

2008 ANNUAL REPORT

TOWN OF
JAFFREY
NEW HAMPSHIRE

IN DEDICATION

The morning after . . .

This Annual Report is dedicated to all the citizens of our Town for their patience, good spirits, and support of their neighbors during the December ice storm. Throughout our Town, during the most trying days, citizens worked together to clean up, look after neighbors, volunteer at the shelter, donate food, lend generators, make emergency repairs and, in all, exhibit the finest of human qualities: love for others.

Results of the
Annual Town Meeting
March 11, 2008

— Town Meeting Minutes —

**STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
ANNUAL TOWN MEETING WARRANT
2008**

**Elections – March 11, 2008 (8:00 a.m. to 7:00 p.m.)
Business Meeting – March 15, 2008 (9:00 a.m.)**

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Veterans of Foreign War, Post 5613 in said Jaffrey on Tuesday, the 11th of March, 2008 at eight o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 15th, 2008, at the Ernest J. Pratt Auditorium in Jaffrey, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (by Official Ballot)

Selectman - for three-year term – Donald MacIsaac
Trustee of Trust Funds - for three-year term – Charles B. Marvin
Library Trustee - for three-year term – Richard Porter
Supervisor of the Checklist –for six-year term – Caroline Hollister
Moderator – for two-year term – Marc P. Tieger
Town Clerk – for three-year term – Maria Chamberlain
Treasurer – for three-year term – Sandra M. Stewart

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Ordinances, as proposed by the Jaffrey Planning Board, to be voted on by Official Ballot: (The exact text, and related material, of each of these proposed changes is available at the Town Clerk's office and at the polling place.)

— Town Meeting Minutes —

1. Are you in favor of Amendment #1 to the Jaffrey Land Use Plan as proposed by the Planning Board? This amendment proposes to change the title of the “Jaffrey Land Use Plan” to the “Jaffrey Zoning Ordinances”.

Yes- 580 No- 168

2. Are you in favor of Amendment #2 to the Jaffrey Land Use Plan as proposed by the Planning Board? This Amendment deletes Para 4.26C of the Land Use Plan, which states that undevelopable land will not be considered in calculating density requirements.

Yes- 481 No- 255

3. Are you in favor of Amendment #3 to the Land Use Plan as proposed by the Planning Board? This amendment establishes the Mountain Zone as its own district (vs. the current overlay to the Rural Zone) and simplifies/clarifies the requirements to provide differentiation with the existing Rural Zone.

Yes- 563 No-189

4. Are you in favor of Amendment #4 to the Land Use Plan as proposed by the Planning Board? This amendment revises the Open Space Development Plan (OSDP) ordinance to encourage its use and better define its requirements.

Yes-568 No-165

5. Are you in favor of updating the Floodplain Ordinance with revisions as proposed by the National Flood Insurance Program (OEP)?

Yes-607 No-118

The meeting was called to order at 9:10 a.m. The attendants were asked to stand as the Boy Scouts from Troop 33 Michael Sisk and Garrett Bergeron presented the colors and Locke Trimble led the assembly in the Pledge of Allegiance. After which Mr. Tieger, (the moderator), asked everyone to remain standing as he read the following:

— Town Meeting Minutes —

“Once again we come together again as is our tradition to help guide and decide the business of the Town for the coming year. We are citizens with different philosophies and options and yet we are united in our common purpose – the continuing commitment to the well being of this wonderful town which we are so fortunate to call home.

We come with heavy hearts and confused minds, as we observe world events. For some of us this anxiety is intensified as our sons and daughters, husbands and wives, and our dear friends have been called to the service of their country. Please know that our thoughts and prayers are with them and with you, in these most difficult times. We also respect and understand the rights of those with differing opinions and we sympathize with them in their anguish. Above all we are reminded again of how fortunate we are to live in the United States of America where the rights of all are respected.

As we reflect on the losses our community has endured during the past year we re-affirm in silence our gratitude to those of our community who are no longer with us. Let us pledge to honor their memories by continuing their tasks and upholding the values in which they believed.

So let us listen and question, let us speak and debate with civility and respect, let us learn from others even as we put forth our own views, and when the meeting is over let us leave here with the knowledge that the tradition of our Jaffrey Town Meeting, and our of participation in it, remains stronger than ever. Please join me in a few moments of silent meditation and reflection.”

Mr. Tieger then recognized Chairman of the Board of Selectmen, Rick Lambert. Rick Lambert then offered the following resolutions:

“Whereas Sara Belletete-Abitz served the Town of Jaffrey with honor and distinction as a member of TEAM Jaffrey;

Now, therefore, be it resolved and proclaimed in Town Meeting convened March 15, 2007, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.”

— Town Meeting Minutes —

The resolutions were accepted by acclamation.

Selectman Clay Hollister was recognized. He offered the following resolution:

“Whereas Richard Lambert served the Town of Jaffrey with honor and distinction as a member of the Board of Selectmen:

— Town Meeting Minutes —

Now, therefore, be it resolved and proclaimed in Town Meeting convened March 15, 2008, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.”

The resolution was accepted by a standing ovation.

Mr. Tieger then welcomed everyone to the meeting. Mr. Tieger introduced the front tables where the Selectmen, Town Manager, Department heads, Town Clerk and Budget Committee Chairman sat.

Mr. Tieger made note that Phil Cournoyer had been sworn in as Assistant Moderator for this town meeting. That he would be moderating a few of the articles and that he would also be over seeing the Ballot box for secret ballot articles.

Mr. Tieger went over the basic ground rules and guidelines for how our town meeting is conducted. He recognized the following non-residents to be allowed to speak: Town attorney David Tower, Town manager Michael Hartman, Town engineer Randy Heglin, and Developer Terry Aho.

Mr. Tieger thanked the Fire Departments “Fast Squad” for providing refreshments.

Mr. Tieger congratulated the Conant High School girl’s basketball team for their State Title and the boy’s team for their third straight State Title.

Mr. Tieger proposed to waive reading of the Warrant in its entirety. It was so moved and seconded.

Mr. Tieger read the results of Tuesday’s voting.

Art. 3. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

So moved and seconded. Town Clerk, Maria Chamberlain apologized for the disappointment anyone had in the Vital Stats not being in the report and “it was done with only the best intentions of it being one less source

— Town Meeting Minutes —

for someone to misuse the information”. She also stated that 2007 statistics will be published next year along with 2008 statistics “unless otherwise requested.”

Owen Houghton presented the following amendment, on behalf of the Jaffrey Historical Society: “That all reports submitted by Town Officers be accepted as read and as printed in the Town Report, with the following exception: that from this time forward the Vital Statistics shall be included in the Town Report as per Article 19 of the 1981 Town Meeting; Further, that the Vital Statistics of 2007 be printed in the 2008 Town Report.” This motion was seconded.

The article, as amended, was passed by voice vote.

Art. 4. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Public Works Union, AFSCME Local 2973 that calls for the following increase in salaries and benefits, this amount is included in Article 8. Recommended by the Selectmen and the Budget Committee.

| | |
|------|----------------------------------|
| Year | Estimated Increase in Cost Items |
| 2008 | \$61,529 |

Selectman Frank Sterling moved and addressed the article.
With no discussion it was moved to vote on the article.

The article passed by voice vote.

Art. 5. Shall the Town, if Article 4 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 4 cost items only?

This article was postponed indefinitely.

Art. 6. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Police Union, AFSCME Local 3657, that calls for the following increase in salaries and benefits, this amount is included in Article 8. Recommended

— Town Meeting Minutes —

by the Selectmen and the Budget Committee.

| Year | Estimated Increase in Cost Items |
|------|----------------------------------|
| 2008 | \$65,223 |

Selectman Frank Sterling moved and addressed the article.
With no discussion the article it was moved to vote on the article.

The article passed by voice vote.

Art. 7. Shall the Town, if Article 6 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 6 cost items only?

This article was postponed indefinitely.

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$6,975,714 for general municipal operations. Recommended by the Selectmen and Budget Committee.

The article was moved by Budget Chairman Robert Bussiere and seconded by Selectman Rick Lambert. Mr. Lambert addressed the article by thanking the new town manager the tight budget.

Mr. Bussiere thanked his fellow Budget Committee members for their responsibly and diligence in addressing the budget. He stated that there is a 5.8% increase due to energy, heath service and cost of living- a “bare bones” budget.

With only one question the article was moved to a vote.

The article passed by voice vote.

Art. 9. To see if the Town will vote to raise and appropriate the sum of \$45,000, and to deposit said sum into the capital reserve fund established in 2002 under RSA 35:1, for the purpose of conducting a Town wide property revaluation. Recommended by the Selectmen and the Budget Committee.

Selectman Clay Hollister moved and addressed the article. After a couple of questions the article was moved to vote.

— *Town Meeting Minutes* —

The article passed by voice vote.

Art. 10. To see if the Town will vote to raise and appropriate the sum of \$125,000 for the purpose of purchasing new sidewalk plow. The purchase will be funded by 45,000 from Capital Reserve, \$40,000 from the Downtown TIFD and \$40,000 from the General Fund. Recommended by the Selectmen and the Budget Committee.

Selectman Clay Hollister moved and addressed the article. After a couple of comments the article was moved to vote.

The article passed by voice vote.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$25,000 for the purpose of purchasing and installing a new electrical back up generator for the Fire Department. Recommended by the Selectmen and the Budget Committee.

Selectman Frank Sterling moved the question and Selectman Rick Lambert addressed the article.

Chairman of the Budget Committee Robert Bussiere gave a “that-a-boy” to the Fire Chief in his work at getting Grant money whenever possible. After a brief question the article was moved to vote.

The article passed by voice vote.

Phil Cournoyer moderated the two articles.

Art. 12. To see if the Town will vote to raise and appropriate the sum of no more than \$70,000 for the purpose of acquiring a parcel of land (Map 239, Lot 213), consisting of approximately 1 acre, to complete the ball-field complex and as the site for a possible community center location in the future, and for costs associated with the purchase including surveys, closing costs and legal costs and other such costs necessary to complete the purchase. Funded \$35,000 from the Downtown TIFD and \$35,000 from the General Fund. Recommended by the Selectmen and the Budget Committee.

— Town Meeting Minutes —

Selectman Clay Hollister moved and addressed the article. It was explained that the land was being purchased from the State and that we could not purchase it for less than the appraisal value.

After some questions, comments and words of support for the purchase the article was moved to vote.

The article passed by a unanimous voice vote.

