

2023 ANNUAL REPORT

Dedication

This year, the Board of Selectmen are dedicating the Annual Report to the

TOWN OF JAFFREY

in celebration of its

250th Anniversary

1773 - 2023

The 250th Anniversary celebration is a significant milestone in the history of Jaffrey.

It marks the town's rich heritage and the contributions of its residents towards building a vibrant community. The Board of Selectmen recognizes the hard work and dedication of all those who made this event possible. From the committee members to volunteers and local businesses, each played a crucial role in ensuring that the celebration was a success.

The Annual Report serves as a testament to the town's progress and achievements over the past year. It highlights the various events and activities that took place throughout the year, bringing together residents and visitors alike. As we look forward to the future, let us continue to build upon the legacy of our town's past and work towards creating a bright and prosperous future for all who call Jaffrey home.

4. Are you in favor of Amendment #4 to the Land Use Code to amend Section IV: District Regulations and Permitted Uses and Section V: General Provisions that may apply to more than one Zoning District, to regulate the rental of short-term stays?

YES 303 NO 129

Moderator Marc Tieger called the meeting to order at 9:01am. He welcomed all attendees and asked for all to stand as the Jaffrey-Rindge Boy Scouts Troop members Logan Hocter and Ethan Hutchinson presented the colors; Logan Hocter lead the assembly in the Pledge of Allegiance; followed by Scarlett Castiglioni from Conant High School who sang the Star Spangled Banner. Marc then asks for everyone to be seated. He shares a little bit of history on the Town, as, the first Town Meeting in Jaffrey was held on September 14th, 1773 at the Lambert Farm on Gilmore Pond Rd. He shares that this year Jaffrey will be celebrating 250 years and there will be many events for the town to enjoy.

Marc asks the attendees to join him in a moment of silence for we lost throughout the years. He then goes over the ground rules of Town Meeting. He asks Town Manager, Jon Frederick, to introduce all Department Heads. Jon also thanks them for their hard work and dedication over the last year. Norm Langevin, Chair of the Budget Committee introduces his members on committee. After all the introductions, Marc goes over the rules on the ballot vote for Article 3 and states the polls will be open for one hour. He then has Jon speak on the state of the Town.

Town Manager, Jon Frederick goes over all 3 fund balances; the general fund, water fund, and the annual budget. The annual budget, represented by our 4 tax components, the municipal operating budget, school tax, state education tax, and county tax. General Fund currently sits with an ending balance of \$2,919,000 dollars. The water fund has an ending balance of \$1,973,000 dollars and

2023 TOWN MEETING MINUTES

sewer ending with \$774,000 dollars. State education tax and county tax has a balance of \$17,855,000 dollars. The 2023 operating budget that Norm Langevin will be discussing comes in at \$7,156,946 dollars with a total impact of 4.2%. Jon then goes over the Capital Reserve Fund which the request for that fund is \$1,232,000 dollars which is \$10,000 dollars less than last year. The two TIF Districts Capital Reserve Fund holds \$100,000 dollars. There are four expendable trust funds totaling \$24,000 dollars, which did increase by \$5,000 dollars from last year due to retirements. After reviewing the fund balances, he mentions a few of the projects that will take place this year. One being the 250th celebration, which will be held Saturday, August 19th, Cold Stone Spring will begin, Stratton Rd sewer project, Nutting Rd bridge will be repaired as well as the Heath Rd bridge. Sawtelle and Bryant Rd water project, the Community Power project, WWCross is also in the works on the final assessment, and the transfer station reconfiguration will be done this year.

Lastly, Jon thanks the budget committee for their flexibility with all the changes that were made as well as the Selectman for all their support and he thanks Jack Belletete for his 4years of service. He then turns it over to Bill Raymond from the Trustee of the Trust Funds; Bill speaks briefly on the Trust Funds. He states that the Town of Jaffrey is very fortunate. At the end of the year of 2022, he gives the ending balance for all three Trust Fund accounts. In the Common Fund \$7,720,886 dollars, the Capital Reserve Trust Fund \$3,665,536 dollars and the other Funds being the expendable fund \$665,802 dollars. Bill mentions that there are 7 scholarship funds. In 2022, 10 scholarships were awarded totaling \$27,500 dollars. Another fun fact is the Amos Fortune Trust, dating back to 1801, where he left \$233 dollars in this Will for the school house #8. After the school closing, the Town went to the Attorney General's Office for guidance on what to do with the funds. The funds were then turned over to benefit the Jaffrey public Library. The value of this trust fund, as of January 31st, 2023 is \$41,219 dollars. A round of applause was given by the audience.

Marc Tieger then approaches the podium and begins with Article 3.

Art. 3. To see if the Town will vote to raise and appropriate the sum of \$10,000,000 (Ten Million Dollars) for the purpose of constructing and installing a water treatment building, associated water treatment equipment, and any costs related thereto for the purpose of removing Manganese and Per- and Polyfluoroalkyl Substances (PFAS) from the public drinking water well located at 104 Turnpike Road in Jaffrey, NH. And further, to authorize the issuance of not more than \$4,011,563 (Four Million, Eleven Thousand, Five Hundred Sixty-Three Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell, and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds. The sum of \$2,988,860 (Two Million, Nine Hundred Eighty-Eight Thousand, Eight Hundred Sixty Dollars) is to come from grants and the sum of \$2,962,445 (Two Million, Nine Hundred Sixty-Two Thousand, Four Hundred Forty-Five Dollars) is to come from principle forgiveness. The remainder amount of \$37,132 (Thirty-Seven Thousand, One Hundred Thirty-Two Dollars) is to come from the water fund balance. And further, to authorize the Selectmen to apply for, obtain

2023 TOWN MEETING MINUTES

and accept federal, state or other aid, if any, which may become available for said project, and to comply with all laws applicable to this project. And further, without impairing the status of his bond as a general obligation to the Town, it is the intention and expectation of the Selectmen that debt service on this bond will be supported 100% by Water User Fees. *Recommended by the Select Board (3-0) and Budget Committee (7-0).* **3/5 Ballot Vote Required**

Selectman Kevin Chamberlain moves the article and Selectman Frank Sterling seconds. Kevin addresses the article. After much discussion on this article, Frank moves the question. Polls were open for one hour. Article passed by ballot vote.

YES 98

NO 1

Art. 4. To see if the Town will vote to raise and appropriate the sum of \$1,500,000 (One Million, Five Hundred Thousand Dollars) for the purpose of municipally managing the design, engineering, permitting and construction of the replacement bridge for Letourneau Drive, and any other costs related thereto. Ninety percent (90%) of the appropriation in the amount of \$1,350,000 (One Million, Three Hundred Fifty Thousand Dollars) is to come from FEMA Hazard Mitigation Grant Program Declaration DR 4622. And further to authorize the withdrawal of 10% town-funded match in the amount of \$150,000 (One Hundred Fifty Thousand Dollars) from the Bridge Rehabilitation Capital Reserve Fund created for that purpose. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

Kevin Chamberlain moves the article and Frank seconds. Kevin addressed the article, explaining to the residents the major flooding in 2021 made quite a mess. The bridge is in need of fixing. With some discussion, the article was moved to vote.

Article passed by voice vote.

Art. 5. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

Frank Sterling moves the article and Kevin Chamberlain seconds. Frank speaks briefly on the Town Report and recognizes Cynthia Hamilton whereas the Town Report was dedicated to her. With no discussion, a motion was made to move the article.

Art. 6. To see if the Town will vote to raise and appropriate the following sums for the operation of the water and sewer systems, to be funded entirely through user fees and other non-property tax resources:

Water Department	\$ 1,106,919
Sewer Department	<u>\$ 2,094,034</u>
	\$ 3,200,953

Chair of Budget Committee, Norm Langevin moves article and Kevin Chamberlain seconds. Norm speaks on the article. With no discussion the article was moved to vote.

Vote passed by voice vote.

Art. 7. To see if the Town will vote to raise and appropriate the following sums for the operation of the Tax Increment Finance Districts, to be funded entirely through tax increments:

Downtown TIF District	\$ 181,311
Stone Arch TIF District	<u>\$ 68,637</u>
	\$ 249,948

Recommended by the Select Board (3-0) and Budget Committee (7-0).

Norm Langevin moves article and Frank Sterling seconds. Norm speaks on the article. With some questions regarding the cost from the TIF district, Jon and Frank Sterling briefly speaks in regards to what the TIF funds will be used for in the future. Peter Davis was recognized for putting the TIF districts together. The article was then moved to vote. **Article passed by voice vote.**

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$ 7,156,964(Seven Million, One Hundred Fifty-Six Thousand, Nine Hundred Sixty-Four Dollars) for general municipal operations. *Recommended by the Select Board (3-0) and Budget Committee (7-0).*

Norm Langevin moves article and Frank Sterling seconds. Norm addresses the article and mentions that the line items haven't really changed much, however the biggest shift was adding the petition articles to the general fund budget. Charlie Trucotte speaks briefly on the committee that was formed and how they went about accepting the social service agency requests. Norm then takes over to go over and explain the Town Budget. With some question and comments the article was moved to vote. **Article passed by voice vote.**

Marc Tieger then closes the polls on Article 3.

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Conant High School Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 12th of March, 2024 at seven o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2-a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting recessed until nine o'clock in the forenoon, Saturday, March 16th, 2024 at the Pratt Auditorium in Jaffrey, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Selectman	one person for three-year term
Trustee of the Trust Funds	one person for three-year term
Supervisor of the Checklist	one person for six-year term
Library Trustee	two people for three-year terms
Moderator	one person for three-year term

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Land Use Code, as proposed by the Jaffrey Planning Board to be voted by Official Ballot: (The exact text of each of the proposed changes is available at the Town Clerk’s and Planning Offices and on the Town website on the Planning Board page).

1. Are you in favor of Amendment #1 to the Land use Code to amend Section VI – 6.4: Areas and Setbacks for Buildings, to clarify in the General Business, General Business A and Residential B Districts where town water and sewer are available, that multi-family is permitted?
2. Are you in favor of Amendment #2 to the Land Use Code to add a paragraph to Section VI – 6.4: Areas and Setbacks for Buildings which allows for a Workforce or Senior Housing development to exceed the maximum number of units per building pending a financial statement from the developer indicating economic viability per RSA 674:58 (III)?
3. Are you in favor of Amendment #3 to the Land Use Code to amend Section VI 6.1: Dimensional Table, to correct a scrivener’s error in the Turnpike Road Industrial District “Tract A” should read Section 4.7.2 rather than 3.6.2?

TOWN WARRANT

4. Are you in favor of Amendment #4 to the Land Use Code to amend Section XII: Guide to the Zoning Districts, to correct reference to 12.13 Industrial District (Tack Shop), should read Industrial District (Knight Street) and clarify reference to 12.14 Industrial District (Northeast), should read Industrial District (Stone Arch Bridge)?

Art. 3. To see if the Town will vote to raise and appropriate the sum of \$2,575,000 (Two Million Five Hundred Seventy-Five Thousand Dollars) for the purpose of designing, constructing, and replacing a water main and associated water equipment, and any costs related thereto for the purpose of replacing the water mains on sections of Squantum Road and Prescott Road. And further, to authorize the issuance of not more than \$2,575,000 (Two Million Five Hundred Seventy-Five Thousand Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell, and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds. It is anticipated that 70% of the total bond in the amount of \$1,802,500 (One Million Eight Hundred and Two Thousand Five Hundred Dollars) is to come from principal forgiveness. And further, to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project, and to comply with all laws applicable to this project. And further, without impairing the status of this bond as a general obligation to the Town, it is the intention and expectation of the Selectmen that debt service on this bond will be supported 100% by Water User Fees.

Recommended by the Select Board (3-0) and Budget Committee (6-0). 3/5 Ballot Vote Required

Art. 4. To see if the Town will vote to raise and appropriate the sum of \$100,000 (One Hundred Thousand Dollars) for the purpose of designing the wastewater treatment lagoon closure and decommission plan for the three wastewater lagoons located at 2 Old Sharon Road in Jaffrey, NH. The total \$100,000 of the note is to come from principal forgiveness.

Recommended by the Select Board (3-0) and Budget Committee (6-0). 3/5 Ballot Vote Required

Art. 5. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

Art. 6. To see if the Town will vote to approve the cost items in the collective bargaining agreement reached between the Select Board and Teamsters 633, Jaffrey Department of Public Works employees, which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
2024	\$ 18,112

TOWN WARRANT

And further to raise and appropriate the total sum of \$18,112 (Eighteen Thousand, One Hundred Twelve Dollars) for the current fiscal year, such total sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

Art. 7. Shall the Town, if Article 6 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 6 cost items only? *Recommended by the Select Board (3-0).*

Art. 8. To see if the Town will vote to approve the cost items in the collective bargaining agreement reached between the Select Board and AFSCME Local 3657, Police Department employees, which calls for the following increases in salaries and benefits at the current staffing level:

Elections – March 12, 2024 (7:00 a.m. to 7:00 p.m.)
Business Meeting – March 16, 2024 (9:00 a.m.)

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Conant High School Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 12th of March, 2024 at seven o’clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2-a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting recessed until nine o’clock in the forenoon, Saturday, March 16th, 2024 at the Pratt Auditorium in Jaffrey, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Selectman	one person for three-year term
Trustee of the Trust Funds	one person for three-year term
Supervisor of the Checklist	one person for six-year term
Library Trustee	two people for three-year terms
Moderator	one person for three-year term

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Land Use Code, as proposed by the Jaffrey Planning Board to be voted by Official Ballot: (The exact text of each of the proposed changes is available at the Town Clerk’s and Planning Offices and on the Town website on the Planning Board page).

1. Are you in favor of Amendment #1 to the Land use Code to amend Section VI – 6.4: Areas and Setbacks for Buildings, to clarify in the General Business, General Business A and Residential B Districts where town water and sewer are available, that multi-family is permitted?

YES

NO

LAYMAN’S LANGUAGE: The purpose of the proposed change is to clarify that the intent is to allow multi-family in these districts, and as well as provide a bonus density for workforce and senior housing as previously approved by Town Meeting.

