Maria Chamberlain

Town Clerk, Jaffrey, New Hampshire 1987 - 2013

a listening ear, an honest compliment, or the smallest act of caring,
all of which have the potential to turn a life around."

— Leo Buscaglia

As our Town Clerk you made a difference every day. We wish you the very best.

Yes- 252 No- 58

The meeting was called to order at 9:00 am. The attendants were asked to stand as the Boy Scouts from Troop 33: Aden Whitney, Garrett Cournoyer and Patrick Greenough presented the colors and led the assembly in the Pledge of Allegiance.

The moderator, Marc Tieger, then said the following: "Good morning.

Sometime in the late 1960's or early 1970's these words were written by Alice Lehtonen, who was the co-author with Albert Annett of Volumes I and II of the History of Jaffrey and the author of Volume III. The words are as appropriate today as they were then and for years and years before:

Jaffrey has a healthy social climate, evident at that ancient New England institution, the Town Meeting. Here democracy can be seen at work. Here all voters have a chance to say their say as well as cast their ballots. Here it is often clear that relative newcomers on the voting list have as much interest in Jaffrey's well-being as the older residents. All Jaffrey people take pride in their town, holding their heads high, even as Monadnock that towers above all.

2013 TOWN MEETING MINUTES

As we meet this morning in the shadow of our Mount Monadnock it is incumbent upon us, be we recent arrivals or those whose ancestors were here at the incorporation of Jaffrey, to be mindful of Miss Lehtonen's words.

Each of us has her or his own ideas, convictions, and philosophies in which we passionately believe and it's only natural that at times we will disagree. But let's disagree with respect and civility, let's not just listen but hear what our neighbor is saying and above all, let's remember that each of us in this room wants the same thing: what is best for this wonderful community, this wonderful Town of Jaffrey, that we call home, and the continuation of our traditional Town Meeting.

Mr. Tieger then asked everyone to be seated. He then introduced the head tables: the Board of Selectmen, Department Heads, Budget Committee, Supervisors of the Checklist and the Assistant Moderator, Phil Cournoyer who would be moderating a few of the articles and overseeing the ballot boxes for any secret ballot articles.

Mr. Tieger then introduced the new Town Manager David Caron.

Mr. Tieger then went over some basic guidelines for how our town meeting is conducted. Mr. Tieger encouraged the assembly to partake in the food and beverages being sold in the lobby by the Fast Food group for the Jaffrey Fire Department. He also invited everyone to stay after the meeting to meet with our new State Representatives Doug Ley, Harry Young and Dick Ames.

Mr. Tieger then recognized Chairman of the Board of Selectmen, Jeanne LaBrie

Mrs. LaBrie then offered the following Proclamations:

"Whereas, James Dumont served the Town of Jaffrey with honor and distinction as a member of the Zoning Board and Economic Development Council;

Now, therefore, be it resolved and proclaimed in Town Meeting convened March 16, 2013, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting."

“Certificate of Appreciation

Dawn Oswalt

In Honor and recognition of outstanding and unselfish contribution and invaluable assistance
For Dedication and commitment to the community for 25 years.
Town of Jaffrey Hereby expresses its deep appreciation.”

Signed by the Board of Selectmen: Donald MacIsaac, Jeanne Labrie and Kathleen Batchelder.

Mr. Tieger then recognized Don MacIsaac. Mr. MacIsaac had a picture of Jeanne LaBrie on the large screen behind him, (which was part of an over-all Power Point presentation, that was used through out the Town Meeting) He said the following “This newspaper article is from 1949 when Jeanne began her first term as a Selectman. Note that Jeanne had already served 14 years on the Budget Committee. She was the first woman on the Budget Committee and was appointed by Moderator Homer Forcier.

Who was the first woman on the Board of Selectmen? Answer: Alice Lehtinen.

The article quotes Jeanne: “Individual property owners cannot go on with the steady increases in taxes. This concern is being felt all through the State.” LaBrie said she believes that the State should share the burden with the town.

LaBrie has been Dr. Charles Hamilton’s assistant for 21 years. “When I start a job, I stay with it.”

Jeanne was walking in her father’s footsteps. Arthur Faford was a Selectman in 1960 and owned the flower shop next to the Women’s Club. Jeanne served a total of 16 years as a Selectman in addition to her 14 years on the Budget Committee. It has been my and Kathy’s honor to serve with Jeanne. We want to thank her for her many years of service, esp. this last term.”

*“Whereas, **Jeanne LaBrie** served the Town of Jaffrey with honor and distinction as a member of the Board of Selectmen;*

Now, therefore, be it resolved and proclaimed in Town Meeting convened March 16, 2013, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.”

After the applause for the above Mr. Tieger then went over the basic ground rules for how our town meeting is conducted.

Mr. Tieger recognized Town Counsel Kelly Dowd and any of our non-resident department heads as those members of the meeting who will be allowed to speak on any items at this meeting.

Mr. Tieger introduced the microphone handlers as Chasity Dupuis and Francesca Cartee from Conant High School Honor Society.

Mr. Tieger stated that the warrant had been posted at the Jaffrey Public Library and Post Office. Mr. Tieger proposed to waive reading of the Warrant in its entirety. It was so moved and seconded.

2014 WARRANT

Art. 33. We the undersigned registered voters of the Town of Jaffrey do hereby petition to have the following article added to the Town Meeting Warrant for 2014.

From, p. 21: “Ballot counting accuracy, security and credibility are essential for a democracy to function. Ongoing efforts to test accuracy and maintain security for tabulators and paper ballots must be supported by the cities and towns responsible for counting ballots in elections. A separate private fund has been established for the same purpose. As of December 31, 2013, the balance of the Town fund was \$8,814.81 and the private balance was \$512.73. During 2013 funds from this reserve were used to perform major tree work at the Old Burying Ground and pruning in Cutter Cemetery. Additional tree work in the Old Burying Ground is

LAYMAN'S LANGUAGE: The Gravestone Restoration Fund, created in 2000, is used to repair and maintain stones that have been damaged or vandalized, specifically in those cases where a family member can't be found to assume the responsibility. In 2013, much work was undertaken in Village, Conant and Cutter cemeteries and at the Old Burying Ground. This work is undertaken by skilled professionals but significant work, particularly stone straightening, is also undertaken each year by Cemetery Committee members. During 2013 the interior of the Tower entryway was painted. Scheduled for 2014 is the painting of the exterior of the north facade and possibly the refinishing of the main floor. The most expensive future project will be the replacement of the wood roof, probably sometime in the next ten years. As of December 31, 2013, the Fund balance was \$19,503.37. Rental fees for the use of the Meetinghouse (last year: \$3,600) are also added to this fund.

Art. 14. To see if the Town will vote to raise and appropriate the sum of \$24,500 (Twenty four thousand five hundred dollars) to be added to the Property Revaluation Capital Reserve Fund previously established to pay for the NH constitutionally required revaluation of property every five years. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: Under state law the Town is required to conduct a town-wide property revaluation every five years. The law allows towns to conduct the revaluation on a phased basis. The Select Board has determined that the revaluation due in 2015 will be completed in phases by reviewing $\frac{1}{4}$ of the town each year (2011 thru 2014), with a statistical revaluation completed in 2015. This will ensure that each property is visited and properly assessed. This article will provide funds to complete the statistical revaluation in 2015 at an anticipated cost of \$65,000 (2,600 parcels at \$25.00 per parcel). The balance of the capital reserve as of 12/31/2013 is \$6,937.21.

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$75,000 (Seventy five thousand dollars) to be deposited into the Municipal Building Maintenance Capital Reserve Fund established in 2010 pursuant to RSA 35:1. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: A Capital Reserve fund is like a savings account for future expenditures. The Building Maintenance Capital Reserve was created upon the recommendation of both the Capital Improvements Plan committee and the Municipal Facilities Committee in 2009, for the purpose of funding major building maintenance needs. The 2012 Town Meeting designated the Select Board as agent to expend, which allows the Board to expend funds in the event of an emergency. The balance of the capital reserve as of 12/31/2013 is \$126,749.35.

