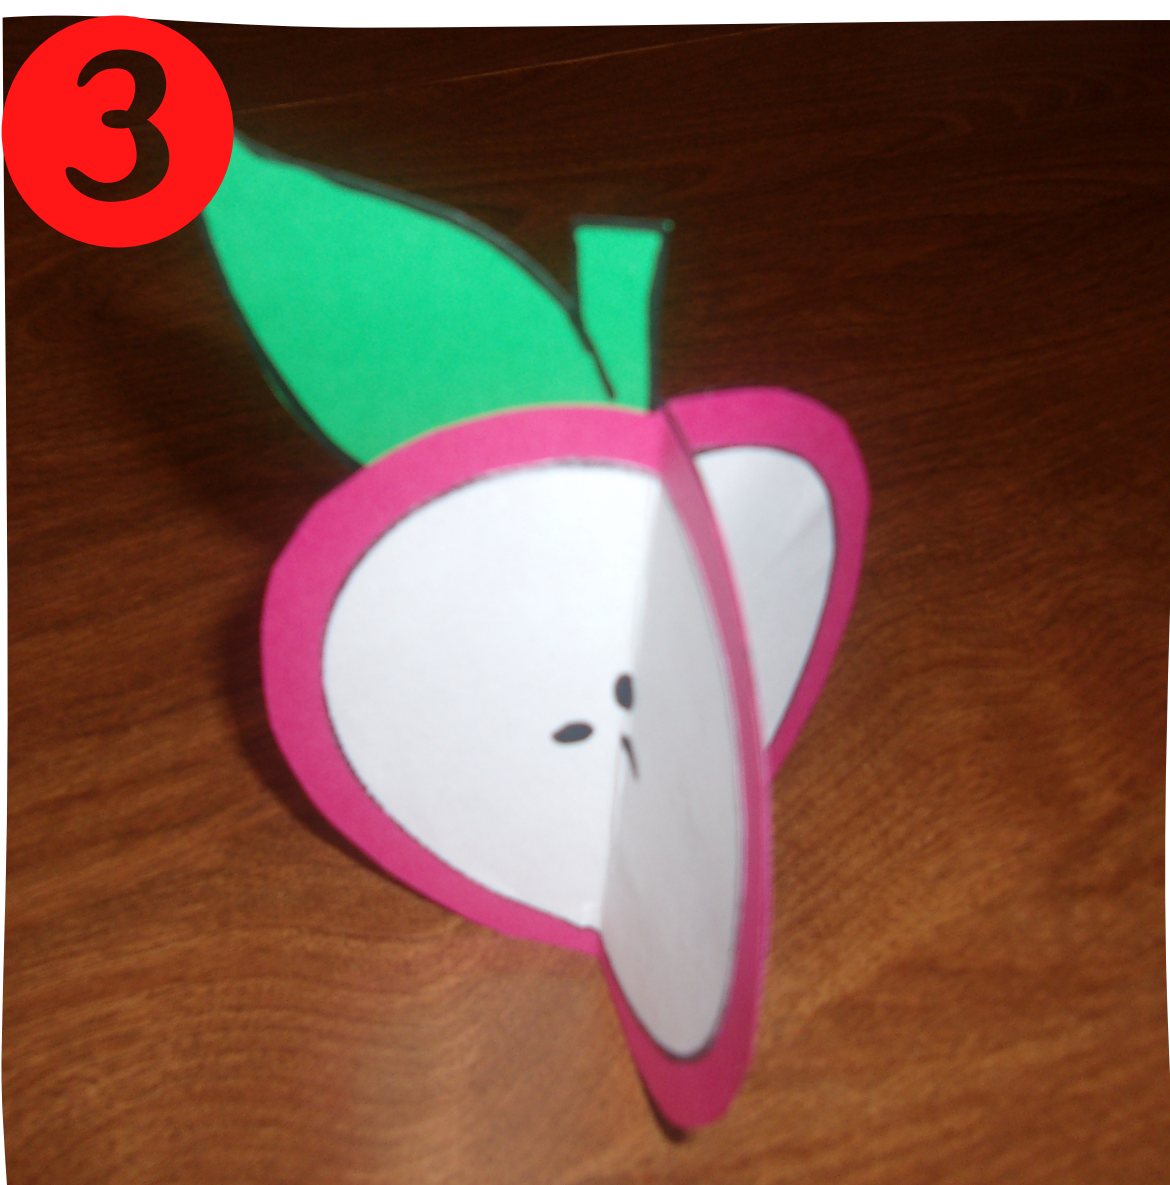

Red paper - cut out 3 circles,
White paper - cut out 3 smaller
circles.

Glue white circles onto red.
In center draw 3 apple seeds
with marker.

Fold each slice of apple in half.
Open up and glue 2 halves
together, back to back.
Green paper - draw and cut out
a stem with a leaf.

Glue the stem/leaf onto the top
of the apple.

Glue the last slice of folded
apple back to back with the first
two.

Now you have a 3D apple!
You can put it on display or
create a story about it.

Show it off!