LAYMAN’S WARRANT

2. Are you in favor of Amendment #2 to the Land Use Code to add a paragraph to Section VI – 6.4: Areas and Setbacks for Buildings which allows for a Workforce or Senior Housing development to exceed the maximum number of units per building pending a financial statement from the developer indicating economic viability per RSA 674:58 (III)?

YES

NO

LAYMAN’S LANGUAGE: The purpose of this change is to allow a developer to increase the number of units allowed per building, currently limited to 8, to provide a reasonable and realistic opportunity to build workforce and senior housing which is economically viable for the developer and meets income guidelines for tenants and/or owners. This change provides compliance with state statute.

3. Are you in favor of Amendment #3 to the Land Use Code to amend Section VI 6.1: Dimensional Table, to correct a scrivener’s error in the Turnpike Road Industrial District “Tract A” should read Section 4.7.2 rather than 3.6.2?

YES

NO

LAYMAN’S LANGUAGE: The purpose of the proposed change is to correct the reference in the Dimensional Table.

4. Are you in favor of Amendment #4 to the Land Use Code to amend Section XII: Guide to the Zoning Districts, to correct reference to 12.13 Industrial District (Tack Shop), should read Industrial District (Knight Street) and clarify reference to 12.14 Industrial District (Northeast), should read Industrial District (Stone Arch Bridge)?

YES

NO

LAYMAN’S LANGUAGE: The purpose of this amendment is to clarify descriptions of the Industrial Districts.

Art. 3. To see if the Town will vote to raise and appropriate the sum of \$2,575,000 (Two Million Five Hundred Seventy-Five Thousand Dollars) for the purpose of designing, constructing, and replacing a water main and associated water equipment, and any costs related thereto for the purpose of replacing the water mains on sections of Squantum Road and Prescott Road. And further, to authorize the issuance of not more than \$2,575,000 (Two Million Five Hundred Seventy-Five Thousand Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell, and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds. It is anticipated that 70% of the total bond in the amount of \$1,802,500 (One Million Eight Hundred and Two Thousand Five Hundred Dollars) is to come from principal forgiveness. And further, to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project, and to comply with all laws applicable

LAYMAN'S WARRANT

to this project. And further, without impairing the status of this bond as a general obligation to the Town, it is the intention and expectation of the Selectmen that debt service on this bond will be supported 100% by Water User Fees.

Recommended by the Select Board (3-0) and Budget Committee (x). 3/5 Ballot Vote Required

LAYMAN'S LANGUAGE: Due to the total length of the water main on Squantum Road, the road has been broken up into segments for water main replacement. The current segments due for replacement are from the end of Stratton Road to the end of Howard Hill Road, and the from Prescott Road to Sherwin Hill Road. The Town intends to utilize a contractor to replace these two sections of water main utilizing funding from the New Hampshire Department of Environmental Services (NHDES) Drinking Water State Revolving Fund. Of the \$2,575,000 in funding, 70% may be forgiven as principal forgiveness. All Town funding would come from the water user fees and will not impact property taxes.

Art. 4. To see if the Town will vote to raise and appropriate the sum of \$100,000 (One Hundred Thousand Dollars) for the purpose of designing the wastewater treatment lagoon closure and decommission plan for the three wastewater lagoons located at 2 Old Sharon Road in Jaffrey, NH. And further, to authorize the issuance of not more than \$100,000 (One Hundred Thousand Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell, and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds or notes. The total \$100,000 of the note is to come from principal forgiveness.

Recommended by the Select Board (3-0) and Budget Committee (x). 3/5 Ballot Vote Required

LAYMAN'S LANGUAGE: The Town of Jaffrey's wastewater was treated using a lagoon style process before the new wastewater treatment plant was constructed over ten years ago. The outdated lagoon process is no longer utilized and is a liability to the Town. The lagoon system is a New Hampshire Department of Environmental Services (NHDES) registered dam that must be maintained by town and ultimately removed. The Town is seeking an engineering firm to design a "lagoon closure plan", as required by NHDES, in order to declassify these three old lagoons as dams. Funding through the NHDES Clean Water State Revolving Fund is a 100% principal forgiveness style loan and no Town funds are anticipated to be use for the project. Any Town funding for this project will be provided 100% from wastewater user fees and will have no impact on property taxes.

Art. 5. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN'S LANGUAGE: The purpose of this article is to accept all reports as printed in the Town Report.

LAYMAN’S WARRANT

Art. 6. To see if the Town will vote to approve the cost items in the collective bargaining agreement reached between the Select Board and Teamsters 633, Jaffrey Department of Public Works employees, which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
2024	\$ 18,112

And further to raise and appropriate the total sum of \$18,112 (Eighteen Thousand, One Hundred Twelve Dollars) for the current fiscal year, such total sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. *Recommended by the Select Board (3-0) and Budget Committee (x).*

LAYMAN’S LANGUAGE: This article approves a one-year agreement beginning January 1, 2024 with the DPW union and the payment of the cost items therein (3% step increase, \$15 call pay increase and \$100 clothing increase).

Art. 7. Shall the Town, if Article 6 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 6 cost items only? *Recommended by the Select Board (3-0).*

LAYMAN’S LANGUAGE: This article is a requirement to allow the Town to delegate the authority to the Selectmen to call one Special Town Meeting to reconsider Article 6 should it fail. If Article 6 passes, this article is passed over.

Art. 8. To see if the Town will vote to approve the cost items in the collective bargaining agreement reached between the Select Board and AFSCME Local 3657, Police Department employees, which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
2024	\$ 36,651
2025	\$ 42,677

And further to raise and appropriate the total sum of \$36,651 (Thirty-Six Thousand, Six Hundred Fifty-One Dollars) for the current fiscal year, such total sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. *Recommended by the Select Board (3-0) and Budget Committee (x).*

LAYMAN’S LANGUAGE: This article approves a two-year agreement beginning January 1, 2024 with the Police union and the payment of the cost items therein (4.0% salary increase for 2024, COLA increase based on 10-year rolling average of CPI in 2025, 1% bonus in 2025 based on gross salary).

Art. 9. Shall the Town, if Article 8 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 8 cost items only? *Recommended by the Select Board (3-0).*

LAYMAN'S WARRANT

LAYMAN'S LANGUAGE: This article is a requirement to allow the Town to delegate the authority to the Selectmen to call one Special Town Meeting to reconsider Article 8 should it fail. If Article 8 passes, this article is passed over.

Art. 10. To see if the Town will vote to raise and appropriate the following sums for the operation of the water and sewer systems, to be funded entirely through user fees and other non-property tax resources:

Water Department	\$ 1,146,884
Sewer Department	<u>\$ 2,185,085</u>
	\$ 3,331,969

Recommended by the Select Board (3-0) and Budget Committee (x).

LAYMAN'S LANGUAGE: This article provides the funds necessary to operate the Town's Water and Sewer Departments on an annual basis.

Art. 11. To see if the Town will vote to raise and appropriate the following sums for the operation of the Tax Increment Finance Districts, to be funded entirely through tax increments:

Downtown TIF District	\$ 181,286
Stone Arch TIF District	<u>\$ 67,163</u>
	\$ 248,449

Recommended by the Select Board (3-0) and Budget Committee (x).

LAYMAN'S LANGUAGE: This article provides the funds necessary to operate the Town's Tax Increment Finance Districts on an annual basis.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$ 7,299,920 (Seven Million, Two Hundred Ninety-Nine Thousand, Nine Hundred Twenty Dollars) for general municipal operations. *Recommended by the Select Board (3-0) and Budget Committee (x).*

LAYMAN'S LANGUAGE: This article provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 13. To see if the Town will vote to establish a capital reserve fund under RSA 35 for the purpose of paving and sidewalk reconstruction, to raise and appropriate the sum of \$100,000 (One Hundred Thousand Dollars) to be deposited into this fund (to be known as the Sidewalk Capital Reserve Fund), and to designate the Select Board as agent to expend. *Recommended by the Select Board (3-0) and Budget Committee (x).*

LAYMAN’S WARRANT

LAYMAN’S LANGUAGE: This article would create a sidewalk paving capital reserve fund that would permit the Town to reconstruct and repave its sidewalk system through the course of a 10-year plan. Utilizing funds from the State of NH in year one, we would repair all of Stratton Road sidewalks in conjunction the Peterborough Street – Stratton Road project. With continuous funding of \$100,000 on an annual basis, the Town would be able to address its failing sidewalks in a ten-year period.

Art. 14. To see if the town will vote to raise and appropriate the sum of \$1,185,000 (One Million, One Hundred Eighty-Five Thousand Dollars) to be deposited into in the following existing Capital Reserve Funds previously established for the listed purposes:

<u>Trust Name</u>	<u>Year Established</u>	<u>Amount</u>
1 Road Paving CRF	2021	\$ 575,000
2 Highway Equipment CRF	1997	\$ 200,000
3 Town Office CRF	2017	\$ 25,000
4 Fire Equipment CRF	1996	\$ 60,000
5 Land Acquisition CRF	2008	\$ 5,000
6 Municipal Building Maintenance CRF	2010	\$ 150,000
7 Bridge Rehabilitation CRF	2017	\$ 120,000
8 Police Cruiser Replacement CRF	2019	\$ 40,000
9 Recreation Equipment CRF	2021	\$ 10,000
		<u>\$ 1,185,000</u>

Recommended by the Select Board (3-0) and Budget Committee (x).

LAYMAN’S LANGUAGE: This article funds the appropriations for the Town’s Capital Improvement Plan.

1. The Road Paving CRF permits the Town to fund a ten-year paving plan to bring our road system from grade D grade to grade B by 2030, with steady funding of \$575,000 per year. Consistent annual contributions to the fund will permit the town to pave \$650,000 annually for the life of the plan through the capital reserve fund.
2. The Highway Equipment CRF funds the repair or replacement of Highway equipment. The equipment replacement schedule requires funding at \$200,000 for the duration of the 20-year plan to purchase equipment without incurring debt.
3. The Town Office CRF funds the design, engineering, construction and land acquisition for a new Town Office.
4. The Fire Department CRF funds the repair or replacement of firefighting and/or rescue equipment. Annual funding levels have been \$60,000. The equipment replacement schedule requires funding at \$180,000 for the duration of the 20-year plan to purchase equipment without incurring debt. The ability to increase funding for this plan will be evaluated on an annual basis.

LAYMAN'S WARRANT

5. The Land Acquisition CRF funds the acquisition of land and conservation easements to conserve strategic open space for the Town, help maintain scenic views, wildlife habitat and water quality.
6. The Municipal Building Maintenance CRF funds major maintenance on existing Town buildings. The Capital Improvement Plan requires funding at \$150,000 annually.
7. The Bridge Rehabilitation CRF funds design and engineering to rehabilitate or replace bridges throughout Jaffrey. The Capital Improvement Plan requires funding at \$120,000 annually.
8. The Police Cruiser Replacement CRF, funded at \$40,000 annually, permits replacement of police cruisers two out of every three years. The typical life span of a police cruiser is five years due to their intensive use and extensive idling hours. The next cruiser slated for replacement is in 2025.
9. The Recreation Equipment CRF, was created to fund the purchase of the department's van that was ordered in 2023 and will be delivered in 2024. Continuing funding at \$10,000 will prepare the town to replace the new van after its ten-year life expectancy is reached.

<u>Trust Name</u>	<u>Trust Balance as of 12/31/2023</u>	<u>2023 Appropriation</u>	<u>2024 Increase/ (Decrease)</u>

Art. 15. To see if the town will vote to raise and appropriate the sum of \$210,000 (Two Hundred Ten Thousand Dollars) to be deposited into the following existing Capital Reserve Funds previously established for the listed purposes, with the sum of \$150,000 (One Hundred Fifty Thousand Dollars) to come from Downtown Tax Increment Finance District and the sum of \$60,000 (Sixty Thousand Dollars) to come from Stone Bridge Tax Increment Finance District:

<u>Trust Name</u>	<u>Year Established</u>	<u>Amount</u>
1 Downtown TIF District CRF	2017	\$ 150,000
2 Stone Bridge TIF District CRF	2022	\$ 60,000
		<u><u>\$ 210,000</u></u>

Recommended by the Select Board (3-0) and Budget Committee (x).

LAYMAN’S WARRANT

LAYMAN’S LANGUAGE: This article will place \$150,000 into the Downtown TIF District Capital Reserve Fund to fund future infrastructure enhancements in the Downtown area. It will also place \$60,000 into the Stone Bridge TIF District Capital Reserve Fund to fund future infrastructure enhancements in the Stone Bridge district. All funds will come from their respective TIF District and have no impact on the tax rate.

Trust Name	Trust Balance as of 12/31/2023	2023 Appropriation	2024 Increase/ (Decrease)
1 Downtown TIF District CRF	\$ 336,179	\$ 60,000	\$ 90,000
2 Stone Bridge TIF District CRF	\$ 80,027	\$ 40,000	\$ 20,000
		<u>\$ 100,000</u>	<u>\$ 110,000</u>

Art. 16. To see if the town will vote to raise and appropriate the sum of \$26,525 (Twenty-Six Thousand, Five Hundred Twenty-Five Dollars) to be deposited into in the following existing Expendable Trust Funds previously established for the listed purposes:

Trust Name	Year Established	Amount
1 Cemetery Trees TF	2007	\$ 5,000
2 Gravestone Restoration TF	2000	\$ 1,000
3 Meetinghouse TF	1991	\$ 5,525
4 Retirement Buyout TF	2021	\$ 15,000
		<u><u>\$ 26,525</u></u>

Recommended by the Select Board (3-0) and Budget Committee (x).