Art 16. To see if the Town will raise and appropriate the sum of \$100,000 (One hundred thousand dollars) for the purchase of a medium duty dump truck (approx. GVW 19,500 lbs.) with plow for the Highway Department. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

2014 LAYMAN'S WARRANT

LAYMAN'S LANGUAGE: This vehicle replaces a 2003 one-ton dump truck and plow that is currently out of service with significant mechanical issues too costly to repair. The town currently has three (3) one-ton dump trucks (GVW about 12,000 lbs) including the one not in service. Two years ago, an issue with the frame was discovered, where cracks were noticed resulting from plowing. Although the trucks were specified as heavy duty with the factory plow prep package, the problem occurred. Research completed revealed similar issues with two other manufacturers as well. The proposed vehicle is a scaled down version of a heavy duty truck rather than a built up version of a light duty pick-up truck. It is also below the threshold requiring CDL licensure. The Department believes that this vehicle will best serve the town in the long run.

Art 17. To see if the Town will raise and appropriate the sum of \$150,000 (One hundred fifty thousand dollars) for the purchase of a backhoe for the Highway Department with the source of funds being \$50,000 from the Water Fund, \$50,000 from the Sewer Fund and \$50,000 from the General Tax Revenue. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article funds the replacement of the 1998 Caterpillar backhoe, which will be traded in as part of this transaction.

Art 18. To see if the Town will raise and appropriate the sum of \$143,000 (One hundred forty-three thousand dollars) for the purchase of a six-wheel dump truck, sander and plow. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article funds the replacement of the 2000 Freightliner Dump Truck, which will be traded in as part of this transaction.

Art 19. To see if the Town will raise and appropriate the sum of \$56,000 (Fifty-six thousand dollars) for the replacement of the Fire Department Command Vehicle and authorize the withdrawal of \$26,000 (Twenty-six thousand dollars) from the Fire Department Equipment Capital Reserve Fund created for that purpose. The balance of \$30,000 (Thirty thousand dollars) is to come from general taxation. *Recommended by the Select Board (3-0) and Budget Committee (5-0-1)*

LAYMAN'S LANGUAGE: This article would raise funds to replace the 2004 Ford Fire Department Command Vehicle, which will be traded in as part of this transaction. This article would utilize \$30,000 in tax dollars which was scheduled to be deposited in the Capital Reserve Fund; \$103,575.44 is currently available in the fund.

Art. 20. To see if the Town will raise and appropriate \$5,000 (Five thousand dollars) to be deposited into the Land Acquisition Capital Reserve Fund established in 2008 under the provisions of RSA 35:1. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: This article will place \$5,000 into the Land Acquisition Capital Reserve for future purchase of land or conservation easements. The current balance of the account as of 12/31/2013 is \$20,000.27.

Art. 21. To see if the Town will vote to accept the Stone Arch Bridge Tax Increment Finance District Financing Plan. *Recommended by the Select Board (2-0)*

LAYMAN'S LANGUAGE: The Stone Arch Bridge TIFD encompasses all of the Industrial District which is bordered by Route 202 along Nutting Rd. and extending south toward Turnpike Rd. The Stone Arch Bridge TIFD funds the bond payments for the intersection and bridge improvements from Route 202 onto Old Sharon Rd and extension of the water mains from DD Bean through Hadley Road to Old Sharon Road ending at Maria Drive. This financing plan is the same as presented and approved in 2012 and 2013; consistent with state statutes, future financing plans will be presented for Town Meeting approval only when amendments are proposed.

2014 LAYMAN'S WARRANT

Art. 22. To see if the Town will vote to accept the Downtown Tax Increment Finance District Financing Plan. *Recommended by the Select Board (2-0)*

This financing plan is the same as presented and approved in 2012 and 2013; consistent with state statutes, future financing plans will be presented for Town Meeting approval only when amendments are proposed.

Art. 23. To see if the Town will vote to raise and appropriate the sum of \$4,963 (Four thousand nine hundred sixty three dollars) to Southwestern Community Services, Inc. Art. 33. We the undersigned registered voters of the Town of Jaffrey do hereby petition to have the following article added to the Town Meeting Warrant for 2014.

2014 LAYMAN'S WARRANT

To see if voters want town and election officials to comply with recommendations of 2009 State Advisory Committee Report and develop a plan for our approval in March 2015 that protects our right and responsibility to verify and ensure ballots are counted and reported accurately.

From, p. 21: "Ballot counting accuracy, security and credibility are essential for a democracy to function. Ongoing efforts to test accuracy and maintain security for tabulators and paper ballots must be supported by the cities and towns responsible for counting ballots in elections. The primary cost of tabulator testing and security must be borne by the towns and cities."

The Town's plan should inspire public confidence in elections by protecting against known electronic voting risks:

- Verify that computer is tallying ballots accurately on election day.
- Find common errors voters make in marking ballots and provide voter education as needed.

INDEFINITE DELEGATION OF AUTHORITY

INDEFINITE DELEGATION OF AUTHORITY

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as “boilerplate articles.” During the 1999 annual meeting, Jaffrey’s citizens voted (Articles 32-38) to “authorize indefinitely, until specific rescision of such authority” the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire Revised Statutes Annotated (RSA) 31:95-b, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH RSA 202-A:4-c, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH RSA 33:7, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVISES

Shall the Town accept the provisions of NH RSA 31:19, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH RSA 31:95-e, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH RSA 202-A:4-d, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescision of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided, however, that no acceptance

INDEFINITE DELEGATION OF AUTHORITY

of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH RSA 80:80, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

FINANCIAL REPORTS

AUDIT REPORT

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Jaffrey, New Hampshire

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the major funds, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2012, and for the year then ended, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that

AUDIT REPORT

are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the major funds, and the aggregate remaining fund information of the Town of Jaffrey, as of December 31, 2012, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Jaffrey, New Hampshire's basic financial statements. The schedules of Detail Budget and Actual for Revenues and

AUDIT REPORT

Expenditures for the general fund appearing on pages 44 - 47 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 3, 2013 on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control over financial reporting and compliance.

TRUSTEE OF THE TRUST FUNDS REPORT

The three elected Trustees of Trust Funds oversee and administer the many trust funds and capital reserve accounts of the Town of Jaffrey. These funds and accounts are listed and described on the Town website under Boards and Committees. For the first time the market value of all funds exceeds \$5,000,000.

Charter Trust Company is retained by the Trustees to provide investment advice, execute investment transactions, perform trust accounting and prepare reports required by the Town and State of New Hampshire.

During 2013, the Trustees met quarterly with representatives from Charter Trust at their Peterborough office. These meetings are open to the public and are posted in accordance with statute.

The Trustees also met frequently throughout the year to receive and disburse funds, respond to correspondence and transact other business. These meetings are also open to the public and posted.

During 2013, the Carolyn and Gordon Merrill Scholarship Trust was created through a bequest from the late Gordon Merrill in honor of his wife “for the purpose of funding a scholarship for college education for a Jaffrey student graduating from Conant High School”. The principal of this fund now stands at over \$100,000.

Citizens are invited to add to existing trusts or to create new ones for the benefit of the town. A sample bequest form can be found in the Trustees of Trust Funds page of the Town of Jaffrey website.

We recently completed a successful State Audit. As the new Town Clerk, I am very pleased how well the transition went with the assistance of former long-time Town Clerk Maria Chamberlain. Maria's wealth of knowledge and experience was invaluable; I know I have large shoes to fill, but with the training I received during the transition period regarding applicable New Hampshire laws, procedures and regulations I am confident that I will be able to continue providing excellent service to the citizens of Jaffrey.

In an effort to increase customer convenience and improve upon our services, in 2014 I plan to transition to a one check system whereby customers will no longer be required to write separate checks to the Town and State when registering motor vehicles. Also, our customers will have the option to register/renew their vehicle, renew dog licenses and order vital records online. We do hope this will be a great convenience for our customers.

ALICE POOLE FUND

This past year the Alice Poole Committee made contributions to Santa's House, during the Christmas season, so Jaffrey's needy children could have a Merry Christmas

We sponsored several young children at the AIM summer camp offered by the Jaffrey Recreation Department, as well as two other summer camps.

