

Dedication

OWEN HOUGHTON

The Board of Selectman are dedicating this year's Town Report to

Owen Houghton in recognition of his many years of tireless efforts to make

Jaffrey a better place to live. His contributions to the Jaffrey Chamber of

Commerce, the Jaffrey-Rindge Rotary Club, the United Church of Jaffrey,

Monadnock at Home, CVTC and the Community Center of Jaffrey

have greatly enhanced the quality of life in Jaffrey.

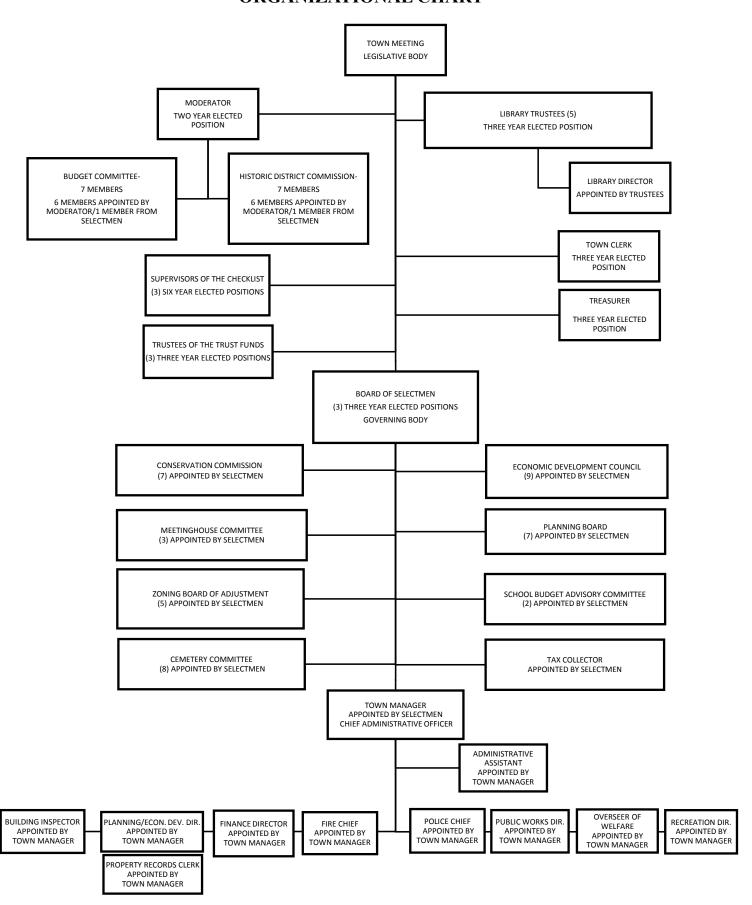

Thank you Owen, see you on the first tee!

RESULTS OF THE ANNUAL TOWN MEETING MARCH 16, 2019

STATE OF NEW HAMPSHIRE TOWN OF JAFFREY ANNUAL TOWN MEETING WARRANT 2019

Elections – March 12, 2019 (8:00 a.m. to 7:00 p.m.) Business Meeting – March 16, 2019 (9:00 a.m.)

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Veterans of Foreign War, Post 5613 in said Jaffrey on Tuesday, the 12th of March, 2019 at eight o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2-a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 16th, 2019, at the Ernest J. Pratt Auditorium in Jaffrey, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Selectman	one person for three-year term	Frank Sterling	587
Trustee of Trust Funds	one person for three-year term	William Raymond	48

		AnnMarie Furnival	546
Library Trustees	one person for two-year term	Emily Carr	639
Supervisor of the Chec	klist one person for six year-term	Victoria Arceci	616

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Land Use Code, as proposed by the Jaffrey Planning Board to be voted by Official Ballot: (The exact text of each of the proposed changes is available at the Town Clerk's and Planning Offices and on the Town website on the Planning and Economic Development page).

1. Are you in favor of Amendment #1 to the Land Use Code to amend Section II: Definitions, to add the definition of duplex and amend Section IV: District Regulations and Permitted Uses to include duplex where two family is allowed?

Yes 518 No 131

Moderator Marc Tieger called the meeting to order at 9:03am. The attendants were asked to stand as the Jaffrey-Rindge Girl Scouts of Green White Mountains presented the colors and Alyssia Maki, Samantha Greenough, Caitlyne Melodino, Natalie Pawlowicz, and Charlotte Hutchinson lead the assembly in the Pledge of Allegiance. Hannah Lambert from Conant High School sang the National Anthem.

1

Mr. Marc Tieger then asked everyone to remain standing as he spoke of our wonderful Town of which we are all so fortunate to call home. Marc spoke a few words and then asked the audience to join him in a few moments of silence of reflection remembering our friends and neighbors, who are no longer with us. Mr. Marc Tieger then asked for everyone to take their seats as he welcomed everyone for being here; he then introduced the head tables: The Board of Selectmen, Department Heads, Town Manager, Jon Frederick, Assistant Moderator, Phil Cournoyer, and the Budget Committee. Marc introduced the microphone runners from Conant High School, Jacob Drew, and Patrick Greenough. Mr. Tieger makes a few announcements then encouraged the assembly to partake in the food and beverages being sold in the lobby by the Fast Food squad for the Jaffrey Fire Department and the Girl Scouts. Mr. Marc Tieger then turns to the Chairman of the Selectman to announce the Proclamations.

Before Frank Sterling offers the Proclamations, he quickly recognizes the Recreation Director, Renee Sangermano for receiving an award from the Keene Sentinel for Trendsetters in the State of NH and Cheshire County.

Frank Sterling then offered the following Proclamations:

Whereas, Nan Bieter served the Town of Jaffrey with honor and distinction as a member of the Conservation Commission;

Now, therefore, be it resolved and proclaimed in the Town Meeting convened March 16th, 2019, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.

Whereas, Patricia Weiner served the Town of Jaffrey with honor and distinction as a member of the Conservation Commission;

Now, therefore, be it resolved and proclaimed in the Town Meeting convened March 16th, 2019, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.

Marc Tieger then quickly goes over some ground rules as far as voting, making sure that all voters and non-residents are in the correct seating area, anyone still needing to collect their ballots to do so and how to amend an article.

Art. 3. To see if the Town will vote to raise and appropriate the sum of up to \$2,840,000 (Two Million, Eight Hundred Forty Thousand Dollars) for the purpose of Replacement and Rehabilitation of Water Lines, and any other costs related thereto, and to authorize the issuance of not more than \$2,840,000 (Two Million, Eight Hundred Forty Thousand Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; further, without impairing the status of this bond as a general obligation of the Town, it is intention and expectation of the Selectmen that debt service on this bond will be shared between the Water User fees (2/3) and general taxation (1/3). *Recommended by the Select Board (3-0) and Budget Committee (7-0).* **2/3 Ballot Vote Required**

Frank Sterling moved the article and Jim Weimann seconded. Frank addressed the article. Randy Heglin, Director of Dept. of Public Works spoke to clarify what lines are being replaced

first and why. Peter Chamberlain, a Jaffrey resident asked it the Town has tried to get any grants for this. Frank Sterling stated that the Select Board is always on the lookout for grants, but they are planning on doing this project through the State's revolving fund which has a 20% net forgiveness after the 1st years payment has been made. After much discussion the article was moved to vote on as a secret ballot. Moderator Marc Tieger announced polls would be open for one hour. **Ballot vote passed by:** 101 YES and 16 NO

Art. 4. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

The article passed by voice vote.

Norm Langevin stepped in quickly to answer a question that was brought up earlier regarding the Petition articles and if they can be capped at a certain dollar amount. Norm stated that the Budget Committee has no control over the dollar value being requested nor can they change a petition article; the Budget Committee can only recommend or not recommend. The vote falls on the voters.

Moderator Marc Tieger then asked for his Assistant Moderator, Phil Cournoyer to step in to read article 37 for Marc wanted to speak on the article.

Art. 37. To see if the Town of Jaffrey will re-affirm the importance of its recognition of proudly honoring veterans, and all veterans, by observing Veterans Day at 11:00 am on the 11th day of the 11th month of the year. This day, originally named Armistice Day, was established to commemorate the ending of World War I, "The Great War", in 1918.

Marc Tieger moved the article and Caroline Hollister seconded. Marc addressed the article and with no discussion the article was moved to vote.

The article passed by voice vote.

Moderator Marc Tieger then thanked the microphone runners, thanked the audience for attending the meeting and reminded every one of the St. Patrick's Day parade happening, Sunday at 1:00pm. Meeting was adjourned at 12:58pm.

Respectfully submitted by:

- Art. 3. To see if the Town will vote to raise and appropriate the sum of up to \$12,600,000 (Twelve Million, Six Hundred Thousand Dollars) for the purpose of developing a new water source known as Cold Stone Springs, in collaboration with the Town of Peterborough, to include acquisition of land, the installation of water mains to connect the new source to the water system, and to construct any related treatment facilities for the new water source, and any other costs related thereto. With total costs of the project to be shared, \$7,100,000 (Seven Million, One Hundred Thousand Dollars) is to come from Peterborough, and \$5,500,000 (Five Million, Five Hundred Thousand Dollars) is to come from Jaffrey. And further, to authorize the issuance of not more than \$3,000,000 (Three Million Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds. And further, with the balance of \$2,500,000 (Two Million, Five Hundred Thousand Dollars) to come from grants, donations and water fund balance, an estimated amount of \$2,000,000 (Two Million Dollars) is

to come from grants and donations and the estimated remainder of \$500,000 (Five Hundred Thousand Dollars) is to come from the water fund balance. And further, to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project, and to comply with all laws applicable to this project. Should this article be approved but the grants, donations, water fund balance or Peterborough's share not be awarded or received, this article shall be considered null and void. And further, without impairing the status of this bond as a general obligation of the Town, it is the intention and expectation of the Selectmen that debt service on this bond will be supported 100% by Water User fees. Recommended by the Select Board (3-0) and Budget Committee (6-0). 2/3 Ballot Vote Required

Art. 4. To see if the Town will vote to raise and appropriate the sum of up to \$1,000,000 (One Million Dollars) for the purpose of constructing improvements to various Town roads and any other costs related thereto, and to authorize the issuance of not more than \$1,000,000 (One Million Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds. It is the intention and expectation of the Selectmen that debt service on this bond will be supported by general taxation. Recommended by the Select Board (3-0) and Budget Committee (6-0). 2/3 Ballot Vote Required

Art. 5. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

- **Art. 35.** To see if the town will vote to authorize and direct the Selectmen, within three months, to appoint a Jaffrey 250th Celebration Committee to draw plans and proposals for a 2023 250th Celebration and report the same to the 2021 Town Meeting; the size of the same to be at the discretion of the Selectmen. *Recommended by the Select Board (3-0)*.
- **Art. 36.** To see if the Town will vote to authorize the Board of Selectmen to appoint up to 5 alternate members to the Zoning Board of Adjustment and up to 5 alternate members to the Planning Board in accordance with RSA 673:6. *Recommended by the Select Board (3-0)*.
- **Art. 37.** To see if the Town will adopt the Community Revitalization Tax Relief Incentive outlined in Chapter 79-E of state law giving the Board of Selectmen authority to grant Community Revitalization Tax Relief and to designate the Jaffrey 79-E District, including East Jaffrey Historic District, part of General Business and General Business "A" as meeting the standards for an eligible district as set forth in RSA 79-E:2 (A map of the Jaffrey 79-E District is available on the Town's website and Town Clerk's Office). *Recommended by the Select Board* (3-0).
- Art. 38. To see if the town will urge that the New Hampshire General Court, which is obliged to redraw the maps of the political districts with the state following the 2020 census, will do so in a manner that ensures fair and effective representation of New Hampshire voters. That in order to fulfill this obligation the New Hampshire General Court shall appoint an independent redistricting commission that draws the new district maps in a way that does not rely on partisan data such as election results or party registration or favor particular political parties or candidates. The record of the vote approving this article shall be transmitted by written notice from the selectmen of the Town of Jaffrey's state legislators and to the Governor of New Hampshire informing them of the instructions from their constituents within 30 days of the vote. (Submitted by petition).
- **Art. 39.** In celebration of the 50th anniversary of Earth Day, we, the Citizens of Jaffrey, home of Mount Monadnock and historic center of manufacturing and technology, set forward this vision for our town: That we will protect our natural environment, prioritizing the health of its soil, water, and air, and, in doing so, insuring the well-being of the plan, animal and human communities. That we will assert and protect our inalienable democratic and environmental rights. That we will build upon our history of innovation by welcoming technologies and

manufacturing that will transform Jaffrey into a 100% renewable, zero-waste community, a model of economic health.

Earth Day was established on April 22, 1970 to awaken us to the ever-accumulating impact of civilization upon the natural world. Today Jaffrey commits to investment in changes made necessary by our long dependence upon improvident technologies.

Jaffrey's active fostering of a healthy and vibrant economy through the promotion of sound environmental practices and safer technologies will allow us to face our future with hope. (Submitted by petition).

Art. 40. We the Town of Jaffrey hereby call upon our State and Federal elected representatives to enact carbon-pricing legislation to protect New Hampshire from the costs and environmental risks of continued climate inaction. To protect households, we support a Carbon Fee and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program decreases long-term fossil-fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by the US economists (Jan 17, 2019 WSJ) as the most effective and fair way to deliver rapid reductions in harmful carbon emissions at the scale required for our safety. We expect our representatives to lead in this critical moment for the health and well-being of our citizens and for the protection of New Hampshire's natural resources upon which we all rely.

The record of the vote approving this article shall be transmitted by written notice to our town's State Legislators, to the Governor of New Hampshire, to our town's Congressional Delegation, and to the President of the United States, informing them of the instructions from their constituents, by our town's Select Board, within 30 days of this vote. (Submitted by petition).

Given under our hands, February 10, 2020.

We certify and attest that on or before February 24, 2020, we posted a true and attested copy of the within Warrant at the place of meeting, Ernest J. Pratt Auditorium, and like copies at the Conant High School Cafeteria, Town Office, and the Town Library, and delivered the original to the Town Clerk.

Pursuant to RSA 39:2-a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 14th, 2020, at the Ernest J. Pratt Auditorium in Jaffrey, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Selectman -	one person for three-year term
	one person for one-year term
Trustee of Trust Funds -	one person for three-year term
Library Trustees -	one person for three-year term
	one person for two-year term
	one person for one-year term
Town Clerk -	one person for three-year term
Treasurer -	one person for three-year term
Moderator -	one person for two-year term

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Land Use Code, as proposed by the Jaffrey Planning Board to be voted by Official Ballot: (The exact text of each of the proposed changes is available at the Town Clerk's and Planning Offices and on the Town website on the Planning and Economic Development page).