LAYMAN’S LANGUAGE:

1. The Cemetery Trees Trust funds the care and removal of trees in the Town's cemeteries. Older trees are of concern as falling branches can cause expensive and sometimes irreparable damage to historic gravestones.
2. The Gravestone Restoration Trust is used to repair and maintain stones that have been damaged or vandalized, specifically in those cases where a family member can't be found to assume the responsibility.
3. The Meetinghouse Trust supports major capital costs associated with Jaffrey's most historic building, the town-owned 1775 Meetinghouse. Annual appropriations have been \$3,000. Donations and rentals totaled \$2,525 in 2023 and is added to this appropriation.
4. The Retirement Buyout Trust funded at \$15,000 annually eliminates the direct tax burden associated with retirement buyouts due to their impact on the operational budget. There are six employees within six years of retirement eligibility, with a liability of \$90,000.

Art. 17. To see if the town will vote to change the purpose of the existing Jaffrey 250th Celebration Reserve Fund to the Jaffrey 300th Celebration Reserve Fund for the purpose of providing the initial funding required to plan Jaffrey's Tricentennial celebration. The Select Board is designated as the agent to expend. *Recommended by the Select Board (3-0).* **2/3 Vote Required**

LAYMAN'S LANGUAGE: This article will change the purpose of the Jaffrey 250th fund to provide seed money for the Jaffrey's tricentennial celebration. The Jaffrey 250th Jubilee Committee started with no money and had to fundraise for the celebration. The committee's slogan was, "Honoring the past, celebrating the present, and envisioning the future." Part of envisioning the future was to leave the Jaffrey 300th committee remaining funds in the capital reserve fund to get their celebration off the ground. We want them to know we were thinking of them so they could properly honor the past as they celebrate their present. The remaining balance in the CRF is \$5,009. A 2/3 vote is required to change the purpose of a capital reserve fund.

Given under our hands, February 12, 2024.

We certify and attest that on or before February 26, 2024, we posted a true and attested copy of the within Warrant at the place of meeting, Ernest J. Pratt Auditorium, and like copies at the Town Office and the Town Library, and delivered the original to the Town Clerk.

INDEFINITE DELEGATION
OF AUTHORITY

INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as “boilerplate articles.” During the 1999 annual meeting, Jaffrey’s citizens voted (Articles 32-38) to “authorize indefinitely, until specific rescision of such authority” the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire *Revised Statutes Annotated (RSA) 31:95-b*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH *RSA 202-A:4-c*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH *RSA 33:7*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVICES

Shall the Town accept the provisions of NH *RSA 31:19*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH *RSA 31:95-e*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

**INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN
TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES**

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH *RSA 202-A:4-d*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH *RSA 80:80*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen and Town Manager
Town of Jaffrey
Jaffrey, New Hampshire

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, business-type activities, each major governmental and proprietary fund, and aggregate remaining fund information of the Town of Jaffrey as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, each major governmental and proprietary fund, and aggregate remaining fund information of the Town of Jaffrey, as of December 31, 2022, and the respective changes in financial position and where applicable, cash flows thereof, and the respective budgetary comparison for the general and sewer funds for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Town of Jaffrey and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The Town of Jaffrey's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Jaffrey's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

AUDIT

Town of Jaffrey Independent Auditor's Report

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town of Jaffrey's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Jaffrey's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Change in Accounting Principle

As discussed in Note 2-C to the financial statements, in fiscal year 2022 the Town adopted new accounting guidance, Governmental Accounting Standards Board (GASB) Statement No. 87, *Leases*. Our opinions are not modified with respect to this matter.

Required Supplementary Information – Accounting principles generally accepted in the United States of America require that the following be presented to supplement the basic financial statements:

- Management's Discussion and Analysis,
- Schedule of the Town's Proportionate Share of Net Pension Liability,
- Schedule of Town Contributions – Pensions,
- Schedule of the Town's Proportionate Share of the Net Other Postemployment Benefits Liability,
- Schedule of Town Contributions – Other Postemployment Benefits,
- Schedule of Changes in the Town's Total Other Postemployment Benefits Liability and Related Ratios, and
- Notes to the Required Supplementary Information

Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information – Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Jaffrey's basic financial statements. The accompanying combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

AUDIT

TOWN OF JAFFREY, NEW HAMPSHIRE *MANAGEMENT DISCUSSION AND ANALYSIS* *2022*

As management of the Town of Jaffrey, NH, we offer readers this narrative overview and analysis of the financial activities of the Town for the fiscal year ended December 31, 2022.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the basic financial statements. The basic financial statements comprise four components: 1) government-wide financial statements, 2) fund financial statements, 3) notes to the financial statements, and (4) required supplementary information. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements.

The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of Town's assets, liabilities, deferred outflows/inflows of resources, with the difference between reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The *statement of activities* presents information showing how the Town's net position changed during the most recent year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The government-wide financial statements include general government, public safety, roadways, cemetery, library, trust and capital reserve funds, grants, conservation, sanitation, culture and recreation.

Fund financial statements-

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements. All of the funds can be divided into three categories: governmental, proprietary funds, and fiduciary funds.

Governmental Funds. *Governmental funds* are used to report on the general operations of the town. They are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, government fund financial statements focus only on *near-term inflows and outflows of spendable resources this year*, as well as on balances of *spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's current financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

An annual appropriated budget is adopted for the general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

Proprietary Funds. *Proprietary fund* reporting focuses on the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. The proprietary fund category includes enterprise funds.

AUDIT

Enterprise funds are used to report activity for which a fee is charged to external users, and must be used when one of the following criteria are met: (1) activity is financed with debt that is secured solely by a pledge of the net revenues from fees and charges, (2) laws or regulations require the activity's costs of providing services be recovered with fees and charges, and (3) the pricing policies of the activity establish fees and charges designed to recover its costs, including capital costs such as depreciation or debt service. The primary focus on these criteria is on fees charged to external users. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements, only in more detail. Specifically, enterprise funds are used to account for the water operations, which is considered to be a major proprietary fund.

Fiduciary Funds. *Fiduciary funds* are used to account for resources held for the benefit of parties outside the government, such as developer's performance bonds, capital reserve and expendable trust funds belonging to other governments, and trust funds for which the income is used for purposes that are not normally funded by the Town. Fiduciary funds are *not* reflected in the government-wide financial statement because these funds are not available to support the Town's own programs. The accounting used for the fiduciary funds is much like that used for proprietary funds.

Notes to the Financial Statements.

The notes provide additional information that is necessary to a full understanding of the data provided in the government-wide and fund financial statements, and can be found on page 24.

Required Supplementary Information

In addition to this Management's Discussion and Analysis the basic financial statements and accompanying notes are followed by a section of required supplementary information.

This section includes the following information:

- Schedule of the Town's Proportionate Share of Net Pension Liability
- Schedule of Town Contributions – Pensions
- Schedule of the Town's Proportionate Share of Net Other Postemployment Benefits Liability
- Schedule of Town Contributions – Other Postemployment Benefits
- Schedule of Changes in Town's Total Other Postemployment Benefits Liability and Related Ratios

Other information.

In addition to the basic financial statements and accompanying notes, this report also presents certain supplementary information which is required to be disclosed by accounting principles generally accepted in the United States of America.

AUDIT

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At the close of the most recent fiscal year total net position was \$36,049,216, a change of \$319,897 from the prior year or 0.90% when compared to the end of the previous year.

By far the largest portion of the Town of Jaffrey's net position \$36,049,216 reflects its net investment in capital assets (e.g. land, buildings, machinery, equipment, vehicles, infrastructure) in the amount of \$25,721,808, less any related debt used to acquire those assets that is still outstanding. The Town of Jaffrey uses these capital assets to provide services to citizens, consequently, these assets are not available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of net position \$5,021,102 represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position \$5,306,306 may be used to meet the government's ongoing obligations to citizens and creditors.

Statement of Activities

During the current year the Town's net position increased by \$319,897. Total revenues of \$12,163,386 exceeded expenses of \$11,843,489. Property and other taxes generated \$6,112,714, motor vehicles fees \$1,372,680. in revenues for the Town. Other revenues consisted of charges for license fees, services, grants, contributions, and miscellaneous revenues.

The Town's expenses cover a range of services. The largest expenses were highway and streets 35.68%, public safety 21.85%, general government 15.73%, and sanitation 15.12% which accounted for 88.37% of total expenditures.

AUDIT

FINANCIAL ANALYSIS OF GOVERNMENT FUNDS

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with finance related legal requirement.

Governmental Fund

The focus of governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing financing requirement. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the year.

As of the end of the current year, governmental funds reported combined ending fund balances of \$11,347,445, a change of (\$235,010) in comparison to the prior year. Key elements of this change are as follows:

General fund operating results	\$	29,978
Major sewer fund operating results		396,130
Major permanent trust fund results		(410,604)
Nonmajor fund results		(250,514)
Total net change in fund balances	\$	<u>(235,010)</u>

General Fund. The General fund is the Town's primary operating fund and the largest source of day-to-day service delivery. At the end of the current year, unassigned fund balance was \$2,871,615 while total fund balance was \$5,854,655. The general fund unassigned balance increased by \$151,008 from last year. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Refer to the table below.

	December 31, 2022	January 1, 2022	Change	% of Total General Fund Expenditures
General Fund				
Unassigned fund balance	\$ 2,871,615	\$ 2,720,607	\$ 151,008	34.59%
Total fund balance	\$ 5,854,655	\$ 5,824,677	\$ 29,978	70.52%

General Fund Budgetary Highlights

The actual revenues received were more than the budgeted by \$264,648. Operating expenses were under budget by \$537,817. The Town under expended its budget due to disciplined budget management by all town department heads. When departments do not expend their budgets as proposed, funds are returned to the town instead of being spent needlessly.

Each year during the Budget Committee process, we project returning to the general fund \$435,000 for property tax reduction. By returning funds in excess of \$435,000, we are able to maintain our unassigned fund balance according to our finance policy.

The major differences between the original budget and the final amended budget is related to additional paving projects which were authorized by the Board of Selectmen and Town Manager. These projects were reimbursed from the capital reserve funds.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets.

The Town of Jaffrey considers a capital asset to be an asset whose cost exceeds \$20,000 and has a useful life of more than two years.

Assets are depreciated on a straight-line basis, with the original cost divided evenly by the useful life of the asset.

AUDIT

Total investment in capital assets for governmental and business-type activities at year-end amounted to \$39,118,239 (net of accumulated depreciation). This investment in capital assets includes land, buildings and system, improvements, machinery and equipment, infrastructure. The Town added more assets that have not been previously reported. Several assets that do not meet the threshold were removed.

NEXT YEAR' BUDGETS AND RATES

The tax rate is set by the New Hampshire Department of Revenue Administration, usually in October. The Town estimates a 2023 Municipal Tax Rate (excluding school and county component) of \$10.55 per \$1,000 property assessed value, an increase of \$.30 or 2.93% above the 2022 rate. The increase is attributable to increases in salaries, utilities and IT services.

The Jaffrey-Rindge School District approved a budget with an estimated increase of over \$2.00 on the tax rate in 2023, after an increase of over \$3 in 2022. A property assessed for tax purposes at \$250,000 in 2023 will have an estimated tax bill increase over the past two years of about \$1,250 for the local school portion alone.

REPORT OF THE TRUSTEES OF TRUST FUNDS

The three elected Trustees of Trust Funds, assisted by appointed Alternate Trustees, oversee and administer the many trust and capital reserve funds for the Town of Jaffrey. The funds are listed and described in the Trustees of Trust Funds section of the Town website. On December 31, 2023, market value of the three investment accounts was:

Account Name	Market Value
Town of Jaffrey, Common Funds	\$ 6,860,782
Town of Jaffrey, Capital Reserve Funds	\$ 3,155,160
Town of Jaffrey, Other Funds (Expendable)	\$ 948,294
Total	\$10,964,236

Bar Harbor Wealth Management is retained by the Trustees to manage the investments of the various funds by executing buy and sell transactions according to the Town’s Investment Policy and its outlook of the various markets and economies. Bar Harbor Wealth Management also prepares trust accounting and reports required by the Town of Jaffrey and the State of New Hampshire.

The Trustees meet quarterly with representatives from Bar Harbor Wealth Management. These meetings are held at its Peterborough office. These meetings are open to the public and notices are posted in advance according to State statute.

The Trustees also meet throughout the year to receive and disburse funds, respond to correspondence, and transact other business. Normal meetings are held at the Town Office on Wednesday at 4:00 pm. These meetings are open to the public and posted in advance.

At the 2023 Town Meeting in March, Trustee Bill Raymond reported on the state of the Town Trust Funds and mentioned to the meeting that the Trustees were looking for a second alternate. Diane Schaumann volunteered to join the Trustees as an alternate.

One new Trust Fund was added this year called the Jaffrey Betterment Trust Fund. Details on this fund are available in the Town Office or from any one of the Trustees.

Citizens are invited to consider creating new trusts for the benefit of the Town. More information may be found by visiting the Trustees of Trust Funds section of the Town website.

ALICE W. POOLE FUND

The Alice Poole Fund Committee did manage to have our regularly scheduled quarterly meetings, thanks to the flexibility of our members.

Through the Jaffrey community at large, our members are able to learn of those families and individuals who are in need.

If anyone reading this report knows of someone who needs help, please reach out to a committee member in person or simply drop a note to the Alice Poole Fund Committee at Post Office Box 727, Jaffrey, NH 03452.

We were able to help many of the elderly Jaffrey citizens to remain independent and remain in their own homes, by remembering them with personal donations which could be used as fuel assistance, help with utility bills or assistance in purchasing medical devices such as hearing aids.

Gift certificates for clothing and food were purchased from Market Basket, Rite Aid and Walmart. These certificates were distributed during the Holiday Season and at other times during the year.

This year we were able to brighten the holidays with personal deliveries of holiday flowers and gift cards to twenty-five families of elderly and homebound Jaffrey residents.

We continued our donations to the Jaffrey Food Pantry, Shelter from the Storm and Santa's House in hopes of assisting as many people as possible.

This year we did not have any requests for student loans. However, three former recipients continue to repay, so that other students can benefit from future student loans.

As usual, The Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund Trustees in accordance with the will of Alice Poole.

The committee would like to thank Mr. Frederick for his assistance throughout the year.