We continue to purchase magazine subscriptions for the Good Shepherd Rehabilitation Center and provide small birthday gifts to local residents living there. We also help with the Activity Fund at Good Shepherd. Many of the elderly Jaffrey citizens, in temporary need, were remembered with small gifts, usually in the form of gas cards and small checks as well as fuel assistance.

Gift certificates for food orders were purchased from Market Basket and certificates for clothing were purchased from Wal-Mart. The certificates were distributed during the Holiday Season and at other times during the year. Also holiday centerpieces and fruit baskets were distributed at Christmas to Jaffrey residents

As usual, The Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund Trustees in accordance with the will of Alice Poole.

REPORTS
BOARDS, COMMISSIONS
AND COMMITTEES

BOARD OF SELECTMEN

It's been a year of transition for Town Administration and time to refocus on our core needs. We welcome Town Manager Dave Caron, Library Director Emily Donnelly, Building Inspector Rob Deschenes, and Interim Town Clerk Kelly Rollins.

We must keep thinking about tomorrow and remain focused on our key long term objectives:

- Our top priority is securing the delayed/deferred State Aid Grant funding (\$6.0 M) due for our new wastewater treatment facility. Mid-year the Legislature approved funding in the Governor's FY 2014/15 budget. Our first payment will be received in early CY 2014 and sewer rates will be adjusted accordingly.
- The vision for Town Office is a new facility at/near the current location. Our most favored location is within the current municipal parking lot and involves negotiations with TD Bank; this process is taking longer than anticipated. We plan more Public Information Meetings and will update our project page on the Town Website as soon as more info is available. Meanwhile we have completed necessary upgrades to existing Town Offices, i.e. 2nd floor structural supports and ADA-compliant entry doors.
- The US202 bypass/roundabout project continues to move forward. NHDOT had designated \$50,000 for advanced studies in 2014. The study objective is to review our prior efforts and scope the project in preparation for preliminary engineering which will start in 2015, a pull-ahead from 2017. Construction is forecast for 2020, a pull-ahead from 2021 according to the DOT 10-Year Plan.
- We have an ambitious set of goals, which prompted us to refocus on our Capital Spending with renewed emphasis on our spending capability. Where possible we have re-financed our existing debt, re-examined the costs of our forward needs and expanded the timing horizon to 10 years.

Yesterday may be gone, but we are proud of our accomplishments, some of which are:

- The Stone Arch water line project is completed including the repaving of Old Sharon and Hadley Roads.
- Elite Laundry site clean-up is pending the State's groundwater management permit and is entering the groundwater monitoring phase. We are developing proposals and are poised for disposition of the property.
- Upgrades have been completed to downtown sidewalks, village green, lighting replacements, etc.
- The demolition dumpsters at the Recycling Center are now covered.
- Refer to the Annual Reports from our departments for a more complete listing.

Keeping you informed is a top priority. We need your input and want your participation in Town activities. To that end we continue to enhance the Town website, have reached out to over 40 community groups, and have reformatted the Town Annual Report. We need your help to continue moving forward, please consider volunteering. Contact Dave Caron to learn more or check out the Town website to find a volunteer form.

TOWN MODERATOR

Good Morning.

If you are reading this at our 2014 Town Meeting, thank you for being with us. If you are not with us this morning I'm extending an invitation to join us next year. Town Meeting is a cherished New England tradition and has been referred to as the purest form of democracy. It is here that the business of the Town for the coming year is decided. It's a chance for you to discuss and question the budget, to find out how your tax dollars are being spent, and which charitable organizations are asking for the support of the Town. It is also an opportunity for you to see the faces behind the names, to meet our department heads and other elected and appointed Town officials. It's a chance to meet your fellow citizens to learn more about how the Town functions and to be a part of the process.

The Moderator is a two year elected position, and he/she is responsible for overseeing the election process. During 2013 we only had the Town election. In 2014 we will have the State primary election, the State general election and the Town election which will be held at the Veterans of Foreign Wars Post 5613 on Hathorn Road. Everyone involved in the election process, the Assistant Moderator, the election officials at the polls and the Supervisors of the Checklist perform their duties in a highly professional manner. I am very proud of them and of our election process and you should be too. The role of the Town Clerk is inestimable. We've been fortunate to have the services of Maria Chamberlain for the past 25 years and are looking forward to another 25 years with Kelly Rollins. Thank you, also, to the VFW for being gracious hosts.

The Moderator also appoints the Historic District Commission and the Jaffrey Budget Committee. These groups are vital to the operation of the Town and the members of both do an excellent job. The Moderator is charged with conducting the annual Town Meeting. My sincere thanks to long-time Assistant Moderator, Philip Cournoyer, the volunteers who keep the meeting running smoothly, and to the Moderator's Advisory Commission on Town Meeting.

I am proud to have been your Moderator since 1990 and thank you for that honor.

Respectfully,

Marc P. Tieger, Moderator
Town of Jaffrey

CEMETERY COMMITTEE

THE CEMETERY COMMITTEE was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey's public cemeteries: Conant, The Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is composed of representatives of the American Legion and Veterans of Foreign Wars, the Historical Society, Cournoyer Funeral Home, the Board of Selectmen and up to five appointed Members-at-Large. Randall Heglin, Director of Public Works, and Bruce Hautanen assist the Committee in its work. The Resolution establishing the Committee and the Cemetery Rules and Regulations are on the Town's website: <http://townofjaffrey.com>

During 2013 the Committee met five times with Town staff to discuss operation, budget and maintenance issues, or to undertake inspections. Each cemetery is overseen by a member of the Committee. This oversight involves inspecting the cemetery from time-to-time and reporting on conditions and problems at Committee meetings. Members of the Committee also participated in several work sessions to 1) straighten headstones; 2) continue the restoration of the cast iron fence surrounding John Conant's grave; and 3) record and photograph the gravestones in Conant Cemetery, Cutter Cemetery and The Old Burying Ground.

Katsura Landscaping continues to do an excellent job of grass cutting, cleanup and grounds maintenance at all the cemeteries.

A Cemetery Trees Trust Fund was established at the 2007 Town Meeting. During 2013, \$3,550 was spent on tree removal and pruning in Cutter Cemetery and The Old Burying Ground (where several very large white pines were removed). The balance of the Cemetery Trees Trust Fund at the start of the year was \$10,395; at the end of the year, \$8,814.81. At last year's Town Meeting, \$2,000 was added to the fund.

Minor gravestone repairs and stone straightening were done by volunteers. Peterborough Marble & Granite did extensive stone repair and stone re-setting at Conant, Village and Cutter Cemeteries and The Old Burying Ground. During 2013, \$4,065 was spent for these purposes, much though not all from this fund. The balance of the Gravestone Restoration Trust Fund at the start of the year was \$2,774.12; at the end of the year, \$1,968.93. At last year's Town Meeting, \$1,000 was added to the fund.

The seven-year project of scraping and painting of the iron fencing surrounding John Conant's grave at the cemetery named for him was completed in 2012 by members of the Committee. Nearly the entire fence was given a second coat of paint in 2013.

CEMETERY COMMITTEE

Residents and lot owners are reminded that the Town's *Cemetery Rules & Regulations* and *A Guide to the Public Cemeteries of Jaffrey* are available from the Department of Public Works and on the Town website <http://townofjaffrey.com>. The Cemetery Committee has a page on the site under Boards & Committees. Information on some but not all graves in Jaffrey is available on www.jaffreyhistory.org.

The sugar maples planted in 2012 in Cutter Cemetery by the Monadnock and Dublin Garden Clubs—in observance of the Garden Club of America's centennial—have all done well. The remaining small cuttings taken from the original trees, which were planted in a “nursery” in Cutter Extension, have now been transplanted along the southern boundary of the Extension.

The Committee thanks those volunteers who have shown an interest in Jaffrey's cemeteries by devoting their time and attention to their care and maintenance over the past year. Special thanks goes out to Paul St. Pierre and Emily Preston who did major brush cutting in Village and the Small Pox cemeteries.