1. Are you in favor of Amendment #1 to the Land Use Code to amend Section I: Purpose, to clarify the permissivity of the ordinance?

LAYMAN'S LANGUAGE: The purpose of the proposed change is to state clearly that uses not specifically allowed in a district are not permitted.

YES NO

2. Are you in favor of Amendment #2 to the Land Use Code to remove all references to Village Plan Alternative?

LAYMAN'S LANGUAGE: The purpose of the proposed change is to remove the Village Plan Alternative as an Innovative Land Use, which requires all density of development to be restricted to 20% of a parcel.

YES NO

3. Are you in favor of Amendment #3 to the Land Use Code to amend Section II: Definitions, to include a definition for Formula Restaurant, Formula Retail, Frontage and Rooming House?

LAYMAN'S LANGUAGE: The purpose of the proposed change is to add these definitions where referenced elsewhere in the ordinance.

YES NO

4. Are you in favor of Amendment #4 to the Land Use Code to amend Section IV: District Regulations and Permitted Uses to move the narrative description of the Mountain Zone District to Section XII: Guide to the Zoning Districts?

LAYMAN'S LANGUAGE: The purpose of the proposed change is to move the narrative description of the Mountain Zone to its proper place with the descriptions of all the zoning districts. There are no changes in use or dimension proposed to the Mountain Zone.

YES NO

5. Are you in favor of Amendment # 5 to the Land Use Code to amend Section V: General Provisions that Apply to More than One District to clarify provision for Accessory Dwelling Units in residential districts and update reference language for elderly housing?

LAYMAN'S LANGUAGE: The purpose of the proposed change is to clarify that ADUs are allowed only in districts which allow single family dwellings and to change the reference from elderly to senior housing.

YES NO

6. Are you in favor of Amendment #6 to the Land Use Code to amend Section X: Guidelines for the Board of Adjustment, sections 10.2.6 and 10.3.7 with respect to clarifying the expiration of Special Exceptions and Variances?

LAYMAN'S LANGUAGE: The purpose of the proposed change is to update the code in conformance with state statute. RSA 674:33 had been previously amended to indicate that special exceptions and variances would expire within 2 years of final approval. The statute did not provide an exemption for those ZBA approvals granted prior to August 19, 2013 (date of amendment). This change provides a sunset window allowing expirations of special exceptions and variances to expire two years from the date of the Town Meeting Vote, that is March 10, 2022.

YES NO

7. Are you in favor of Amendment #7 to the Land Use Code to amend Section X: Guidelines for the Board of Adjustment, to add section 10.4, Appointment of Alternates?

LAYMAN'S LANGUAGE: The purpose of this amendment is to provide for the process of appointment and seating of alternates to the Zoning Board of Adjustment.

YES NO

8. Are you in favor of Amendment #8 to the Land Use Code to amend Section 12: Guide to the Zoning Districts to clarify district boundaries and uses in cases where a parcel is divided by a district boundary?

LAYMAN'S LANGUAGE: The purpose of this amendment is to clarify that where a parcel is divided by a district boundary, the uses and dimensions of each district are confined to the geographic area of the portion of the lot in the district. The current language states that where a parcel is divided by a district boundary, the entire parcel is controlled by the more restrictive requirements of the district, thus having the unintended consequence of the most restrictive uses affecting the majority of zoning districts

YES NO

Art. 3. To see if the Town will vote to raise and appropriate the sum of up to \$12,600,000 (Twelve Million, Six Hundred Thousand Dollars) for the purpose of developing a new water source known as Cold Stone Springs, in collaboration with the Town of Peterborough, to include acquisition of land, the installation of water mains to connect the new source to the water system,

and to construct any related treatment facilities for the new water source, and any other costs related thereto. With total costs of the project to be shared, \$7,100,000 (Seven Million, One Hundred Thousand Dollars) is to come from Peterborough, and \$5,500,000 (Five Million, Five Hundred Thousand Dollars) is to come from Jaffrey. And further, to authorize the issuance of not more than \$3,000,000 (Three Million Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds. And further, with the balance of \$2,500,000 (Two Million, Five Hundred Thousand Dollars) to come from grants, donations and water fund balance, an estimated amount of \$2,000,000 (Two Million Dollars) is to come from grants and donations and the estimated remainder of \$500,000 (Five Hundred Thousand Dollars) is to come from the water fund balance. And further, to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project, and to comply with all laws applicable to this project. Should this article be approved but the grants, donations, water fund balance or Peterborough's share not be awarded or received, this article shall be considered null and void. And further, without impairing the status of this bond as a general obligation of the Town, it is the intention and expectation of the Selectmen that debt service on this bond will be supported 100% by Water User fees. Recommended by the Select Board (3-0) and Budget Committee (6-0). 2/3 Ballot Vote Required

LAYMAN'S LANGUAGE: The Town of Jaffrey has been working with the Town of Peterborough since 2018 on a collaborative project to acquire and develop an alternative water source at Cold Stone Springs in Jaffrey and Sharon. Property acquisition costs are \$2.5 million and development costs of the source, construction of the treatment plant and transmission mains are \$10.1 million, for a total project cost of \$12.6 million. The towns have a memorandum of understanding for the project dictating shared ownership of the site, split costs for development of the site to the treatment plant, and individual costs for transmission lines from the treatment plant to the respective town's connections. Operational and maintenance costs from the wells to the treatment plant will be apportioned by metered water usage. A formal agreement will be executed if this article is approved. Jaffrey's portion of the total project cost is \$5.5 million, and Peterborough's is \$7.1 million. The towns have applied jointly for funding through the NH DES State Revolving Fund, Drinking Water Groundwater Trust Fund, and USDA-RD. Jaffrey is eligible for and will apply for Northern Border Regional Commission funds. It is the expectation of the Select Board to fund this project with a minimum of \$2.5 million in grants and donations, and to use funds from Water's undesignated fund balance to reduce the debt funding needed for the project. (The estimates of \$2.0 million from grants and donations and \$500,000 from fund balance are strictly estimates for Department of Revenue purposes.) No more than \$3.0 million may be indebted for the project. A \$3 million, 20-year bond at 3% would have a first payment of \$240,000, decreasing annually to \$155,000 in the final year. If the necessary \$2.5 million in grants, donations and fund balance are not received or available, the project will not move forward. If more than \$2.5 million in grants are received, then the debt would be less than \$3 million. Town funding for this project will be provided 100% from water user fees and will have no impact on property taxes. A 2/3 ballot vote is required.

Art. 4. To see if the Town will vote to raise and appropriate the sum of up to \$1,000,000 (One Million Dollars) for the purpose of constructing improvements to various Town roads and any other costs related thereto, and to authorize the issuance of not more than \$1,000,000 (One Million Dollars) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et.seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds. It is the intention and expectation of the Selectmen that debt service on this bond will be supported by general taxation. Recommended by the Select Board (3-0) and Budget Committee (6-0). 2/3 Ballot Vote Required

LAYMAN'S LANGUAGE: An assessment of the paved road conditions was conducted in the spring of 2019. We currently have a pavement maintenance backlog of \$6.03 million and an average pavement condition rating of fair. It would require \$946,000 annually for five years to bring our paved roads system to a good pavement condition overall. We also face deficient gravel roads in need of rehabilitation. Last year's funding for roads was \$500,000 total - \$470,000 paved and \$30,000 gravel. If we were to add the required funding for pavement alone to the budget, there would be an increase of nearly \$440,000, or \$1.07 on the tax rate. Taking a \$1 million loan would allow the town to make progress addressing the pavement and gravel road condition while keeping the budget in a position that does not significantly impact the tax rate. A 2/3 ballot vote is required.

Art. 5. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN'S LANGUAGE: The purpose of this article is to accept all reports as printed in the Town Report.

Art. 6. To see if the Town will vote to approve the cost items in the collective bargaining agreement reached between the Select Board and AFSCME Local 3657, Police Department employees, which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
2020	\$ 30,616
2021	\$ 5,739

And further to raise and appropriate the total sum of \$30,616 (Thirty Thousand, Six Hundred and Sixteen Dollars) for the current fiscal year, such total sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article approves an eighteen (18) month agreement with the Police union and the payment of the cost items therein (2% salary increase, plus health insurance stipends).

Art. 7. Shall the Town, if Article 6 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 6 cost items only? *Recommended by the Select Board* (3-0).

LAYMAN'S LANGUAGE: This article is a requirement to allow the Town to delegate the authority to the Selectmen to call one Special Town Meeting to reconsider Article 6 should it fail. If Article 6 passes, this article is passed over.

Art. 8. To see if the Town will vote to raise and appropriate the following sums for the operation of the water and sewer systems, to be funded entirely through user fees and other non-property tax resources:

Water Department	\$ 1,043,428
Sewer Department	\$ 2,248,129
	\$ 3,291,557

Recommended by the Select Board (3-0) and Budget Committee (6-0).

LAYMAN'S LANGUAGE: This article provides the funds necessary to operate the Town's Water and Sewer Departments on an annual basis.

Art. 9. To see if the Town will vote to raise and appropriate the sum of \$6,591,884 (Six Million, Five Hundred Ninety-One Thousand, Eight Hundred Eighty-Four Dollars) for general municipal operations. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 10. To see if the Town, if Article 4 is defeated, will vote to raise and appropriate the sum of \$600,000 (Six Hundred Thousand Dollars) for the purpose of constructing improvements to

various town roads, including paving and gravel road rehabilitation. (If Article 4 passes, this article is null and void.) *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: If the road bond in Article 4 is defeated, this article provides the funds necessary to conduct paving operations and gravel road rehabilitation necessary to keep the roads system from slipping further behind due to lack of funding. If Article 4 passes, this article is passed over.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$160,000 (One Hundred Sixty Thousand Dollars) to be deposited into the Highway Equipment Capital Reserve Fund established in 1997 for the purpose of purchasing new, or the refurbishment of existing highway equipment. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*.

LAYMAN'S LANGUAGE: This article will place \$160,000 into the Highway Department Capital Reserve Fund for future equipment replacement. The current balance of the account as of 12/31/2019 was \$293,875. Approval of this article would bring the reserve fund balance to \$453,875.

Art. 12. To see if the Town will vote to raise and appropriate the sum of up to \$225,000 (Two Hundred Twenty-Five Thousand Dollars) to purchase a new Highway 10-wheel dump truck, plow and sander, and authorize the withdrawal of up to \$225,000 (Two Hundred Twenty-Five Thousand Dollars) from the Highway Equipment Capital Reserve Fund created for that purpose. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article will fund the replacement of the 2006 Freightliner 10-wheel dump truck, acquired in July 2005, that is slated for replacement in the Capital Improvement Plan. Cost of repairs to date is \$46,128 and current mileage is 82,217 (as of 2/6/2020). All funds come from the Capital Reserve Fund and have no direct impact on the tax rate. Approval of this article would bring the reserve fund balance to \$228,875.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$50,000 (Fifty Thousand Dollars) to be deposited into the Town Office Capital Reserve Fund established in 2017 for the purpose of acquiring land, completing design and engineering and constructing a Town Office building. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*.

LAYMAN'S LANGUAGE: This article will place \$50,000 into the Town Office Capital Reserve Fund for future construction of a Town Office. The balance of the account as of 12/31/2019 was \$153,165.

Art. 14. To see if the Town will raise and appropriate \$60,000 (Sixty Thousand Dollars) to be

deposited into the Fire Department Capital Reserve Fund established in 1996 for the purpose of purchasing new or refurbishing existing firefighting and/or rescue equipment. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article will place \$60,000 into the Fire Department Capital Reserve Fund for future equipment replacement. The balance of the account as of 12/31/2019 was \$329,321.

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$40,000 (Forty Thousand Dollars) to be deposited into the TIF District Capital Reserve Fund established in 2017 for the purpose of funding infrastructure enhancements to the Downtown area. Funds are to come from the Downtown Tax Increment Finance District. *Recommended by the Select Board* (3-0) and Budget Committee (6-0).

LAYMAN'S LANGUAGE: This article will place \$40,000 into the TIF District Capital Reserve Fund to fund future infrastructure enhancements in the Downtown area. All funds will come from the TIF District and have no impact on the tax rate. The balance of the account as of 12/31/2019 was \$122,610.

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$5,000 (Five Thousand Dollars) to be deposited into the Land Acquisition Capital Reserve Fund established in 2008 under the provisions of RSA 35:1. Recommended by the Select Board (3-0) and Budget Committee (6-0).

LAYMAN'S LANGUAGE: This article will place \$5,000 into the Land Acquisition Capital Reserve for future purchase of land or conservation easements. The balance of the account as of 12/31/2019 was \$51,669.

Art. 17. To see if the Town will vote to raise and appropriate the sum of \$3,000 (Three Thousand Dollars) to be deposited into the Cemetery Trees Trust Fund established in 2007. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: The Cemetery Trees Trust Fund was established in 2007 to set aside funds for the care and removal of trees in the Town's cemeteries. A separate private fund has been established for the same purpose. Older trees are of concern as falling branches can cause expensive and sometimes irreparable damage to historic gravestones. As of 12/31/19, the balance of the Town fund was \$1,228. The private and public funds are accounted for separately by the Trustees of the Trust Funds.

Art. 18. To see if the Town will vote to raise and appropriate the sum of \$1,000 (One Thousand Dollars) to be deposited into the Gravestone Restoration Trust Fund established in 2000.

Recommended by the Select Board (3-0) and Budget Committee (6-0).

LAYMAN'S LANGUAGE: The Gravestone Restoration Fund, created in 2000, is used to repair and maintain stones that have been damaged or vandalized, specifically in those cases where a family member can't be found to assume the responsibility. As of 12/31/19, the Fund balance was \$7,557.

Art. 19. To see if the Town will vote to raise and appropriate the sum of \$3,000 (Three Thousand Dollars) to be deposited into the Meetinghouse Trust Fund established in 1991. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: The Meetinghouse Fund was created in 1991 to support major capital costs associated with Jaffrey's most historic building, the town-owned 1775 Meetinghouse. The balance of the Meetinghouse Trust Fund as of 12/31/2019 was \$11,635.