SELECTMEN'S REPORT

Happy Birthday Jaffrey was the theme for 2023.

The year kicked off with the Gala Ball and continued throughout the year ending with the premier showing of the “Jubilee” video. The video captured the events along with interviews of Jaffrey residents young and old celebrating the 250th anniversary of the founding of Jaffrey.

Jaffrey commemorated its long history with other notable events during the year. One event was the salute to all the veterans who served in our armed forces from 1776 to

2023. A commemoration day on August 17th was celebrated the signing of the Charter incorporating the Town of Jaffrey. The 250th parade led by honorary grand marshals Cynthia Hamilton and Bernard Hampsey.

The Selectboard would like to take this opportunity to thank all the residents who served on the 250th Committee over the past 5 years. This includes the support of all Jaffrey citizens and businesses who participated in making this celebration one for the record books.

The Town also kept pace with the upgrading and repairs to our infrastructure. The Nutting Road bridge, (after the Atlantic Salmon run was over) and the Heath Road bridge were both completed this fall.

Jaffrey continued with the third year of the 10-year capital plan to improve and upgrade the Town’s roads. The long-awaited start of construction for the Cold Stone Spring water improvement project began this past summer. We are anticipating a scheduled completion in the summer of 2024.

The Selectman signed a contract with Revision Energy to build a Community Solar Farm at the transfer station. Citizens of Jaffrey will have the opportunity to subscribe to the Solar Farm soon. Planning also continued with the State of New Hampshire for the Route 202 round-about project. Currently construction is slated to start in late 2024.

The town’s 250th year-long celebration of our history revealed many reasons why Jaffrey has not only survived but has also thrived. The town has grown and changed from a mostly agricultural society to a manufacturing/business center that provides multiple opportunities for its citizens. We look forward to another 250 years of continued growth and success!

Lastly the Selectboard would like to thank the employees of the Town of Jaffrey including all the citizens that serve on the various boards and committees that make Jaffrey a “GREAT” town to live in.

Respectfully submitted,
Franklin W. Sterling, Jr., *Chairman*
Kevin Chamberlain, *Selectman*
Charles Turcotte, *Selectman*

REPORT OF THE MODERATOR

This has been a very interesting year. We had our municipal elections in March, and the big one, the “still first in the nation primary” election on January 23. In 2024, in addition to our local elections, we have the New Hampshire State Primary Election in September and, of course the General Election in November. The Moderator has the overall responsibility for each election, appoints the Budget Committee and the Historic District Commission.

The election process could not run as efficiently as I believe it does without the guidance of our Town Clerk, Kelly Rollins. She makes my job easier as did her predecessor, Maria Whitney Chamberlain. The role of the Supervisors of the checklist, Eunice Jadlocki – Chair, Vicki Arceci and Sharon Tieger cannot be overstated. Special thanks to our ballot clerks and volunteer greeters.

“To everything there is a season” and the time has come for someone else to have the honor of being your Moderator. This was an extremely difficult decision for me. I have served as your Moderator since 1990 following Bernie Hampsey who had just been appointed as Justice of the Superior Court. He and longtime Town of Rindge Moderator, David Tower, helped me learn the ropes. I have always appreciated the support that you, the voters, have given me for these past 34 years.

In Jaffrey, we have a deep respect for our traditional Town Meeting and I hope that never changes. Even though our attendance numbers are sometimes on the low side, it remains not only a cherished tradition but also the purest form of democracy.

Respectfully submitted,
Marc P. Tieger, *Moderator*

REPORT OF THE CEMETERY COMMITTEE

“Show me your Cemeteries and I will tell you what kind of people you have” - Benjamin Franklin

The Cemetery Committee was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey’s public cemeteries: Conant, Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is comprised of representatives of the American Legion and Veterans of Foreign Wars, Historical Society, Cournoyer Funeral Home, Board of Selectmen and up to five appointed Members-at-Large. Todd Croteau, Superintendent of Highways & Facilities, assists the Committee in its duties. The *Resolution* establishing the Committee and the *Cemetery Rules and Regulations* are on the Town’s website: townofjaffrey.com/cemetery.

During 2023 the Committee met seven times with the Superintendent of Highways and Facilities to discuss operation, budget and maintenance issues, or to undertake inspections, cleaning and minor straightening. Each cemetery is visited by the Committee at least once a year. A designated member of the Committee oversees each cemetery. This oversight involves inspecting the cemetery from time-to-time and reporting on conditions and problems at Committee meetings. Members of the Committee also participated in a work session to clean, repair and straighten headstones in the Old Burying Ground and Village Cemetery. The Annual Meeting with the Superintendent of Highways & Facilities and the Town Manager is held in October.

Griffin Property Management’s contract was extended to do the grounds keeping of the town-owned Cemeteries for 2023.

Last year during the inspections of the town-owned cemeteries, it was noted by the committee that a number of tablet style markers were very much in need of repair. Bruce Hill compiled a list of the most needed repairs. Gravestone Services of N.E., was asked to come to Jaffrey and estimate the cost of the repairs. Village Cemetery needed fifteen repairs, Old Burying Ground four each. Gravestone Services of N.E. estimate of repairs \$5,150. The Town Manager, Select Boards Representative and the Superintendent were in favor of the repairs being made. The cost of the repairs to come from the Gravestone Restoration Fund. During the month of May, Gravestone Services of N.E. repaired fifteen of the nineteen tablets recommended by the Committee, unfortunately 4 tablets could not be repaired due to the damage they had sustained over time. The cost of repairs came to \$3,705.00.

The Old Burying Ground has had two work sessions dedicated to straightening markers. The committee and volunteers straightened eighteen tablet style markers. The committee also inspected the trees in and around the cemeteries to ensure that they were not going to cause any damage to the markers should they fall. The Committee recommended to the Town Manager and the Superintendent that at Phillips-Heil there

REPORT OF THE CEMETERY COMMITTEE

were many trees in need of trimming due to rotted branches. A large, heavily rotted maple tree was removed at the Old Burying Ground south/west corner by Willa Cather's grave site at a cost of \$3,500.

During our visit to Phillips/Heil, those that could stay on, held a work session to straighten the worst leaning tablets as recommended by the overseer, Peter Lambert.

A Cemetery Trees Trust Fund was established at the 2007 Town Meeting. The balance of the Fund as of November 30, 2023 was \$18,083. At last year's Town Meeting, \$5,000 was added to the fund.

A Gravestone Restoration Trust Fund was established at the 2000 Town Meeting to support the repair and maintenance of damaged or vandalized gravestones. The balance of the Fund as of November 31, 2023 was \$7,522. At last year's Town Meeting, \$1,000 was added to the fund. The Committee, at its October Annual Meeting with the Town Manager recommended that the Gravestone Restoration Trust Fund warrant article at Town Meeting remain at its present level of \$1,000.

In recent years, the Committee has co-sponsored, with the Jaffrey Historical Society, walking tours of Conant, Cutter, Phillips-Heil, Village Cemetery and the Old Burying Ground.

As part of the 250th Anniversary of Jaffrey and Jaffrey's "Salute to all Veterans" the gravesites of various Veterans were visited with a walking tour at the Old Burying Ground. Cathy Proulx, Karen Ayers and Charlie Turcotte did the research and narratives. Due to the heavy rains the event was held inside the Meetinghouse.

The Cemetery Committee welcomes Eric Hanson as the American Legion representative to the committee. Eric will be our direct liaison to the Legion.

On May 20, 2023 the Cemetery Committee joined the Volunteers who have in the past placed all eight hundred flags into the military markers in all of Jaffrey's cemeteries. Many thanks to Jan Weekes, Jon Frederick, Rick and Peter Lambert, Amelia and Bruce Hill, Eric Hanson, Mark Bosse, Jeannelle Moore and Steve Cluttier in that effort for 2023. I hope to see you all again the Saturday before Memorial Day 2024. If anyone would like to join us contact jaffrey.turcotte@gmail.com.

The Jaffrey Department of Public Works maintains a Cemetery Database which can be found at www.town-of-jaffrey.com/cemetery/pages/cemetery-inventories.

Residents and lot owners are reminded that the Town's *Cemetery Rules & Regulations* and *A Guide to the Public Cemeteries of Jaffrey* are available from the Department of Public Works and on the Town website: www.townofjaffrey.com/cemetery The Cemetery Committee has a page on the site under Boards & Committees.

I would like to thank the Committee for its steadfast commitment to the town of Jaffrey and thank those volunteers, who have shown an interest in Jaffrey's cemeteries by devoting their time and energies to the care and maintenance of them.

Donations to the Gravestone Restoration and Cemetery Tree Trust Funds are always welcome!

CONSERVATION COMMISSION

The Jaffrey Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watersheds. The Commission provides a service to Jaffrey residents and the town government addressing environmental concerns and educating people on environmental issues and regulations. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission also manages and maintains designated town forests and conservation areas.

The Conservation Commission is an all-volunteer organization and holds regular meetings, open to the public, on the third Wednesday of the month at 7 p.m. at the Town Offices. Meeting minutes, recorded by Elizabeth Webster, are posted on the Town's website on the Conservation Commission pages and in the Town Offices. The Conservation Commission's pages of the Town of Jaffrey website contain useful information about the Jaffrey conservation areas, local trails, invasive species, and the Natural Resources Inventory including detailed maps of resources within the Town of Jaffrey.

Many activities were undertaken by the Conservation Commission in 2023.

- A Conservation Easement was secured for Children's Woods and Carey Park in cooperation with the North East Wilderness Trust (NEWT).
- A powerful, Interactive Natural Resources Inventory (INRI) was commissioned for use by Jaffrey residents and Town officials. Among other features, the INRI will allow any resident or Town official "one-click" ability to see wetlands, terrain, soil types, wildlife habitat, and many other natural resources on any lot defined on the public Tax Map of Jaffrey. Preliminary software development was begun in 2023 and the INRI is expected to go live in the fall of 2024. This online tool is being created for Jaffrey by the Moosewood Ecological LLC, a consulting firm with extensive experience in the Monadnock Region.
- We hosted seven Earth Day events during the month of April which were attended by more than 200 people.
- We gave out pollinator plant seed packages to residents at several events and promoted the planting of pollinator gardens.
- We participated with a float in the Jaffrey 250 celebration parade in August.
- Conservation Commission members attended and advised meetings of both the ZBA and the Planning Board, as well as reviewing DES applications and attending site visits with the ZBA and Planning Boards.

CONSERVATION COMMISSION

- Work teams cleared many fallen trees and maintained the public trails in Children’s Woods and Carey Park, and the Cheshire Pond Conservation Area. The work teams included David Peragallo, Serra Gauthier, Fran McBride, Bill Graf, Tom Ahlborn-Hsu, and Peggy Ueda.
- The new board walk and wildlife viewing platform were completed in the Cheshire Pond Conservation Area.
- We collect water quality testing data for NH DES once per month from four sites in Jaffrey. Joan Lathrop was the lead on water quality testing this year.
- Monitoring of Easements: Grey Goose Easement has new owners and was monitored in 2023 by Bill Graf, Charlie Koch, and Tom Ahlborn-Hsu, and found in compliance. Wittemore Island Easement: The Monadnock Conservancy, as holders of the easement completed the annual survey. Children’s Woods: The Monadnock Conservancy, as holders of the easement completed the annual survey.
- The Conservation Commission’s representative to the Downtown Revitalization Committee is Elizabeth Webster.
- The Jaffrey Representatives to the Contoocook and North Branch Rivers Local Advisory Committee are Joan Lathrop and Gail Lang.

Beloved chairwoman of many years, Carolyn Garretson, retired from the position in 2023 and Dr. Tom Ahlborn-Hsu was elected Chair. Long-time member, Charlie Koch also retired from the Commission in 2023 and we are actively seeking a new member.

As your conservation commission, we welcome everyone’s participation and input on conservation issues. We invite visitors to our meetings. For 2024, we look forward to developing new ways to engage both residents and town officials in enhancing and protecting our mountain and the many lakes, ponds, rivers, meadows, and natural resources that make Jaffrey special.

The commission will continue to participate in town meetings, improve and maintaining town trails, supporting the town in helping preserve and protect Jaffrey’s natural resources.

Members for 2024: Thomas Ahlborn-Hsu, James Bearce, Carolyn D Garretson, William Graf, David Peragallo, Elizabeth Webster.

ECONOMIC DEVELOPMENT COUNCIL

The Economic Development Council (EDC) is made up of business owners, community leaders, and local residents with an interest in promoting the economic vitality and growth of Jaffrey. The EDC is committed to promoting business-friendly policies and creating business and job opportunities which build on our retail and manufacturing base. Sadly, long time member Ed Merrell resigned this year, he also served on the Southwest Region Planning Commission Economic Development Council. Ed kept us in the loop on regional economic initiatives and opportunities. Kelly Bergeron stepped in to serve as Chamber of Commerce representative, warm welcome to Kelly!

We are looking to fill three seats, one as representing the Downtown TIFD and the second to represent the Stone Arch Bridge TIFD, and the third as an at-large representative, please reach out if you are interested.

This year in review begins with the EDC following-up on the Downtown Community Conversations and integrating those recommendations into the design of pedestrian and landscape amenities for the traffic project. Regular check in meetings have been on-going through the year working with the Downtown Revitalization Committee, addressing safety issues, concept plans and design. Mockups can be found on the town website landing page as the **Route 202 Project**.

The EDC completed the update to the economic development chapter of the Master Plan, which was subsequently adopted by the Planning Board. Key areas for work ahead include strengthening coordination among groups that support economic development in Jaffrey; make downtown Jaffrey a vibrant destination; harness the economic potential of Jaffrey's natural resources by encouraging tourism and outdoor recreation; maintain and upgrade physical infrastructure foundational for local economic prosperity; grow the local workforce.

Projects completed this year were the market study for the redevelopment potential for the W.W. Cross site, completion of the final Site Specific Assessment and application to the EPA for cleanup funding; completion of final design for the sidewalk and pedestrian project on Peterborough Street and Stratton Road; application to InvestNH for the demolition of the St Patrick School for a workforce and market rate housing project.