CONSERVATION COMMISSION

The Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watersheds. The Commission provides a focal point within the town and its government for environmental concerns. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission also manages designated town forests.

The Conservation Commission holds regular meetings, open to the public, on the fourth Wednesday of the month at 7 p.m. in the Town Hall. Meeting minutes are posted on the Town's website. The Conservation Commission's section of the Town's website also contains detailed information about the Town's conservation areas and a copy of the Natural Resources Inventory of detailed maps of the resources within the Town of Jaffrey.

2013 was a year of numerous accomplishments for the Conservation Commission. Many projects came to fruition which included support for conservation easements, improvements including building a new structure in Jaffrey's Cheshire Pond Conservation Area, printing of up-to-date maps, Conservation Commission brochures and additional NRI reports, educational programs for commission members and the public, sponsorship of a Jaffrey student for an educational conservation camp and continued monitoring of easement properties.

- The Land Acquisition Capital Reserve Fund (LACRF) was funded with \$5,000 at the 2013 Town Meeting.
- Children's Woods: The Conservation Commission worked with the Middle School Science teacher and students to study the soil types in Children's Woods, providing information from our Natural Resource maps regarding soils, Water Resources, Unfragmented Lands, Wildlife and Ecology, and their co-occurrences in Jaffrey. The trails were monitored and cleared of trail obstructions after the winter storms. Necessary trail building and maintenance will be scheduled during 2014 in cooperation with the Student Conservation Association, eliciting participation from Conant High School Environmental Club members.
- Cheshire Pond Conservation Area: After numerous attempts and many hours expended to prepare a map and trails of CPCA using many talents and GPS data, it was recommended that Monadnock Conservancy develop a map appropriate for brochure printing. Representatives from the Student Conservation Association presented potential programs in which they will assist in trail building including erosion control at CPCA. Joint programs will be scheduled for 2014 on which they can help to coordinate, oversee and advise.
- The "Friends of Cheshire Pond Conservation Area and Children's Woods" was formed and had an initial planning meeting. They completed an initial assessment of CPCA and Children's Woods and made a list of recommendations in November.
- Conservation Easements: Three new conservation easements were completed in 2012 with support and assistance of the Conservation Commission.

Whittemore Island Easement: A conservation easement for Whittemore Island, a 5.4 acre island in Thorndike Pond, was deeded to the Monadnock Conservancy to preserve the island for future generations of paddlers, fishermen and hikers. The island was purchased by the Whittemore family in 1942 to save it from resort development. The family then donated the island to the Nature Conservancy in 1975. In 2012, the Nature Conservancy in coordination with the Monadnock Conservancy, conveyed a deed of conservation restrictions to the town of Jaffrey through the conservation commission.

McKelvie Easement: Parrylyn McKelvie granted a conservation easement as a gift to the Monadnock Conservancy on 18.2 acres within the Town of Jaffrey and fronting on Frost Pond, a public water body. The Conservation Commission provided funds to the Monadnock Conservancy for preparation and recording the easement documents in order to finalize the McKelvie easement.

CONSERVATION COMMISSION

Shattuck Easement: The Conservation Commission assisted the Monadnock Conservancy in obtaining the final necessary funds to enable completion of a conservation easement on the historic Shattuck Farm property which closed in November 2012. The Conservation Commission sent out a fundraising letter to the citizens of Jaffrey and the citizens responded very generously allowing this easement to be finalized. This property includes prime farmland and a diversity of wildlife habitats and completes a nearly 8,600 acre contiguous block of previously protected land that includes Gap Mountain and Mount Monadnock.

- **Educational Programs:**
Jaffrey Conservation Commission brochures were placed in the Town Library, Rails to Trails kiosk, Recreation Center, Welcome Center, Civic Center, Community Bulletin Board, Teen Center and were distributed at Riverfest.

The Conservation Commission arranged for and sponsored an educational program in June, by Cooperative Extension agent and Forester Steve Roberge to present a public program on “Birds, Bats and Butterflies” with excellent attendance and participation.

Member Kevin Alix participated in a 4 day intensive Trail Stewardship and Maintenance Workshop sponsored by the Student Conservation Association and the Monadnock Conservancy. He has prepared a detailed Trail Stewardship and Maintenance Proposal to be implemented next year.

The Conservation Commission contributed toward a scholarship for a Jaffrey student to attend Camp Wildwood, the Massachusetts Audubon Society’s Conservation Camp.

At Riverfest the Conservation Commission presented a display of invasive species along with the NRI base map and wildlife maps. Additional educational material related to conservation, wildlife and nature and recreational areas was on display.

The Conservation Commission took an active role to support the High School Environmental Club in their pursuit of establishing a recycling program in the School District. In addition, a cooperative program with the High School and the Student Conservation Association will be facilitated by the Commission.

In addition, the Conservation Commission continues to enhance the information on the Town of Jaffrey’s website.

- **Monitoring of Easements:**
Grey Goose Easement: The annual monitoring of the Grey Goose Easement will be completed by Conservation Commission members.

Whittemore Island Easement: The Conservation Commission will coordinate with the Monadnock Conservancy to complete an annual survey.

- The Jaffrey Representative to the Contoocook and North Branch Rivers Local Advisory Committee was recommended as Carolyn D. Garretson by the Select Board and she was appointed to a 3-year term by the Commissioner of the Department of Environmental Services in October, 2013.
- **Membership:**
Barbara Alix moved from alternate member to full member of the Conservation Commission in March 2013. Pat Weiner moved from full member to alternate member and Bill Graf resigned from the committee in March.

CONSERVATION COMMISSION

- Regular activities also included review of wetland permit applications, site visits of applications, and responses for conservation information to town residents.

In 2014, the commission has plans to:

- Develop trail maps and enhance current trails in Children's Woods and Cheshire Pond Conservation Area. The possibility of developing a Forestry Plan for Children's Woods will be followed up on.
- Provide additional educational programs for the public and for commission members
- Provide specific information on invasive species including programs to provide control for invasives in specific areas
- Develop a working relationship between the Commission and the Student Conservation Association
- Continue to participate in ZBA site visits
- Monitor town easements
- Review DES applications
- Provide information on conservation easements to interested residents

As your conservation commission, we welcome your participation and input on any and all conservation issues. We invite visitors to our meetings and look forward to developing new initiatives that will conserve and promote Jaffrey's unique character.

ECONOMIC DEVELOPMENT COUNCIL

The Economic Development Council (EDC) is made up of business people, community leaders, and local residents with an interest in promoting the economic vitality and growth of Jaffrey. The EDC is committed to promoting business friendly policies and creating business and job opportunities which build on our retail and manufacturing base.

After many years of service, the EDC regretfully accepted the resignation of Steve Walker, who after 10 years of service, has moved on to other endeavors.

Priorities for this year included completion of the water service to the Stone Arch Bridge Industrial District and continued improvements to the Downtown District including replacing the decorative lighting on the Common and Main Street with new poles and LED fixtures. Other improvements include repairing sidewalks and renovating the walkway on the Common and repairing the benches. The Common has become an appealing place to spend some quiet time downtown. Kudos goes to the DPW for coordinating and supervising much of the work undertaken this year.

In partnership with TEAM Jaffrey, new flowerboxes on the dam were built and installed. The EDC through the TIF District assisted downtown businesses with advertising campaigns in support of downtown events provided by TEAM Jaffrey.

Small business continues to come into town, we provide guidance on the development process and coordinate with the planning board and building department along the way. Our larger businesses continue with expansion plans, and interest in commercial space is picking up.

The Route 202/124 “dogleg” traffic improvements, access to Community Field, and pedestrian safety continue to be high priority for the EDC as is the redevelopment of the Elite Laundry site. While the traffic improvement project remains on the State’s 10 year transportation plan, the EDC recognizes the importance of gaining consensus and creating a comprehensive plan for downtown.

Downtown TIFD:

The Downtown TIFD continues its support of TEAM Jaffrey. Projects this year included the traffic improvements to the route 202/124 “dogleg”; matching funding for the EPA grant for the Elite Laundry cleanup, Downtown improvements and bond payments on the purchase of Community Field.