Art.13. To see if the Town will vote to ratify the expenditure of up to \$160,000 for the acquisition of a conservation/water quality easement and for associated costs with the purchase. Said costs to include due diligence studies, surveys, appraisal, closing costs, legal fees and other such costs necessary to complete the purchase, by negotiated purchase, gift or otherwise, as substantiated by an independent third party appraisal using funds from the existing Conservation Fund and/or grants and/or private contributions, upon certain property referred to as “Grey Goose Farmland” with two accesses both off Squantum Road, consisting of 56 acres more or less, and being shown on Assessor’s Map 242 as Lots 57.3 (31+/- acres) and 57.4 (25+/- acres), to be conveyed to the Town of Jaffrey in accordance with New Hampshire Chapter 36-A and other relevant New Hampshire statutes relating to Conservation, to be under the care, custody, management and control of the Jaffrey Conservation Commission for the purpose of protecting down gradient and subsurface water supplies, protection of agricultural soils, conservation of other natural resources including wildlife habitat and potential public access for passive recreation, and other uses consistent with the conservation, Submitted by the Conservation Commission. Recommended by the Selectmen and Budget Committee.

Art. 18. To see if the Town will vote to accept the Downtown Tax Increment Finance District Financing Plan. Recommended by the Selectmen and the Budget Committee.

Art. 19. To see if the Town shall adopt the provisions of RSA 36-A:4-a,I(b) to authorize the Conservation Commission to expend Conservation Fund funds for contributions to qualified organizations for the purchase of property interests or facilitating transactions related thereto, where the property interest is to be held by the qualified organization and the Town will retain no interest in the property. The Conservation Commission shall consult with the Board of Selectmen prior to initiating any action under the provisions of RSA 36-A:4-a,I(b). Recommended by the Selectmen and the Conservation Commission.

Art. 20. To see if the Town shall vote to adopt the provisions of RSA 36-A:4-a, I(a) to authorize the Conservation Commission to expend Conservation Fund funds to purchase interests in land outside the boundaries of our municipality, subject to the approval of the governing body. Recommended by the Selectmen and the Conservation Commission.

Art. 21. To see if the Town will vote to establish a Land Acquisition Capital Reserve Fund under the provisions of RSA 35:1 as part of the Town's Capital Improvement Program for the purpose of acquiring or assisting in the acquiring of land and conservation easements to conserve strategic open space for the Town of Jaffrey in order to stabilize tax base and help maintain scenic views, wildlife habitat and water quality. STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
ANNUAL TOWN MEETING WARRANT
2009

Elections – March 10, 2009 (8:00 a.m. to 7:00 p.m.)

Business Meeting – March 14, 2009 (9:00 a.m.)

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Veterans of Foreign War, Post 5613 in said Jaffrey on Tuesday, the 10th of March, 2009 at eight o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 14th, 2009, at the Ernest J. Pratt Auditorium in Jaffrey, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (by Official Ballot)

Selectman - one person for three-year term

Trustee of Trust Funds - one person for three-year term

Library Trustee - two persons for three-year terms

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Ordinance, as proposed by the Jaffrey Planning Board, to be voted on by official ballot:

1. Are you in favor of amending the Zoning Ordinance, Section XIV Signs, to clarify certain definitions, permitting requirements and enforcement procedures. The full text of the proposed changes is available at the Town Clerk's office and at the polling place.

LAYMAN'S LANGUAGE: This proposal clarifies definitions of

— 2009 Layman's Warrant —

permanent, non-commercial and political signs and more clearly defines when a permit is required. Permitting procedures are also clarified providing application standards, timelines for the Town's issuance of a permit and process for enforcement.

2. Are you in favor of amending the Zoning ordinance, Section V, 5.2 Areas and Setback for Buildings – All Districts, to read as follows:

5.2 No lot on which a building is located in any district shall be reduced or changed in size or shape so that the building or lot fails to comply with the lot area, frontage, setback, yard or height provisions of this ordinance that are applicable to the construction or placement of the building on the lot unless a variance is obtained from the Zoning Board of Adjustment. This provision shall not apply, however, when a portion of a lot is taken for public purposes.

LAYMAN'S LANGUAGE: The proposal specifies that a variance must be obtained from the Zoning Board of adjustment to create a lot or place a building which does not conform to the provisions of the zoning ordinance.

Art. 3. To see if the Town will vote to raise and appropriate the sum of Two Million Eight Hundred Sixty-two Thousand Dollars (\$2,862,000) for

- Water Main Replacement construction (Bullet Tank/Cathedral Road/Prescott Road - \$1.2 million)
- Water Main extension (extension to the Stone Bridge TIFD - \$1.662 million)

and to authorize the issuance of not more than Two Million Eight Hundred Sixty-two Thousand Dollars (\$2,862,000) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33, et. seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid which may be available for said project and to comply with all laws applicable to this project: further without impairing

— 2009 Layman's Warrant —

the status of this bond as a general obligation bond of the Town, it is the intention of the Selectmen that the debt service on this bond will be paid 2/3 by the Water User fees and 1/3 general tax revenue. Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Vote Required.

LAYMAN'S LANGUAGE: This article will allow the Town to participate in the proposed Federal Economic Stimulus Plan. It is likely that federal funds for water and sewer projects will be distributed through existing programs like the State Revolving Fund administered by the NHDES and existing federal and state agencies. Funding through the plan is expected to come in the form of a 75% grant, with the Town providing a match of 25%. The projects the Town has identified for participation in the stimulus plan are projects that will need to be completed within the next decade, and the Board is seeking authorization at this point in order to take advantage of federal funding should it become available. The Bullet Tank/Cathedral Road/Prescott Road project will be undertaken whether or not it is approved for participation in the Stimulus Plan.

- The Cathedral Road water main replacement project addresses flow deficiencies in this pipe which affect fire flow characteristics throughout the distribution system. This project would also be eligible for typical SRF funding with probable 30% principal forgiveness. Funds for this project have already been appropriated from the water department retained earnings account. Passage of this article would allow the leveraging of these funds to complete additional water main replacement in the area (approximately 1700 lf on Prescott Rd.) through the Economic Stimulus Plan or the State Revolving Fund. If the water main replacement project is undertaken utilizing SRF funding the loan repayment would be made from the funds appropriated for this purpose, having no additional impact on the water rate.
- The extension of the water main to the Stone Arch Bridge TIFD will be undertaken at this time if the project is approved for federal funding. The project may be eligible for federal stimulus grant funds distributed through the EDA, USDA Rural Development or Community Development Block Grant and or SRF. The project will also be eligible for regular fund-

— 2009 Layman's Warrant —

ing available through these same federal programs. This project will not proceed, at this time, unless a favorable grant package is obtained

Art. 4. To see if the Town will vote to raise and appropriate the sum of Three Million Four Hundred Thousand Dollars (\$3,400,000) for construction of a Wastewater Filtration Process, Pellet Boiler and Sewer System improvements (Inflow Infiltration Removal and Pump Station Rehabilitation) and to authorize the issuance of not more than Three Million Four Hundred Thousand Dollars (\$3,400,000) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et. seq.), as amended, and authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid which may be available for said project and to comply with all laws applicable to this project; further without impairing the status of this bond as a general obligation bond of the Town, it is the intention of the Selectmen that the debt service on this bond will be paid 2/3 by Sewer User fees and 1/3 general tax revenue. Recommended by the Selectmen and Budget Committee. 2/3 Ballot Vote Required.

LAYMAN'S LANGUAGE: This article will allow the Town to participate in the proposed Federal Economic Stimulus Plan. It is likely that federal funds for water and wastewater projects will be distributed through existing programs like the SRF administered by the NHDES. Funding through the plan is expected to come in the form of a 75% grant, with the Town providing a match of 25%. The projects the Town has identified for participation in the stimulus plan are projects that will need to be completed within the next decade, and the Board is seeking authorization at this point in order to take advantage of federal grant funding should it become available. The projects will be undertaken only if they are approved for participation in the Stimulus Plan.

The projects include the construction of a filtration system to comply with anticipated phosphorus limit in the NPDES permit. This

— 2009 Layman's Warrant —

filtration will enhance the overall quality of the wastewater effluent including but not limited to reducing the amount of phosphorus discharged to the environment benefiting the quality of water in the Contoocook River. This treatment process was removed from the previously approved wastewater treatment facility construction authorization due to financial concerns. The Town at the time was reminded that this process will likely be needed in the future. As the necessity of this treatment is likely, it is to the advantage of the town to seek stimulus funding for this project at a much higher grant level than currently available to the town. Additional work includes the installation of a wood boiler to heat the process building. This installation will reduce the town's reliance on fossil fuels. Work also includes the relining of sewer mains and rehabilitation of manholes to remove extraneous inflow and infiltration in the system, thereby reducing the amount of water that is treated at the facility and lowering the costs to operate the new facility. Additional work includes the rehabilitation of the 40 year old River Street pump station and the Nelson Circle pump station.

Art. 5. To see if the Town will vote to raise and appropriate the sum of One Million Two Hundred Thousand Dollars (\$1,200,000) for environmental assessment and commencement of preliminary design for road construction (Route 202 Bypass) and to authorize the issuance of not more than One Million Two Hundred Thousand Dollars (\$1,200,000) of bond and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et. seq.), as amended, and authorize the Selectmen to issue, negotiate sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid which may be available for said project. This project is contingent upon the receipt of grant funding. Recommended by the Selectmen. 2/3 Ballot Vote Required.

LAYMAN'S LANGUAGE: This article will allow the Town to commence with the required environmental assessment and preliminary design to allow the project to proceed and obtain placement on the NHDOT Ten Year Transportation Improvement Plan

listing of highway projects. Once projects are included on the Ten Year Plan, funding then becomes possible through various sources. The Town will seek grant funding for this environmental assessment and preliminary design through the US Department of Commerce Economic Development Agency. The application is competitive with similar projects with possible 50% grant funding. Authorization to proceed with this assessment will allow the project to be competitive and receive a higher ranking than those projects without funding in place. Other possible grant mechanisms exist through Rural Development, Community Development Block Grant, which the Town will actively pursue. Net costs will be shared between the general fund and the Downtown TIF District. This project will not proceed unless a favorable grant package is obtained. Due to the current status of this project, economic stimulus funding is not likely. The Board of Selectman will be required to hold a public hearing on this project to accept grant funds and to proceed with this environmental assessment and preliminary design.

Art. 6. To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) for the purpose of acquiring a parcel of land (Map 239, Lot 139) consisting of approximately ½ acre, to improve Humiston Field, and to authorize the issuance of One Hundred Thousand Dollars (\$100,000) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et. Seq.) as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds. Recommended by the Selectmen and Budget Committee. 2/3 Ballot Vote Required.

LAYMAN'S LANGUAGE: The Hunt property abuts Humiston Field. When the field was developed, it was configured in a way that creates a very short distance from home plate to the fence in right field. Past efforts included raising the fence to the maximum height of 10 feet. Mr. Hunt has graciously offered the property to the town at a very reasonable price. It is our intention to tear down the existing house to expand the field and, if at all possible,

— 2009 Layman's Warrant —

save the garage for storage or other use. The acquisition of the parcel will allow re-configuration of the soccer fields and allow expanded use of the field, making it more of a multi use facility.

Art. 7. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN'S LANGUAGE: The purpose of this article is to accept all reports as printed in the Town Report.