Bi-weekly Department of Business and Economic Affairs meetings with Commissioner Caswell and Economic Development Directors from across the state continue.

Through the Planning and Economic Development Department, we provide guidance for new and expanding businesses on the development process and coordinate with the planning board and building department along the way. In addition, we coordinate the Economic Revitalization Zone Program and Ch 79E tax relief programs for new development and redevelopment. We look forward to the coming year and the opportunities it will present as we proceed with ongoing projects and begin new initiatives to help sustain Jaffrey's economic vitality.

HISTORIC DISTRICT COMMISSION

In 1969 the citizens of Jaffrey established the Jaffrey Historic District Commission whose mission is to aid in preserving the rich cultural, social, economic and architectural histories of our Town.

In July of 2023 the membership of the Jaffrey Historic District Commission changed significantly with the addition of 4 new members. In August the HDC updated the Guidelines for the District. In May 2024 revised copies of these Guidelines will be distributed, by hand, to those owning property with the Historic District. Additionally, since there are many new residents in the Historic District the HDC has decided to reinstitute the Annual District Wide Meeting. This meeting will be held at the Meetinghouse in June of 2024 and will be used to review the Guidelines, explain how the HDC functions, provide information packets, and to answer questions.

There were three formal applications to the HDC in 2023. They included the reconstruction and landscaping of an old cellar hole, the installation of a propane powered emergency generator with an associated propane tank, and the construction of a new free standing Accessory Dwelling unit. All three applications were approved by the HDC. The application for the new ADU was approved subject to a number of conditions specifying building dimensions, material types and colors. These conditions were incorporated into the building permit for the new ADU.

In the past the Commission has, from time to time, met informally at the sites of applications. This was very kind of the former Commission but, given work and personal schedules of the current Commission members, beginning in 2024 the HDC will return to its policy of meeting the first Thursday of the month at 6pm at the Town Offices during colder seasons and at the Old Meeting House during the summer months.

Historically, meeting Notices have been posted on the Town website. Public Hearings were Noticed to abutters by mail, on the Town website, in Town Office and in the Town Library. This will continue in the future. Additionally, the HDC has begun to compile a list of the properties in, and immediately adjacent to the Historic District. In early 2024 HDC will collect email addresses for those parties that wish to be notified electronically of when HDC meetings are to be held, and what the agenda is to be. If you would like to be added please contact the Town offices.

LIBRARY TRUSTEES

The Jaffrey Public Library enjoyed another year of unprecedented growth in library activity. We were fortunate to be awarded both local and national grants for innovative youth and adult programming. Our Summer Learning finale ended with an unexpected honor: the library was given The Community Builders Award by Charity Lodge #18 “in recognition for outstanding service to the community.” All this, thanks to our Director, Staff and Supporters.

In 2023, the library was added to the National Register of Historic Places. This was a challenging project to pursue and required an extensive “building needs assessment” as part of the application process. That document will now guide us as we continue to address building repair and maintenance, all elements of which will be undertaken in compliance with national historic preservation standards.

Public libraries are essential services that change lives. Jaffrey is fortunate to have a magnificent historic building, an outstanding Director and Staff, and broad community support. Maintaining that level of excellence – and continuing to grow to meet future needs – requires financial resources. Recognizing the impact of our Town budget on the taxpayers, the Trustees are continually challenged to identify other, non-public, sources of funding. Consideration is being given to establishing a Library Foundation; we hope to have more information to share in the near future.

Being a Library Trustee is an extremely rewarding experience. The Board of Trustees is responsible for planning and securing the library’s future. We are here to serve your needs as we work with our Library Director to make the Jaffrey Public Library the best library in the state of New Hampshire. We rely on guidance from the members of the New Hampshire Library Trustees Association and are proud to serve as a model for other libraries in the state. We welcome your questions, concerns and ideas, and extend a warm invitation to attend our monthly public meeting.

MEETINGHOUSE COMMITTEE

The meetinghouse committee advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

The Meetinghouse served as a venue for several events in 2023: Two weddings, the 23rd Reading of the Declaration of Independence, the annual First Church Fair on the first Wednesday of August, eight Amos Fortune Forum programs, and Electric Earth and Monadnock Music concerts.

In addition, the Meetinghouse hosted two significant events associated with the 250th anniversary of the Town of Jaffrey: *A Salute to Jaffrey Veterans* was held on June 17th, the day in 1775 when the frame of the Meetinghouse was raised and the date of the Battle of Bunker Hill. And *Commemoration Day* was celebrated on August 17, the day Jaffrey's Charter was issued by Governor John Wentworth.

The Committee made inspections of the Meetinghouse in May and November. Several small projects were undertaken, sometimes by members of the Committee and at other times by volunteers, contractors or Town staff. Also...

- Inspection and servicing of the Town clock (now overseen by Sean Driscoll and Rob Stephenson with the professional involvement of D'Avanza Clock Repair of Goffstown);
- Annual testing of the fire alarm system by Monadnock Security and the fire extinguishers by Life Safety Fire Protection;
- Winterizing the Meetinghouse by the Department of Public Works and the Water Department.

No major Meetinghouse projects were undertaken in 2023 unlike the previous three years during which the Tower was substantially upgraded inside and out with new paint, plaster, lighting, handrails, roofing, wood restoration & replacement and the gilding and painting of the four clock faces. Support for this undertaking came from LCHIP and Mooseplate grants, the Town's meetinghouse trust fund, and generous donations from individuals and organizations.

And no major projects are planned for 2024 although some touch-up painting and some window re-glazing will be undertaken. Either the north or east facades, or both, will probably be painted in 2025.

The balance of the Meetinghouse Trust Fund (established 1991) at the start of the year was \$12,724.11. During 2023 \$4,625 was added to the Fund (mostly rental fees for the use of the Meetinghouse and the annual warrant article at Town Meeting of \$3,000). No disbursements were made from the fund. Income, Fees and Gains/Losses totaled \$312.97. At the end of the year the balance of the Meetinghouse Trust Fund was \$17,662.08

For the eighteenth year a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 3rd organized by the Village Improvement Society. As always, candles are set in the south windows of the Meetinghouse for the holiday season and remain lighted through the winter months.

MEETINGHOUSE COMMITTEE

The Meetinghouse has its own webpage, hosted on the Town's website at <http://townofjaffrey.com>. Go to > Boards & Committees > Meetinghouse Committee. Here you will find, among other things, historical and financial information, photographs, the current and past schedules of events, and the application and guidelines for use. Many photographs & images of the Meetinghouse may be found at <https://rs41.smugmug.com/Jaffrey/Meetinghouse>.

The Committee would like to thank Judy Zola, Town Administrative Assistant, for her supportive and professional attention to Meetinghouse matters particularly in scheduling and overseeing applications for use. It would also like to thank Gary Duquette of the Jaffrey Department of Public Works who has been very helpful on many Meetinghouse matters particularly in overseeing the seasonal opening and closing of the building. Sean Driscoll continues to assist the Committee on matters of maintenance and setting-up for the 4th of July and holiday candles and for adjusting the clock as needed as does Steve Miller of First Church.

Robert Stephenson, the Village Improvement Society representative on the Committee for over 30 years, is being succeeded by Sean Driscoll. Rob will continue to assist the Committee as needed.

MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State statute (RSA 227-D:4) and is charged to advise and guide the Department of Natural and Cultural Resources on the managed lands on Monadnock, Gap and Little Monadnock mountains. State law allows the Commission to accept tax deductible donations. MAC funds are used primarily as a source for search and rescue supplies and equipment.

Members of the Commission include two representatives from each of the towns these mountains are part of, the director of the Division of Parks and Recreation, the director of the Division of Forests and Lands, and the president of the Forest Society (Society for the Protection of New Hampshire Forests). Other guests include the Monadnock State Park manager and assistant manager, the commissioner of the Department of Natural and Cultural Resources, Antioch University MERE (Monadnock Ecological Research and Education) Project, Forest Society recreation manager, and the Parks and Recreation South Region Supervisor.

The Commission met twice in 2023 at the East Hill Farm in Troy. Trail usage of the Park and trails that access the summit has decreased slightly from the last few years, perhaps partly due to a lot of rainy weather early in the season. Camping usage continues to increase, though. As in the recent past, open positions have been hard to fill, so there have been increased efforts made to fill those positions. Due to staff shortage, plans for requiring reservations and fees at some of the more remote trailheads have had to be modified or delayed. The reservation system in place at the Park and primary trailheads continues to function well, and is still being considered for the other access points. Income from iron rangers at remote trailheads has been about the same.

Monadnock Trails Week was a great success. Many hours were spent constructing steps and improving trails. The total number of rescues was up from last year, probably due to an increase in reporting of incidents, but staff hours spent on rescues decreased due to the nature of assistance needed. Timber harvesting planning and execution continues on several sites on lands surrounding these mountains, including harvest of mature ash in order to ensure better health of young growth with regards to the infestation of the ash borer. Project MERE continues their research and efforts to protect fragile areas on the mountain.

Parking and other issues around the Pumpelly Trailhead continue to be of concern, and there are new initiatives to clarify and validate trail easements on the first mile of the present trail.

The members of the Monadnock Advisory Commission encourage input from the citizens of our towns regarding anything to do with the care of the mountains we are charged with helping to maintain. Please contact your representatives listed below.

PLANNING BOARD

The Planning Board had a somewhat slower year in 2023 for applications. There were 16 new housing units approved and 4 subdivisions creating 5 new building lots. Minor site plans were approved to accommodate expansions at existing business sites.

Two chapters to the Master Plan were completed and adopted, Economic Development and Energy & Resilience, and are available on the Planning Board webpage. Most important will be implementing the recommendations from these chapters. To meet this goal, staff applied for and won a grant to update the land use code to improve clarity and streamline approval process for residential and mixed-use developments. That work should begin in 2024.

Changes to the code for 2023 included defining short-term rentals, Inn/Hotel, Senior Housing and Transient Occupancy. We addressed pertinent legislative changes relating to workforce housing and senior housing. As always, if anyone has a concern regarding zoning or a recommended change, please let the office know and we can bring it before the Board.

Director Carr continues liaison on the NH Planners Association legislative committee, advocating for legislative changes which will impact local communities. Be sure to check in with the Economic Development Council annual report for additional projects in the Planning & Economic Development Department.

With regret, the Board accepted the resignation of Ed Merrell who served faithfully for more than 20 years. He also served on the Economic Development Council for the Regional Planning Commission as well as Jaffrey's EDC. He leaves an imprint on the master plan and zoning updates achieved over the years. The remainder of the board membership was stable this year but we could use more alternates. Three alternate seats are available and with the zoning rewrite anticipated for 2024, we need your help! Please consider adding your voice to our group and working to guide our community forward into a bright future.

There are many important issues facing our community in the coming year. The Board enters the 2024 year energized and ready to work with our current and future residents to build a better community. Thank you for the opportunity to serve.

SUPERVISORS OF THE CHECKLIST

Adhering to the election laws of New Hampshire and following the election procedures set forth by the Secretary of State and approved by the Attorney General, the Supervisors of the Checklist register voters and maintain an accurate checklist identifying registered Jaffrey voters.

New voters may register to vote with the Town Clerk during business hours, at special Supervisor of the Checklist meetings or at the polls during town, state and general elections. Supervisors are responsible for finalizing voter registration which includes ensuring the application is complete and proper identification and proof of domicile has been presented. Paper records of the registration are filed at the Town Office and the data is entered into ElectionNet, the online database overseen by the NH Secretary of State’s office. Supervisors are also responsible for making changes as requested by voters such as a voter’s change of address, name or party affiliation and a change in driver’s license information. When notified by the State of individuals who have died or moved out of Jaffrey, they are removed from the roles. Using data from the USPS about individuals who have moved, or when individuals in the community inform the supervisors that someone has moved, those moves or deaths are confirmed by sending communications – 30-Day-Letters – to verify the change or death and then if correct, they are removed from the roles.

In March 2023, Carolyn Garretson completed 6 years of service as a Supervisor of the Checklist and Sharon Tieger was elected to a six-year term. During the year Supervisors met regularly to cross-check and verify voter information and to maintain accurate and up-to-date hard copy and electronic records. They attended and provided an up-to-date checklist for the Town Meeting in March and the School Board deliberative sessions. Prior to the March election they certified signatures on petitioned articles to the Town Warrant. Special Supervisor of the Checklist sessions were held throughout the year to permit individuals to register or make changes to their information. In addition special sessions mandated by the State of NH were held. Even a severe snowstorm last winter did not deter the Supervisors from holding a state mandated meeting. The Supervisors participated in several webinars presented by the Secretary of State’s Office.

In 2023 we had one election, the Town Election. In 2024 there will be four elections, including the Presidential Primary and the Presidential Election. We are grateful for dedication and commitment of Jaffrey residents who assisted with the election and of Kelly Rollins, Town Clerk, Marc Tieger, Moderator and Jon Frederick, Town Manager, the DPW, the Police Department along with many town staff who assist with the election.

As of December 20, 2023, Jaffrey has 3,297 registered voters.

The table below shows the number of Jaffrey voters for the past seven years:

<u>Year</u>	<u>Voters</u>	<u>Dems</u>	<u>Reps</u>	<u>Undeclared</u>
2017	3970	1183	1258	1528
2018	4004	1204	1247	1553

TEAM JAFFREY

TEAM Jaffrey would like to start by saying, “Thank You” to our wonderful community for all of your support throughout this commemorative year! What a year 2023 has been!

TEAM Jaffrey partnered with the Jaffrey 250 Organizing Committee to celebrate Jaffrey’s 250th Anniversary! We celebrated all summer long with wonderful events!

TEAM Jaffrey’s Farmers’ Market ran from June through September at the new location on the Jaffrey Public Library Lawn! We were able to have a complete Market season thanks to our partnership with the Jaffrey Public Library!! We saw over 2600 visitors and hosted wonderful vendors, live music, and more!