Art. 20. To see if the Town will vote to raise and appropriate the sum of \$200,000 dollars (Two Hundred Thousand Dollars) to be deposited into the Municipal Building Maintenance Capital Reserve Fund established in 2010 pursuant to RSA 35:1. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article will place \$200,000 into the Municipal Building Maintenance Capital Reserve Fund for major maintenance of municipal buildings. The balance of the account as of 12/31/2019 was \$218,439. \$1,000 was placed in the fund in 2017 and 2018 and \$200,000 in 2019. Expenditures in 2019 included Town Office HVAC replacement, paving of the Library parking lot, installation of a toilet at the Transfer Station and funding for the Fire Station dehumidification system. 2020 projects include completion of the dehumidification system at the Fire Station, installation of a fire alarm and security system at the Library, chimney work and brick repointing at the Library, replacement of the retaining wall at Humiston Field and upgrades to the Town Office and Police Station. Due to the Capital Improvements Plan change to remove the Town Office/Police Station, the plan requires \$280,000 annual funding to address the projects in the plan.

Art. 21. To see if the Town will vote to raise and appropriate the sum of \$120,000 (One Hundred Twenty Thousand Dollars) to be deposited into the Bridge Rehabilitation Capital Reserve Fund established in 2017 to design, engineer and rehabilitate bridges throughout Jaffrey. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article will place \$120,000 into the Bridge Rehabilitation Capital Reserve Fund to fund future improvements to deteriorating bridges. The balance of the account as of 12/31/2019 was \$176,993. The Capital

Improvements Plan identified \$120,000 as sustainable funding for future bridge maintenance. The Town's red list bridge on Nutting Road is currently under design and is approved under the NHDOT Municipal Bridge Replacement Program and would be eligible for 80% reimbursement funding.

Art. 22. To see if the Town will vote to raise and appropriate the sum of \$50,000 (Fifty Thousand Dollars) to be deposited into the Police Cruiser Replacement Capital Reserve Fund established in 2019 pursuant to RSA 35:1. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article will place \$50,000 into the Police Cruiser Replacement Capital Reserve Fund. \$50,000 on an annual basis would permit the replacement of police cruisers two out of every three years. The typical life span of a police cruiser is five years due to their intensive use and extensive idling hours. The 2012 Ford Taurus has 291,037 miles and is slated for replacement in 2020. The balance of the account as of 12/31/2019 was \$2,288.

Art. 23. Shall the Town of Jaffrey adopt the provisions of RSA 40:13 (SB-2), to allow official ballot voting on all issues before the Town on the second Tuesday of March? (Submitted by petition). **3/5 Ballot Vote Required**

Art. 24. To see if the Town will raise and appropriate the sum of Seventeen Thousand Dollars (\$17,000) for the support of Home Healthcare, Hospice and Community Services, a non-profit agency, for visiting nurse, hospice services, and meals on wheels being provided to the residents of Jaffrey. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (6-0)*.

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2019 appropriation - \$17,000. The total cost of all service provided to Jaffrey residents in 2019 was \$1,013,471.

Art. 25. To see if the Town will vote to raise and appropriate the sum of \$8,000 for the support of the Monadnock Community Early Learning Center, a non-profit agency, or take any other action relating thereto. (Submitted by petition). Recommended by the Select Board (3-0) and Budget Committee (6-0).

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2019 appropriation - \$8,000. Provided

service to 25 Jaffrey children, 96 children overall, many of whose families are employed at Jaffrey businesses.

Art. 26. To request the Town of Jaffrey to raise and appropriate the sum of \$9,750 to support The Community Kitchen, Inc. located in Keene, NH for services provided to Jaffrey residents. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2018 appropriation - \$9,500. 64 Jaffrey residents received 16,533 meals at a cost of \$25,130 in 2019.

Art. 27. To see if the Town will raise and appropriate the sum of \$6,821 for the support of Monadnock Family Services, a non-profit agency providing services to the Town, or take any other action relating thereto. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2019 appropriation - \$6,821. Request is based on \$1.25 per Jaffrey resident. Served 85 Jaffrey clients in 2018, including 13 individuals multiple times at adult day care.

Art. 28. To see if the town will vote to raise and appropriate the sum of \$5,196 for support of Southwestern Community Services, a non-profit agency for housing, energy, educational, nutritional, as well as other human and social services. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (6-0)*.

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2019 appropriation - \$4,989. Jaffrey services in 2019 included 144 household energy services and 13 children in Head Start.

Art. 29. To see if the Town will raise and appropriate the sum of \$4,000 for support of the Jaffrey Civic Center, a non-profit agency, or take any action relating thereto. (Submitted by petition). Recommended by the Select Board (3-0) and Budget Committee (6-0).

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2019 appropriation - \$4,000. Provided meeting space to 40 organizations in 2019.

Art. 30. To see if the Town of Jaffrey will vote to raise and appropriate the sum of Two Thousand dollars (\$2,000) for the purpose of funding the Community Volunteer Transportation Company programs and services for the people of greater Contoocook Valley area. This amount represents the Town of Jaffrey's portion of the funds needed to support Community Volunteer Transportation Company, a nonprofit service organization; or take any other action relating thereto. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (6-0)*.

LAYMAN'S LANGUAGE: This is a petition article that the Town received for a program which provides a benefit to Jaffrey and the region. 2019 appropriation - \$2,000. Received 942 ride requests from 45 Jaffrey residents. 12 volunteer drivers live in Jaffrey.

Art. 31. To see if the Town of Jaffrey will raise and appropriate the sum of \$1,500 for support of The River Center, a nonprofit agency for Early home support, Parent and Child programming, Information and Referrals, as well as the Money Matters program, which includes our free tax program for low and moderate income households and money coaching. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (6-0)*.

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2019 appropriation - \$1,500. Five Jaffrey families were served 113 times in 2019.

Art. 32. To request the Town of Jaffrey to raise and appropriate the sum of \$5,000 to support Hundred Nights, Inc. located in Keene, New Hampshire for shelter and resource center services provided to Jaffrey residents. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town received for the first time in 2018 and provides a benefit to Jaffrey and the region. 2019 appropriation - \$2,500. Six Jaffrey residents utilized 104 nights at the shelter and 9 residents used the resource center in 2019.

Art. 33. To see if the town will vote to raise and appropriate the sum of \$10,914, a level funding request, to help support Reality Check, a non-profit agency providing drug and alcohol prevention activities to schools, and addiction treatment, recovery, and educational services to residents. (Submitted by petition). *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town received for the first time in 2018 and provides a benefit to Jaffrey and the region. 2019 appropriation - \$10,914. Request is based on \$2 per Jaffrey resident.

Art. 34. To see if the Town will vote to establish a reserve fund under RSA 35 for the purpose of funding the Jaffrey 250th Celebration, to raise and appropriate the sum of \$7,500 (Seven Thousand Five Hundred Dollars) to be deposited into this fund (to be known as the Jaffrey 250th Celebration Reserve Fund), and to designate the Select Board as agent to expend. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*.

LAYMAN'S LANGUAGE: The Jaffrey 250th Celebration will take place in 2023 and funding is required to hold events and plan for this special occasion. The last celebration of this magnitude was in 1973.

Art. 35. To see if the town will vote to authorize and direct the Selectmen, within three months, to appoint a Jaffrey 250th Celebration Committee to draw plans and proposals for a 2023 250th Celebration and report the same to the 2021 Town Meeting; the size of the same to be at the discretion of the Selectmen. *Recommended by the Select Board (3-0)*.

LAYMAN'S LANGUAGE: This article permits the Jaffrey Select Board to appoint members to a planning committee for the Jaffrey 250th Celebration to be held in 2023.

Art. 36. To see if the Town will vote to authorize the Board of Selectmen to appoint up to 5 alternate members to the Zoning Board of Adjustment and up to 5 alternate members to the Planning Board in accordance with RSA 673:6. *Recommended by the Select Board (3-0)*.

LAYMAN'S LANGUAGE: This article would grant the Select Board the statutory authority to appoint the maximum number of alternates permissible to the Planning Board and the Zoning Board of Adjustment.

Art. 37. To see if the Town will adopt the Community Revitalization Tax Relief Incentive outlined in Chapter 79-E of state law giving the Board of Selectmen authority to grant Community Revitalization Tax Relief and to designate the Jaffrey 79-E District, including East Jaffrey Historic District, part of General Business and General Business "A" as meeting the standards for an eligible district as set forth in RSA 79-E:2 (A map of the Jaffrey 79-E District is available on the Town's website and Town Clerk's Office). *Recommended by the Select Board* (3-0).

LAYMAN'S LANGUAGE: The purpose of this article is to encourage redevelopment of properties within the Jaffrey 79-E District, including East Jaffrey Historic District, part of General Business and General Business "A", through temporary tax relief from the increase in assessment due to a significant renovation to the property. A determination of public benefit and adherence to the historic architectural qualities of the property will be made by the Selectmen through a public hearing process prior to making a qualifying determination. The East Jaffrey Historic District (Downtown) was listed in 1999.

Art. 38. To see if the town will urge that the New Hampshire General Court, which is obliged to redraw the maps of the political districts with the state following the 2020 census, will do so in a manner that ensures fair and effective representation of New Hampshire voters. That in order to fulfill this obligation the New Hampshire General Court shall appoint an independent redistricting commission that draws the new district maps in a way that does not rely on partisan data such as election results or party registration or favor particular political parties or candidates. The record of the vote approving this article shall be transmitted by written notice from the selectmen of the town of Jaffrey's state legislators and to the Governor of New Hampshire informing them of the instructions from their constituents within 30 days of the vote. (Submitted by petition).

Art. 39. In celebration of the 50th anniversary of Earth Day, we, the Citizens of Jaffrey, home of Mount Monadnock and historic center of manufacturing and technology, set forward this vision for our town: That we will protect our natural environment, prioritizing the health of its soil, water, and air, and, in doing so, insuring the well-being of the plan, animal and human communities. That we will assert and protect our inalienable democratic and environmental rights. That we will build upon our history of innovation by welcoming technologies and manufacturing that will transform Jaffrey into a 100% renewable, zero-waste community, a model of economic health

Earth Day was established on April 22, 1970 to awaken us to the ever-accumulating impact of civilization upon the natural world. Today Jaffrey commits to investment in changes made necessary by our long dependence upon improvident technologies.

Jaffrey's active fostering of a healthy and vibrant economy through the promotion of sound environmental practices and safer technologies will allow us to face our future with hope. (Submitted by petition).

Art. 40. We the Town of Jaffrey hereby call upon our State and Federal elected representatives to enact carbon-pricing legislation to protect New Hampshire from the costs and environmental risks of continued climate inaction. To protect households, we support a Carbon Fee and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program

decreases long-term fossil-fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by the US economists (Jan 17, 2019 WSJ) as the most effective and fair way to deliver rapid reductions in harmful carbon emissions at the scale required for our safety. We expect our representatives to lead in this critical moment for the health and well-being of our citizens and for the protection of New Hampshire's natural resources upon which we all rely. The record of the vote approving this article shall be transmitted by written notice to our town's State Legislators, to the Governor of New Hampshire, to our town's Congressional Delegation, and to the President of the United States, informing them of the instructions from their constituents, by our town's Select Board, within 30 days of this vote. (Submitted by petition).

Given under our hands, February 10, 2020.

We certify and attest that on or before February 24, 2020, we posted a true and attested copy of the within Warrant at the place of meeting, Ernest J. Pratt Auditorium, and like copies at the Conant High School Cafeteria, Town Office, and the Town Library, and delivered the original to the Town Clerk.

LAYMAN'S LANGUAGE: The original Warrant will be posted at the aforementioned locations. The Layman's Warrant contained herein will be posted in the Town's Annual Report.

INDEFINITE DELEGATION OF AUTHORITY

INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as "boilerplate articles." During the 1999 annual meeting, Jaffrey's citizens voted (Articles 32-38) to "authorize indefinitely, until specific recision of such authority" the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire *Revised Statutes Annotated (RSA)* 31:95-b, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH RSA 202-A:4-c, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH RSA 33:7, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVISES

Shall the Town accept the provisions of NH RSA 31:19, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH RSA 31:95-e, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH RSA 202-A:4-d, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH RSA 80:80, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific recision of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

INDEPENDENT AUDITORS' REPORT

Additional Offices: Andover, MA Greenfield, MA Manchester, NH Ellsworth, ME

To the Board of Selectmen Town of Jaffrey, New Hampshire

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2018, and for the year then ended, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2018, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the general and sewer funds for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis and the Pension and OPEB schedules appearing on pages 52 - 55 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Town of Jaffrey, New Hampshire (the Town), we offer readers this narrative overview and analysis of the financial activities of the Town for the year ended December 31, 2018.

A. OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the basic financial statements. The basic financial statements comprise three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

<u>Government-wide financial statements</u>. The government-wide financial statements are designed to provide readers with a broad overview of our finances in a manner similar to a private-sector business.

The Statement of Net Position presents information on all assets, liabilities, and deferred outflows/inflows of resources with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position is improving or deteriorating.

The Statement of Activities presents information showing how the Town's net position changed during the most recent year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities include general government, public safety, highways and streets, sanitation, health and welfare, culture and recreation, conservation, and economic development. The business-type activities include water activities.

<u>Fund financial statements</u>. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements. All of the funds can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

An annual appropriated budget is adopted for the general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

<u>Proprietary funds</u>. Proprietary fund reporting focuses on the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. The proprietary fund category includes enterprise funds.

Enterprise funds are used to report activity for which a fee is charged to external users, and must be used when one of the following criteria are met: (1) activity is financed with debt that is secured solely by a pledge of the net revenues from fees and charges, (2) laws or regulations require the activity's costs of providing services be recovered with fees and charges, and (3) the pricing policies of the activity establish fees and charges designed to recover its costs, including capital costs such as depreciation or debt service. The primary focus on these criteria is on fees charged to external users. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements, only in more detail. Specifically, enterprise funds are used to account for the water operations, which is considered to be a major fund.

<u>Fiduciary funds</u>. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

<u>Notes to financial statements</u>. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

<u>Other information</u>. In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information which is required to be disclosed by accounting principles generally accepted in the United States of America.

B. FINANCIAL HIGHLIGHTS

- As of the close of the current year, the total of assets and deferred outflows exceeded liabilities and deferred inflows by \$22,402,536 (i.e., net position), a change of \$196,815 in comparison to the prior year.
- As of the close of the current year, governmental funds reported combined ending fund balances of \$5,879,677, a change of \$(1,125,170) in comparison to the prior year.
- At the end of the current year, unassigned fund balance for the general fund was \$1,513,913, a change of \$(624,213) in comparison to the prior year.