Art. 8. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Public Works Union, AFSCME Local 2973 that calls for the following increase in salaries and benefits, this amount is included in Article 12. Recommended by the Selectmen and the Budget Committee.

| Year | Estimated Increase in Cost Items |
|------|----------------------------------|
| 2009 | \$12,140 |

LAYMAN'S LANGUAGE: This article allows for the continuation of the contract as agreed to by the Town and the Public Works union and the payment of the cost items included therein.

Art. 9. Shall the Town, if Article 8 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 8 cost items only?

LAYMAN'S LANGUAGE: This article is a requirement to allow the Town to delegate the authority to the Selectmen to call one special Town Meeting to reconsider Article 8 should it fail. If Article 8 passes, then this article is passed over.

Art. 10. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Police Union, AFSCME Local 3657, that calls for the following increase in salaries and benefits, this amount is included in Article 12. Recommended by the Selectmen and the Budget Committee.

— 2009 Layman's Warrant —

| Year | Estimated Increase in Cost Items |
|------|----------------------------------|
| 2009 | \$37,983 |

LAYMAN'S LANGUAGE: This article allows for the continuation of the contract agreed to by the Town and the Police union and the payment of the cost items included therein.

Art. 11. Shall the Town, if Article 10 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 10 cost items only?

LAYMAN'S LANGUAGE: This article is a requirement to allow the Town to delegate the authority to the Selectmen to call one special town meeting to reconsider Article 10 should it fail. If Article 10 passes, then this article is passed over.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$7,590,372 for general municipal operations. Recommended by the Selectmen and Budget Committee.

LAYMAN'S LANGUAGE: This is the article which provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 13. To see if the Town will vote to modify the income limit for elderly exemptions from property tax in the Town of Jaffrey, to a net annual income of not more than \$24,000 or, if married, a combined annual income of less than \$30,000. This change to the elderly exemption will take effect April 1, 2009.

LAYMAN'S LANGUAGE: This article will change the income limits for elderly property tax exemptions. The current income limits were adopted in 1998.

Art.14. To see if the Town will vote to raise and appropriate the sum of \$3,000 to be deposited into the Cemetery Trees Trust Fund established in 2007. Recommended by the Selectmen and Budget Committee.

— 2009 Layman's Warrant —

LAYMAN'S LANGUAGE: The Cemetery Trust Fund was created in 2007; its purpose is to set aside funds for the removal of trees in the Town's cemeteries. Several large trees have been identified for removal as they pose a threat to historic gravestones. Removal costs will be very expensive and the fund has been established for these expenditures. A separate fund has been established to accept private donations and the private and public funds are maintained separately by the Trustees. The current balance of private funds is \$519.81 and public funds total \$8,103.70.

Art.15. To see if the Town will vote to raise and appropriate the sum of \$2,500 to be deposited into the Gravestone Restoration Trust Fund established in 2000. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The Gravestone Restoration Fund, created in 2000, is used to repair and maintain gravestones in Jaffrey's cemeteries that have been damaged or vandalized, specifically in those instances where no family member can be found to assume responsibility. Work is generally done in the Fall by a professional monument company. The current balance in the fund is \$2,356.02

Art.16. To see if the Town will vote to raise and appropriate the sum of \$3,000 to be deposited into the Meeting House Trust Fund established in 1991. Recommended by the Selectmen and Budget Committee.

LAYMAN'S LANGUAGE: The Meeting House Trust Fund was created in 1999 and is overseen by the Trustees of Trust Funds. Prior to last year's appropriation, funds had not been placed in the fund since 1999. The current balance is \$27,265.38.

Art. 17. To see if the Town will vote to accept the Stone Arch Bridge Tax Increment Finance District Financing Plan. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The Stone Arch Bridge TIFD encompasses all of the Industrial District which is bordered by Route

— 2009 Layman's Warrant —

202 as well as lands to the north of 202 along Nutting Road and extending south toward Turnpike Road. Residential properties along Fitch, White and Cheshire Roads have been excluded from the tax increment assessment. The Stone Arch Bridge TIFD funds the bond payments for the intersection and bridge improvements from Route 202 onto Old Sharon Road providing adequate access to the District. The study evaluating possible alternatives for providing water and fire protection to the District was completed in the fall of 2008, and the EDC has recommended extension of the water main. Funds have been included in the TIFD budget to commence design work on the recommended alternative.

Art. 18. To see if the Town will vote to accept the Downtown Tax Increment Finance District Financing Plan. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The Downtown TIFD includes the Downtown District and the Main Street Program area. The TIFD supports TEAM Jaffrey, the bond for the Community Center Ballfield, pedestrian enhancements through sidewalk improvements, infrastructure and public facilities projects and analysis of traffic mitigation proposals. This year's plan also includes funding for repairs to the Main Street dam as well as funds for the demolition and removal of the Elite Laundry buildings and hazardous materials.

Art. 19. To see if the Town shall adopt the provisions of RSA 36-A:4-a,I(b) to authorize the Conservation Commission to expend Conservation Fund funds for contributions to qualified organizations for the purchase of property interests or facilitating transactions related thereto, where the property interest is to be held by the qualified organization and the Town will retain no interest in the property. The Conservation Commission shall consult with the Board of Selectmen prior to initiating any action under the provisions of RSA 36-A:4-a,I(b). Recommended by the Selectmen and the Conservation Commission.

LAYMAN'S LANGUAGE: This article will allow the Conservation Commission to have the ability to support land protection

by giving money from the Conservation Fund to qualified organizations (such as a land trust) without taking a property interest in the property that is to be protected. Caring for conservation land entails costs in money, time and responsibility and there are instances where partnering with another organization may be the most efficient use of conservation funds.

Art. 20. To see if the Town shall vote to adopt the provisions of RSA 36-A:4-a, I(a) to authorize the Conservation Commission to expend Conservation Fund funds to purchase interests in land outside the boundaries of our municipality, subject to the approval of the governing body. Recommended by the Selectmen and the Conservation Commission.

LAYMAN'S LANGUAGE: This article will allow the Conservation Commission to have the ability to expend Conservation Fund money on projects that occur outside the municipal boundaries of Jaffrey. Important natural resources like drinking water supplies, aquifers, wildlife corridors etc. often cross Town boundaries. This article would allow communities to work together to protect the whole natural resource. Expenditures require the approval of the governing body.

Art. 21. To see if the Town will vote to establish a Land Acquisition Capital Reserve Fund under the provisions of RSA 35:1 as part of the Town's Capital Improvement Program for the purpose of acquiring or assisting in the acquiring of land and conservation easements to conserve strategic open space for the Town of Jaffrey in order to stabilize tax base and help maintain scenic views, wildlife habitat and water quality. Recommended by the Selectmen and Conservation Commission.

LAYMAN'S LANGUAGE: A Capital Reserve Fund is like a savings account for future expenditures. By putting a portion of anticipated costs aside on a regular basis, a big jump in the tax rate or the need to borrow can be avoided. In the past purchase of land and easements were made out of the Conservation Fund, which is now depleted for that use. The recent completion of a Natural Resources Inventory will enable the Town to prioritize lands for protection.

— 2009 Layman's Warrant —

Art. 22. To see if the Town will vote to raise and appropriate \$5,000 to be placed in the new Land Acquisition Capital Reserve Fund. Recommended by the Selectmen, Conservation Committee and Budget Committee.

LAYMAN'S LANGUAGE: This article will place \$5,000 into the Land Acquisition Capital Reserve Fund created by Article 21. If Article 21 fails then this article is passed over.

Art. 23. To see if the Town will vote to raise and appropriate the sum of \$16,000 to support the Jaffrey-Rindge Memorial Ambulance for the ensuing year. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The Jaffrey – Rindge Memorial Ambulance has submitted this request which is \$2,000 less than last year.

Art. 24. To see if the Town will vote to raise and appropriate the sum of \$7,000 for the support of the Monadnock Community Early Learning Center, a non-profit agency, or take any other action relating thereto. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article that we receive annually and provides a community benefit to the residents of Jaffrey and the region.

Art. 25. To see if the Town will vote to raise and appropriate the sum of \$7,163 for Monadnock Family Services, or take any other action relating thereto. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article that we receive annually and provides a community benefit to the residents of Jaffrey and the region.

Art. 26. To see if the Town will vote to raise and appropriate the sum of \$17,000 to support HCS – Home Healthcare, Hospice and Community Services to support the continuance of visiting nursing services being pro-

— 2009 Layman's Warrant —

vided to the residents of Jaffrey. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article that we receive annually and provides a community benefit to the residents of Jaffrey and the region.

Art. 27. To see if the Town will vote to raise and appropriate the sum of \$6,000 to help support the work of The Community Kitchen, Inc. in Keene, NH. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article that we receive annually and provides a community benefit to the residents of Jaffrey and the region.

Art. 28. To see if the Town will vote to raise and appropriate the sum of \$3,800 to Southwestern Community Services, Inc., a private non-profit, multi-service, anti-poverty agency. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article that we receive annually and provides a community benefit to the residents of Jaffrey and the region.

Art. 29. To see if the Town will vote to raise and appropriate the sum of \$5,000 to the Park Theatre in Jaffrey, New Hampshire to demonstrate the Town's commitment to the restoration and re-opening of the Theatre for the benefit of its residents, businesses, schools and visitors and the greater Monadnock region beyond. Submitted by Petition. Recommended by the Selectmen and the Budget Committee

LAYMAN'S LANGUAGE: This is a new petition article that would demonstrate the Town's commitment to the restoration of the Park Theatre providing a community benefit to the residents of Jaffrey and the region.

Art. 30. To take up any other business which may come legally before this meeting.

Indefinite Delegation of Authority

— Indefinite Delegation of Authority —

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as “boilerplate articles.” During the 1999 annual meeting, Jaffrey’s citizens voted (Articles 32-38) to “authorize indefinitely, until specific rescision of such authority” the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire *Revised Statutes Annotated (RSA) 31:95-b*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH *RSA 202-A:4-c*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH *RSA 33:7*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVISES

Shall the Town accept the provisions of NH *RSA 31:19*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to

— Indefinite Delegation of Authority —

accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH RSA 31:95-e, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH RSA 202-A:4-d, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH RSA 80:80, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Jaffrey, New Hampshire

We have audited the accompanying financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire as of and for the year ended December 31, 2007, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2007, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 13, 2008, on our consideration of the Town of Jaffrey, New Hampshire's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in conjunction with this report in considering the results of our audit.

The management's discussion and analysis and budgetary comparison information on pages i-v and 28-29, respectively, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We

— *Audit Report* —

have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Jaffrey, New Hampshire's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards, the combining nonmajor fund financial statements and the combining statement of fiduciary net assets have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Amounts reported for governmental activities in the statement of net assets are different because:

| | |
|--|----------------------|
| Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds | 15,322,380 |
| Property taxes are recognized on an accrual basis in the statement of net assets, not the modified accrual basis | 651,122 |
| Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. Long-term liabilities at year end consist of: | |
| Bonds payable | (3,318,823) |
| Capital leases payable | (117,692) |
| Compensated absences payable | (45,334) |
| Other long-term obligations | (5,299,799) |

— Alice Poole Fund —

During the year 2008, the Alice Poole Fund Committee has met on a regular basis and has been busy working with the elderly and needy residents of our community.

