

Ms. Linda's Take & Make: Penguin

Visit [TumbleBooks](#) on the library catalog and search "A Penguin Story" by Antoinette Portis to read this week's Take & Make picturebook. Then continue to the next page for instructions on making Ms. Linda's craft.

Materials Needed:

- Construction paper
- Toilet paper roll
- Google eyes
- Glue stick or tape
- Scissors

Wrap TP roll with black paper or color black. Glue or tape in place.
Cut white paper into oval and glue to TP roll lengthwise.

Draw a beak, two wings and feet on colored paper or color parts, then cut out.

Glue google eyes and beak at top of oval where face should be. Glue wings to sides and feet at bottom of TP roll.

Make your penguin "something else" in color and tuck it under his wing!