“Concerts on the Common” highlighted local talent during July and August. Our partnership with the Jaffrey 250 Organizing Committee and Fete de la Riviere provided the community with great live music, a Gorton Tasting Contest, and a wonderful painting unveiling by local artist Jeanne Duval!

“Riverfest” took over Jaffrey with such highlights as tethered hot air balloon rides, kayak rentals, vendors, the 3rd annual Car Show, and a fantastic French Canadian celebration which included a Tourtiere contest, live music, and a poutine truck!

Beloved Fall events such as “Scarecrows on the Common” and “Trick or Treating on the Town” were met with great success and so much fun was had by all!

“Spaghetti with Santa” returned in person for the first time since 2019, and was such a wonderful celebration!!

TEAM Jaffrey also facilitated support for various businesses in town by providing financial support, advertising opportunities, and seasonal Downtown Decorating Contests!

TEAM Jaffrey will be celebrating its 25th Anniversary in 2024! As we enter the new year, we hope to continue expanding on our seasonal events while providing more support to our local businesses! We truly appreciate any contribution you can provide! From \$5 to \$5 billion, any donation would directly support us on our mission to enhance, revitalize, and promote our wonderful town of Jaffrey! We could not do any of this without YOU!

Please consider making a tax-deductible donation to TEAM Jaffrey at our safe and secure website at teamjaffrey.org or by mail at:

JAFFREY RINDGE MEMORIAL AMBULANCE SERVICE

This year the members of the JRMA crew has worked diligently to provide the towns of Jaffrey and Rindge the very best emergency medical service provided.

With a staff of 30 members (Paramedics, Advanced Emergency Medical Technicians, and Emergency Medical Technicians), we provided the highest level of care to 1,164 patients.

We responded to a total of 1,381 calls and covered 3,798 hours.

All of this data represented high numbers for our service.

Emergency transports were provided to Monadnock Community Hospital, The Cheshire Medical Center in Keene, Haywood Hospital in Gardner, MA, UMASS-Worcester, Catholic Medical Center in Manchester, The Elliot Hospital in Manchester as well as Southern NH Hospital in Nashua.

We thank the citizens of Jaffrey and Rindge for their continued support of the vital services that JRMA provides to our communities.

AEMT Elysia Devens received the Member of the Year Award at for her outstanding efforts during 2023 including: responding to an impressive 549 calls, managing supplies and monthly trainings, and an extensive list of other things that she has done for both Jaffrey-Rindge Memorial Ambulance (JRMA) and the communities of Jaffrey/Rindge. She consistently went above and beyond the call of duty in service to others.

JOINT LOSS MANAGEMENT COMMITTEE (Safety Committee)

JMLC General Information:

The purpose of the Joint Loss Management Committee (JLMC) is to conduct research, develop recommendations, and study and review matters pertaining to occupational safety and health within the town of Jaffrey. The JLMC consists of eight (8) members who are employees of the Town of Jaffrey and the membership consists of both management and staff personnel and is representative of the major work activities (departments). The JLMC holds quarterly meetings and will hold special meetings whenever necessary. Additionally, the JLMC conducts safety inspections of all town buildings and promotes training for all employees whether job specific or applicable to all the Town's employees. The duties of the JLMC are generally consistent with the New Hampshire Department of Labor's Rules and Regulations.

2023 Recap:

Training was my main mission for 2023 and keeping all the staff in compliance. I'm sure they all got very tired of my reminder emails!! We managed to get refreshers done and added some additional cybersecurity trainings. Our Primex P3 recertification deadline was moved from Fall 2023 to Spring 2024, making it a goal for next year. This certification reduces the cost of the Property/Liability Insurance premiums. Staff worked on keeping their own departments up to date on Material Data Sheets and Safety Plans. In September we welcomed Bailey Bernier from the Library as our newest non-management member to replace Linda Gleason, and at our December meeting, I announced that I'd be stepping down as Chairman and a member. Rotation of management and non-management members is great for new ideas and perspectives. Tax Collector Chelsie Thibault was nominated to take my non-management position and Recreation Director/management member, John Kohlmorgen, was elected unanimously as the new Chairman.

Looking Forward:

In 2024 the JLMC will be reviewing and updating our Town Safety Plan as well as renewing the Primex P3 certification. In-person trainings for AED's and CPR are also planned. Annual refreshers for Back Injury Prevention, Slips, Trips & Falls, Preventing Workplace Harassment, Bloodborne Pathogens and Cybersecurity will be asked of all employees.

I thank the JLMC for their support and the privilege to serve as Chairperson. I look forward to John's term, knowing he'll strive to maintain compliance with NH Department of Labor rules and regulations and more importantly, endeavor to keep all employees healthy and safe while at work.

Respectfully submitted,
Judith A. Zola
Chairperson, JLMC

CONTOOCOOK & NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

The Contoocook & North Branch Rivers Local Advisory Committee, (CNBRLAC) completed a productive year in 2023 with a full slate of meetings and monitoring activities for the Contoocook and North Branch River communities. The Committee met in person monthly at the Monadnock Paper Mills in Bennington and shared our meetings via Zoom.

Established in 1988, the CNBRLAC represents the fourteen communities that the rivers run through; Antrim, Bennington, Boscawen, Concord, Deering, Greenfield, Hancock, Henniker, Hillsborough, Hopkinton, Jaffrey, Peterborough, Rindge, and Stoddard. The CNBRLAC performs statutory duties including permit review and management plan coordination. The CNBRLAC provides a voice for the Contoocook and North Branch River towns and cities through the river's designation in the New Hampshire Rivers Management and Protection Program. The CNBRLAC updates the Contoocook and North Branch Rivers Corridor Management Plan (CNBRCMP) www4.des.state.nh.us/blogs/rivers/wp-content/uploads/ctc-plan.pdf and coordinates the activities in it. Work on an updated plan continued in 2023. The CNBRLAC website is www.cnbriac.org. (As always, special thanks to river lover Luciano Lipari of Antrim for his volunteer creation and maintenance of our website).

This past year the CNBRLAC reviewed and commented on eighteen (18) proposed projects for Wetlands, Shorelands and Alteration of Terrain permit applications within the Contoocook and North Branch River's watersheds. There were a few major projects reviewed including a wetlands permit for the bridge proposed by NHDOT for the Jaffrey roundabout at Routes 124 and 202, work force housing projects in both Hillsborough and Peterborough and a mixed-use commercial project on Route 9 in Antrim. Smaller projects typically included improvements to homes/camps along several of the impounded lakes/ponds along the river. In general, CNBRLAC comments to NHDES included reducing or limiting additional impervious areas (pavement), encouraging natural existing shoreline vegetation as much as possible, enhancing shoreland areas with additional trees/plantings and encouraging low impact development (LID) infiltration techniques.

Representatives from the committee are regularly promoting the protection of the river and interests that the river supports. Several members are either current or past legislators who work within those roles to help the river and others are members of town boards such as Conservation Commissions.

The Volunteer River Assessment Program (VRAP) Monitoring Program marked its twenty-fifth year in 2023. As stated by NHDES on their website the program is meant to "...promote awareness and education of maintaining water quality in New Hampshire's rivers and streams." VRAP coordinates a regular volunteer-driven water quality sampling program to assist NHDES in evaluating river water quality throughout the state." The VRAP Monitoring Program depends on the high-quality work of many of CNBRLAC's members and non-members each year who monitor river and stream health on the Contoocook and North Branch Rivers, and their tributaries at over ten sites between Rindge and Concord. During the summer, volunteers collect river water samples and record the results of in-field testing. The resulting data is used to evaluate the condition of the water quality of the rivers. The information is shared with NHDES, municipalities and their local officials, as well as to the State of New Hampshire and the US Congress. This data is available for viewing at Publications | NH Department of Environmental Services (acsitefactory.com).

CNBRLAC's elected officers which include Matt Lundsted, Chairman; John Haley, Treasurer and Marco Philippon, Secretary, were re-elected for 2023. Regrettably long time member John Haley has given up his role as Treasurer for 2024 as well as membership and will be severely missed but will hopefully continue to send us wildlife pictures from his new home.

CONTOOCOOK & NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

Among other “retirees” from the Committee over the year, founding member Rod Zwirner of Antrim “retired” after 35 years of service. We would like to thank him for all of his work over the years both as a member of the Antrim Conservation Commission and the LAC. If we had one, we would award him with the CNBRLAC Lifetime Achievement Award – the CNBRLACLAA!

Despite multiple retirements, the LAC also added four new members from four different member communities.

The CNBRLAC work would not be possible without the generosity of all fourteen of its municipal supporters. Their support assures that the program has the resources that it needs to continue. Special thanks goes to Monadnock Paper Mills (MPM) as it provides the committee with an in-person monthly meeting space which provides for a consistent venue with convenient accommodations.

The CNBLAC meets monthly on every third Monday at 7:00 PM. If you are interested in attending or participating, please see our website www.cnbrlac.org for more detailed in-person meeting and Zoom meeting information. All are welcome to attend the meetings. For further information, please contact Matt Lundsted, Chairman via telephone at 603.424.8444 ext. 305, email at mlundsted@ceiengineers.com or through your local representatives listed below.

STAFF REPORTS

TOWN MANAGER

The year 2023 will be forever remembered for the Jaffrey 250th Jubilee celebration. For five years, a group of dedicated citizens volunteered their services to the organizing committee, planning events and recruiting volunteers to make the year's celebration an historic event. From the Jubilee Ball in January to the June Salute to Veterans, the anniversary week events, the fireworks, the parade, the film in December, and everything in between. We were treated to a fantastic party and an absolutely memorable year. We owe a debt of gratitude to the Jaffrey 250th Jubilee Organizing Committee for their tireless efforts and to all those that volunteered to assist throughout the year. Thank you all!

Behind the scenes, Town staff worked to support the 250th Jubilee, particularly with planning for the concert, fireworks and the parade. They provided a tremendous amount of support, understanding the historical significance of the year, all while continuing their day-to-day operations and responsibilities. A lot was asked of them and I am grateful to be surrounded by such great people.

Here's what they did in 2023 when not celebrating the 250th:

- Cold Stone Springs project commenced construction
- Community Power adopted
- Sawtelle Road water main replacement and paving
- Stratton Road sewer main replacement
- Dedication of the Peter B. Davis Bridge on Old Sharon Road
- Heath Road Bridge repair completed
- Year three of the 10-year paving plan
- Route 202 dogleg project landscape design
- Purchased our third wing plow truck and a new highway snow blower
- WW Cross property tax deeded by the Town
- ReVision Energy solar project at the landfill
- Nutting Road Bridge replacement project completed
- Transfer Station reconfiguration project
- Letourneau Drive Bridge funding efforts with FEMA and NH DOT
- Aquarion offer to purchase water and wastewater assets

In March, Jack Belletete completed his fourth year as Selectman, being replaced by newly elected Selectman Charlie Turcotte. Frank Sterling, Kevin Chamberlain and Jack worked together for four years, providing a degree of consistency on a Select Board I had not seen in my career. Thank you, Jack, for your service and thank you, Charlie, for your willingness to serve.

TOWN MANAGER

Our work will continue in 2024 on the following projects:

- Transfer Station improvement and reconfiguration
- Solar at the landfill
- Route 202 project out to bid
- Letourneau Drive bridge replacement
- PFAS at Turnpike Well #1
- WW Cross Brownfields cleanup and redevelopment effort
- Cold Stone Springs construction
- Year four of the 10-year road paving plan
- Peterborough Street and Stratton Road sidewalk replacement project
- Year one of the 10-year sidewalk paving plan
- Wheeler Street neighborhood water main replacement
- Community Power launch

I hope you enjoy the annual report for our historic year. I want to close with thanking our staff and the Select Board for their support throughout the year. They work very hard to keep Jaffrey moving forward.

Respectfully submitted,

Jon R. Frederick
Town Manager

2023 Total Calls for Service.....	471	100.00%

The year 2023 had an increase of 11 calls for service over the calls for service in 2022 (460).

The Fire Department ended 2023 with a staff of Twenty (21). The Staff included the Fire Chief, Assistant Fire Chief, Two (2) Captains, Three (3) Lieutenants, Eleven (11) Call Firefighters and Three (3) Per Diem Firefighters. The following is a breakdown of the Staff's Certifications:

Sixteen (16) Certified II Firefighters

Six (6) Certified I Firefighters.

Two (2) of the Firefighters are Certified Emergency Medical Responders (EMR).

Eleven (11) of the Firefighters are Certified Emergency Medical Technicians (EMT)

Three (3) of the Firefighters are Certified Advanced Emergency Medical Technicians (A-EMT)

One (1) of the Firefighters is a Certified Paramedic (Medic)

FIRE DEPARTMENT

The fire department's trainings took place monthly and throughout the year. The trainings and certification classes that the firefighters attend prepare them to respond to and mitigate emergencies to the best of the department's ability. Firefighter Sam Mullen completed his Firefighter II Certifications and Firefighters Cody Hautanen and Michael Burke completed their Emergency Medical Responders (EMR) Certification.

In 2023 we completed our first full year of Daytime Per Diem Firefighter Shifts. Three Per Diem Firefighters and a few of our Call Firefighters worked Daytime Per Diem Shifts during the week to help with our daytime staffing. The Per Diem Shift Firefighter's number one responsibility is to respond to emergencies and then the firefighters work on completing equipment / truck checks, maintenance projects, station chores and other items assigned by the Fire Chief. We hope to hire more Per Diem Firefighters in 2024 so that we can try to fill all the available shifts during the week. We are and will continue to research future ways of solving our staffing issues and we will work with the Town Manager and Select Board to start to have open discussions with our surrounding communities as to how we may be able to help each other with future staffing. Anyone that is interested in becoming a Call Firefighter should contact the Fire Chief by email firechief@townofjaffrey.com, at the fire station 603-532-8377, or visit the fire departments website www.jaffreyfire.org for information on joining the fire department or better yet stop by the fire station for a visit and a tour.

We continue to maintain all the fire apparatus and equipment, so the apparatus and equipment are always in response ready status. The new 16 Engine 1 that was approved at the 2022 Town Meeting has been ordered and the delivery date has been changed to January of 2025. We will continue to apply for grants and seek out other funding sources to help with the cost of training classes and future purchases of equipment.