HISTORIC DISTRICT COMMISSION

In 1969 the citizens of Jaffrey established the Jaffrey Historic District Commission whose mission is to aid in preserving the rich cultural, social, economic, and architectural histories of our town. The year of 2013 saw a few properties changing hands with the new owners seeking guidance from the Commission; assuring that our traditions continue in the spirit of preserving our historical communities.

At our September meeting the Commission discussed the construction work underway at 20 Blackberry Lane. While permits had been filed with the town, no application was made to the Historic District Commission regarding changes being made in the historic district. The owner was contacted and agreed to meet informally with us to discuss her plans and the application process. As a result of this meeting we discussed improving education in the community about rules and regulations of living within the Historic District. Areas identified are: updating the town website, educating local realtors who sell properties with the HDC and initiating a cooperative arrangement with the VIS to include HDC information in their newcomer packets.

In September The Park Theater, represented by Mrs. Caroline Hollister, offered the Historic District Commission the opportunity to comment on the planning stages of the theater by presenting a thorough history of the building, its ownership, and what it has meant to Jaffrey in terms of its historical significance. The Commission agreed the project would improve the current site, Main Street, Jaffrey, as a whole, and the surrounding communities. A letter of support from the commission was sent to NHDA.

In October there was a public hearing: Application 2-2013, Petkovich, 20 Blackberry Lane, Map 228/Lot 69. Application was accepted as is. The request to change the color of the house from red to grey and re-grade near the front door was approved. The HDC suggested the hire of an arborist to assist with tree issues.

Commission members met with other residents in the Historic District to assist them with their property concerns. The Commission expresses its thanks to the residents and neighbors of the District for their cooperation and consideration of the impact any changes to their homes and businesses might have on the overall character of Historic District.

The Commission continues to co-sponsor the annual reading of the Declaration of Independence at our historic meeting house on the 4th of July. This event is well attended both by residents and neighbors of Jaffrey.

Monthly meetings of the Historic District Commission are held on the first Thursday at 7pm. Winter meetings are held in the Town Office Building and summer meetings in the Meeting House. These meetings are open to the public and all interested parties are invited to attend.

LIBRARY TRUSTEES

2013 was an exciting year for the Jaffrey Public Library. Sadly, director Joan Knight retired after 17 years. Joan's contributions to the Jaffrey Public Library will be sorely missed, though she has continued to volunteer her talents. Our new director, Emily Donnelly, moved here from the Boston Public Library in July. Emily has eagerly embraced her new role and is providing fresh perspective while building on Joan's firm foundation.

A director transition wasn't the only thing to happen in 2013, of course. Building maintenance continued: the ductwork was cleaned and sealed, heating units were replaced, and new thermostats were installed. It's a good thing, too, as the library has continued its role as a meeting space for local community organizations. The

library isn't just a place to pick out books and movies and magazines and a fabulous telescope, after all. It's also where people sign up for heating fuel assistance from Southwestern Community Services, where Jaffrey residents attend GED preparation tutoring provided by Keene Community Education, and where Scouts come to find a troop.

Programming has continued to be strength of the library this year: Sheila Vanderhorst, Children's Librarian, organized and implemented a successful children's summer reading program, while Linda Gleason, Library Assistant, took the lead for our teen summer reading. Throughout the year, Sheila runs well-attended story-times for toddlers and preschoolers in addition to her regular outreach to organizations such as Monadnock Early Learning Center, Kids Club, and Head Start; her collaboration with Jaffrey Grade School's "Books and Beyond" program; and the running of a bi-weekly book club for children in kindergarten through second grade. Another bi-weekly book club for third through fifth graders is run by Emily, and a monthly book discussion group for adults is run by Marilyn Simons, Library Assistant. Meanwhile, Linda Gleason provides outreach to Good Shepherd Rehabilitation and Nursing Center, making sure that the residents there always have fresh large print books to read and puppets to enjoy.

In an extension of our services beyond the building, Jaffrey cardholders downloaded 2,355 books in 2013. Downloadable books are available 24/7 from <http://nh.lib.overdrive.com>. Whether you read your books or listen to them, you can use these resources on your phone, computer, or tablet. While you're online, be sure to check out our Facebook page, too at <http://www.facebook.com/JaffreyLibrary!> If you're not tech savvy, just stop by or call the library, and we'll be happy to help get you up to speed.

The library wouldn't be the same without its Friends, of course. In 2013, they helped the town fund two new databases: Career Transitions and Legal Forms. They also purchased magnets with the library's hours and contact information, new doormats at the main entrance, and supported programming like "Backyard Birdsongs," "The Rocky New Hampshire Landscape," and "Jane Austen and Bath." The Friends continue to hold an ongoing book sale in the library's front hall, held their annual large-scale book sale during Riverfest, and even added an extra sale in April, which was an unquestionable success.

Public libraries continue to come under assault throughout the US, and even in New Hampshire. We are so grateful that Jaffrey is a town that supports and uses its library, and we want to take this opportunity to thank you. Whether your support comes in the form of a check, a smile, or a volunteer position, the Jaffrey Public Library couldn't be the institution it is if it weren't for you. We hope to provide still better service and make you proud in 2014.

MEETINGHOUSE COMMITTEE

THE MEETINGHOUSE COMMITTEE advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

The Meetinghouse served as a venue for many events between May and October 2013: Amos Fortune Forum (seven lectures), Monadnock Music concert, Conant High School's 21st annual Shakespeare Festival, the 97th annual First Church Fair, a Midsummer Swedish Festival, one relocated Downtown Summer Concert Series concert, a memorial service and seven weddings. Several Town boards and committees met in the Meetinghouse one or more times. The Meetinghouse was also the scene of numerous other meetings, school group visits, and gatherings throughout the year. The Committee, along with the Jaffrey Historical Society, the Village Improvement Society and the Historic District Commission, co-sponsored the 13th annual reading of The Declaration of Independence on the Fourth of July. The Meetinghouse was again full and the 38 volunteer readers did a marvelous job. All are invited to attend and participate.

The Committee made thorough inspections of the Meetinghouse in May and November. Between these inspections a variety of projects were undertaken, sometimes by members of the Committee and at other times by volunteers or contractors: Inspection and servicing of the Town clock (overseen by Kevin Sterling and with the professional involvement of D'Avanza Clock Repair of Goffstown); annual testing of the fire alarm system by Monadnock Security and the fire extinguishers by Guyette Fire Protection; and the usual touch-up painting, oiling of exterior stairs and ramps and minor plumbing (Devlin & Sons).

The major project in 2013: Dennis Wright and his crew prepared and painted the walls and ceiling of the Tower entry.

In 2014 the north façade will be painted by Dennis Wright, the back entry porch will be repaired by Andy Webber and the floor of the main hall may be refinished if sufficient funds are available.

During 2013 rental fees for the use of the Meetinghouse totaled \$3,600. Capital expenditures totaled \$1,140. The balance of the Meetinghouse Trust Fund at the start of the year was \$14,201.66; at the end of the year, \$19,503.37. At last year's Town Meeting, \$3,000 was added to the fund.

For the eighth year a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 8th. As always, candles are set in the south windows of the Meetinghouse for the holiday season and remain lighted until the end of January.

The Meetinghouse has its own webpage, hosted on the Town's website at <http://townofjaffrey.com>. Go to > Boards & Committees > Meetinghouse Committee. Here you will find, among other things, historical and financial information, photographs, the current and past schedules of events, and the application and guidelines for use.

The calendar for next season is beginning to fill. Other than the usual events, two weddings have already been booked. These and other private gatherings benefit the Town through rental fees.

MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands and leased lands on Monadnock, Gap and Little Monadnock mountains.

Attendance for day use in 2013 for Monadnock was 82,638. The month with the highest use was October with 17,131. Camper night use was 5,027 in 2013, with the most use occurring in October: 1608 campers. Gilson Campground which was opened in 2011 continues to attract new campers and increase in use.

As a primary funding source for such things as search and rescue equipment and supplies, State law allows MAC to receive donations. Specified donations have been received in past years for such things as blazing trails and signage.