Again this year we made contributions to the annual Santa's House, and Jaffrey Food Pantry. We contributed to the Good Shepherd Birthday Fund and re-newed magazine subscriptions for that home. We also gave, for the first time in several years, three new student loans for Conant High School students going off to college.

We sponsored fourteen young children at the AIM summer camp offered by the Jaffrey Recreation Department.

Elderly residents were remembered with small gifts during the year. Gift certificates were purchased at Wal-Mart and at our local grocery stores and were distributed during the Holiday Season and at other times during the year.

Also this was the second year that we have received donations from private individuals in memory of deceased loved ones or in one case a matching donation from a local employer.

As usual, The Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund Trustees in accordance with the will of Alice Poole.

We feel that we have had a very busy and rewarding year.

Reports Boards, Commissions, and Committees

— Board of Selectmen —

This past year, the major event for our Town was the December ice storm. We all have stories to tell about damage, cold, power or lack of it, phones or not, food and friends. The most common conversation starter for weeks was: “How long did you go without power?” And this was usually followed by comments about how well our Town services performed. We note with pride and gratitude the work of our Fire Chief David Chamberlain and his volunteer firefighters, Police Chief Bill Oswalt and his officers, Randy Heglin and his DPW staff, Walt Pryor and the Rec. staff and the crews of the Jaffrey-Rindge Memorial Ambulance Service.

These people worked long hard hours in very difficult circumstances, often around the clock, to help us all get through this unique and dramatic event safe and sound. We are lucky to have such dedicated people and we owe them a huge debt of gratitude.

The rest of the year was one of quiet, steady progress on many fronts. The Community Center project, off Union Street, moved another step closer to completion with the acquisition of the last piece of land needed to complete the parcel for a future Community Center. This land, just under one acre, was owned by the state and the Town needed it in order to have the space for the Center as well as parking for the ball field. The Town successfully negotiated with the State and purchased the property. The plans for building of the Center are proceeding forward under a very active committee. The ball field was opened and had a very successful, busy year. The highlight, of course, was the Jaffrey-Rindge Rotary Club sponsored softball game between the staffs of Jaffrey and Rindge. Jaffrey won and holds the cup.

The new Waste Water Treatment Plant is nearing completion and is scheduled to open Spring ‘09. It is on time and slightly under budget. This is not often the case with such large scale municipal projects and is the result of close monitoring by DPW and or contractors. It will result in higher user fees and operating costs but it will be in compliance with state and federal regulations and it will result in a cleaner Contoocook River. We are hopeful that State will not cut the promised 30% grant funding for this plant. The economic crisis facing New Hampshire has forced a delay in funding for other such projects. We are not eligible until 2010, but have already been in contact with our Representatives and DES.

— Board of Selectmen —

Work continues on solving the environmental problems associated with the Elite Laundry site on Rt. 202. While much has been done to remove the contaminated soil, there are still issues which will require remediation and monitoring for years to come. Such activity will be the responsibility of the Town. We have been in discussions with State and Federal officials and our plan is to tear down the buildings this spring, clear the land and then sell off three of the four lots. The proceeds will go to help cover the yearly cost to mitigate and monitor the remaining pollution. Once we have the system in place, the three lots could be sold with the new owners held harmless of any potential liability.

As required by DES and approved at Town Meeting in 2005, the Town has installed redundant wells at Turnpike and Contoocook well sites. Work continues on completing the Town's third well off Squantum Road and we expect to be able to bring it on line next year. In conjunction with the 3rd well, the Conservation Commission received endorsement at Town Meeting to purchase a conservation/water quality easement to the "Grey Goose Farmland" to protect the water quality of the subsurface aquifer and down gradient public wells. Funding was from the Conservation Fund; execution of the due diligence and a baseline survey of the existing natural features came via the Conservation Commission.

The Town has hired Gomez & Sullivan to complete a hazard analysis to verify the hazard classification of the Main Street Dam. In addition the firm will complete emergency operations and flood inundation mapping and update the Town's Operation and Maintenance plan for the dam. The Town is currently soliciting proposals to repair and/or replace the gate and gate mechanisms on the dam.

The Department of Public Works has prepared a report detailing several possible options for providing fire protection to the Stone Bridge TIFD. This report is presently under review by the Town's Economic Development Committee.

The Board greatly appreciates the work of our Town employees, the many committee volunteers and the support of the community.

— *Town Moderator* —

It is my pleasure, once again, to report to you, the voters of the Town of Jaffrey. In 2008 there were four elections held at our “new” location, the Veterans of Foreign Wars Post 5613 facility on Hathorn Road, just off Route 202. In January we had the much – heralded Federal Primary; in March the election for municipal and school offices; the Federal and State Primaries were held in September and, of course, the Federal Election in November at which almost 3,000 votes were cast. Due to unfortunate circumstances I was unable to be present on Election Day. However the event was very well- managed because of good prior planning, excellent cooperation from all of the supporting departments and our hosts, and the superior efforts of our moderator pro-tem, Jeanne LaBrie. I am so very proud that we in Jaffrey reflect the philosophy of our Secretary of State William Gardner in affirming that the election process employed in New Hampshire is beyond reproach. I have recommended to the Selectmen that we continue to have our elections at the VFW and that we utilize Pratt Auditorium for the recessed business portion of our annual Town Meeting. Special thanks to Assistant Moderator at Town Meeting Phil Cournoyer, The Jaffrey Chamber of Commerce, Jaffrey Department of Public Works, The Jaffrey Police Department, Dawn Oswalt, Parks and Recreation, Steve Rigopoulos of Steve’s Lettering, Rob Stephenson, Roy and Nancy Stone, to the Supervisors of the Checklist, the folks at the VFW, our dedicated volunteer election officials, and to our Town Clerk Maria Chamberlain who makes it all work.

Respectfully submitted,

THE CEMETERY COMMITTEE was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey's public cemeteries: Conant, The Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is composed of representatives of the American Legion and Veterans of Foreign Wars, the Historical Society, Cournoyer Funeral Home, the Board of Selectmen and three appointed Members at Large. Town employees Randy Heglin, Rick Forcier and Peachie Chalke assist the Committee in its work.

*Section I only.

During 2008 the Committee met six times with Town staff to discuss operation, budget and maintenance issues, to participate in work sessions or to undertake inspections and cleanups. Each cemetery is overseen by a member of the Committee. This oversight involves inspecting the cemetery from time to time and reporting on conditions and problems at Committee meetings.

A Cemetery Trees Fund was established at the 2007 Town Meeting. At last year's Town Meeting, \$3,000 was added to the original \$5,000 (and \$500 in private contributions). The present balance is \$8,624. This fund has paid for the removal of a very large dead maple tree in the Old Burying Ground. Treework is planned for this Spring at Phillips-Heil and Conant Cemeteries.

This past Fall, repair to headstones and lot curbing in Conant and Cutter

— Cemetery Committee —

Cemeteries was undertaken by the Kaufhold Family Memorials & Stone Works of Peterborough. Additional stone straightening was also done by volunteers, mainly in the Old Burying Ground.

Phase III of the volunteer effort of restoring the iron fencing surrounding John Conant's grave at the cemetery named for him was undertaken by members of the Committee and others. Two sections were scraped and partially painted. With luck this project will reach the half-way point in 2009. Anyone wishing to help out for a two- or three-hour work session should contact a member of the Committee.

On November 13th the Committee and Public Works staff visited all active cemeteries and removed all unauthorized materials from gravesites. This was preceded by newspaper advertisements and signs posted at each cemetery. This is now done annually after October 31st.

Residents and lot owners are reminded that the Town's Cemetery Rules & Regulations and A Guide to the Public Cemeteries of Jaffrey are available from the Department of Public Works and on the Town website at <http://town.jaffrey.nh.us>.

The Ice Storm of December 11th & 12th resulted in many tree branches coming down in all the Town's cemeteries. At least two headstones were broken at the Old Burying Ground and one at Phillips-Heil. Portions of the fencing at Conant were damaged. A considerable amount of cleaning-up will be required when conditions permit.

The contract for maintaining Jaffrey's cemeteries and other public spaces was advertised in December. The Committee looks forward to working with the winning bidder.

The Committee thanks those volunteers who have shown an interest in Jaffrey cemeteries by devoting their time and attention to their care and maintenance over the past year.

And lastly, the Committee looks forward in 2009 to 1) improving cemetery record keeping including computerization; 2) continuing the restoration of the iron fencing around John Conant's grave; and 3) finding ways and means to remove several aged trees posing a hazard in the Old Burying Ground and to maintain and replace trees in the Town's other cemeteries.

— Community Center Committee Report—

The ball field has been used consistently and the concession stand's foundation has been poured and will be completed this spring.

Last year you voted to purchase from the State, the land on which the Community Center is to be built. Thank you one and all!!

Now to finish this project we need the building. The building will fit on the land purchased from the State.

This year we have continued to tweak the plans. We have elevation designs for the building and are working on structural designs.

We are presently developing operational costs and plan to contact energy auditors, are applying for grants, will begin fund-raising events and hope to talk to contractors and seek bids.

We will keep the public informed with some informational meetings and continue to ask for your input.

Following are a front elevation design and a floor plan. Please call me or any member of the committee for any concerns, ideas or desire to help.

— *Conservation Commission* —

The Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watersheds. The Commission provides a focal point within the town and its government for environmental concerns, joined in 2007 by the Energy Committee. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission may then manage these conservation areas. The Commission also manages designated town forests.

2008 was a busy and productive year for the Jaffrey Commission. Much was accomplished; and several initiatives launched in 2008, or earlier, are sufficiently advanced that they should be completed by Town Meeting in March 2009. Among the highlights:

The Commission completed purchase of a conservation easement on 56 acres of meadow and woods off Squantum Road known as Gray Goose Farm. This property is a watershed vital to protecting the aquifer that sustains the existing town well and a prospective new town well on its downside. The Commission also funded a baseline survey documenting the property's natural features. When completed, in January 2009, the survey will assist the Commission in its annual monitoring of the property to ensure future compliance with terms of the easement. To the best of our knowledge, this is the first time that the Commission will assume responsibility for managing an easement on behalf of the town.

- The Commission completed its management plan for the new Cheshire Pond Conservation Area (CPCA), the 66-acre parcel purchased by the Commission in 2007. This property also protects a large aquifer on which much of the town's water supply depends, while protecting water quality and fish habitats of the Contoocook River and Cheshire Pond and providing recreational opportunities close to the town center. The product of a lengthy process of public deliberation, the management plan lists permitted and not permitted uses; it may be found on the town website.
- Most importantly, the Commission expects to complete, at long last, Jaffrey's first Natural Resource Inventory (NRI) in February 2009.