We are still moving forward for the future building expansion of the Fire Station. During 2023 we were able to have preliminary building plans drafted and the site design was engineered and presented to the Jaffrey ZBA and Planning Board for the needed approvals to move forward with the expansion. The Jaffrey ZBA granted the variances needed and the Planning Board approved the site plan for the expansion. The next steps will be to have structural engineering plans designed and work on researching the estimated cost and ways of funding the expansion. The expansion will allow for future space for the fire department operations and growth with a priority to have showering and locker room facilities for the firefighters to be able to shower after fires, other hazardous incidents and have dorm rooms for overnight staffing and a facility to accommodate the future needs of the fire department and fulltime staffing.

Our Annual Open House and All You Can Eat Buffet Breakfast and other JFFCI events had great attendance and support from the Community and local Businesses. The support of JFFCI through their fundraising and purchasing of equipment for the fire department is greatly appreciated. We encourage local groups and citizens to visit the fire station to see and learn what the Jaffrey Fire Department is all about.

When an emergency happens, every second counts. If you haven't already done so, please make sure that your home or business number is clearly visible so that we can find you in the case of an emergency, particularly if you have a shared driveway.

New and existing buildings shall have approved address numbers assigned by the Town of Jaffrey and NH 911. The approved address numbers shall be placed in a position to be plainly legible and visible

FIRE DEPARTMENT

from the street or road fronting the property. If your house is not visible from the road, it is important to post numbers on a sign or pole so they can be clearly visible from the road. Address numbers shall be a minimum of 4 in. (100 mm) high with a minimum stroke width of 1/2 in. (13 mm). Address numbers shall contrast with their background, address numbers shall be Arabic numerals or alphabet letter. Addresses shall not be changed unless approved by the Town of Jaffrey.

Posting your address number on your mailbox makes it easier for responders to find you but remember that numbers need to be posted on both sides of the mailbox. Emergency vehicles may not arrive from the same direction as delivery companies. In addition to posting numbers on your mailbox, the entry to your driveway must be marked if the mailbox sits across the road from your house. Numbers on a mailbox or post at the end of your driveway should be reflective or white and on a contrasting background to ensure they're easy to see at night.

Smoke alarms need to be replaced every 10 years and CO detectors need to be replaced every 7 years. Anyone that needs fire safety information, has questions and or needs assistance with installing Smoke and CO alarms and or help with other safety items is encouraged to contact the Fire Chief at the Fire Station.

The level of service provided by the fire department, the facilities, apparatus, equipment, tools, funding, and support provided are made possible by the dedicated firefighters, their families, the retired firefighters, the Jaffrey Firefighters Company Inc. (JFFCI), the FAST Squad, local businesses, citizens, taxpayers and all the fire departments in the area that helped us in a time of need.

Respectfully submitted.

LIBRARY DIRECTOR'S REPORT

The Jaffrey Public Library strives to be a welcoming center for lifelong learning and live up to the honor bestowed this year by Charity Lodge #18 with their Community Builders Award for “significant efforts in making our community a better place in which to live.” The library is additionally honored to be providing modern library services for all ages in the Clay Memorial Library Building, now on the National Register of Historic Places.

We provide individualized service six days a week, as well as expanded digital offerings available 24/7 to cardholders. In 2023, services returned to pre-Covid “normal” levels, with circulation and usage rivaling pre-pandemic numbers. Jaffrey’s population is growing and changing with 337 new library accounts this year, mostly for new residents to town. For statistical purposes and transparency, we have removed inactive accounts from our report totals, bringing our total number of active users to 3,364.

Our services include technology help, reference assistance, public computers and free Wi-Fi, as well as countless educational programs and opportunities for youth, teens, and adults. We serve local residents of Jaffrey and Sharon, all middle and high school students in the Jaffrey-Rindge district, and non-residents locally employed in Jaffrey, as well as local institutions.

The library is a vibrant community center for lifelong learning for visitors of all ages. In 2023, library staff answered 22,074 reference questions and provided 1,243 technology help sessions, ranging from simple computing and printing tasks to license renewals, healthcare appointments, and court document filings. We hosted 361 educational programs for all ages, with 9,073 attendees at these live events. An additional 8,703 people participated in self-directed learning stations like our Weekly Lab programs. All of these programs were funded with grants and donations.

The library provides a wide array of materials for checkout, including books, audiobooks, magazines, movies, learning tablets, microscopes, a telescope, sewing machines, STEAM kits, and Wi-Fi hotspots. Circulation, the number of materials checked out from the library, totaled 55,791 in 2023. The library’s collection is diverse, inclusive, and relevant, with physical holdings at 34,906, and shared downloadable digital holdings of 42,419 eBooks, 38,953 audiobooks, and 5,381 magazine copies (38,235 unique digital titles), available through the state consortium from *Libby/Overdrive*. We also offer 1,449 always-available digital titles for youth through our *TumbleBook Library*, with full access provided at no cost to all classes at Jaffrey Grade School. Access to all of these resources is free to all library cardholders, and many titles include added features to support varied learning styles.

In 2023, we added 1,121 new titles to our physical collection, of which 203 (valued over \$6,090) were funded by grant programs and donations, at no cost to taxpayers. 1,494 items were withdrawn from the physical collection as part of a comprehensive collection development and maintenance plan, according to professional standards. Many of these withdrawn items were donated to smaller libraries, local classrooms and preschools, and local organizations. This number also includes the deletion of titles from our system discovered missing during inventory.

LIBRARY DIRECTOR'S REPORT

We support researchers of all ages with vetted, up to date electronic resources. In December 2023, we transitioned from *Newsbank* to *U.S. Newsstream* to provide a wider range of news sources. *U.S. Newsstream* enables users to search current and extensive backfiles of U.S. news content and features top newspapers, wires, broadcast transcripts, blogs, and news sites in full-text format, such as content from *The Boston Globe*, *The New York Times*, *Chicago Tribune*, *Los Angeles Times*, *The Wall Street Journal*, *The Washington Post*, *CNN Newswires*, and the *Huffington Post*. *Britannica Library* from *Encyclope-*

dia Britannica remains our most used online resource, especially for youth and teens, followed by our *AtoZ World Food and Food America* databases, full of regional information and recipes from around the world. Residents of all ages took advantage of free language learning for over 70 languages, with an easy-to-use app from *Mango Languages*, and a special edition, *Little Pim*, for our youngest students. Spanish was the most popular language studied by our patrons in 2023. *Medline Plus* and *PubMed Central*, completely free resources from the National Library of Medicine, the world's largest medical library, are available 24/7 for wellness information that is trusted, easy to understand, and free of advertising, in both English and Spanish. We continue to provide free access to *Ancestry.com* for your genealogy pursuits, as well as multiple, reliable and current resources for answering your reference questions on multiple topics.

As our population grows and our society faces economic challenges, the role of the public library continues to evolve to provide a dynamic response. Our library is essential in providing not just reliable information, books, news, technology assistance and research support, but also community services like income tax help, job search assistance, legal research, and homework help. The library also serves as an accessible location for social services with programs that address food insecurity and as a local venue for outside organizations to offer fuel assistance, WIC, and even free legal services. In 2023, our Farm Fresh Checkout program in cooperation with our local farmers provided the community with 1,257 items of fresh produce (yes, we counted it!), at no cost, and our community Seed Library celebrated its seventh year of supporting local gardeners and our food literacy goals. We also celebrated our first year as the location for the TEAM Jaffrey Farmers' Market on the library lawn.

We are the safe space for our community's children and teens after school, providing learning activities, as well as homework resources and computer access. We are also an accessible space for adults to gather and learn about new technology and current events. Notably, in 2023, the library met a growing need to support adults working and studying remotely with a \$10,000 technology grant from New Hampshire Charitable Foundation to reconfigure the former Trustee meeting room into tech-capable workspaces. The former singular meeting space now hosts four "hush-panel" workstations with device charging, Wi-Fi, headsets and even a business meeting monitor, to meet our patrons' remote work and academic needs.

We expanded lifelong learning opportunities far beyond our budget, thanks to many grants and donations, valued over \$52,000, primarily to support programming and the rising costs for our collection. We were again honored to receive a \$20,000 STEAM Learning grant from MilliporeSigma, allowing

LIBRARY DIRECTOR'S REPORT

for the continuation of our science education, arts and technology programming. We were also awarded a grant from New Hampshire Humanities with the National Endowment for the Humanities for our Scholar-in-Residence program for adults, as well as continued program support from the Children's Literacy Foundation for our Summer Learning program. Our donors include individuals, memorial gifts, local organizations like the Jaffrey-Rindge Lions Club, Franklin Pierce University, and TEAM Jaffrey, and local business partners. Every dollar has an impact, and we very much appreciate so much community support. The Friends of the Library has also continued ongoing funding for our mobile hotspot lending program, our NH State Park Pass, local museum passes, and Ancestry.com, as well as popular crafting programs for adults.

The Trustees continued their commitment to use available trust funds to assist with library operating and building expenditures, including interior maintenance, facility cleaning, and landscaping services. Additionally, they paid in full for the roof replacement in the 1990 addition, over \$50,000 from trust funds, over and above their normal allowance, in order to prevent further damage to the building. This protected our structure and our interior collection before the epic rains of the summer.

With a historic structure that also acts as a busy community center, a cohesive plan was required to prevent changing priorities in preservation efforts and secure funding. To that end, through a matching grant with the NH Preservation Alliance, the library hired Preservation Consultants, Mae H. Williams and Brian Gallien to prepare a Historic Building Assessment, to serve as a preliminary planning document for decision-making, allowing for professional guidance for future preservation efforts. With good stewardship, our library building will continue to meet the lifelong learning needs of our community for many generations to come.

Thank you for learning with us in 2023. We look forward to serving you in 2024.

Julie Perrin, MSLIS

POLICE DEPARTMENT

“Do or do not. There is no try.” ~ Yoda

This was a busy year for the Jaffrey Police Department. In 2023 we handled 11,227 calls for service which was almost 1000 calls more than in 2022. Not to worry. Our violent and property crimes rates continue to be far below national averages and we are amongst the safest towns in New Hampshire. I believe this demonstrates that we aren't *trying* to keep Jaffrey a safe and welcoming community in which to live and work, we are *doing* it. Yoda would be proud.

Most of the additional calls for service we logged in 2023 were motor vehicle stops related to our initiative to enhance traffic safety and reduce the number of motor vehicle accidents. Although some have complained about our stricter enforcement of the traffic laws, it should be noted that of the approximate 4400 traffic stops made by our officers in 2023, 90% of those stops resulted in warnings only. Our goal is not to penalize drivers, it is to change poor driving habits and encourage voluntary compliance with the traffic laws.

Traffic enforcement obviously isn't all we do. We respond to emergency and non-emergency calls for service, we conduct proactive patrols, directed patrols, and business checks. In addition, we have continued our public outreach initiative and strengthened partnerships with our schools, businesses, and private organizations that assist and support our community members. As examples, we work closely with non-profit community support organizations such as Reality Check and Shelter from the Storm. We provide Active Shooter and Safety Training to our schools and businesses in town. We routinely help instruct Driver's Education classes for Jump Start, read to children as part of the Library Book Club, give tours of the Police Department to school groups and Scouts, sponsor "Coffee with a Cop" with our senior citizens, and partner with McDonald's and Station 16 to conduct safety fairs. We accomplished all of these things while at the same time developing and implementing safety plans for the Town of Jaffrey's yearlong 250th celebration. The parade and concert alone accounted for countless hours of planning and committee meetings. The celebrations were all safe and great successes. Thankfully, we have 50 years to plan for the next one. (Good luck to the Police and Fire Chiefs in 2073!)

A primary goal in 2022 (like previous years) was to obtain and maintain a full staffing model in order to maximize our efficiency and the services we can provide to our community. This has once again proven to be an elusive goal but there is light on the horizon. We finish 2023 with 10 of our 11 allocated police officer positions filled. Our newest Officers, Alex Jukoski and Stefanie Caban, successfully completed the Police Academy in November and they are presently completing field training. I am very optimistic that they will have a positive impact on our department and our community.

One of my favorite responsibilities as Chief of Police is to name our Officer of the Year. This officer ***“best represented our organization in 2023 and showed the highest levels of professionalism, dedication, and productivity.”*** The honor is bestowed on an officer after being nominated by fellow officers and a full administrative review by supervisors. This year the recipient is **Officer Scott Merrell**. Aside from his professionalism and dedication, he was

*Officer Scott Merrell
“2023 Officer of the Year”*

POLICE DEPARTMENT

at the forefront of our Traffic Safety Initiative. Of the 4,400 drivers contacted in 2023, over 2,000 of them met Officer Merrell in person. Of those 2,000 contacts, only 1 resulted in a complaint against him and that single complaint was later determined to be unfounded after a thorough internal investigation. Well done Officer Merrell and we thank you for helping keep our community safe.

2023 was not error free for the Jaffrey Police Department. In August, two days before the 250th Parade, two of our officers were involved in a serious motor vehicle accident with each other. One of our officers mistakenly pulled out in front of the other officer when turning around to stop a speeding vehicle resulting in the crash. Fortunately, our officers were not seriously injured but both cruisers sustained heavy damage. Yes, it was our fault. We had no excuses. It was my officer's mistake. Some people were surprised when we publicly took responsibility for the accident in a press release. They should not have been. Integrity is one of our core values and you have my promise that we will uphold our own values and accept responsibility for our mistakes. That is the only way we can establish the trust of our community members. Although costly, out of this bad situation, some good came.

While replacing our cruisers we designed a new, updated, cruiser graphic package. This new look has been overwhelmingly approved by commenting citizens and will be utilized on future cruisers.