C. GOVERNMENT-WIDE FINANCIAL ANALYSIS

The following is a summary of condensed government-wide financial data for the current and prior years (in thousands).

Total net position	\$ 14,086	\$ 15,471	\$ <u>8,316</u> \$	7,615 \$	22,402	\$ 23,086

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At the close of the most recent fiscal year, total net position was \$22,402,536, a change of \$196,815 from the prior year.

The largest portion of net position \$19,307,093 reflects our investment in capital assets (e.g., land, buildings, machinery, equipment, and infrastructure), less any related debt used to acquire those assets that is still outstanding. These capital assets

are used to provide services to citizens; consequently, these assets are not available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of net position \$3,232,633 represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position is a deficit balance of \$(137,190). This deficit is primarily due to the Town's portion of the New Hampshire Retirement System's net pension and other post-employment benefits liabilities.

<u>Governmental activities</u>. Governmental activities for the year resulted in a change in net position of \$(599,671). Key elements of this change are as follows:

General fund operations, as discussed further	
in Section D	\$ (374,497)
Major sewer fund accrual basis	103,747
Major capital project fund accrual basis	24,424
Nonmajor funds accrual basis	(109, 329)

Total	\$ (599,671)

<u>Business-type activities</u>. Business-type activities for the year resulted in a change in net position of \$796,486 for water operations.

D. FINANCIAL ANALYSIS OF FUNDS

As noted earlier, fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements.

<u>Governmental funds</u>. The focus of governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the year.

As of the end of the current year, governmental funds reported combined ending fund balances of \$5,879,677, a change of \$(1,125,170) in comparison to the prior year. Key elements of this change are as follows:

General fund operating results	\$	(374,497)
Major sewer fund operating results		(121,950)
Major capital project fund operating results		(350,890)
Nonmajor fund operating results	_	(277,833)
Total	\$_	(1,125,170)

The general fund is the chief operating fund. At the end of the current year, unassigned fund balance of the general fund was \$1,513,913, while total fund balance was

\$3,006,204. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Refer to the table below.

				% of
				Total General
General Fund	12/31/18	12/31/17	Change	Fund Expenditures
Unassigned fund balance	\$ 1,513,913	\$ 2,138,126	\$ (624,213)	22.5%
Total fund balance	\$ 3,006,204	\$ 3,380,701	\$ (374,497)	44.8%

The total fund balance of the general fund changed by \$(374,497) during the current year. Key factors in this change are as follows:

Revenues less than budget	\$	114,784	
Expenditures less than budget		279,981	
Use of fund balance as a funding source		(841,612)	
Expenditures of current year encumbrances exceeding			
current prior encumbrances		(12,977)	
Tax collections in excess compared to net levy		106,950	
Change in capital reserve		140,380	
Other	-	(162,003)	
Total	\$_	(374,497)	

Included in the total general fund balance are the Town's capital reserve accounts with the following balances:

	12/31/18	<u>12/31/17</u>	<u>Change</u>
Capital reserve	\$ 1,120,746	\$ 980,366	\$ 140,380

E. GENERAL FUND BUDGETARY HIGHLIGHTS

There were no major differences between the original budget and the final amended budget.

F. CAPITAL ASSET AND DEBT ADMINISTRATION

<u>Capital assets</u>. Total investment in capital assets for governmental at year-end amounted to \$31,829,434 (net of accumulated depreciation). This investment in capital assets includes land, buildings and system, improvements, and machinery and equipment.

Major capital asset events during the current year included the following:

- Construction in progress of septage facility \$301,980
- Road construction for \$482,866

Additional information on capital assets can be found in the Notes to Financial Statements.

Long-term debt. At the end of the current year, total bonded debt outstanding was \$9,943,131, all of which was backed by the full faith and credit of the government.

Additional information on long-term debt can be found in the Notes to Financial Statements.

Charter Trust Company, a division of Bar Harbor Bank & Trust of Bar Harbor, Maine, is retained by the Trustees to manage the investments of the various funds by executing buy and sell transactions according the Town's Investment Policy and its outlook of the various markets and economies. Charter also prepares trust accounting and reports required by the Town of Jaffrey and the State of New Hampshire.

During 2019, the Trustees met quarterly with representatives from Charter Trust. On three occasions, the meetings were held at Charter Trust's Peterborough office, while one meeting was held at Charter Trust's Concord office. These meetings were open to the public and notices were posted in advance according to State statute.

The Trustees also met frequently throughout the year to receive and disburse funds, respond to correspondence and transact other business. These meetings were also open to the public, posted to the public and were usually held at the Town Office on Wednesdays at 4:00 pm.

During 2019, the Board of Selectmen reappointed Robert Stephenson and Bruce Edwards as alternate Trustees.

Citizens are invited to consider creating new trusts for the benefit of the Town. More information may be found by visiting the Trustees of Trust Funds section of the Town website, or by contacting a Trustee.

Nancy Belletete, Trustee, Term expires 2020 Gary Arceci, Trustee, Term expires 2021 William Raymond, Trustee, Term expires 2022 Robert Stephenson, Alternate Trustee, Term expires 2020 Bruce Edwards, Alternate Trustee, Term 2020

ANNUAL REPORT OF THE TOWN OF JAFFREY ALICE W. POOLE FUND

This past year the Alice Poole Committee made contributions to Santa's House during the Christmas season so Jaffrey's needy children could have a Merry Christmas.

We continue to purchase magazine subscriptions for the Good Shepherd Rehabilitation Center and provide small birthday gifts to local residents living there. We also help with the Activity Fund at Good Shepherd.

Many of the elderly Jaffrey citizens, in temporary need, were remembered with small gifts, usually in the form of gas cards and small checks as well as fuel assistance.

Gift certificates for food orders were purchased from Market Basket and certificates for clothing were purchased from Wal-Mart. The certificates were distributed during the Holiday Season and at other times during the year, to those in need. Also holiday centerpieces and fruit baskets were distributed at Christmas to Jaffrey residents.

This past year we received two new requests for student loans from Conant High School students going off to college. We are happy to announce that we were able to increase the amount of the loan.

Again this year, we did not sponsor children at the AIM summer camp offered by the Jaffrey Recreation Department, because it was discovered that these gifts could not be guaranteed of going to children of Jaffrey families as stipulated in Alice Poole's will.

As usual, The Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund Trustees in accordance with the will of Alice Poole.

Randyl P. Cournoyer, Jr., Chairman Jeannelle Moore, Treasurer Cynthia Hamilton Sheila Girbach Dawn Oswalt

REPORTS BOARDS, COMMISSIONS AND COMMITTEES

SELECTMEN'S REPORT

This year was perhaps the most interesting time the Board of Selectmen has had in some time. Two of the members of the Board had to resign from office. Selectman Jim Weimann resigned due to circumstances that were beyond his control. Jim was a very effective member of the Board and handled his duties always looking for the best results for the whole Town. His wisdom and wit will be greatly missed. Shortly thereafter Selectwoman Bonnie Mitchell found it increasingly difficult to attend to her responsibilities as a Selectman and decided to step down. Bonnie brought a fresh perspective to the Board and made unique answers to the situations the Board was dealing with. These two individuals made lasting impressions on the Board and are sorely missed.

Faced with two vacancies to fill the Board reached out to John (Jack) Belletete and Kevin Chamberlain. Both had served one or more terms on the Municipal Budget Committee and from that experience were knowledgeable about the Town's various departments and their roles within Town government. Since their appointments both have quickly grasped the issues the Board had to deal with during the year.

One of the more difficult and vexing concerns is and has been what the Town could do with the abandoned WW Cross industrial site. With the knowledge that there are areas of pollution already documented on the site the first step was to assess where and what types of pollution are present. Surprisingly the area size and types of contamination were smaller and less severe than feared. To stimulate conversation as to what the Town's people would like to see happen on the site, the Economic Development Council with the help of Jo Anne Carr, held a round table meeting to discuss options. From that forum suggestions included mixed housing, business incubator sites, artist lofts and commercial enterprises.

The Select board continued to move forward with securing the Cold Stone Spring water wells located off Old Sharon Road. This project undertaken with our neighboring town of Peterborough when brought online with our existing water sources will give the Town a much needed fourth source of clean water. Having high quality, consistent water sources will give the Town the ability to supply water to a growing homeowner and industrial population.

We also would like to take the time to recognize and express our appreciation for the many members of the boards and commissions that do invaluable work on your behalf. They spend many hours working to keep the Town a great place to live and work. Thank you all for your efforts!

Respectively submitted; Franklin W. Sterling, Jr. Chair John E. Belletete Kevin Chamberlain

2019 REPORT OF THE MODERATOR

If you are reading this at our annual Town Meeting, thank you for being here. 2019 was not a busy year as we only had Town elections. However, there are several changes that have already been implemented for 2020 and going forward. After a number of years of voting being held at the Veterans of Foreign Wars Post 5613, it was decided to hold future elections in the (elevator accessible) cafeteria at Conant High School. The VFW has been an excellent host but there have always been concerns about the access in inclement weather. Additionally, it was felt by a number of citizens that having the elections in closer proximity to Town was more convenient for the voters and would help to encourage a greater sense of community. We thank the VFW for the use of their facilities. Another change that has already been implemented is the earlier starting time for voting. As you know

our polls now open at 7:00 AM instead of 8:00 AM. A number of voters who work out of town and have to be at work earlier than 8AM, and who would not return to Jaffrey until after the polls closed, have been affected by the later starting time. The earlier hour means a little less sleep for those involved in the election process but it is a good feeling knowing that we are doing everything that we can to accommodate and encourage our voters' participation.

As you know the Federal primary election has already occurred as have the Town elections. Still to come is the State primary on September 8 and the general election on November 3. The voting for these will be held in the cafeteria at Conant High School and our annual Town Meeting, sometimes known as the business meeting which is actually the second part of our bifurcated Town Meeting, will be held in the Pratt Auditorium.

There are many people to thank for helping to make the voting process run smoothly. Our Town Clerk Kelly Rollins has mastered the job and is invaluable to me and to the process; Deputy Town Clerk Dawn Oswalt is always cheerfully available to help, and Assistant Moderator and former Town Moderator Bernie Hampsey has been a real asset both at the polls and at Town meeting. Thank you to our Ballot Clerks, the Supervisors of the Checklist and others who assist us, and special thanks to Steve Rigopoulos, of Steve's Lettering, for changing our banner each year that is displayed on Nancy Stone's building (and thanks to Nancy, too).

This is my 28th year as your Moderator and I thank you for your continuing support. As I watch world events unfold I am again reminded of how blessed we are to live in the United States of America where we enjoy what President Franklin D. Roosevelt referred to as the Four Freedoms: the freedom of speech, the freedom of worship, the freedom from want, and the freedom from fear. Let us never take them for granted.

Respectfully submitted, Marc P. Tieger, Moderator Town of Jaffrey

REPORT OF THE CEMETERY COMMITTEE

THE CEMETERY COMMITTEE was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey's public cemeteries: Conant, Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is composed of representatives of the American Legion and Veterans of Foreign Wars, Historical Society, Cournoyer Funeral Home, Board of Selectmen and up to five appointed Members-at-Large. Randall Heglin, Director of Public Works, and Bruce Hautanen assist the Committee in its work. The *Resolution* establishing the Committee and the *Cemetery Rules and Regulations* are on the Town's website: http://townofjaffrey.com/cemetery

During 2019 the Committee met six times with Town staff to discuss operation, budget and maintenance issues, or to undertake inspections. Each cemetery is visited by the Committee at least once a year. A designated member of the Committee oversees each cemetery. This oversight involves inspecting the cemetery from time-to-time and reporting on conditions and problems at Committee meetings. Members of the Committee also participated in a work session to clean and straighten headstones in the Old Burying Ground. The Annual Meeting with the Director of Public Works and the Town Manager is held each year in October.

Katsura Landscaping continues to do an excellent job of grass cutting, cleanup and grounds maintenance at all the cemeteries.

A Cemetery Trees Trust Fund was established at the 2007 Town Meeting. The balance of this fund at the start of the year was \$3,910.17. At last year's Town Meeting, \$1,000 was added to the fund. Expenditures from the fund totaled \$3,700, paid to Chris Lane Enterprises for the removal of two large trees in Cutter Cemetery. Income, Fees and Gains/Losses totaled \$17.66. At the end of the year the balance of the Cemetery Trees Trust Fund was \$1,227.83.

The Cemetery Trees Trust Fund (private donations) was established in 2008. The balance of this fund at the start of the year was \$34.45. No expenditures were made from the fund in 2019. Income, Fees and Gains/Losses totaled \$3.76. The closing balance of the fund was \$38.21. Individuals may make tax-deductible donations to this fund which is for the care and planting of trees in the Town's cemeteries.

REPORT OF THE CEMETERY COMMITTEE

A Gravestone Restoration Trust Fund was established at the 2000 Town Meeting to support the repair and maintenance of damaged or vandalized gravestones. The balance of this fund at the start of the year was \$7,070.64. At last year's Town Meeting, \$1,000 was added to the fund. At the end of the year the balance of the Gravestone Restoration Trust Fund was \$7,557.66. Income, Fees and Gains/Losses totaled \$87.02. Repairs were made by Peterborough Marble & Granite in The Old Burying Ground and in Conant and Cutter Cemeteries for total of \$600. Minor gravestone repairs, cleaning and stone straightening were done by volunteers, mainly in The Old Burying Ground and Village Cemetery.

The Committee co-sponsored with the Jaffrey Historical Society a walking tour of Village Cemetery on Sunday, June 23, 2019. The gravesites of various prominent Jaffrey citizens were visited on this very well attended guided tour. (The hand-out guide is available at http://www.rs41.org/jhs/vctour.pdf) A similar tour of Cutter Cemetery is being planned for 2020.

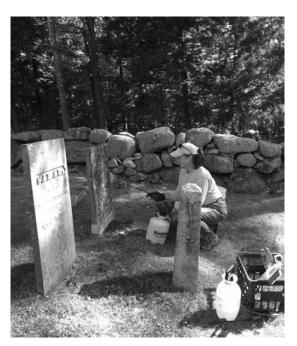

The Jaffrey Department of Public Works maintains a Cemetery Database which can be found at http://www.townofjaffrey.com/cemetery/pages/cemetery-inventories

Residents and lot owners are reminded that the Town's *Cemetery Rules & Regulations* and *A Guide to the Public Cemeteries of Jaffrey* are available from the Department of Public Works and on the Town website: https://www.townofjaffrey.com/cemetery

The Cemetery Committee has a page on the site under Boards & Committees.