— *Conservation Commission* —

This has been a major preoccupation in 2008, especially working with the contractor on preparation of maps locating natural features of significance. Completion of the report will be accompanied by a public rollout. It is hoped that the NRI will serve as a strong foundation for deliberation, in 2009 and beyond, concerning the town's priorities in land preservation and potential new ways of funding land acquisition. When finalized, the NRI will be posted on the town website.

An important responsibility is assistance to property owners. The Commission regularly reviews and signs off on citizen applications to the NH Department of Environmental Services (DES), and this often involves extensive discussion with owners concerning options and a preferred course of action. There were eight such instances in 2008, ranging from wetlands crossings to tree removal and placement of a retaining wall. Additional cases entailed possible violations. The Commission also deliberated with the Selectmen on issues ranging from rights of public access to land coming under easement to the status of a wilderness road no longer in use and repeal of a 1987 ordinance restricting the discharge of firearms. Similarly, it sent advisory letters to the Planning Board and Zoning Board on several proposals having environmental impact, the most significant of which urged upholding the wetlands ordinance in a case involving shore frontage requirements.

In a development having broad implications, the Commission in 2008 began interacting with citizens and officials in neighboring towns, mostly to protect lands whose ecosystems cross town lines and/or comprise a contiguous expanse of unfragmented wilderness. The Commission encouraged initiatives in Dublin and Peterborough that have a direct bearing on land in Jaffrey. The Commission also advised its counterpart in Peterborough on pitfalls to avoid in doing a natural resource inventory, and it shared project documents on Jaffrey's NRI with the Selectmen of Troy. Inter-town collaboration is likely to expand in the future, something the Commission views as a definite plus for all concerned.

In 2008, as in previous years, the Commission contributed to Riverfest, manning a booth with maps and photographs of interest, plus informational handouts on watersheds, pressures on land, ticks and wildlife-related diseases. The Commission also sponsored a nature walk in Children's

— *Conservation Commission* —

Woods led by Paul St. Pierre. Again this year the Commission provided scholarship support for two Jaffrey students to attend Camp Wildwood, an educational program in Rindge sponsored by Mass Audubon.

Other developments of note include arranging with the Town Clerk to ensure that any conditions in DES-approved projects are brought to the attention of the Building Inspector so that he can monitor compliance, and clarification with the Town Manager of what is and is not permitted under the new Right-to-Know Law concerning use of email communications in the conduct of the Commission's work. The latter is one of several initiatives to streamline operations. Others include improved management of the Conservation Fund, specifically with regard to tracking revenues, commitments, and expenditures associated with different projects; centralization of project files at the Town Offices to bring previously disparate documents (surveys, appraisals, environmental assessments, deeds, etc.) together and thereby facilitate ease of access; posting more materials of public interest on the town website and keeping them current; and otherwise enhancing visibility and accountability to the larger community.

The Commission held its first-ever retreat in April, facilitated by Brenda Bhatti. Members of the Commission also attended the annual "Saving Special Places" symposium, which brings together leading conservation organizations throughout New Hampshire, and six other conferences in 2008. Subject matter covered in these meetings include the state's Wildlife Action Plan, changes to the Shoreland Protection Act, the new round of Moose Plate grants, and requirements of the updated Right-to-Know Law passed this year. Especially valuable was a "Land Conservation Leadership Training Program" sponsored by The Monadnock Conservancy (MC), the Society for the Protection of New Hampshire Forests, and other organizations, which featured five three-hour sessions from October to December on easement acquisition and management, the work of land trusts, outreach to landowners, selection criteria, and program evaluation. This training program will culminate in a "Land Summit" of towns in the Monadnock region at the end of January 2009, followed by extension of MC's Community Conservation Partnership to towns south and east of the mountain, potentially including Jaffrey.

— *Conservation Commission* —

As we enter 2009, the Commission is working on an action plan to enhance public access to and enjoyment of the Cheshire Pond Conservation Area. A similar effort is underway to improve the Commission's management of Children's Woods, including possible creation of a school-based conservation corps for trail maintenance and ecological studies. Clarification of the Commission's responsibility for managing other town forests is also on the agenda, as is the possibility of using "Leave No Child Inside" legislation to leverage funding that could link easements, farmland, and other open space to educational opportunities for children. The Commission has also begun to examine offering support to other organizations whose conservation work on the ground – for example, protecting Jaffrey's lakes and ponds from invasive species of exotic aquatic plants – is of clear benefit to the town.

Looking ahead, completion of the NRI is an opportunity for Jaffrey to think more ambitiously and plan more consciously for land preservation in the years ahead. Among the options for consideration are the following:

- Establishment of an Open Space Committee comprised of town officials and citizens to prioritize lands for protection and to develop a strategy of engagement with owners of high-value conservation property. Negotiations are currently underway to place easements on several strategically located properties in Jaffrey, making it all the more important that the town's own priorities come into play.
- Creation of a Land Acquisition Capital Reserve Fund to enable purchase of high-value land when on the market and possibly to secure easements on land remaining in the same hands. The Conservation Commission's ability to pursue these objectives via the Conservation Fund has been greatly diminished by recent purchases (CPCA and Gray Goose; total of \$340K) and by the loss of 50% of timber cut revenues in the coming decade. Projecting past revenues from timber cuts to this time period suggests an aggregate loss to the Conservation Fund of \$122.2K between 2008 and 2018. The Conservation Fund currently has only \$7.6K in uncommitted funds available for discretionary spending. Revenues from the Land Use Change Tax will help; but they have averaged only \$40.7K per year over the past six years, an annual flow insufficient to permit costly acquisitions more than once or twice a decade.
- Participation in The Monadnock Conservancy's Community

— *Conservation Commission* —

Conservation Partnership to access professional advice and organizational capacity, augment available resources, share cost burdens, and coordinate with adjacent towns participating in the Partnership.

Transitions: The Commission bade farewell to Brenda Bhatti in 2008. Brenda was a long-time member, chair, resident expert, and friend whose vision, skill, and tenacity brought the Commission to new heights of achievement. She is now applying her extraordinary energy to the preservation of Jaffrey's farmland. The Commission welcomed Patricia T. Weiner as a new Alternate Member, and her presence has already been felt in a most positive way. Joining the Commission's deliberations in 2008 as the Selectmen's Representative is Donald A. MacIsaac. Don's guidance and advice have been very helpful in reality-checking ideas big and small. Another welcome resource is Jo Anne Carr, whose arrival in August as the town's Director of Planning and Economic Development has been of tremendous benefit to the Commission. An internal development of significance is the willingness of Carolyn D. Garretson to replace Brenda Bhatti as the Commission's Financial Officer, in which capacity she has already made huge contributions in a short time.

— Economic Development Council —

The Economic Development Council (EDC) is made up of business people, community leaders, and local residents with an interest in promoting the economic vitality and growth of Jaffrey.

Two key projects have been completed this year, the Downtown Traffic Study and the Stone Bridge TIFD Fire Protection Alternatives Analysis. The Feasibility Study for the Route 202 “dogleg” based on the earlier report and consensus on the preferred alternative assesses existing conditions and environmental constraints for potential locations of a river crossing south of Main Street. The full report is available on the Town website. The Stone Bridge Fire Protection Study presents several alternatives and cost estimates for construction, and operation and maintenance for potential water supply systems to the TIF District. This report is available through the Economic Development Office.

The Tax Increment Financing Districts have provided funding for several important projects in the Downtown and Stone Bridge districts which are summarized below.

Downtown Projects:

| | | |
|--------------------------------|-----------|---|
| TEAM Jaffrey | \$30,000 | Team Jaffrey Support – administration |
| Community Center Bond | \$27,175 | Bond for the land purchase and building demolition at the Community Center Ballfield Site. |
| Community Center Planning | \$10,000 | Architectural design for Community Center and survey work. |
| Community Center Land Purchase | \$35,000 | Land Purchase for an additional parcel from the state bordering the ballfield. |
| Pedestrian Enhancements | \$10,000 | Pedestrian Enhancements are ongoing sidewalk repairs and improvements. |
| Sidewalk Plow | \$40,000 | Purchase of a sidewalk plow – cost shared through DPW budget. |
| Downtown Traffic Study | \$22,800 | The Downtown Traffic and Intersection Improvements for the “dogleg” report is complete, pending final public meeting. |
| Downtown Dam | \$60,000 | The Downtown Dam assessment and repair work will be ongoing through FY 09. |
| Administration | \$6,000 | Economic Development administration costs |
| Expenses: | \$240,975 | Note any unexpended funds or revenues not anticipated at the onset of the fiscal year are returned to the General Fund. |

— Economic Development Council —

Stone Bridge Projects:

| | | |
|---------------------|-----------|---|
| Bridge Bond | \$63,931 | Bond payments for the intersection improvements at the Old Sharon Road and Route 202 intersection. |
| Cistern Work | \$16,000 | Projects not complete: retaining wall for support of the cistern in place. |
| Water Main (Design) | \$60,000 | Water Main alternatives analysis data collected in-house, peer review for cost estimates and engineering complete. |
| Administration | \$6000 | Economic Development administration costs. |
| Expenses: | \$145,931 | Note any unexpended funds or revenues not anticipated at the onset of the fiscal year are returned to the General Fund. |

We look forward to the coming year and the opportunities it will present as we proceed with ongoing projects and begin new initiatives to help sustain Jaffrey's economic vitality.

— *Energy Committee* —

At its November 20, 2008 meeting, the Jaffrey Energy Committee adopted comprehensive By-Laws to govern its operations. The purposes to be served by the Committee are set forth in Article II of the By-Laws as follows:

“The Jaffrey Energy Committee, acting as advisor to town officials, the schools, businesses and residents on energy matters, will seek to encourage energy conservation and sustainability (and to save money wherever possible) through the wise use of energy, giving special attention to minimizing carbon dioxide emissions, fossil fuel dependency, and wasteful energy consumption while maximizing clean renewable energy use.

“Among numerous critical energy challenges and opportunities, the Committee shall advocate:

- Reduction of energy and environmental waste through smart recycling.
- Reduction of carbon and other harmful fuel emissions through technological innovations and through shifts to alternative energy sources that minimize fossil fuel dependency.
- Reduction of costs of residential, commercial and town lighting through elimination of unnecessary lighting, use of low energy lighting sources, and good lighting management practices.
- Reduction of heating and air conditioning costs in buildings by maximizing energy conservation and efficiency and other performance factors.
- Increase of energy efficiency through reformed building and property development codes.
- Collaboration with other local, state and national organizations, including other town energy committees, to advance the above-stated purposes.”

Members of the Committee now include Richard Ames (Chair), Doug Clayton, Margaret Dillon, Ed Surprenant, Andy Jones, Bonnie Mitchell, Rob Stephenson, Douglas Starr and Harry Young (Vice-Chair). The Committee encourages all those interested in participating in the work of the Committee to contact its Chair for further information.