The members of the Jaffrey Police Department will continue to proudly serve our community and we will set our standards high to provide excellent law enforcement services to our citizens and guests. If you have any comments, concerns, or ideas on how we can best do that, please give me a call or stop by the station. I welcome input and feedback. ***We work for you...***

PROSECUTOR'S OFFICE

In 2023, with nearly full staffing and an increase in proactive enforcement, there has been an increase in the amount of cases submitted for prosecution by the Jaffrey Police Department. However, despite the additional case load, the number of days that Judges are assigned remains limited. That along with a lack of continuity in court scheduling can be challenging for prosecutors and court staff alike.

We are still working to resolve some kinks in the juvenile system that resulted from previously enacted legislation but the process is improving with each case as we become more accustomed with protocols and procedures. Our partnership with the Hillsborough Youth Services office was interrupted by the departure of their director who relocated to North Carolina with her family but the city of Keene Youth Services Office has agreed to accept some of the diversion cases that Hillsborough formerly handled. NH Juvenile Justice Services often makes direct referrals for diversion as opposed to having us do them which is a time saver for us.

The Circuit Court has jurisdiction over all misdemeanor cases including drug and alcohol related offenses, DWI (drugs and/or alcohol,) simple assaults, domestic violence, trespass, criminal mischief, suspended driver's licenses, fugitive from justice cases (both felony and misdemeanor). It also presides over violation level offenses, traffic related offenses and town ordinance violations.

In cases where it is applicable we have had \$3,582.22 in restitution ordered to be paid to victims through the Court, Department of Corrections or through our office.

The statistical breakdown is as follows and includes cases that are open, pending, or closed out in 2023

<u>2019</u>	<u>2020</u>	<u>2021</u>	<u>2022</u>	<u>2023</u>
381	267	272	344	373

Of the 373 cases, 23 were juvenile, 20 were motor vehicle, and 320 were adult criminal cases. There were 58 summonses issued under the personal possession of marijuana statute and 29 Town Ordinance violations. In addition, there are 80 cases for which bench warrants have been issued and 33 cases in default that remain unresolved.

In 2023 improvements were made to the bridge on Nutting Road near Letourneau Drive through the New Hampshire Department of Transportation's State Aide Bridge Program. The improvements were designed by Quantum Construction Consultants and built by Daniels Construction. Construction engineering services were provided by Greenman-Pedersen Incorporated. These improvements allowed the bridge to be removed from the State's red list.

Through the bridge capital reserve fund, the Town funded improvements to the bridge on Heath Road. Quantum Construction Consultants designed new wing walls which were installed by Mountainshade, LLC. Town staff provided construction oversight.

PUBLIC WORKS: UTILITIES

2023 was a very busy year for the town utilities! Nearly all of the Town's fire hydrants were painted and the Cold Stone Well site has started construction. The Water Department is still working on our in-house rehabilitation of the Contoocook Well pumphouse where all new domestic plumbing was installed and concrete preparation has begun ahead of the new epoxy that will be done next year. Sawtelle Road received a brand new water main to replace the previous line that was over 100 years old. The design work for the Turnpike Well upgrade has begun and a pilot program began to address the manganese and PFAS treatment options. The Sewer Department began our yearly sewer lining program so problem areas can be addressed before roads are paved. Hadley Road Sewer Pump Station received new pumps and the sludge centrifuge received a major overhaul. To help replace our aging infrastructure, between the two departments, almost \$3 million in grant funding was offered and/or obtained in 2023.

On the water side of things, this year brought

- 6 water main repairs
- 2 service line leaks
- 8 fire hydrant repairs
- 26 exercised valves
- 1 curb stop repairs
- 61 turn-on requests
- 60 shut-off requests
- 90 meter change-outs
- 1 meter radio change-out
- 3 parts requests
- 40 final meter reads
- 137 Dig Safe locates
- 5 new service inspections.

The Town's Water Operators worked seven days a week performing daily checks and maintenance of the two water tanks, one booster station, and three well sites. Meters were read monthly, and 14 high water use checks were provided at no costs to residents who had noticed a spike in water use. Please call the DPW for a high use check if you have noticed a strange and unexpected jump in water use. The average American uses about 3,000 gallons of water, per person, per month. However, this varies and the average residential household in Jaffrey uses roughly 4,000 to 5,000 gallons a month. Nine times out of ten a leaky toilet flapper or fill valve is the culprit of a high-water bill. The Water Operators have also been sampling and testing the water according to our Monthly Sampling Schedule, provided by the State of New Hampshire. Testing is done to ensure that the water flowing out of your faucet is 100% safe to drink, cook, and bath in.

On the wastewater side of things, 230,578,000 gallons of wastewater were cleaned and returned back to the Contoocook River at an almost drinking water level of cleanliness. Six sewer manholes were repaired, 8,500 feet of sewer mains were cleaned, four blockages on homeowners' lines & two on the Towns' side were addressed, 1,343,885 gallons of septage was received in our newly built septage receiving station, and 138 dry tons of sludge were processed and shipped out. The contract Sewer Operators (Veolia) have been working seven days a week to ensure that all the wastewater in Town gets properly collected, remains contained within the system, and gets treated at our wastewater treatment plant to near drinking water level standards. The crew performed daily checks and main-

PUBLIC WORKS: UTILITIES

tenance at the wastewater treatment plant and the six sewer pump stations which are used to overcome the forces of gravity within the gravity fed sewer collection system. Maintaining 20 miles of sewer collection pipes, and keeping the wastewater treatment plant's biological and mechanical systems running smoothly is no easy task, but our skilled operators are always prepared to get the job done. Much like the drinking water systems in town, the wastewater systems are also tested for contaminants. The crews test the wastewater coming into the treatment plant, at key points within the plant, and at the end of the plant to ensure that safe, and clean water is being released back to the environment. After all, the water cycle that everyone learned about in grade school is constantly going on all around us. The Earth naturally circulates and cleans water. Here in Jaffrey, we perform this same process, but on a much faster timeline.

The Jaffrey Water and Sewer Departments worked around the clock to sample, monitor, repair, and keep the water flowing. We often take for granted the simple task of turning the tap and receiving fresh, clean, and safe drinking water. There is a lot of hard work behind the faucet in your home. The Operators in Town have missed holidays, had sleepless nights, and missed time with family over the years to ensure that the water gets delivered in a safe and reliable manner. Life on this planet began with, and continues to thrive, with water. Here at the Jaffrey DPW, we will do all we can to protect this natural resource for generations to come.

Please feel free to stop by the DPW, or give me a call if you have any questions or concerns related to the water and sewer systems in Town.

RECREATION DEPARTMENT

The staff at Jaffrey Parks and Recreation Department consistently worked diligently to provide quality programs. We offered events for 2023 such as our Father Daughter Dance, Easter Egg Hunt, Holiday Craft Fair, Annual Tree Lighting and we also joined Team Jaffrey for Downtown Trick or Treating. We are looking forward to adding more events in 2024.

Contoocook Beach was staffed with lifeguards this year from 11am-5pm, seven days a week. We had a beach attendant seven days a week from 11-5pm.

In 2023 the Recreation Department offered a variety of youth programs. It was great seeing our youth find their passions and receive enjoyment from the programs below.

Afterschool Karate
Camp Rec
February Vacation Trips
Youth Basketball
SkyHawks Football

Youth Archery
Fall Soccer

One of our favorite moments this year was the return of the Father Daughter Dance. The Father Daughter Dance was held at the Woodbound Inn on March 24th. Fathers and Daughters dressed up, danced and enjoying their special time together.

In 2023 we had a lot of fun together at Senior Coffee, Create & Connect, Zumba, Zumba Gold, and going on more trips. This year we visited:

Michael's Bridge Diner Lancaster, MA
O'Connor's Restaurant Worcester, MA
Martha's Restaurant Nashua, NH
Mohegan Sun Casino Uncasville, MA
Sun Shui Restaurant Bedford, NH
The New England Quilt Museum MA
La Santa Tacos & Tequila Tyngsboro, MA
Northampton Wools Northampton, MA

2023 was the celebration of the Town's 250th Anniversary. On August 9th the town celebrated by having a concert and fireworks at Humiston Park. Recycled Percussion rocked the stage. Following the performance was a firework show by Atlas Fireworks. There was over 1,300 in attendance. Special thank you to Jaffrey Fire Department, Jaffrey Police Department, Jaffrey DPW, Jaffrey 250th Committee, Volunteers, Christian Party Rental, Recycled Percussion and Atlas Fireworks.

August 10th was the 250th Parade. Jaffrey Recreation Department collected entries for the parade, organized the route with other Town Departments and put together the lineup. Jaffrey 250th Parade had 57 entries. The Jaffrey 250th parade had a variety of participants from walking bands, business & family floats, unique cars, horses, and those representing the history of previous parades and loved ones. Special thank you to Jaffrey DPW, Jaffrey Fire Department, Jaffrey Police Department, Jaffrey 250th Committee, Volunteers, and all who participated and attended. It was a special day for Jaffrey and it will go down in the history books.

Jaffrey Parks & Recreation Department had many facility projects happen this year. New decking was put on Humiston Bathroom ramp. Special Thank You to Gary Duquette, Franklin Pierce Football Team and Coach Gaskamp for helping cut and assemble the new decking. Softball net and poles were taken down due to rotting at Humiston Field. Contoocook Beach lifeguard room, restroom and changing room received a makeover with new paint and lighting. The Humiston Program Building floor was redone special thanks to Shawn Marsh from DPW.

The Jaffrey Parks and Recreation Department announced the Grand Opening of Phase 2 of Humiston Playground. Phase 2 opened on November 2nd. Phase 2 of the Humiston Playground Project consists of a set of four standard swings, one inclusive swing and a playground structure designed for the 2-5 year-old age group. Jaffrey Parks and Recreation Staff would like to express our sincere appreciation to the following individuals for their time and effort in making Phase 2 possible: the New Hampshire Charitable Foundation's Amato Family Fund for \$22,500,

the Jaffrey Recreation department also received funds from other groups and individual of a \$100 or more and would like to thank them for their contributions, Barbara Knowlton, Bellow Nichols Insurance, Charles & Susan Fletcher, Chip Bergeron, Conant High School Honor Society, Elizabeth Kenny, Gauthier Auto Services LLC, Jaffrey Chamber of Commerce, Jaffrey Ice Racing Association, Joseph Bremner, Kingsbury Companies LLC, Masiello Group, Monadnock Insurance, New Hampshire Ball Bear-

RECREATION DEPARTMENT

ings, Peggy Ueda, Peter and Virginia Russell, Renee Sangermano, The Shattuck Golf Club, and Sue Franklin. We also had over 125 individuals who donated between \$5-\$100 THANK YOU. This project wouldn't have been possible without the community support and commitment. THANK YOU ALL, AGAIN.

Special Thank You to Caren Lewis! Caren celebrated her 20 year with Jaffrey Parks &

Recreation Department on September 15th 2023. Caren is our Senior Program Coordinator and Recreation Administrative Assistant. Caren's connection to all of our participants is remarkable. Caren goes above and beyond with book keeping, coffee hour, create & connect, creating themed trips, event planning and spoiling all of us with her tasty homemade treats. Thank you, Caren for all of your contributions over the last 20 years. Jaffrey Parks & Recreation Department is lucky to have you!

The Recreation Staff always welcomes new ideas for programs, trips and activities for all age groups. Please feel free to contact us with your comments, thoughts and ideas.

Phone: 603-532-7863 Email: recreation@townofjaffrey.com. Stop in our office: 31 Howard Hill Road. Office hours are Monday-Friday 8am-1pm or by appointment. To learn more about our programs, you may find us at Jaffrey.recdesk.com or Friend us on Facebook or Instagram.

THANK YOU

We have a great team, however that doesn't just consist of Recreation Staff. We have help and partnerships from all over our town and community. Jaffrey Recreation Department Seasonal Staff, The Department of Public Works, Water Department, Fire Department, Police Department, Jaffrey Public Library, TEAM Jaffrey, Park Theatre, VFW, American Legion, Jaffrey-Rindge Rotary Club, Subway, Santa, Conant High School Honor Society, Conant High School Interact Club, Chorus from JGS, JRMS, Conant, SAU 47 Management, Realty Check, SAU 47 Facility and Custodial Staff, Coaches, Volunteers, and so many others.

The community involvement with our department needs to be recognized for their contributions and efforts. None of this would be possible without our partners and their support. Thank you all for supporting Jaffrey Parks and Recreation.

Respectfully submitted,

John Kohlmorgen, *Recreation Director CPRP*

Samantha Bontempo, *Program Coordinator*

Caren Lewis, *Administrative Assistant & Adult Program Coordinator*

WELFARE DEPARTMENT

I hope this finds you all healthy and happy and in anticipation for the New Year. This year has seen its challenges. A few of the biggest challenges have been, affordable housing, the cost of electricity and the rising cost of inflation. We are hoping this coming year to see more affordable housing for individuals and families and are hopeful for a year of improvement and opportunity.

The welfare budget showed a slight decrease this year from last year. Please see below for a breakdown on what was spent. A big Thank You to private companies and individuals, Santa’s House, our local food pantries and churches for their support and help throughout the year.

With warmest regards,
Carrie Trafficie

Incorporated: 1773

Origin: In 1749 this territory was chartered as Monadnock Number 2, sometimes called Middle Monadnock or Middletown. It was one of the first towns established under the New Hampshire proprietors' purchase of undivided lands under the Masonian claim. The grant was renewed in 1767, and the town incorporated in 1773 as Jaffrey, in honor of George Jaffrey, member of a prominent Portsmouth family. Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.

Villages and Place Names: Hadley, Jaffrey Center, Squantum

Population, Year of the First Census Taken: 1,235 residents in 1790

Population Trends: Population change for Jaffrey totaled 1,987 over 50 years, from 3,353 in 1970 to 5,340 in 2020. The largest decennial percent change was a 30 percent increase from 1970 to 1980. The town's population declined by two percent from 2010 to 2020. The 2022 Census estimate for Jaffrey was 5,476 residents, which ranked 67th among New Hampshire's incorporated cities and towns.

Population Density and Land Area, 2022 (US Census Bureau): 142.6 persons per square mile of land area. Jaffrey contains 38.4 square miles of land area and 1.8 square miles of inland water area.