The Committee thanks those volunteers who have shown an interest in Jaffrey's cemeteries by devoting their time and attention to their care and maintenance over the past year.

CONSERVATION COMMISSION

The Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watersheds. The Commission provides a focal point within the town and its government for environmental concerns. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission also manages designated town forests.

The Conservation Commission holds regular meetings, open to the public, on the third Wednesday of the month at 7 p.m. in the Town Offices. Meeting minutes completed by our capable scribe Elizabeth Webster are posted on the Town's website and in the Town Offices. The Conservation Commission's section of the Town's website also contains detailed information about the Town's conservation areas and a copy of the Natural Resources Inventory including detailed maps of resources within the Town of Jaffrey.

Numerous projects were planned and approved during 2019 with Conservation Commission members actively attending meetings of the ZBA and the Planning Board. The Commission reviewed DES applications, inventoried conservation lands in Jaffrey and held events with the open space sub-committee. Several site visits were made to Cheshire Pond Conservation Area, Children's Woods and Carey Park for trail development and restoration. Other activities included a cooperative relationship between the Conservation Commission and the Newfoundland Pony Sanctuary, continued efforts to support conservation easements, planning educational programs for the public and continued monitoring of easement properties. Our activities are detailed below:

- The Open Space Sub-Committee, chaired by Bill Graf in cooperation with The Newfoundland Pony Sanctuary held an event on May 25, awarding certificates and buttons to the young Citizen Conservationists who participated.
- Cheshire Pond Conservation Area (CPCA): Following installation of gates at both the Letourneau and Nutting Road entrances, parking areas were prepared at both entrances. A new Kiosk was built and installed at the Letourneau entrance by Bill Graf and James Bearce, and a new trail map prepared by Charlie Koch, was printed and placed at entrances. New trails have been initially laid out in areas which have no current trails with an estimate of materials required to complete the project. This will include bog bridges and raised boardwalks. Maintenance of trails was required this year on several occasions.
- The Land Acquisition Capital Reserve Fund (LACRF) was funded with \$5,000 at the 2019 Town Meeting.
- DES Applications: Numerous DES applications were reviewed and site visits were made regarding the applications.
- Monadnock Conservancy completed the conservation grant for the William Royce property which the Conservation Commission supported financially. The James and Lisa

CONSERVATION COMMISSION

Bearce property continues in grant process for conservation easement and the Conservation Commission will support this project as well when completed.

- The picnic table completed by students at Jaffrey-Rindge Middle School, working on Community Service projects under the direction of Thomas Meehan was placed at the Contoocook Beach with assistance of the Recreation Department. The Conservation Commission attached a brass plaque to the picnic table in appreciation of the students' efforts.
- For Earth Day 2019, a trail building and clean-up day was held in Carey Park & Childrens Woods with the very able assistance of the Franklin Pierce University football team, their coaches, Jon and Lyn Frederick and Con Comm volunteers.
- Terrapin Glass in Jaffrey held a fundraiser for Earth Day 2019 to benefit the Jaffrey Library's Children's Learning Garden. This demonstration of community support is very much appreciated.
- With the assistance of the DPW and Jo Anne Carr, the Con Comm with significant
 assistance from Aaron Abitz purchased the plants and planted a garden at the intersection
 of Goodnow and North Street.
- Educational Programs:

An excellent and well attended 4-session joint program on Bees with the Library and the Conservation Commission was presented by Garrett Brinton January through April.

Sam Jaffe of the Caterpillar Lab presented an excellent program in September.

The Conservation Commission has been developing a celebration for the 50th Anniversary of Earth Day. Stay tuned for numerous events for Earth Day 2020!

Jaffrey Conservation Commission brochures were placed in the Town Library, Rails to Trails kiosk, Recreation Center, Welcome Center, Civic Center, Community Bulletin Board, and Teen Center.

Conservation Commission members attended continuing education programs presented by the New Hampshire Association of Conservation Commissions.

• Monitoring of Easements:

Grey Goose Easement was monitored in 2019 and found to be in compliance. Whittemore Island Easement: The Monadnock Conservancy, as holders of the easement completed the annual survey.

Children's Woods and Carey Park: The Monadnock Conservancy, as holders of the easement completed the annual survey.

CONSERVATION COMMISSION

- Regular activities of the commission also included review of wetland permit applications, site visits of applications, and responding to town residents who had questions relating to conservation issues.
- The Jaffrey Representatives to the Contoocook and North Branch Rivers Local Advisory Committee are Carolyn D Garretson and James Webster.

• Membership:

We are delighted to welcome back one previous member, James Bearce who has rejoined as an alternate member. One new alternate member has joined this year; we are very fortunate to have Aaron Abitz join us.

In 2020, the commission has plans to:

- Develop programs and activities in recognition and celebration of Earth Day 2020.
- CPCA: Clear new trails, install wetland boardwalk crossings, small bridges as necessary, trail markers and signage.
- Continue to develop programs with the Open Space Committee.
- Install a memorial bench for Nora Barton Bryant on the library lawn.
- Continue to add to and develop the Goodnow Street garden.
- Participate as appropriate with the FEMA flood study of the Contoocook River.
- Provide additional educational programs for the public and for commission members.
- Work with DES representative to develop a program on acquatic invasive species
 including programs to the Select Board to provide initial control for invasives in the
 Contoocook River.
- Continue to participate in ZBA and Planning Board site visits.
- Monitor town held easements.
- Review DES applications.
- Provide information on conservation easements to interested residents.

As your conservation commission, we welcome your participation and input on any and all conservation issues. We invite visitors to our meetings and look forward to developing new initiatives that will conserve and promote Jaffrey's unique character.

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

The Economic Development Council (EDC) is made up of business owners, community leaders, and local residents with an interest in promoting the economic vitality and growth of Jaffrey. The EDC is committed to promoting business friendly policies and creating business and job opportunities which build on our retail and manufacturing base.

This year in review begins with the EDC prioritizing top issues to address in 2019:

- 1) Support a walkable downtown program, through Complete Streets, using Goodnow St as start.
 - a. Grant funding was awarded for Goodnow Street
 - b. Grant funding was awarded for Peterborough Street and Stratton Road
- 2) Pursue any opportunities for a broadband buildout.
 - a. RFP for grants recently released -
- 3) Support business expansion plans with an actionable project such as a workshop on alternative financing for new housing starts.
 - a. Housing Finance Workshop
- 4) Continue work through the Area Employers Forum which is focusing on workforce development skills and training.

Also of interest to the EDC was the completion of the Phase II Environmental Assessment for the WW Cross building, 39 Webster St, and planning for the future re-use of the site.

The Downtown Traffic Project design and public hearing process continued to be of interest to the EDC. The final Public Hearing was held October 2, 2019. A strong turnout contributing comments and concerns was heard by the 3-member Commission appointed by Executive Councilor Pignatelli. After all written and oral testimony is transcribed, the DOT will submit a recommendation to that Commission for a final decision on the fate of the project. That decision is expected in early 2020. Plans can be found on the Town Website.

Through the Planning and Economic Development Department, we provide guidance for new and expanding businesses on the development process and coordinate with the planning board and building department along the way. Our larger businesses continue with expansion plans, and interest in commercial space continues to grow. We are happy to see business clusters taking shape and provide information and support through the Economic Revitalization Zone Program. Four such zones have been adopted in Jaffrey, these provide business profits tax credits and business enterprise tax credits for new investments.

We look forward to the coming year and the opportunities it will present as we proceed with ongoing projects and begin new initiatives to help sustain Jaffrey's economic vitality.

HISTORIC DISTRICT COMMISSION

In 1969 the citizens of Jaffrey established the Jaffrey Historic District Commission whose mission is to aid in preserving the rich cultural, social, economic and architectural histories of our town. 2019 saw the Commission actively involved in reviewing subjects ranging from tree removal and trimming in our Centennial Park, in-kind wooden replacement shingles, Jaffrey Center Historic Carriage Sheds, proposal for LED light fixtures, Jaffrey Center Historic District, and approval of installation of architectural shingles on a home in the district.

The Commission met with a representative from the NH Preservation Alliance to learn about best practices in maintaining and improving Jaffrey Center. This was a joint venture arranged by Dr. Stein with the Jaffrey Historical Society, the Jaffrey Center Village Improvement Society and the Jaffrey Historic District Commission. This resulted in the Commission looking to develop strategies to better address communications between owners living in the District and compliance/non-compliance with our guidelines. The Commission plans on holding a series of meetings beginning in March inviting residents of the District to hear their concerns and how we can best meet the needs of promoting our district.

Monthly meetings of this commission are held the first Thursday of the month at 6pm unless otherwise posted. Winter meetings are held at our town office building. Warm weather meetings are held in our historic meeting house in Jaffrey Center. These meetings are open to the public and all interested parties are invited to attend.

LIBRARY TRUSTEES

The Library Board of Trustees has overseen another year of unprecedented growth in library activity. In addition to record numbers of patron visits, more library accounts, and expanded outreach, we have received both local and national grants to support innovative youth and adult programming. All this thanks to an outstanding team of librarians, volunteers and supporters.

While this transformation has been exciting, it has also resulted in significant strain on our facility and staff - challenges that have been the focus of a strategic planning process the Trustees initiated in May. Specifically, we have been addressing the increased costs of maintaining a clean, safe, secure and energy-efficient building. (This has been the first full year with our new HVAC system; a new lighting system was installed this Fall.) We have also committed to appropriate staffing, especially more frontline staff, in order to sustain our high level of responsive programming and customer service. Space is an issue as well. Although we have added new intergenerational spaces, opened up the third floor, and started an outdoor learning garden, we are looking at adding more spaces for community meetings as well as adding more open hours to meet community demands. We also realize that our Mission of Lifelong Learning extends beyond our walls. We want to expand and deepen our partnerships with Jaffrey social and civic organizations, as well as the schools, to ensure that all Jaffrey residents have access to our resources and programs.

Addressing our financial sustainability has been part of this process as well. As stewards of several trust funds, we have adopted a policy to limit our annual drawdown on these endowments to 3%, while also recognizing the need to use endowment income to help offset the necessary increases in operating expenses. Overall, trust income, grants, contracts, and private contributions now account for about 25% of our total annual budget. We expect to grow and diversify these revenue streams.

We will be doing more detailed planning in 2020. But our vision is clear: We want to be a national model for how a public library can make powerful contributions to the social and economic vitality of rural communities.

The Board wishes to acknowledge the service of Trustees who left the Board this year: Francis McBride (former chair), Pamela Armstrong, Harry Young, Tammy Cummings, and Eric Fleck (former chair). Thank you.

REPORT OF THE MEETINGHOUSE COMMITTEE

THE MEETINGHOUSE COMMITTEE advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

The Meetinghouse served as a venue for many events in 2019: Amos Fortune Forum (seven lectures), several Board of Selectmen meetings, Conant High School's 27th annual Shakespeare Festival, 103rd annual First Church Fair, a Conservation Commission program, a Monadnock Garden Club event, the launching by the Historical Society of Laban Ainsworth: A Life and four weddings. The Meetinghouse was also the scene of numerous other meetings, school group visits, and gatherings between May and October. The Committee, along with the Jaffrey Historical Society, the Village Improvement Society and the Historic District Commission, co-sponsored the 19th annual reading of The Declaration of Independence on the Fourth of

July. The Meetinghouse was again full and the 39 volunteer readers did a marvelous job. All are invited to attend and participate.

The Committee made thorough inspections of the Meetinghouse in May and October. Between these inspections a variety of projects were undertaken, sometimes by members of the Committee and at other times by volunteers, contractors or Town staff (primarily Glenn Ruschioni): Inspection and servicing of the Town clock (overseen by Kevin Sterling and Dick Boutwell and with the professional involvement of D'Avanza Clock Repair of Goffstown); annual testing of the fire alarm system by Monadnock Security and the fire extinguishers by Guyette Fire Protection; and the usual touch-up painting.

No major projects are contemplated for 2020 although a building assessment and plans will be developed during the year for the painting and repair of the Tower including the renovation and re-gilding of the clock faces. The Town will seek LCHIP and Mooseplate funding for this ambitious project to be undertaken in 2021.

The balance of the Meetinghouse Trust Fund at the start of the year was \$6,079.48. During 2019 rental fees for the use of the Meetinghouse totaled \$2,450. At last year's Town Meeting, \$3,000 was added to the fund. There were no disbursements from the fund. Income, Fees and Gains/Losses totaled \$106.07. At the end of the year the balance of the Meetinghouse Trust Fund was \$11,635.55.

For the fourteenth year a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 8th organized by the Village Improvement Society. As always, candles are set in the south windows of the Meetinghouse for the holiday season and remain lighted through the winter months.

The Meetinghouse has its own webpage, hosted on the Town's website at http://townofjaffrey.com. Go to > Boards & Committees > Meetinghouse Committee. Here you will find, among other things, historical and financial information, photographs, the current and past schedules of events, and the application and guidelines for use.

The Committee would like to thank Judy Zola, Town Administrative Assistant, for her supportive and professional attention to Meetinghouse matters particularly in scheduling and overseeing applications for use.

The calendar for next season is beginning to fill. Most events benefit the Town through rental fees.

Respectfully submitted, Janet S. Grant, Franklin Sterling, Robert B. Stephenson

MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State statute (RSA 227-D:4) and is charged to advise and guide the Department of Natural and Cultural Resources (formerly, the Department of Resource and Economic Development) on the managed lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept tax deductible donations. MAC funds are a primary source for search and rescue supplies and equipment.

Members of the Commission include two representatives from each of the towns these mountains are part of, the Monadnock State Park manager, the Director of the Division of Parks and Recreation, the Director of the Division of Forests and Lands, and the President of the SPNH (Society for the Protection of New Hampshire Forests). Other guests include Antioch University MERE (Monadnock Ecological Research and Education) Project, SPNHF Volunteer Manager, and Monadnock State Park volunteer coordinator.

The Commission met twice in 2019. In addition, many members attended the dedication and ribbon cutting ceremony on October 4 for the beautifully renovated and enlarged bathhouse at park headquarters in Jaffrey. Regular meetings are scheduled for the Spring and Fall. These meetings include voting on any expenditures, hearing reports from the various agencies in attendance, reviewing and discussing recommendations, and new business.