Waste and inefficiencies in the Town’s street lighting system have been a principal focus of the Committee in 2008. The Town’s ad hoc Street Lighting Committee, established by the Selectmen in late 2007 with a mandate to “study the town’s lighting to save money and reduce global

— Energy Committee —

warming” and chaired by Energy Committee Vice-Chair Harry Young, has adopted the following draft statement of the principles and criteria that it believes should guide the Town’s consideration of its street lighting needs:

Draft Guiding Principles

Provide Needed Lighting: Impelled by critical public safety and community concerns, the Committee is seeking to ensure that the Town of Jaffrey has an aesthetically appropriate street lighting system sufficient to meet the needs of its residents.

Conserve Energy: Impelled by critical global warming and energy security concerns, the Committee is seeking to reduce, to the maximum extent feasible consistent with the Town’s street lighting needs, the energy consumed by particular streetlights and by the Town’s entire street lighting system.

Save Money: Impelled by critical Town budget and tax burden concerns, the Committee is seeking to reduce, to the maximum extent possible, the recurring and long-term costs of the Town’s street lighting system.

Draft Guiding Criteria

Intersections: In general, there should be streetlights sufficient to signal the location of each intersection of major public roads where there is significant vehicular traffic.

Sidewalks: In general, there should be streetlights sufficient to illuminate sidewalks in densely populated areas where there is significant pedestrian movement.

No Wasted Light: The light provided by each street light should be no more than what is necessary to accomplish its purpose, should not illuminate the night sky, and should not shine into neighboring windows or yards.

Energy Efficient Lighting: The Town’s new street lights should be state-of-the-art in terms of the light (lumens) provided per watt of energy consumed and in terms of their long-term durability and maintenance needs.

Consistent Lighting: In general, there should be one consistent type of street light, providing light of the same color (whether yellow-looking as in high pressure sodium lights or white-looking as in metal halide lights), used throughout Town.”

— *Energy Committee* —

The ad hoc Street Lighting Committee has completed a comprehensive survey of all of the Town's streetlights. Preliminary recommendations for change have been formulated, providing for (1) removal of 88 of the Town's 228 streetlights, (2) replacement of all remaining lamps outside of the Historic District with energy efficient metal halide lamps (each rated at 50 watts and 4000 lumens), and (3) keeping for now the existing 13 specialized lights in the Historic District (pending further review). Significant monetary and energy savings are expected if this preliminary plan, after further review with Town officials and citizens, is accepted and implemented by the Town. The ad hoc Committee fully expects that some changes in its recommendations, both for keeping and for removing particular streetlights, will prove necessary as the review process proceeds.

Respectfully submitted for the Jaffrey Energy Committee by,

Richard Ames, Chair
Harry Young, Vice-Chair

— *Historic District Commission* —

The Jaffrey Historic District Commission was established by the citizens in 1969 to safeguard the heritage of Jaffrey Center by a) preserving a district that reflects elements of its cultural, social, economic, political and architectural history, b) conserving property values in the district, c) fostering civic beauty, and d) promoting the use of an historic district for the education, pleasure and welfare of the citizens.

In the year 2008, the Historic District Commission met 8 times to discuss business relating to the Commission's ordinance to "regulate the construction, alteration, painting, moving, demolition, or use of the structures and places" within the district. During the year two formal applications were filed:

Application No. 91 – Hampsey & Grenier Associates LLC – 371 Main Street, within the Historic District with Town water – The Applicant proposes to operate a real estate office within a residential district – APPROVED

Application No. 92 – Robert B. Stephenson – 347 Main Street, within the Historic District with Town water – The applicant proposes to re-roof the main house with red cedar shingles (as present) or with yellow pine shingles, rebuild both chimneys from below the roof, and remove the dormer on the west roof and deck prior to re-roofing – APPROVED

The Commission has expanded its focus outside the Jaffrey Center Historic District to the town as a whole through Jaffrey's participation in the Certified Local Government (CLG) program, a nationwide effort of the National Park Service that is administered by the NH Division of Historical Resources in Concord. The project of the web-based historical and cultural resources interactive database for the Town of Jaffrey (funds granted by the 2007 CLG application) has been undertaken by Robert B. Stephenson and Sean Driscoll. The website address is www.jaffreyhistory.org. The 2008 CLG application was submitted and funds approved for the completion of a Survey Area Form of Squantum Village, the earliest settlement (1740s) in the Jaffrey Township, by a certified Preservation Planner.

Three members of the Commission attended the Heritage and Historic

District Commission Training held in Lawrence Barn, Hollis, NH, in March 2008, as well as one member attended the forum on cellar holes at the Harris Center for Conservation Education.

The Town of Jaffrey Street Light Committee has been in conversation with the Commission regarding the requirements for the Jaffrey Center Historic District.

The Commission cosponsored the annual event of a reading of the Declaration of Independence on July 4th at the Meetinghouse which was well attended by Jaffrey residents as well as many people from surrounding towns.

The Commission would like to extend its sincere thanks to the residents and neighbors of the District for cooperating and considering the impact any changes to their houses might have on the overall character of the Historic District.

The Commission would like to thank the Selectmen's Meetinghouse Committee for the continuing coordination and ongoing restoration of the Meetinghouse.

All residents are reminded that the Historic District Commission's regular monthly meetings are held on the first Thursday of the month at 7pm. Winter meetings are in the Town Office; summer meetings are in the Meetinghouse.

During 2008 the library saw usage increases in all areas of our collection resulting in an overall increase of 12% in our circulation. The use of the public access internet also showed a substantial increase of 44%. More and more of our patrons are using these computers to perform job searches and submit resumes. We also provide wireless access for those of you with laptop computers.

Encouraging reading in our younger users is a high priority at the library. Our staff visits area daycare and preschool facilities to offer our resources and services. We have extended an invitation for school classes to visits the library and we have met with success. The number of class visits from Jaffrey Grade School grew from 114 to 136 in 2008.

The annual Summer Reading Program encouraged kids to “Get a Clue @ your Library”. 146 kids read and listened to books for a total of 2,638 hours! Mr. Phil returned as our kick-off event with magic and storytelling on the library lawn. Throughout the summer members enjoyed crafts, special presentation and our culminating event a mystery hunt on all three floors of the library.

Recorded books continued to be our most popular collection. We purchased new titles monthly and continue to be a member of the Downloadable Audio Program offered through the NH State Library. This program allows anyone with a Jaffrey library card the ability to download audio books to a computer, transfer them to an MP3 player or burn selected titles to CDs. There are thousands of titles and it's free with your library card. The web site is <http://nh.lib.overdrive.com> or you can click on the icon on the library website.

The Friends of the Library helped us by fund raising and by sponsoring various speakers, educational events, and the Summer Reading Program. This year they sponsored two performances funded with the help of the New Hampshire Humanities Council. In May we had an informative discussion by Allen Koop about the “White Mountain Huts: past and future”. In September we filled the Cutler Memorial Building with “Songs of Old New Hampshire” performed by Jeff Warner. This program featured the songs of Lena Bourne Fish who lived in Jaffrey from 1917 until 1945. We plan to have Jeff back in 2009 so be on the look out for information later

in the year. Both the Womans' Club and the Historical Society assisted in sponsoring these programs. Similar programs are planned for 2008. Our film series and our spring and fall book groups continue to draw crowds.

We have partnered with Team Jaffrey for several of their projects including the Winter Carnival and the Fairy House program. We continue to work with the Recreation Department by providing monthly craft programs to the AFTER program and by visiting camps during the summer to provide story hours. We have also increased our deposits of material to Good Shepherd Nursing and Rehabilitation Center to twice a month.

During the year, we receive many gifts and donations from community organizations and individuals. These gifts help us to add to our collection and expand our resources and we thank the community for their generosity.

In 2009, we look forward to providing you with service that meets your needs and we thank you all for your support.

— *Meetinghouse Committee* —

THE MEETINGHOUSE COMMITTEE advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

The Meetinghouse served as a venue for many events between May and October: Amos Fortune Forum (seven free lectures), Monadnock Music (one free concert), Downtown Concerts (one relocation due to rain), Conant High School's 16th annual Shakespeare Festival, the 92nd annual First Church Fair, and nine weddings, the most ever in one season. Several Town boards and committees met in the Meetinghouse one or more times, including the Board of Selectmen, Conservation Commission, Cemetery Committee, and the Historic District Commission. The Jaffrey Historical Society celebrated its 50th anniversary in the Meetinghouse and staged a well-received historical fashion show. A prayer meeting was held on September 11th, to our knowledge the first in the modern era. The Meetinghouse was the scene of numerous other meetings, school group visits, and gatherings throughout the year. The Committee along with the Jaffrey Historical Society, the Village Improvement Society and the Historic District Commission cosponsored the 8th annual reading of The Declaration of Independence on the 4th of July. The Meetinghouse was again full and the 38 volunteer readers did a marvelous job. All are invited to attend and participate.

The Committee made thorough inspections of the Meetinghouse on April 11th and November 10th. Between the two dates a variety of projects were undertaken, sometimes by members of the Committee and at other times by volunteers or contractors: Inspection and servicing of the Town clock (largely done by Charles Marvin); annual testing of the fire alarm system; and the usual touch-up interior painting, oiling of exterior stairs and ramps and minor plumbing and electrical repair.

For the third year a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 7th.

— *Meetinghouse Committee* —

The major projects in 2009 will be the exterior painting of the east façade and continuing window work.

The calendar for next season is beginning to fill. Other than the usual events, four weddings have already been booked and Monadnock Music will introduce an extended Sunday afternoon series of ticketed concerts. These and other private gatherings benefit the Town through rental fees.

— *Monadnock Advisory Commission* —

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands on Monadnock, Gap and Little Monadnock Mountains.

State law allows the Commission to accept donations. MAC is a primary funding source for search and rescue supplies and equipment.

Monadnock Manager Andrew Zboray (2000-2008) was promoted to a new position as the Assistant Regional Manager of the Great North Woods Management Area in August. Former Monadnock Assistant Manager Patrick Hummel was promoted to Park Manager in his place. A new Assistant Manager, Sue Tirrell began working in November. Since the resignation of Allison McLean, as Director of Parks, Ted Austin has been named to that position.

At the annual MAC meeting in November Manager Hummel reported on trail maintenance and major projects within Park headquarters and Gilson Pond. Much of this information was made irrelevant by the ice storm of December 11th. Monadnock State Park is now CLOSED to hikers and campers and will remain so indefinitely until areas can be cleaned up and trails made safe for hikers. Park staff is being assisted by personnel from the Division of Forests and Lands, SPNHF and officially trained volunteers. The Division of Parks website nhstateparks.org will have updates of progress made and note when areas are officially reopened.

— Planning Board —

A total of 22 applications were submitted to the Planning Board during 2008:

- A. Site Plan –
 - a. 11 site plan reviews were submitted (10 were approved, 1 was withdrawn).
- B. Subdivisions –
 - a. 1 Open Space Development Plan, which is also known as an Innovative Land Use Plan was submitted (it was approved).
 - b. 2 minor subdivisions were submitted (both were approved).
 - c. 6 technical subdivisions were submitted (5 were approved, 1 is pending).
- C. Excavation –
 - a. 1 Excavation plan (it was approved).