The MERE Project (Monadnock Ecological Research and Education) continues under the auspices of Antioch University with Professor Peter Palmiotto directing.

MAC met once this year but usually meets twice a year. Meetings are at the Jaffrey Civic Center and dates and times of meetings are listed in area newspapers. The public is welcome to attend these meetings.

PLANNING BOARD

A total of nine applications were processed by the Planning Board during 2013. This is a relatively slow year that hopefully represents the tail end of the weakness in the local economy. Applications included the following items:

- Five amendments to existing site plans were approved or conditionally approved. One of the approved amendments was for a major biomass-fueled steam generating system at Millipore that will drastically reduce the facility's use of fossil fuels.
- One site plan applicant did not choose to proceed to public hearing.
- One compliance hearing was conducted to evaluate completion of conditions attached to a conditional approval.
- One 2013 site plan application will be heard in 2014.
- One minor subdivision was approved.
- A site plan application for The Park Theatre, continued from 2012, was approved.

Aside from application reviews, the Planning Board also addressed some needed changes to the zoning ordinance, site plan regulations, subdivision regulations, and supporting documents:

- Further revisions and clarifications were made to the language of the revised Impact Fee Ordinance adopted by the Town at the 2013 Town Meeting. These proposed changes will appear on the 2014 Town Meeting ballot for approval.
- A revised Impact Fee Schedule was discussed and approved.
- The Board provided input to the Board of Selectmen on two requests to build on Class VI roads.
- Language was revised in the Zoning Ordinance and Subdivision Regulations that deal with development and road standards on Class VI and private roads. These changes eliminate existing ambiguities in the distinction between the two types of roads, and also clarify the road standards that are applicable for requests to build on Class VI and private roads. The proposed changes to the Zoning Ordinance will appear on the 2014 Town Meeting ballot for approval.
- A major reorganization, renumbering, and minor language changes to the Zoning Ordinance, Subdivision Regulations and Site Plan Regulations to improve clarity, consistency and general usability were approved. The proposed changes to the Zoning Ordinance will appear on the 2014 Town Meeting ballot for approval.

The Board wishes to thank departed members John McCarthy and Tom Doane for their years of service. We also welcome new members Candra Bergeron and Selectmen's Representative Tom Rothermel to their new Alternate positions on the Board, and the transition of Shirley Despres to full member status from her previous Alternate position.

SUPERVISORS OF THE CHECKLIST

It was a quiet year for the Supervisors of the Checklist with only the Town and School District election (3/12). Gail Landy was elected as Supervisor for a six-year term (2013-2019). With no state and general elections this year, data management was primary focus. Supervisors throughout the state worked to confirm the accuracy of voter records and refine and improve data management procedures for continued accuracy of the state’s checklists. For Jaffrey Supervisors this meant confirming that the town’s streets and addresses conformed to the 911 requirements and that all new roads approved by voters at Town Meeting were incorporated into the records. New voters were added as they registered, and those who moved out of Town were removed. By the end of the year, more voters had moved to other jurisdictions than had newly registered to vote. Supervisors also corrected any duplicate voter records and voters’ change of party requests, among many other data reviews requested by the Secretary of State’s Office over the course of the year.

Supervisors of the Checklist are elected officials of the Town, governed by RSAs, and are responsible for the integrity of the voting process for the Town of Jaffrey. Elected for six-year terms, their responsibility is to maintain an accurate and up-to-date Voter Checklist. They report regularly to the Secretary of State’s Office, meet in frequent sessions to update the Checklist and register new voters, as well as attend all Town Meetings, School District Deliberative sessions, all local, state and national elections, and any special elections that may be called. Supervisors also certify signatures on petitioned articles to the Town Warrant and nominations for state and federal offices.

It has been 10 years since the Help Americans Vote Act (HAVA) was passed and the State of New Hampshire established a state-wide, electronic Voter Checklist, called ElectionNet which is an online, dedicated file protected by passwords and restricted access. Supervisors maintain the Town’s portion of ElectionNet. The current Voter Checklist is regularly available on the Town Clerk’s bulletin board at the Jaffrey Town Office. Voters may register or make changes to their own records with the Town Clerk during normal business hours or by attending any of the Sessions held throughout the year by Supervisors as directed by the Secretary of State.

During 2013, Supervisors spent 320 person hours to maintain the Voter Checklist and provide oversight at school deliberative sessions, and Town and School District elections. Supervisors also certified signatures on 3 petitioned articles to the Town Warrant. Supervisor Chair Caroline Hollister will complete her second term and retire as Supervisor at Town Election 2014.

STAFF REPORTS

TOWN MANAGER

I am pleased to present my first report as Town Manager. My first nine months in Jaffrey have been spent meeting with town residents to gain a better understanding of the community, developing a work plan with the Select Board to ensure the implementation of community goals and working alongside a very dedicated and experienced group of town employees.

The Town experienced a number of personnel changes in 2013. Long-time Town Clerk Maria Chamberlain retired to relocate out of state; Kelly Rollins was appointed Town Clerk to fill Maria's unexpired term to March, 2014. Rob Deschenes is the Town's Building Inspector/Health Officer and Linda Langille has assumed responsibilities of Finance Director. The Board of Library Trustees conducted a search to replace Director Joan Knight and welcomed aboard Emily Donnelly.

Several long-term projects achieved significant milestones in 2013. The Elite Laundry site is well on its way to environmental remediation and is the focus of a redevelopment effort led by Jo Anne Carr, Director of Planning and Economic Development. Town staff will be working with NHDOT on the US202 roundabout project; funds have been allocated for project scoping in preparation for preliminary engineering. Staff continues to investigate space needs solution for the Town Offices supported by a \$35,000 appropriation approved at the 2013 Town Meeting. It is anticipated the project will advance to conceptual design once consensus has been reached on a preferred location. One of our goals is to promote long-term tax rate stability by developing longer term equipment replacement and building maintenance schedules which will allow the Town to identify and plan for significant expenses with minimal impact upon the tax rate. The participation of Department Managers has been critical to the success of this effort by applying their collective knowledge of the Town's equipment and infrastructure to ensure that capital dollars are allocated wisely.

We have also updated the Town's General Code with the assistance of staff, boards and committees; the Code now serves as a single point of information for codes, ordinances and other financial actions as approved by Town Meeting or the Select Board.

I would like to take this opportunity to thank the Select Board for their support and guidance, and to my co-workers for their daily efforts providing quality services to residents and visitors to the community.

David R. Caron

The calls for service percentage by day of the week were very fairly even with Wednesdays 16% and Thursdays 16 % being the busiest of the %, .Saturdays 14% and Tuesdays 12%

The time of day for 2013 incident activities was wide spread this year with the average busiest time of day for calls being fairly even from 07:00hrs (7am) until 22:00hrs (10pm). As a result of many of the call firefighters either working out of town during the day or having jobs that do not allow them to be available during the day, the availability of firefighters being available to respond during the daytime has become challenging. The shortage of firefighters available during the daytime is a problem that needs to be studied and researched as to how we can provide the firefighters needed to respond to the calls for service. Resolving this problem needs to be addressed soon with firefighter safety and the safety of the people that we protect being the priority that drives the finding of a solution to the shortage of firefighters.

FIRE DEPARTMENT

As of the writing of this report the Fire Department has 25 call firefighters with 2 of the 25 firefighters serving active military time leaving the department with the fire chief and 23 call firefighters. The firefighters trained on fire, rescue, EMS and specialty operations throughout the year and also maintained and check all of the equipment and apparatus on a weekly basis. Training and maintaining the equipment and apparatus in a response ready status will continue to be a priority which will allow the department to respond to calls for service safely and to the best of our ability. Anyone that is interested in becoming a call firefighter should contact the Fire Chief at the fire station 532-8377 or go to the fire departments website www.jaffreyfire.org for information on joining the fire department.