Will Kirkpatrick took over as manager of Monadnock State Park in January, and has put considerable effort into staff development and trail maintenance and improvement. Day use of the State Park facilities in 2019 is up compared to the previous year, as are the number of rescues. Planning is ongoing for changes in traffic flow that would ease traffic congestion at headquarters. A trial online reservation system is planned for a limited number of spaces for day use there as well. Discussion continues on how to best plan for and develop the most effective ways to address needs related to visitor processing, trail improvement and maintenance, and funding.

Much time and effort continue to be spent attempting to understand what the effect would be of over-use of the mountain. NH Division of Parks and Recreation is still planning a carrying capacity study for both Mt Washington and Mt Monadnock, but the timetable for that study has yet to be established, pending the completion of other more urgent projects. Timber harvesting continues on several sites on lands surrounding the mountains.

The members of the Monadnock Advisory Commission encourage input from the citizens of our towns regarding anything to do with the care of the mountains we are charged with helping to maintain. Please contact your representatives listed below.

PLANNING BOARD

The Planning Board had another busy year of site plan approvals and subdivisions. Significant business expansions were approved including Belletetes, Millipore Sigma and DPD Properties. Several new house lots and apartments were approved this year as well. Minor changes were made to the Land Use Code simply clarifying duplex and two-family residential structures.

Several workshops were co-sponsored by the Planning Board with the Economic Development Council this year, including a Housing Finance forum and a series of workshops on the redevelopment of the WW Cross site. Reports on these are available on the Town website. Also supported were funding for Complete Streets projects on Stratton Road and Peterborough Street and a workshop on Age Focused Planning hosted by the Southwest Region Planning Commission.

The Board also asked Director Carr to investigate the provisions of RSA 79E as a means for encouraging redevelopment in designated districts such as downtown through the provision of temporary tax relief against the incremental increase in property value for up to a period of 5 years. The Planning Board once again took the lead with 2 board members and budget committee representation to draft the Capital Improvements Plan which was adopted in December.

Patty Farmer stepped down this year and Amy Meyers stepped in. Thank you Patty for your contributions through your term of 3 years. And welcome Amy for stepping in and volunteering as Vice Chair.

It was brought to our attention that Town Meeting had never approved the appointment of alternates to either the Planning Board or the Board of Adjustment, this was regretful as several people had offered to join the Boards in that capacity. There will be a warrant article for Town Meeting 2020 requesting that the Select Board be authorized to appoint up to 5 alternates for each board. We appreciate the patience of those willing to serve and look forward to your participation after Town Meeting. That said, we are still seeking additional volunteers as alternates, please consider adding your voice to our group and working to steer our community forward into a bright future.

There are many important issues facing our community in the coming years. We encourage all residents of our community to take a positive, forward looking approach to considering the options and arriving at a great outcome. The board enters the 2020 year energized and ready to work with our existing and future residents to build a better community. Thank you for the opportunity to serve.

SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist are responsible for registering voters and maintaining an accurate checklist identifying Jaffrey voters. Voter registration includes filing paper records in the Town Office and entering registration data into ElectioNet, the online database overseen by the NH Secretary of State's office.

Jaffrey has just over 3,900 registered voters. Maintaining an accurate checklist requires updating both the hard copy files and the database with any changes such as a voter's change of address, name or party affiliation, updating driver's licenses and removing individuals from the roles who have moved out of Jaffrey or have died. In addition, Supervisors need to be present when checklists are being used at elections and town meetings and to verify names of voters on petitions submitted to the town. There are additional special sessions prior to elections to register new voters. Dates for these special sessions are listed on the Town of Jaffrey website. New voters may register to vote with the Town Clerk during business hours, or at the polls during town, state and general elections.

Additionally, the Supervisors certify signatures on petitioned articles to the Town Warrant, certifying nominations for state and federal offices and attend all Town Meetings and the School Deliberative Sessions to identify residents and provide oversight.

This past year the Supervisors met weekly to cross-check and verify that every hard copy file matches the ElectioNet database to ensure all files are up to date.

The table below shows the number of Jaffrey voters for the past three years:

Year	Voters	Dems	Reps	Undeclared
2017	3970	1183	1258	1528
2018	4004	1204	1247	1553

TEAM JAFFREY 2019 YEAR IN REVIEW

Happy Holidays! Mother Nature is ready for the holiday season early, and wants us to be, whether we are ready or not! What TEAM Jaffrey is ready for, is 2020 and our 20th year!

In 1999, local, dedicated residents came together to form a "Main Street" community dedicated to enhancing, revitalizing, and promoting the downtown area of Jaffrey. Supporting existing commercial establishments, encouraging new business opportunities, and promoting tourism, the founding fathers of this group, instilled these values into each member going forward, and 20 years later, our mission and commitment is stronger than ever.

But before we can look forward to 2020, here's a look at this year's achievements and successes with the help of our many sponsors, volunteers, and generous donations from residents and our businesses.

Our annual events, Farmer's Market, Concerts on the Common, RiverFest, Scarecrows on the Common, Spring and Fall Plantings, Trick or Treat on the Common, were among some of our best. As promised, we collaborated with other organizations to make our programming stronger, better and more appealing to all ages. These collaborations included, The Jaffrey Chamber for Concerts on the Common during Fireworks Week, Jaffrey Park and Recreation with their help at RiverFest with kids' games, and new this year, a partnership with the American Legion, Post 11, for Oktoberfest. A successful event after Scarecrows, with live music, free kids' crafts, food trucks, beer tastings, and fireworks to end the evening. A must annual event!

We are ending our year with our seasonal programs, Wreath Sales, Spaghetti with Santa, and Holiday Decorating Contest — sure to get us all in the holiday spirit!

For 2020, we hope the new year will bring new ideas, events, collaboration, support, volunteers and even challenges that make us better. You can help us continue our goals and commitment in improving downtown Jaffrey by making a tax-deductible donation today online at www.teamjaffrey.org. With your support, we will continue to advance our goals for 2020.

With our sincerest appreciation and thankfulness, we extend a heartfelt wish to you and your family this holiday season and to the new decade ahead. May you have a happy, healthy, and safe new year. May 2020 bring continued success to us all and for the betterment of our community.

Together We Are More.

TEAM JAFFREY 2019 YEAR IN REVIEW

JAFFREY RINDGE MEMORIAL AMBULANCE SERVICE

It has been another busy and productive year for the ambulance service, responding to 1,150 calls with a total of 3,170 hours of patient care.

With a staff of 28 JRMA continues to be committed to providing quality patient care for the towns of Jaffrey and Rindge, with emergency transports to Monadnock Community Hospital, The Cheshire Medical Center, Henry Heywood Hospital, as well as University of Massachusetts-Worcester, and Catholic Medical Center in Manchester.

In 2019 we established "On Call" staffing of our second ambulance. We continue to strive to have our two ambulances covered at all hours of the day and night.

Our crew members continue to advance their levels of training and certifications. We are extremely proud of their dedication and commitment to JRMA and their ability to give the most advanced levels of pre-hospital care to the citizens of Jaffrey and Rindge.

This year's Annual Penny Sale was held at Rindge Memorial School and was our most successful event ever. We want to thank businesses and individuals from throughout the Monadnock region for their overwhelming generosity in the form of donations to support our day of "Friend raising" and Fundraising. This event helps us to fund needed equipment and training.

We thank our entire community for their continued support of our efforts to be the very best service we can be!

Please remember...if you are a licensed EMT, AEMT or PARAMEDIC living in the Jaffrey-Rindge community there are employment opportunities available. Visit: Jaffreyrindgeambulance.com for an online application.

JOINT LOSS MANAGEMENT COMMITTEE

(Safety Committee)

The purpose of the Joint Loss Management Committee (JLMC) is to conduct research, develop recommendations, and study and review matters pertaining to occupational safety and health within the Town of Jaffrey.

The JLMC consists of nine (9) members who are employees of the Town of Jaffrey and the membership consists of both management and staff personnel and is representative of the major work activities (departments).

The JLMC holds regularly scheduled meetings on the first Thursday of the month, quarterly during the following months: March, June, September and December and will hold special meetings whenever necessary.

Agendas are distributed and posted and the JLMC maintains written minutes of each meeting which are posted, made available to all town employees and retained. Additionally, the JLMC conducts safety inspections of all town buildings and promotes training for all employees whether job specific or applicable to all the town's employees.

The duties of the JLMC are generally consistent with the New Hampshire Department of Labor's Rules and Regulations.

In 2019 all town employees participated in an active shooter incident training program.

STAFF REPORTS

TOWN MANAGER

Welcome to the 2019 Annual Report! I encourage you to read the staff and committee reports contained herein as they give a thorough description of the works completed this year. Becky Newton and Judy Zola have headed the town report project for the past three years and have done a stellar job compiling and formatting the report. Thank you, Becky and Judy.

Welcome to our new personnel in 2019. The Town Office added Finance Director Elisa FitzGerald with the retirement of Linda Lan-

gille, the Police Department hired Patrol Officer Kelsea Ashmore with the departure of Amanda Swanson and the Highway Department hired Chris Hill. Welcome to you all. We also said farewell to Town Engineer Doug Starr and Building Craftsman Glenn Ruschioni, who retired after 15 years and 5 years of service, respectively. Congratulations to our retirees, Linda, Doug and Glenn.

The Town of Jaffrey's Select Board received a makeover in May with the resignations of Jim Weimann and Bonnie Mitchell. Jack Belletete and Kevin Chamberlain were appointed by the board to serve for the remainder of the year through Town Meeting.

The NH Department of Transportation held the public hearing on the Route 202 dogleg project in October. A significant amount of public input was received at the hearing and during the written comment period. The presiding panel will hold a meeting to review input and DOT's response to comments before making a decision to approve or disapprove the project.

The WW Cross site improvements remained an item of focus. A community visioning session was held to determine future development options for the site and we continue to work with the Southwest Region Planning Commission on contamination issues. We will continue to seek guidance on how best to proceed with the site in a manner that will best serve the town's interests.

We continue working with the Town of Peterborough on the development of a potential alternate water source for the Town of Jaffrey. The source at Cold Stone Springs would provide an emergency interconnection between the towns and provide adequate water supply to meet future user demands.

The Planning Board's approved plan at the end of 2019 removed the town office/police station from the existing plan and shifted focus on town roads. Therefore, the 2020 budget emphasis is on improvements to our road system.

I hope you enjoy the town report and appreciate the work our entire staff contributed on a daily basis to the Town of Jaffrey in 2019. See you at Town Meeting.

Respectfully submitted,

Jon R. Frederick Town Manager

FIRE DEPARTMENT

The Fire Department ended 2019 with a staff of twenty-one (21) that included the Fire Chief, Assistant Fire Chief, two (2) Captains, three (3) Lieutenants and fourteen (14) Call Firefighters. The department currently has fourteen (14) Certified Firefighter II Firefighters, five (5) Certified Firefighter I Firefighters, two (2) Probationary Firefighters. Fifteen (15) of the Firefighters are Certified Emergency Medical Technicians (EMT).

Recruitment of new firefighters continues to be a priority for the department. Discussions have taken place with the Town Manager and will continue in 2020 to look at options for finding ways to recruit new firefighters as well as other staffing options that will allow for adequate staffing to respond to emergencies. We are continuing to promote our Youth Firefighter Position and are working with the administration at the Conant High School to support the Firefighter I and EMT course offered through the Applied Technology Program. Anyone that is interested in becoming a call firefighter or has ideas as to how to help resolve our staffing problems should contact the Fire Chief at the fire station 532-8377, by email firechief@townofjaffrey.com or visit the fire departments website www.jaffreyfire.org for information on joining the fire department.

The department continues to keep trainings, equipment and apparatus checks a priority. Continued training, equipment and apparatus checks allow the firefighters to have the knowledge, working equipment and apparatus to respond and mitigate an emergency incident safely. By continuing with the preventive and annual maintenance for all the fire apparatus and equipment this should allow the proposed CIP Plan to be followed. If the CIP plan is funded annually there should be significant funds available to purchase new replacement apparatus and or equipment when the time comes. We will continue to apply for grants and seek out other funding sources to help with the cost of training classes and the purchase of equipment.

In keeping with our commitment to keep the health and wellness of the firefighters a priority, we are working on the need and ways to install showering facilities at the fire station. Ideas and preliminary plans are being look at so the funding plan in the CIP will be able to fund the showering facilities and future facility needs for the fire department and fire station.

In an effort to continue our relationships with the community and local organizations the firefighters participated in several community events in 2019, as well as presented fire prevention programs at the Grade School, Jaffrey Head Start, BEST Camp, local businesses and several stations tours for families, groups and individuals. The firefighters continued to volunteer many hours this year teaching American Heart Association's 1st Aid CPR AED classes. The firefighters and members of the Jaffrey Firefighters Company Inc. (JFFCI) held their annual fundraising events that raises funds for the purchase of fire and rescue equipment. Additionally, several donations were received from citizens, businesses and organization to support the JFFCI Benevolent and Equipment Funds.

FIRE DEPARTMENT

2019 also brought sadness to our department with the passing of Active Firefighter Cara Campbell, Retired Fire Chief Donald Sawtelle and Retired Firefighters Joseph Griffin and Jim Devlin. We Will Never Forget the dedication and commitment that these Firefighters and all of the Firefighters that are no longer with us gave to the Jaffrey Fire Department. We would like to thank everyone in Jaffrey, the surrounding communities and all of the Emergency Services Agencies that reached out to us or assisted us during this time.

Most home fires are preventable. With just a little fire safety preparation and prevention you can keep your family and your home safe. Install smoke alarms on every level of your home, inside bedrooms and outside sleeping areas. Install carbon monoxide detectors on every level of your home. Test the smoke alarms and carbon monoxide alarms every month. Talk with all family members about a fire escape plan and practice the plan twice a year. If a fire occurs in your home, GET OUT, STAY OUT and CALL FOR HELP. In addition, having your address number posted on the front of your home and visible from the street or at the end of your driveway will allow first responders to locate your home quicker during an emergency.

Anyone that needs fire safety information, has questions and or needs assistance with installing Smoke and CO alarms and or help with other safety items is encouraged to contact the Fire Chief at the Fire Station.

We want to thank everyone for their continued support and assistance. The level of service provided by the fire department, the facilities, apparatus, equipment, tools, funding and support provided are made possible by the dedicated firefighters, their families, the retired firefighters, the Jaffrey Firefighters Company Inc.(JFFCI), the FAST Squad, local businesses, citizens, taxpayers and all of the fire departments in the area that helped us in a time of need.