Looking forward to 2009, the Board will be completing the Downtown portion of the Master Plan update. For Town Meeting the Board has proposed amendments to Section V, 5.2, Areas and Setbacks for Buildings – All Districts and Section XIV, Signs.

Any resident with an interest in serving on the Planning Board should contact either the Planning Board or the Board of Selectmen.

TEAM Jaffrey is looking forward in 2009 to its tenth year as Jaffrey's Main Street program. The organization understands the importance of building on partnerships, continuing collaborations and appreciating the hard work of our volunteers. Jaffrey continues to be recognized as a National Certified Main Street Community, an honor we have had continually since our inception in 1999 and could not have done without the support of the town's population. To do this Jaffrey must meet the National Main Street

Center's 10 Standards of Performance.

In May 2008, Jaffrey was once again recognized and honored at the New Hampshire Downtown Excellence Awards ceremony in Concord. The Jaffrey Mills Project was recognized as the best "Building Rehabilitation Project over \$150,000" and Walter Batchelder was recognized as TEAM Jaffrey's "Outstanding Volunteer".

Partners in the community continue to work together with TEAM's volunteers to bring downtown alive with events such as Scarecrows on the Common, which in October broke the local record with 305 crows built by

families and friends and Riverfest, which this year, involved more groups, showcased an artisan fair and stopped traffic with the first Riverfest Bicycle Parade and Safety Clinic. We are looking forward to bringing you summer concerts, spring and summer flowering

— *T.E.A.M. Jaffrey* —

displays downtown, a community clean up and some new surprises to celebrate our ten years together with all of Main Street.

TEAM Jaffrey's four point approach to revitalization is demonstrated in our four committees: Design, Outreach, Promotions and Economic Restructuring. Each of these committees has different focuses and expectations, but collectively they work to enhance the quality of life in Jaffrey. This is accomplished in various ways such as subsidizing sign and façade grants for downtown merchants, collaborating with the Chamber of Commerce and the Town Economic Development Committee on traffic issues as well as downtown infrastructure needs, promoting local businesses, reaching out to other community groups to celebrate our uniqueness and providing family oriented activities which bring young and old, friends and strangers together.

TEAM Jaffrey belongs to the people of the Town of Jaffrey and we would like to thank you, the citizens, the Jaffrey business community and the Town of Jaffrey for supporting our endeavors. Our organization is always looking for people with new ideas to help us promote the mission of TEAM Jaffrey: To enhance, revitalize and aesthetically improve the downtown area of Jaffrey, NH by supporting the existing commercial establishments, encouraging new business opportunities and promoting tourism.

Staff Reports

— *Town Manager* —

Two of this past year's primary challenges were carried over from the previous year. Construction work has continued on the new wastewater treatment facility. Progress on the project has been on time and within budget. The facility will undergo operational testing beginning in late February 2009 and will be up and operating by May of 2009. The Town's long term drinking water needs are continuing to be addressed, as pumping tests are currently under way at the proposed well site on Squantum Road. The tests are part of a lengthy permitting process required by the NHDES. If all goes as planned, the new well is expected to be operational by late 2010. The needs of the water system will continue to be addressed during 2009 when additional water main replacements are planned.

In August Jo Anne Carr joined the Town's staff as Director of Planning and Economic Development. In addition to acting as the Town's economic development co-coordinator and grants administrator, she will be providing technical assistance to various boards.

This year, my first as Jaffrey's Town Manager, has been a process of getting to know the community, its citizens, and the Town's employees and volunteers. It has been an illuminating and rewarding experience. I would like to thank the Board of Selectmen for the opportunity to serve the Town of Jaffrey, as well the Town's employees and citizens for so cordially welcoming me to the community.

The fire department received a FEMA Firefighter Assistance Grant that was used to purchase new firefighter protective clothing sets and a washer extractor to clean the gear. A second FEMA Firefighter Assistance Grant was awarded to purchase a new brush truck. Unfortunately the first manufacturer that was contracted to build the truck went out of business before the truck was built. With FEMA's corporation the grant funds have been extended and a new vendor has been selected and the truck should be completed and deliver in the early part of spring 2009. We will continue to apply for all grants that will assist the fire department and the town

— Fire Department —

The firefighter's continued to commit to attending monthly trainings, specialty trainings and a full day of practical training at the New Hampshire Fire Academy. Through the commitment and dedication of the firefighters the fire department was able to mitigate minor and major challenging incidents that occurred during the year. The fire department currently has 25 members including the Chief. The average response for calls in 2008 was 9 firefighters per call. Additional members will be added in 2009 and anyone that is interested in becoming a call firefighter should contact the Fire Chief at the fire station.

The accomplishments and the level of service provided by the fire department are made possible by the dedicated firefighters, their families, the retired firefighters, the Jaffrey Firefighters Co., the FAST Squad, local business, citizens, taxpayers and all of the fire departments in the area that helped us in a time of need. We thank you for your support and assistance.

A smoke detector is your first line of defense in the event of a fire, at a minimum one smoke detector should be installed on every level of your home. Additional smoke detectors should be installed in every bedroom and hallway outside of the bedrooms. A carbon monoxide detector should also be installed on every level of your home. Detectors need to be tested monthly and the batteries need to be change at a minimum of once per year. Please contact the fire department with any questions or if you need help in installing a smoke or carbon monoxide detector.

— Public Welfare Director —

Over the last twelve months the Town of Jaffrey saw several changes in our economy which played a significant role in the year 2008.

Many outside resources were utilized to keep housing and shelter costs to a minimum. The need for additional affordable housing still remains one of Jaffrey's largest obstacles to economic independence for the working force. This department spent \$10,963.00 for homeless shelter costs this year and the continued slump in the economy sent many more families to the foreclosure and eviction process. Oil companies have agreed to allow people to set up payment plans for fuel deliveries keeping oil costs to the town slightly lower than 2007. Continually, the number of people with long-term illnesses, new injuries, new diagnoses, terminal diseases, and permanent disabilities increases. There are a very limited number of affordable housing units for people on a fixed income or who are unable to work to support themselves, keeping assistance payments for these categories relatively high.

An ice storm on December 11, 2008 left thousands of people without power and many lost food. The Town of Jaffrey distributed \$100.00 food vouchers to replace lost or damaged food to almost 40 households, and provided storage to a woman whose trailer was no longer inhabitable.

There is hope for 2009, as other resources will be tapped into to help the people of Jaffrey maintain their standard of need and so everyone's basic needs are met.

2008 General Assistance payments:

| | |
|--------------------------------|--------------|
| Food | \$ 2,555.33 |

2008 proved to be a year of status quo and necessary adjustment. Our status quo was in the form of maintaining current staffing levels. Although we have not yet been able to fill our remaining full time patrol position, neither have we experienced the loss of any personnel through the year. Our recruiting efforts continue and I am confident that we will be able to find that person that is both suitable and a good fit for our department. When that has been accomplished we will once again be able to take a pro-active approach and better serve the law enforcement needs of this community.

We welcomed two new additions to our law enforcement family when Paul Dionne and Phil Labrie joined us as Crossing Guards.

A significant challenge during 2008 was to manage and absorb the impact of fuel costs that rose to levels completely unforeseen and, frankly, shocking to us all. As an agency we sought the balance of responsible adjustment to this unanticipated expense with our commitment to a regular patrol presence in all parts of our community. That presence became increasingly important during the course of the December ice storm when many homes in the town were without power and unoccupied. I am satisfied that we made the best use of our resources in accomplishing that task.

I have the good fortune to work with a staff, both sworn and unsworn, that is highly motivated and committed to providing the citizens of this community with a professional level of law enforcement services. I hope the citizens of Jaffrey share that view.

Your thoughts on how we do our job and how we might better serve the law enforcement needs of this community are always of interest to me. Feel free to email me at oswaltw@townofjaffrey.com.

Cemeteries/Parks and Commons Division: In 2008, the Town performed 11 full-body and cremation burials. The staff assisted and participated with the Cemetery Committee by attending regular meetings, work sessions and the annual cleanup. Staff also assisted the Committee with continuing work on the Cutter Cemetery expansion and assisted with the rehabilitation of the Conant Cemetery fence. A portion of the water system which was not functioning at the end of 2007 was replaced at Conant Cemetery allowing one faucet to obtain water. Annual cemetery cleanup day was held on November 13th to remove materials from gravesites in preparation for winter and those that do not comply with the regulations to improve the general appearance of the facilities. The Town continued contracting out landscaping maintenance activities to a private contractor.

Highway Division: The Highway Department repaved Knight Street and Webster Street in 2008 and undertook a number of drainage maintenance projects. Heath Road which was an area of concern where the 6' culvert under the roadway had been unable to handle the flow and water during past flooding events and was very close to overtopping the roadway was addressed. The Town received a hazard mitigation grant from the New Hampshire Department of Homeland Security and Emergency Management to add a culvert capable of handling additional water during flooding and protecting the road. This project was completed in 2008. Sidewalk along Oak Street was reconstructed. In addition to the above projects, the Highway Crews performed winter and summer (seasonal) maintenance on over 64 miles of Town roads (including 20 miles of gravel road). The highway crew assisted other Departments throughout the year including the Water, Sewer, Recreation, Fire and Police. The Mechanic with assistance from Highway staff, maintained and kept operational the Town's vehicles and in addition to maintaining highway vehicles, over 226 hours of labor was expended maintaining Fire, Police, Water, Sewer, and Recreation Department vehicles and equipment. The Highway Division also took delivery of a new trackless tractor approved at the 2008 Town Meeting and was immediately put into service for roadside mowing and winter maintenance of sidewalks. In December, the entire department, as well as the entire town was challenged during the ice storm. Roadside cleanup of fallen branches will take months.

— *Public Works Department* —

Wastewater Division: The wastewater treatment plant processed approximately 234,855,000 gallons (average 643,438 gallons per day) of wastewater in 2008. Aquarion Operating Company (United Water) of Auburn, NH is in the fourth year of contract operations of the sewer facilities including the wastewater treatment plant, Hadley Road head works, 5 pump stations and 15 miles of collection sewer. As part of their normal operations, Aquarion completed cleaning of approximately 18,480 linear feet (3.5 miles) of collection sewer completing the fourth year of a preventive maintenance program addressing the sanitary sewer collection system, manholes and pump stations. During 2008, there were 5 callouts for sewer related problems (blockages or overflows).

The Town continued working towards compliance with an Administrative Order originally issued by EPA in 2004 and amended in February, 2006 requiring the town to comply with stringent effluent standards and more restrictive NPDES permit limits by completing a significant upgrade to the existing wastewater treatment system. Penta Corporation (Moultonborough, NH) began work in June, 2007 and through December, 2008 construction was about 90% complete. It is expected that construction will be soon be substantially complete and the new treatment plant on-line in the spring of 2009. As you may recall, in 2007, the Town was extremely fortunate to receive a \$ 2,000,000 grant from the Economic Development Administration (EDA) through the efforts of Senator John Sununu and his staff. Senators Sununu, Gregg and Congressman Paul Hodes secured an additional \$ 295,000 in funds appropriated in the 2008 Federal budget. In 2008, with assistance again from our elected officials, received another grant in the amount of \$2,425,000 from USDA Rural Development. These grants together with the anticipated 30% State of New Hampshire State Aid Grant will greatly help defray the construction costs of the upgraded wastewater facility. During the December ice storm, the main generator for the facility failed and determined unrepairable. This resulted in holding back treated wastewater in the lagoons and not discharging to the river. This action insured that no untreated or partially treated wastewater was discharged to the Contoocook River.