We have submitted a warrant article for the 2014 Town Meeting to authorize the withdrawal of funds from the Fire & Rescue Equipment Capital Reserve Fund and funds appropriated through taxes to replace the 2004 Command Truck. This vehicle is used on a daily basis by the fire chief and is the vehicle that responds to all calls for service. This vehicle is 10 years old and has reached and is beyond its useful life expectancy. We ask you to support this warrant article. The rest of the fire department apparatus are in good condition and we will continue to maintain the vehicles so they remain in good condition and are ready to respond.

We will continue to seek out grants and other ways of funding new and replacement equipment for the fire department. We have applied for the Assistance to Firefighters Grant Program (AFG) in 2013 and are in hopes that we will be awarded this grant for the purchase of much needed Self Contained Breathing Apparatus (SCBA) in the spring of 2014. In the event that a grant is not received another funding source and plan will need to be put in place to replace this important safety equipment for the firefighters in 2015.

Smoke alarms and carbon monoxide detectors are your first line of defense in being notified in the event of a smoke or carbon monoxide problem in your home. Smoke alarms and carbon monoxide detectors need to be installed on every level of your home and additional smoke detectors should be installed in every bedroom and hallway outside of the bedrooms. The smoke alarms and carbon monoxide detectors need to be tested at least once a month and the batteries need to be change once per year or according to the manufacturer's instructions. Please contact the fire department with any questions and or the need for help with a fire escape plan or installing smoke alarms and or carbon monoxide detectors.

The purchase of apparatus, equipment, tools and the ability to accomplish our mission and the level of service provided by the fire department are made possible by the dedicated firefighters, their families, the retired firefighters, the Jaffrey Firefighters Company Inc., the FAST Squad, local businesses, citizens, taxpayers and all of the fire departments in the area that helped us in a time of need. We thank you for your continued support and assistance.

POLICE DEPARTMENT

I am pleased to report that 2 new officers have joined our ranks over the past few months. After starting 2013 one officer short and losing two more before mid-year, we have had the good fortune to hire replacements for two of those open positions. The new officers came to us fully certified and were able to “hit the ground running” upon completion of our local training program. Officer LeBlanc and Officer Labrecque have proven their value and are already making significant contributions to our department’s mission.

As I reflect on the events of 2013 a couple of issues stand out that I think worth mentioning. Although statistically we have not seen a sharp increase here in Jaffrey, there has been a definite upward trend over recent years in the occurrence of thefts and burglaries in the region. Jaffrey has not been immune to these activities with a number of burglaries having been reported and investigated by our department. In many of these cases the items taken have been cash, electronic equipment, prescription drugs and other valuables. Of growing concern are the incidences where firearms have been taken from local homes. Gone seem to be the days when we could comfortably leave our homes unattended and unlocked in the belief that the only people likely to appear at our doors would be family, friends, neighbors or local business employees. Although our patrols are regularly out and about, locked doors and, when possible, alarm systems become tools that also provide substantial protection against these threats.

I’ve heard it said that the various forms of technology being developed at an ever increasing rate have shrunk the world. There have, no doubt, been technological advances that have improved the quality of many lives by improving our ability to communicate and manage information. What I have found troubling is when our department receives reports throughout the year of people having their identity stolen, credit cards or bank accounts breached and drained of money, emails and telephone calls received with a variety of fraudulent schemes designed for the sole purpose of cheating people out of hard-earned money or precious retirement funds. Similar to locking the doors of our homes and vehicles, we also need to protect our identity information to safeguard against such attacks. Unfortunately, our department has gained a certain familiarity with these scams from these investigations. Please use us as a resource before taking action that could result in harm to you or your family.

Our goal remains the same for 2014 as it has in years past. We want to help make the Town of Jaffrey a safe and inviting place to visit, work and live.

William J. Oswalt
Chief of Police

PROSECUTOR'S DEPARTMENT

The Town of Jaffrey continues to be a leader in the number of cases submitted to the local court for prosecution. Simple assaults, suspended driver's licenses, domestic issues, drug and alcohol related offenses and trespassing are forerunners in the types of cases that we prosecute. The addition of Family Court to the Jaffrey Circuit Court has had a significant change in daily court operations however, that change has had more impact on Court staff than on our operations. The addition of Family Court and other Court cutbacks, have had some effect on the scheduling of our cases.

Budget driven legislation has resulted in many changes in existing law and we have been working closely with Court, local and state officials to adapt to, and implement these changes. Dramatic changes and revisions in the Juvenile Laws have made it considerably more complicated to prosecute juvenile cases and made it more difficult to enforce the law in general with respect to juvenile offenders. A pre-trial hearing process initiated by the court in 2012 continues to be beneficial in resolving most of those cases without a trial and police officers are not required to attend the pre-trial hearings thereby contributing to a reduction in police overtime expenses.

Our office has once again had the pleasure of participating in student intern and study programs working with students from Wheelock College in Boston, MA and Contoocook Valley Regional High School in Peterborough.

In all areas of offenses we have had \$ 29,223.31 in restitution ordered to be paid to victims through the Court, Department of Corrections or through our office. Additionally, in most cases where a defendant fails to appear and officers appear at court, witness fees are generally assessed and paid to the town's general fund.

In 2013 we received revenue in the amount of \$ 475.00 through the collection of discovery fees.

The statistical breakdown is as follows and includes cases that are open, pending, or closed out in 2013

2005	2006	2007	2008	2009	2010	2011	2012	2013
728	735	775	887	923	1036	662	595	552

Of the 552 cases, 33 were juvenile, 81 were motor vehicle, and 438 were adult criminal cases. 1 of the 39 Juvenile cases were referred to the Juvenile Diversion Committee as a court alternative.

We mourn the loss of two, long time members of our juvenile diversion committee. John Weidner and Felix DeGrandpre. Both men passed away in 2013. They were both members of the original diversion committee established in the 1980s and they both recently served on the panel. They will be missed. Despite that loss we are pleased to have Mark Cournoyer of Jaffrey and Chelsea Szalanski of Rindge volunteer their services to fill those vacancies on the diversion committee.

Respectfully submitted,
Richard Carpenter, Jr.
Lieutenant / Police Prosecutor
Jaffrey Police Department

PUBLIC WORKS DEPARTMENT

Cemeteries/Parks and Commons Division: In 2013, the Town performed 5 full-body and 5 cremation burials. The staff assisted and participated with the Cemetery Committee by attending regular meetings, work sessions and the annual cleanup. Staff also assisted the Committee with continuing work on the Cutter Cemetery expansion and laid out several lots. Annual cemetery cleanup day was performed in November which removed materials from gravesites in preparation for winter and those that do not comply with the regulations to improve the general appearance of the facilities. The Town continued contracting out landscaping maintenance activities to a private contractor. As a result of the establishment of the Cemetery Trees Trust Fund, staff coordinated the removal of 6 miscellaneous trees at the Old Burying Ground. Staff completed a cemetery lot inventory program for Conant Cemetery (photo and lot records) with the invaluable assistance of Emily Preston. As a reminder to those who have loved ones buried in the cemeteries, artificial flowers are not permitted. These arrangements get entangled in the landscaping equipment and are a serious hazard to the workers.

Highway Division: In 2013, the Highway Department reconstructed a portion of Squantum Road between Stratton Road and Plantation Drive and reconstructed Carey Road. Fitzgerald Drive and Planation Drive were resurfaced. As part of the Old Sharon Road water main project, Old Sharon Road and Hadley Road (south of Old Sharon Road) were resurfaced. Drainage cross culverts were replaced on Thorndike Pond Road. Highway Crews performed winter and summer (seasonal) maintenance on over 64 miles of Town roads (including 20 miles of gravel road) and assisted other Departments throughout the year including the Water, Sewer, Recreation, Fire and Police.

The Department assisted with work at the Town Common, installation of new LED lights in the common and downtown and damaged downtown concrete sidewalks were replaced.

Repairs to the damaged masonry arch bridge on Gilmore Pond Road near Sawtelle Road were completed during the year. The bridge had been damaged as a result of a motor vehicle accident and the repairs were completed following reaching a settlement with the insurance company.

All storm water drainage structures and culverts were field located by GPS and mapped.