LIBRARY DIRECTOR'S REPORT

The Jaffrey Public Library is an active community center for lifelong learning for visitors of all ages. In 2019, we responded to unprecedented levels of user engagement and high service demand by expanding our collaboration with several community partners, nonprofits, and local businesses to support our services.

The Library provides a high level of individualized service to the Jaffrey community six days per week, as well as digital offerings available 24/7 to cardholders. In addition to serving local residents and all middle and high

school students in the Jaffrey-Rindge district, we expanded our service area in 2019 to include residents of the Town of Sharon. Our services include technology help, reference assistance, and countless educational programs for youth, teens, and adults, both on site and at outreach locations.

This year, we registered 309 new library users, bringing the total number of active library accounts to 4,346. Our library visits continue to be on the rise, with 51,070 visits documented in 2019. With so many visitors, library staff balanced the demands of individualized service with providing a safe learning environment. In another record-breaking year, they answered over 13,000 reference questions and 3,300 technology help questions. Over 10,000 adults and children attended library programs this year, both in the building and in community locations. They also checked out a record number of materials, including books, audiobooks, movies, technology, and even Wi-Fi hotspots. Circulation, the number of materials checked out from the library, totaled 55,261 in 2019.

The Library's collection is diverse and relevant, with physical holdings remaining steady at 36,019, and shared digital holdings of 25,757 eBooks and 22,010 downloadable audiobooks available through the state consortium. In 2019, we added 2,537 new titles to our physical collection, of which 1,357 (valued over \$20,000) were funded by grant programs and donations, at no cost to taxpayers. 2,485 items were withdrawn from the physical collection as part of a comprehensive collection development and maintenance plan, according to professional standards. Many of these withdrawn items were donated to smaller libraries, local classrooms and preschools, the Cheshire County Jail and the NH Department of Corrections, Monadnock Adult Day Care, and our local little free library at the Jaffrey Post Office. This number also includes the deletion of titles from our system discovered missing during inventory. The Library also provides multiple electronic resources in addition to eBooks, available 24 hours a day, in the form of databases for research, genealogy, and language learning.

Once again, we expanded learning opportunities far beyond our budget, thanks to many grants and donations, valued over \$52,000! We were proud to be one of only three libraries in the U.S. to be awarded the Bookapalooza grant in 2019 from the Association for Library Services to Children, which provided books for our collection and allowed us to create pop-up libraries in areas where children

LIBRARY DIRECTOR'S REPORT

wait throughout the Monadnock region. A STEAM Learning grant from Millipore Sigma allowed us to expand our science education, arts and technology programming to an exciting new level, with a multiuse collaborative learning space and inter-generational STEAM Lab activities. We are grateful to have been the recipient of multiple grant awards from the Children's Literacy Foundation, Young Adult Library Services Association, Dollar General and the Community Center of Jaffrey. Community donations and grants funded the Halloween Book Giveaway,

databases, and multiple programs, and even provided teen learning assistants to support our summer learning program and expand employment opportunities for local youth. The Friends of the Library also financed multiple events and provides ongoing funding for our mobile hotspot lending program.

Our dedicated team of volunteers provided over 1,462 hours of service to the library this year! Their duties included but were not limited to being a watchful eye on the History Floor, endless handyman tasks, furniture building, preparing craft supplies, assisting in programming, and even serving afterschool snack to our children in partnership with the Jaffrey Food Pantry.

Thank you, all, for your commitment to making our library the best it can be. We look forward to serving you in the new decade.

Respectfully submitted, Julie Perrin, MSLIS Library Director

POLICE DEPARTMENT

After 27+ years as a member of the Jaffrey Police Department, 13 as Chief of Police, this will be my last report to the town. By the time this report is published my wife, Dawn, and I will have already been retired from Town employment for a couple of weeks and you will be seeing new faces behind desks that we had occupied for so many years. Please indulge me while I briefly reflect on those years passed.

I came to the field of law enforcement a bit later in life than many that preceded me. I had worked in a variety of occupations and was still searching for that one thing that would engage me sufficiently to want to make it a

career. In 1992 then Chief David Barrett approached me and wondered if I would be interested in coming to work as a part time officer. Frankly, I had never even considered law enforcement as a career but I thought I'd give it a try. Now, after 27 years, 4 Chiefs and 6 Town Managers, I look back and realize how fortunate I was to have taken advantage of that opportunity.

I also recognize that it was my great fortune to have chosen to pursue that career in Jaffrey. I have said many times how grateful I am that our department receives the support that we have from our community throughout my career. Not just financially but also through the encouragement and recognition by the people of Jaffrey, that a strong, resilient police department is a key component in the sense of security and well being of a small community.

Other personnel changes that happened in 2019 include Officer Amanda Swanson resigning and moving to Texas. Officer Kelsea Ashmore has signed on to take Swanson's place and will have entered the NH Police Academy in January of 2020. At the time of this writing we are in the midst of a recruitment/hiring process in anticipation of the opening that will have occurred with my departure.

I've used my allotted space! I refer you to the following pages that, as in years past, reports the activities and services provided by our department throughout the year.

I repeat my closing remarks from my report to the town last year when I say that, in my view, there is no more honorable calling than to have been part of a team that contributes so significantly to the safety and security of a community. The members of the Jaffrey Police Department are proud to demonstrate a commitment to that calling every day. My appreciation and pride will remain with them after my retirement as they continue in that commitment.

Dawn and I have been residents of Jaffrey for the past 33 years (her family for 4 generations!) We raised our family here. I expect we will be seated in the audience for future town meetings, just at different places than we used to be.

Submitted to the town with respect and gratitude, Chief William Oswalt

PROSECUTOR'S OFFICE

2019 was our first full year of working with the Honorable James Gleason as the judge assigned to preside over the 8th Circuit Jaffrey Court. He has demonstrated patience and a pleasant demeanor from the bench which has made the transition and adapting to his style somewhat seamless. However, continued limitations on the number of days that the judge is scheduled continues to create scheduling challenges for the Court staff and parties involved in cases.

Shortcomings to a seriously flawed bail reform law passed in 2018 were partially addressed by the legislature but failed to completely rectify some of the problems created by the so-called reform. There is no consequence for defendants who fail to appear for court which results in an exponential increase in failure to appears.

We were able to utilize several different resources for both juvenile and adult court diversion programs this year. We sent one adult case through the Cheshire County Restorative Justice Program, five cases were submitted to the Merrimack County Diversion Program and eleven cases were submitted to our local juvenile diversion program.

The most common types of cases that come before the court are: Drug and alcohol related cases, DWI (drugs and/or alcohol,) simple assaults, domestic violence, trespass, criminal mischief, suspended driver's licenses, and traffic related offenses. In 2019 there was a slight decrease in the number of cases submitted to the Court by the Jaffrey Police which is most likely a result of staffing inconsistencies in the police department.

Con-Val High School sent us a student for one semester as part of their student internship program.

In cases where it is applicable we have had \$3,213.71 in restitution ordered to be paid to victims through the Court, Department of Corrections or through our office.

Revenue received through discovery fees in 2019 was \$252.00

The statistical breakdown is as follows and includes cases that are open, pending, or closed out in 2019.

2015	2016	2017	2018	2019
682	583	536	429	381

Of the 381 cases, 3 were juvenile, 35 were motor vehicle, and 343 were adult criminal cases. There were 38 summonses issued under the personal possession of marijuana statute and 42 Town Ordinance violations. In addition, there are 98 cases for which bench warrants have been issued that remain unresolved.

Respectfully submitted, Richard Carpenter, Jr. Lieutenant / Police Prosecutor Prosecutor's Office

Cemeteries/Parks and Commons Division: In 2019, the Town performed 7 full-body and 20 cremation burials. Annual cemetery cleanup day was performed in November to remove materials from gravesites in preparation for winter and those that do not comply with the regulations to improve the general appearance of the facilities. The Town continued contracting with Katsura Landscaping to complete landscaping maintenance activities. An additional 82 full burial lots were laid out for sale in Conant Cemetery. Additional lots are to be laid out in 2020 in Cutter Extension Cemetery. As a reminder to those who have loved ones buried in the cemeteries, artificial flowers are not permitted. These arrangements get entangled in the landscaping equipment and are a serious hazard to the workers. Gravesite adornments should be removed by the end of October annually to facilitate cleanup of the cemeteries. Grave owners and families are encouraged to visit the cemetery webpage on the Town of Jaffrey website to review the current cemetery regulations. Also included on the website is an inventory of interments within the Conant, Phillips-Heil, Old Burying Ground and Cutter Extension Cemeteries.

Highway Division: In 2019, the Highway Department reconstructed sections of Fitzwilliam Road, Gilmore Pond Road, Peabody Hill Road, Great Road, Harkness Road, and Bryant Road. Pavement overlays were accomplished on Goodnow Street and a short section of Sandy Lane. Sidewalk resurfacing was accomplished on Turnpike Road on the south side of the road from 5-way intersection to the Post Office. A section of sidewalk was removed and repaved on the west side of Goodnow Street from Main Street to the exit driveway from the Library. Maintenance of gravel roads included the placement of 1,091 cubic yards of gravel to various roadways. Highway Crews performed winter and summer (seasonal) maintenance on over 64 miles of Town roads (including 20 miles of gravel road) and assisted other Departments throughout the year including the Water, Sewer, Recreation, Library, Fire and Police Departments. The work on Goodnow Street included the alteration of the Goodnow Street/North Street intersection. This was done to incorporate Complete Streets improvements into roadways in compliance with the 2017 approved guidelines. The Highway Department responded to 111 residential specific requests for service throughout 2019.

The Mechanic, with limited assistance from Highway staff, maintained and kept operational the

Town's vehicles. In addition to maintaining highway department vehicles, over 214 hours of labor was expended maintaining Fire, Police, Water, Sewer, and Recreation Department vehicles and equipment. In June, the Department received delivery of a 2019 Case 621G front end loader that was approved at the 2019 Town

Meeting. Other equipment that received approval at the 2019 Town Meeting has been ordered but not yet been received by the Town.

Wastewater Division: In 2019, the wastewater treatment plant processed approximately 183,126,000 gallons (average 501,715 gallons per day) of wastewater from 825 connections. Suez Environmental is the contract operator of the sewer facilities including the wastewater treatment plant, Hadley Road pump station and head works, 5 sewer collection pump stations and approximately 20 miles of collection sewer. As part of their normal operations, twenty (20)

manholes were repaired. During 2019, there were fifteen (15) callouts for sewer related problems (blockages or overflows in the collection system) of which seven (7) were on the Town side. A total of 15,581 linear feet of sewer mains were cleaned in 2019. A section of collapsed sewer on Aetna Street was repaired by the Highway staff in preparation of lining. Philip Mathewson Companies replaced a deteriorated manhole on Aetna Street and rectified a defective drop manhole on Burrington Street. Both in preparation of lining.

The Town completed the tenth full year of operation of the advanced wastewater treatment plant and eighth full year of operation of the filtration system providing tertiary treatment both built to comply with NPDES requirements and an EPA Administrative Order to meet more stringent effluent standards.

Total residential septage waste received at the wastewater plant during 2019 was 1,814,907 gallons (equivalent to about 1,814 - 1,000-gallon residential septage holding tanks). A total of 347,744 gallons from Jaffrey residences was received. The remainder from residences outside Jaffrey. Revenues to the Town from septage disposal totaled approximately \$137,515 for the year from Jaffrey, Rindge, New Ipswich and other communities.

The septage receiving station upgrades to accommodate the volumes of septage that the facility is receiving and improve treatment flexibility, commenced construction in 2018 and was substantially complete in 2019. The Department was able to secure USDA Rural Development funding for the project.

Total sludge processed at the wastewater plant in 2019, was 136.59 dry tons. The sludge was then transported to the Merrimack, NH wastewater plant composting facility where it was composted for beneficial reuse.

A project to begin decommissioning the old aeration lagoons was initiated in 2017 and continues. With the approval of NHDES, lagoon #1 was dewatered and suitable fill that was made available as a result of a construction project at Millipore was placed in Lagoon #1. Fill continued to be deposited into the closed lagoon in 2019. Once filled, the restored lagoons offer a future site for public benefit projects.

As reported in previous years, the Department continued working on the system-wide infiltration/inflow reduction and sewer rehabilitation program. In 2019 and continuing into early 2020, sections of sanitary sewer on Peterborough Street from the 5 way to Webster Street, Webster Street, Aetna Street, the easement from Aetna to Blake Street along the rail trail, were lined by Insituform utilizing cure-in-place lining.

Water Division: In 2019, the Department produced 123,397,682 gallons (average 338,076 gallons per day) from four (4) groundwater wells at the Contoocook, Turnpike, and Squantum well houses and provided potable drinking water and fire protection to over 1,500 accounts in Jaffrey and Rindge.

In addition to daily checks and maintenance of the pump stations, samples and state reporting, the Department performed high water usage checks for customers, located water lines for Dig

Safe (76 requests), performed water turn-on and shut-off requests (160) and assisted with leak detection and performed meter replacements and final readings (75) for property transfers. The Department also responded to five (5) water main and two (2) service line breaks, repaired six (6) curb stops, and repaired four (4) hydrants. Two hundred and two (202) hydrants were flushed during the fall. Sixty-eight (68) meters were replaced and sixty-seven (67) MXU (radio read units) were changed out.

Continued administration of the Cross Connection and Backflow Testing Program with town staff and a contractor to complete mandatory semi-annual testing of all backflow prevention devices in town. To date there are 115 backflow prevention devices at 62 businesses, schools and town buildings included in this program and are tested twice per year.

In 2018, the New Hampshire Department of Environmental Service (DES) conducted a sanitary survey of the water system. The sanitary survey is performed periodically by DES on all the state's public water systems to review capacity of the water system's sources, treatment, distribution, and management to continually produce safe drinking water. Among the findings were that the Jaffrey water system was in compliance with all water quality standards including lead and copper levels. Among the recommendations was the continual review, implementation and maintenance of the asset management plan.

With regard to the asset management plan, which prioritized water main improvement projects and developed a capital spending plan, the Town commenced with the replacement of older and undersized water mains on School Street, Stratton Road and a section of Squantum Road. These projects are funded in part through the NHDES drinking water revolving loan fund which includes a low interest loan and principal forgiveness. The Contractor, N. Granese and Sons of Salem Massachusetts was the low bidder for the project and commenced work in May and will continue into 2020.