Water Division: The Department produced approximately 146,761,000 gallons (average 400,986 gallons per day) from two groundwater wells and provided potable drinking water and fire protection to approximately

— *Public Works Department* —

1,530 accounts in Jaffrey and Rindge. The Department responded to Five (5) water main breaks. Hydrant repair continued with the repair of 31 hydrants. Hydrants were flushed twice during the year (spring and fall). One hundred and twenty-seven (127) residential and commercial water meters were installed or replaced and an additional forty-six (46) radio read units were replaced or upgraded. This completed the meter replacement program and all meters are now radio read. The interior and exterior of both the Bullet Pond and Poole tanks were inspected and cleaned.

Since 2005, work has progressed on the optimization of the existing water supply. Well #2 (the second or redundant/back-up well) at the Turnpike Well House which was installed in 2007 was approved for operation by DES and put into service. Well #1 (the older well at Turnpike) was inspected, cleaned and the pump rehabilitated and placed back in service. As reported last year with DES approval, we began a program to incrementally increase the Contoocook Well pumping rate and in 2008, DES approved increasing the rate to 300,000 gallons per day. We rely on Contoocook Well to provide about 75% of the town's water. Work continued on the Squantum Road property to secure the necessary permits to develop this location as an additional water source. Preliminary permitting was completed and the final permitting for large groundwater withdrawal is in progress and will be completed in 2009. A long-term pumping test required for the final permit was completed in November.

In May, monthly utility billing commenced for the water & sewer bills. The goal was to make it easier for residents to budget for their utility bills and to also flag high water usage quicker. This allows residents to address leaks in their properties promptly, instead of receiving an enormous bill after 4 months for leakage. While the program is new, fine tuning is ongoing. Thanks to all who provided comments on this program. The input is important. During the December ice storm, all generators ran without issue, although there were minor operational issues with the facilities due to the loss of power.

Engineering Division: In 2008, the engineering division provided assistance to all Department of Public Works functions as well as other town departments and committees. A majority of 2008, was spent overseeing and/or coordinating construction of the upgraded wastewater

— *Public Works Department* —

treatment plant, improvements at the Turnpike Well and increasing capacity at the Contoocook Well. Assistance was provided for the Water/Sewer Rate Study, a Water Audit (supply and demand analysis) and calibrating the water model. Support was provided to the Planning Board as needed by reviewing site and subdivision plans, inspecting development projects, preparing bond recommendations for projects incorporating public improvements and approving as-built plans. Three (3) roads were approved for acceptance: Lord View, Fitch Road and Perry Road. The division also oversaw the drainage and flood control improvements on Heath Road under a Hazard Mitigation Grant from the New Hampshire Homeland Security and Emergency Management Agency. The division also coordinated permitting activities for the large groundwater withdrawal permit required from DES for development of the additional water source on Squantum Road. The division is also coordinating improvements to the Main Street Dam and performing a hazard analysis. Finally the division coordinated a facilities assessment of all town buildings which evaluated each building on structural, electrical and mechanical.

Solid Waste/Transfer/Recycling Division: Material received and processed at the Transfer Station in 2008 included the following approximate amounts: 897 tons compactor waste, 570 tons bulky waste including construction and demolition debris, 206 tons recycled material (plastics, paper, corrugated), and 63 tons light iron, 6 tons of aluminum, 223 televisions, 122 computer monitors and 48 microwaves, 2 trailer loads of tires, 27 propane tanks, 1.17 tons of batteries, and 111 Freon containing items.

The Department continues to address operational and environmental recommendations presented by the Board of Selectmen's citizen advisory committee in 2004. Plans to cover and improve the bulky waste drop off area and replace and insulate the transfer station roof are incorporated in the Town's Capital Improvement Plan. A 2007 report from DES indicated that Jaffrey's recycling rate of 27.15% was better than the state average of 20.35% and per capita cost of solid waste management of \$67.26 was less than the state average of \$86.22.

The staff continues to check for valid "dump" stickers and remind all that stickers be obtained at both the Town Clerk's office and at the Transfer

— Public Works Department —

Station with a proof of residency. Seasonal stickers can be obtained at the DPW office. Speaking of staff, Transfer Station employee Bruce “Hammer” Hansen was recognized by the Board of Selectmen for 10 years of service to the town.

We continue to process commodities through the NRRA, which competitively bids commodities and insures the best prices for their members. These recycled goods conserved enough energy to run a television for 392,692 hours, saved 2,879 trees, conserved 21,814 gallons of gasoline and conserved 38,498 pounds of coal. Since the Fall, we have seen commodity prices drop precipitously. We are attempting to stockpile recyclables until the market improves. Revenue received from the sale of these commodities totaled \$43,101 in 2000. Following is a summary of the materials processed at the Transfer Station last year:

— Recreation Department —

Every year I sit down to plan the department's goals and objectives for the coming year. One thing I have learned in over 30 years in the field of Recreation is that this "plan" is a guideline at best. Sometimes the deviation from the "plan" is a good thing and sometimes it is not. This past year included a little of both.

The formation of girl's softball and boy's baseball teams for Jaffrey / Rindge Middle School was accomplished thanks to Paul McCullough, Kerry Yaceshyn, and Bob DiTommaso. We're hoping the teams will be included as part of the JRMS sport's program in 2009. Along with this came the construction of a new batting cage at Humiston Field that can be used for softball or baseball. This was accomplished at no cost to the town. Thanks to a dedicated group of volunteers, new bleachers were purchased and a new concrete base built at Humiston Field again with no expense to the town thanks to Dave Griffin, Mark Kresge, and Bill Gordon. A new fund raising event helped pay for the project; the Conant Baseball Alumni Game began with the guidance of Sara Lyon. Work continued at the Community Field as the dugouts were completed and a new scoreboard was installed along with a flag pole. Thanks to the Department of Public Works, Brian Dupuis, Tim Boudrieau, and Clif Pelissier. Work continues with the foundation for the press box and concession with thanks to Keith Dupuis, Bill Gordon, Al Devlin, Bruce Armer, Dave Baron, and Peter Maki. Those mentioned above are but a few of our fellow citizens that make our town special and a huge "thank you" to everyone involved as a volunteer.

In January, the department assisted with the set up of the new voting location at the VFW. Our department set up for elections in March and November, also at the VFW.

On Saturday, February 16, our Saturday Morning Basketball Program held a food collection day to help replenish the local food bank at a time when

— Recreation Department —

they were in need. This was a state-wide effort coordinated by the New Hampshire Recreation and Parks Association.

After trying to guess what Mother Nature had in store for us whenever we tried to hold an Easter Event, we decided to partner with the Jaffrey Public Library. On Friday, March 21 the Easter Bunny helped hide eggs in the library for a fun event!

In cooperation with the Jaffrey Civic Center, a Senior's Coffee Club was formed in March. The group meets each Wednesday at the Civic Center from 9:30 – 11:00 a.m. Senior's gather for coffee, doughnuts, refreshments, and conversation. The group takes a short break over the summer and holidays.

New trips this year included a no school day trip to the New England Aquarium, a trip to a Monster Truck Show, and an overnight holiday shopping trip to North Conway.

The Mini Triathlon returned on August 24 with 30 participants swimming Contoocook Lake, biking to the boat launch in Rindge, then running along Rails to Trails back to the Community Field.

In November, David Edscorn was recognized as he achieved his Eagle Scout status. David partnered with the department to develop a new trail in Children's Woods and Carey Park that connected Rails to Trails. The new trail was 1 1/2 miles in length. David also constructed four entrance signs and trail signs. Congratulations to David, he joins Robert Conroy in being our second Eagle Scout in two years!

Of course, our regular programs and activities went on throughout the year and as the following description and attendance figures show, it was a successful year.

Challenges this year included the Spring renovation of the Recreation Department offices due to flooding that occurred during a storm in February. It was quite interesting with the entire staff working out of the garage for two weeks!

— *Recreation Department* —

Other challenges occurred during the summer, as we experienced attempted break ins and vandalism at our facilities. I would encourage anyone that sees suspicious activity at any of our facilities to please notify the proper authorities and help keep our facilities attractive and safe.

The biggest challenge occurred during December when the department was called on to coordinate the emergency shelter at the Jaffrey Bible Church. In cooperation with Pastor Brent Charles and Associate Pastor Rick Needham as well as countless volunteers, the shelter was open from Friday, December 12 through Saturday, December 20. Over 1600 meals were served and those staying overnight at the shelter numbered over 300 during the time it was open. Our sincere thanks to those that assisted by volunteering to clean, cook meals, serve, donate food, and provide comfort.

Unfortunately, the 29th Annual Holiday Craft Fair was a casualty of the Ice Storm, but we will be back next year!

So as the year drew to a close, many of us were able to take stock of what is truly important and realize that once again, we have much to be thankful for.

Thank you for the opportunity to be a part of Jaffrey.

Respectfully submitted,

Walt Pryor, CPRP (Certified Parks and Recreation Professional)

— Regional Prosecutor —

Our partnership with the Town of Peterborough with regard to the Regional Prosecutor's Office continues to be a successful and effective operation and 2008 proved to be another active year. Actual statistics have shown a notable increase in activity over 2007, with each department contributing commensurate with their respective appropriations.

In addition to our prosecutorial function, our office participated in the Con-Val High School Student Intern Program which was a rewarding experience for us and hopefully for the students as well.

As a result of the international economic climate, our communities have seen increases in fraudulent activities such as the issuance of bad checks, thefts by deception and embezzlement. In all areas of offenses we have had over \$ 34,000.00 in restitution ordered to be paid to victims through the Court, Department of Corrections or through our office. Additionally, in most cases where a defendant fails to appear and officers appear at court, witness fees are generally assessed and paid to the respective town's general fund.

Our office also receives a limited amount of income through the collection of discovery fees. In 2008 our total income was \$ 1,270.00

The statistical breakdown is as follows and includes cases open, pending, or closed out in 2008:

| | | | | |
|---------|------|------|------|------|
| JAFFREY | 2005 | 2006 | 2007 | 2008 |

Incorporated: 1773

Origin: In 1749 this territory was chartered as Monadnock Number 2, sometimes called Middle Monadnock or Middletown. It was one of the first towns established under the New Hampshire proprietors' purchase of undivided lands under the Masonian claim. The grant was renewed in 1767, and the town incorporated in 1773 as Jaffrey, in honor of George Jaffrey, member of a prominent Portsmouth family. Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.