Further projects identified in the Asset Management Plan included the replacement of the emergency generators at the Contoocook well, Turnpike well and the Prospect Street Booster Pump Station. Ewing Electric, Deerfield, New Hampshire, was the low bidder and completed this changeout in December. The plan also called for the replacement of the Modine heaters at the water department. These were replaced by Precision Temperature. We continue to evaluate the asset report and its recommendations and include in our annual budget.

The Water Department continues to be proactive in identifying leaks in the distribution system. In June, New England Water Distribution Services, LLC performed a system-wide leak detection survey through a 100% grant from the NHDES. Forty-two (42) miles of mains were evaluated by listening on every hydrant in the system, select gate valves, selected service lines and walking all nonmetallic pipelines and listening every 10 feet with a ground microphone. This study resulted in identifying 3 hydrant leaks totaling about 12,000 GPD. The Department monitors the water production carefully and compares to billing and other records as a means of ensuring that we are most efficiently pumping and treating the water to both limit operating costs and preserve the valuable resource. The histograph on the monthly bill has proven useful to users in self-monitoring historical water usage.

Solid Waste/Transfer/Recycling Division: Material received and processed at the Transfer Station in 2019 included the following approximate amounts: 795 tons compactor waste, 626 tons bulky waste including construction and demolition debris, 183 tons recycled material (plastics, paper, corrugated), 110.4 tons light iron, 7.6 tons aluminum, 376 home electronic items (televisions, computer monitors, VCR and DVD players, and microwaves), 4 containers of tires (38,400 lbs.), 52 propane tanks, 123 batteries, 158 Freon containing items (refrigerators, freezers, air conditioners, and dehumidifiers), and fluorescent bulbs.

The transfer station continues to collect vegetable oil for recycling to supplement the waste oil program offered to residents.

The town in cooperation with DES, EPA and DEA has sponsored prescription drug take-back days during the year at the Jaffrey Police Department as well as area police departments in accordance with a national program to promote safe drug disposal and keeping discarded drugs from solid waste and wastewater.

Planet Aid and Salvation Army continue to collect applicable items at the Transfer Station. Residents are encouraged utilize these boxes or the Swap Shop in lieu of disposing of clothing items along with the domestic trash.

The staff will continue to check for valid "dump" stickers and remind all residents that stickers can be obtained at both the Town Clerk's office and at the Transfer Station with a proof of residency. Seasonal stickers can be obtained at the DPW office.

We continue to process commodities through the NRRA, which competitively bids commodities to obtain the best prices for their members. Other brokers are also used when prices are more favorable to the town. Throughout this year, we have seen the prices received for recyclables remain dismal and decline. We continue to stockpile some recyclables until the market improves and because we are able to receive more favorable pricing if full loads of the same commodity are sent to the vendor. Estimated revenue received from the sale of these commodities and fees totaled approximately \$17,988.52. By actively recycling, the town saved over \$37,942 by not disposing of recyclable items along with household trash. Following is a summary of the materials processed at the Transfer Station last year. Reports are also submitted monthly to the Ledger Transcript. We request that residents continue to follow the established guidelines for recyclables (rinse & remove covers, etc.) to ensure that we process only the highest quality commodity which directly reflects in the marketability of our commodities.

On August 17th, the Department hosted its first in-town residential household hazardous waste

collection day in over a decade. The collection was held at the Wastewater Treatment Facility with the assistance of Suez personnel and their donation of a message sign. Previous collections were held over several days at the recycling center in Keene. Feedback from residents indicated that Keene was inconvenient even though collection occurred over several days spread-out over the year. The cost to host our own collection day turned out to be less than what was typically paid to Keene to host

the collection. A total of 137 units of hazardous waste was collected. A unit is considered 5 gallons or 20 pounds of waste material or a combination of the two. It is hoped that this collection will continue in 2020.

Administration and Engineering: In 2019, in addition to managing all Department of Public Works functions, assistance was provided to other town departments and committees as necessary including the Cemetery Committee and Joint Loss Management Control Committee. Special projects included continued work and refinement on GPS/field locating and GIS mapping of the water and sewer system physical structures, drainage structures, and signage inventory; infiltration/inflow reduction program for the sewer system; water conservation and asset management programs; administration of the industrial pretreatment program; updating and administrating the wastewater local limits; administration of the septage program; and, cemetery inventory program.

Following the New Hampshire Department of Transportation (DOT) mandated selection process (qualifications-based selection process), the Town retained Quantum Construction Consultants to assist with design engineering for replacement or rehabilitation of the Nutting Road Bridge. This project is eligible for 80% funding from the state as part of the state's bridge aid program. Field survey and borings were begun in the latter part of 2018. In 2019, preliminary engineering commenced which included the required environmental and historical studies. The appropriate state agencies are reviewing the documents with design expected to continue in 2020.

Staff continued with Green SnowPro Certification (DES and the Snow and Ice Management Association) techniques. This program covers highway winter maintenance and more efficient methods to improve or enhance plowing and ice control. One such method is calibration of spreaders which results in more efficient treatment of roads with salt and sand. The Highway Department tracks salt with a loader scale which more accurately records the amount of salt and road sand loaded onto the trucks for treatment. We continue to monitor and refine the application rates of materials used.

Assisted the NHDOT in the paving of Route 202 with the coordination of raising or replacing town-owned manholes and gate boxes.

In 2019, the department contracted with the firm, Streetscan, to update the pavement assessment conditions throughout town. This method involved the assessment of roads and sidewalks in town. The program uses this assessment information to recommend pavement schedules for pavement resurfacing and reconstruction given available budgets. The program is similar to what was utilized in our previous assessment but is much more user friendly and removes the subjective human assessment process. The previous assessment involved two summers worth of evaluation by an intern to manually assess each paved roadway. Streetscan uses high definition video and special sensors coupled with specially developed software to perform the assessment. This program is another tool used by the Department to effectively utilize the limited funds that we are provided for pavement maintenance to preserve this valuable asset.

Roadways, coupled with the water and sewer infrastructure are the 3 largest, most valuable assets owned by the town. Adequate annual funding to preserve these assets is paramount.

The LED Streetlight conversion project continues with assistance from Affinity LED. Most streetlights have been converted to LED from mercury vapor lights. Special reproduction LED lights were procured for Jaffrey Center. These lights are like the current incandescent lights that exist. Affinity intends to install the remaining lights that are to be converted concurrent with their changeout project for the NH DOT.

The Department commenced preliminary studies to investigate the water quality and quantity of the Cold Springs Well supply (formerly Barking Dog Water Supply) located in Jaffrey and Sharon adjacent to Mud Pond. This project would be a cooperative project with the Town of Peterborough. Preliminary studies included very preliminary costs estimates. Both towns are working together to apply for available funding for the project. The Department has applied for NHDES drinking water state revolving funds, Drinking Water and Groundwater Trust funds, USDA Rural Development funds in addition to working with the Department of Commerce, Economic Development Agency, regarding other available funding.

The Public Works Software program which tracks all service requests and complaints that public works receives including but limited to road conditions (summer and winter), drainage problems, water turn-on and shut-offs, sewer blockages and general questions on cemeteries and transfer station. The program also tracks the maintenance activities being completed at all town buildings. Residents can request department services either by calling the office, use email, or through the Town's website. During the year, 755 service requests were documented and handled.

The department continued to work with the DES Dam Bureau on dam inspections and updating of operations and maintenance and emergency operations plans.

Oversee gas and groundwater monitoring as required by NHDES at the closed landfill and wastewater lagoons and file required reports.

The division also applied for and received various DOT and DES permits for culvert work and highway maintenance as needed and as required.

Support was provided to the Planning Board as needed by reviewing site and subdivision plans, inspecting development projects, preparing bond recommendations for projects incorporating public improvements as required and approving as-built plans.

During 2019, Town Engineer Doug Starr celebrated 15 years of service to the Town. Building

Maintenance Craftsperson Glenn Ruschioni celebrated 5 years with the town. Transfer Station operator Bruce Hanson celebrated 20 years with the town. In 2019, both Doug Starr and Glen Ruschioni retired from the town. Doug was an employee that chose to stay out of the spotlight. He was the employee that provided invaluable assistance to me and others. It is with our collaborative effort that the town was able to negotiate with the DES and EPA long term solutions to our challenging infrastructure issues and remain in compliance with the rules and

regulations. His efforts allowed the town to successfully avoid significant punitive fines from

the EPA regarding our wastewater project. We also collaboratively implemented the asset studies for the department. The development of the Squantum Well was of significant importance to the town as it provided an additional water supply for present and future needs. He completed all Planning Board reviews, prepared numerous bid packages, took the reins of the Joint Loss Committee to ensure that the town was in compliance with health and safety regulations and worked diligently to improve the town insurance rating resulting in awards from the town's carrier. Glenn was the town's first Builidng Maintenance Craftsperson. He established the protocols for the position. He performed maintenance of the town's buildings and facilities preserving that asset. Other personnel changes in the Department include the hiring of Chris Hill as a truck driver for the Highway Department replacing Neal Beauregard who resigned. The department was also fortunate to have a civil engineering intern, Sage Cathern, for the summer to assist with many projects.

While not directly applicable to Jaffrey, in 2019 a monument was erected and dedicated outside of the Concord NHDOT headquarters memorializing Public Works employees who have died on the job performing their valuable duties. Quite often, DPW employees are overlooked and taken for granted. Public Works is considered a First Responder because it is the Public Works employees that ensure traveling conditions are favorable so that other first responders like police and fire can perform their essential duties. It is Public Works employees that often assist and provide support to other first responders in a time of crisis. We ask that you think of Town DPW employees, not as that guy

who plowed in your driveway, but that employee performing a vital function to keep yourself and your neighbors safe.

Respectfully submitted,

Randall Heglin, Director Department of Public Works January 3, 2020

RECREATION DEPARTMENT

As we recap 2019, I would like to express my appreciation for the hard work and dedication of the Recreation Department team: Caren Lewis, Dana Kurylo, Sarah Hooper, David Greenough, our seasonal maintenance staff, program coordinators, lifeguards, summer counselors, Youth Advisory Committee, and numerous volunteers. In addition, I would like to thank the other town departments for their support of our programs throughout the year, especially the Department of Public Works who helps us in each season when we need extra hands to complete maintenance projects.

The Recreation Department's part-time Maintenance Technician Leader, Dana Kurylo, completes a multitude of facility and grounds tasks daily and seasonally to continuously offer the public a safe and enjoyable experience at Community Field, Shattuck Park, Contoocook Beach, Humiston Park, and the War Memorial. The Recreation Department oversaw the set-up and clean-up of all elections and Town Meeting as well as completed snow removal for the public walkways at the Town Offices, Police Department, Library, and Town Common. The Recreation Department also decorated the Town Common for the holidays and completed several large-scale facility and grounds projects this year.

Facility and grounds improvements completed in 2019:

Humiston Park –Department Office

- Replaced garage door with an insulated garage door as ice builds up on the interior side of the current garage door & replaced opener to become compliant with current safety codes.
- Replaced ventless propane space heater with new direct vented suspended heater to improve efficiency, air quality, and working conditions.

Humiston Park – Program Building

- Replaced inefficient electric heater with direct vented propane system
- Replaced rotting siding & fascia boards
- Painted exterior of building including doors, trim, and siding.
- Installed 2 exterior doors with glass window
- Installed new exterior lighting to bring the building to code.

Humiston Park - Grounds

- Regraded and seeded infield.
- Removed small retaining wall in driveway and created a large flower bed.
- Removed rotting fence rails and replaced with low, wooden curbing to provide a more open experience in the park.

Community Park - Grounds

- Regraded around ballfield to improve water drainage and reseeded lawn.
- Installed wooden rail fence, created a walking path from Union Street to Rail to Trail.
- Repaired chain link fence frost heaved poles.

Various Locations:

 Installed surveillance cameras at various recreation department properties and facilities.

In 2019, program staffing changed to include a full-time Program Manager position, replacing a previous part-time Program Coordinator position that had a very high rate of turn-over. This expansion allowed us to better fulfill our mission to create and sponsor recreational opportunities

RECREATION DEPARTMENT

Recreation Department staff had notable achievements this year. Sarah Hooper presented for the first time at the New Hampshire Recreation and Park Association's Wink Tapply Playground Leaders Workshop with Renee Sangermano. Their presentation "Hiking Trails and Crafty Tales" taught summer program counselors from across the state trail etiquette, games, activities, and crafts that can be done in the woods to get youth exploring the great outdoors. Recreation Director, Renee Sangermano, was honored with a Trendsetter Award by The Keene Sentinel and the Business Journal of Greater Keene, Brattleboro and Peterborough for her contributions to her workplace and community as well as the New Hampshire Recreation and Park Association's Young Professional Award. Various seasonal and year-round staff members completed Youth Mental Health First Aid Certification, Basic Water Rescue Training, Wilderness First Aid, and all Recreation Department staff hold First Aid/CPR/AED Certification.

As we look ahead to 2020, we welcome all community members to get outside and enjoy the recreational opportunities Jaffrey has to offer with the Recreation Department and our natural surroundings. We encourage all residents to get involved with our programs and events, whether that is sharing an idea, or giving your time at one of our various volunteer opportunities throughout the year.

We hope that the generous giving we saw to the Playground Fund for Phase 2 of the Humiston Park Playground Project will continue into the new year. In December 2019, the gift of giving over the holiday season saw over \$1000 raised between Craft Fair raffle (Thank you vendors & volunteers), Breakfast with Santa (Thank you Shattuck Golf Club), "Bring the Boom" raffle (Thank you Atlas) and several private donations from businesses and residents, alike. Together, we can build it!

Please visit our website: Jaffrey.recdesk.com for the most up-to-date listing of programs, events, and volunteer opportunities.

Respectfully Submitted, Renee Sangermano, CYSA Recreation Director

Incorporated: 1773

Origin: In 1749 this territory was chartered as Monadnock Number 2, sometimes called Middle Monadnock or Middletown. It was one of the first towns established under the New Hampshire proprietors' purchase of undivided lands under the Masonian claim. The grant was renewed in 1767, and the town incorporated in 1773 as Jaffrey, in honor of George Jaffrey, member of a prominent Portsmouth family. Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.

Villages and Place Names: Hadley, Jaffrey Center, Squantum

Population, Year of the First Census Taken: 1,235 residents in 1790