Lydon Company of Brockton, MA was contracted with to replace the single gate at the Mountain Brook Reservoir Dam. This project was completed in November and satisfied an earlier Letter of Deficiency from the New Hampshire Department of Environmental Services Dam Safety Bureau.

The Mechanic with assistance from Highway staff maintained and kept operational the Town's vehicles and in addition to maintaining highway vehicles, over 270 hours of labor was expended maintaining Fire, Police, Water, Sewer, and Recreation Department vehicles and equipment. During the year, the Town accepted delivery of new pickup trucks for the Water and Sewer Departments and a new loader.

PUBLIC WORKS DEPARTMENT

Wastewater Division: In 2013, the wastewater treatment plant processed approximately 198,367,000 gallons (average 543,471 gallons per day) of wastewater from 825 connections. United Water is in the eighth year of contract operations of the sewer facilities including the wastewater treatment plant, Hadley Road head works, 5 pump stations and 15 miles of collection sewer. As part of their normal operations, United Water completed cleaning of approximately 12,475 linear feet of collection sewer and repaired 15 manholes during the year. The sewer cleaning program is part of a preventive maintenance program begun in 2004 addressing the sanitary sewer collection system, manholes and pump stations. During 2013, there were 10 callouts for sewer related problems (blockages or overflows).

The Town completed the fourth full year of operation of the advanced wastewater treatment plant and second full year of operation of the filtration system providing tertiary treatment both built to comply with NPDES requirements and an EPA Administrative Order to meet more stringent effluent standards.

Total septage waste received at the new wastewater plant during 2013 was 1,795,382 gallons (equivalent to about 1,795 - 1,000 gallon residential septage holding tanks).

Total sludge processed at the wastewater plant in 2013, was 136.16 dry tons. The sludge was then transported to the Merrimack, NH wastewater plant composting facility where it was composted for beneficial reuse. It is hoped to make Jaffrey finished compost available to the public in 2014.

As reported last year, the Town continued working on the system-wide infiltration/inflow reduction and initiated a two-year rehabilitation program in priority areas identified and during 2012. In 2013, sixteen (16) sewer manholes were sealed.

As reported last year, the Town was advised by DES that replacement of the River Street and Nelson Circle sewer pump stations are eligible for funding (40%) from the State of New Hampshire CWSRF to supplement local funds that had been previously appropriated. Engineering design, survey and preparation of bidding documents is underway and the project is expected to be bid and completed this year.

PUBLIC WORKS DEPARTMENT

Water Division: In 2013, the Department produced 100,288,440 gallons (average 274,763 gallons per day) from four (4) groundwater wells at the Contoocook, Turnpike, and Squantum well houses and provided potable drinking water and fire protection to approximately 1,504 accounts in Jaffrey and Rindge. The Department responded to seven (7) water main breaks and one (1) service break. Hydrant maintenance continued with the repairs of six (6) hydrants and repairs to seven (7) curb stops. Two hundred and fifty-nine (259) hydrants were flushed twice during the year (spring and fall). Two (2) new meters were installed, sixty (60) meters were replaced, and thirty-five (35) water meters were reprogrammed and thirty-one (31) MXU (radio read) change outs.

Continued administration of the Cross Connection and Backflow Testing Program with town staff and a contractor to complete mandatory semi-annual testing of all backflow prevention devices in town. To date there are 88 backflow prevention devices at 47 businesses, schools and town buildings included in this program and tested.

Finished implementation of the Bullet Pond Forest Management Plan with additional selective cutting performed during 2013. This work is intended to improve the overall health and vitality of the forest.

As reported last year, work began in the fall of 2012 on a major project extending municipal water from the area of D.D. Bean on Peterborough Street to Old Sharon Road and portions of Hadley Road and Nutting Road within the Stone Bridge Tax Increment Finance District (TIFD). Work was completed last spring. Project funding was from the Stone Bridge TIFD and 50% project grant from EDA.

The Department also completed a project replacing and extending municipal water on Tyler Hill Road. 480 feet of 6 inch ductile iron pipe and 1 new hydrant was included in the project.

Last fall, the interior and exterior of the Bullet Pond and Poole water storage tanks were both cleaned and inspected by Underwater Solutions, Inc. as part of the inspection program that is performed every five (5) years (initiated in 2008).

During the year the Town applied for a received a \$ 15,000 grant from the New Hampshire Department of Environmental Services for asset management and financial planning of the water distribution system. The scope included expanding the water system inventory; organizing and incorporating the water system geographic system (GIS) data and the Town's existing GIS data into a web-based GIS; updating the water distribution system model; prioritize water main improvement projects; and, develop a capital spending plan.

PUBLIC WORKS DEPARTMENT

Engineering Division: In 2013, the engineering division provided assistance to all Department of Public Works functions as well as other town departments and committees as necessary including the Energy Committee and Joint Loss Management Control Committee. Special projects included continued work on GPS/field locating and GIS mapping of the water and sewer system physical structures and also drainage structures; infiltration/inflow reduction program for the sewer system; water conservation and asset management programs; update of the wastewater local limits and sewer use ordinance; and, cemetery inventory program.

As was the case last year, a good deal of time was spent coordinating operation of the new advanced wastewater treatment plant and wastewater filtration system, sewer pumping station operations, septage receiving program and sludge management.

Completed project management for project extending water to Old Sharon Road as part of Stone Bridge TIFD. The division continued to work with the DES Dam Bureau on dam inspections and updating of operations and maintenance and emergency operations plans. The gate and operator were replaced at the Mountain Brook Reservoir Dam.

A previous letter of deficiency was addressed from the DES Wetlands Bureau and the town applied for and received a dredge & fill permit to allow the placement of beach sand on Squantum Road adjacent to Contoocook Beach. The permit will be valid for six (6) years.

The division also applied for and received various DES permits for culvert work and highway maintenance as needed.

Support was provided to the Planning Board as needed by reviewing site and subdivision plans, inspecting development projects, preparing bond recommendations for projects incorporating public improvements and approving as-built plans.

Solid Waste/Transfer/Recycling Division: Material received and processed at the Transfer Station in 2013 included the following approximate amounts: 857 tons compactor waste, 710 tons bulky waste including construction and demolition debris, 167 tons recycled material (plastics, paper, corrugated), 31 tons light iron, 6 tons aluminum, 319 home electronic items (televisions, computer monitors, VCR and DVD players, and microwaves), 1 and ½ trailer loads of tires, 102 propane tanks, 47 batteries, and 86 Freon containing items (refrigerators, freezers, air conditioners, and dehumidifiers).

Hydrant flow testing performed in order to calibrate water distribution system model

The Department continues to address operational and environmental recommendations presented by the Board of Selectmen's citizen advisory committee in 2004. During the year, we completed a project to cover the bulky waste drop off area eliminating rain and snow from the roll off containers and we also installed a fire hydrant at the site following completion of the Old Sharon Road water main extension project. Eventual replacement and insulation of the transfer station roof are incorporated in the Town's Capital Improvement Plan. Recent annual reports from DES indicated that Jaffrey's recycling rate continues to exceed the statewide average. The town continues to participate in a regional Household Hazardous Waste disposal program offered in Keene with collections held during summer and fall. The town in cooperation

PUBLIC WORKS DEPARTMENT

with DES, EPA and DEA has sponsored prescription drug take-back days at the Jaffrey Police Department as well as area police departments in accordance with a national program to promote safe drug disposal and keeping discarded drugs from solid waste and wastewater. Planet Aid reported that they collected a total of 4,522 pounds of donated clothing at the receptacle box located at the Transfer Station.

The staff continues to check for valid “dump” stickers and remind all that stickers can be obtained at both the Town Clerk’s office and at the Transfer Station with a proof of residency. Seasonal stickers can be obtained at the DPW office.

We continue to process commodities through the NRRA, which competitively bids commodities and insures the best prices for their members. Throughout this year, we have seen the prices received for recyclables remain dismal. We are attempting to stockpile some recyclables until the market improves as we are able to receive more favorable pricing if full loads of the same commodity are sent to the vendor. Estimated revenue received from the sale of these commodities totaled \$ 27,492 in 2013. By actively recycling, the town saved over \$17,850 by not disposing of recyclable

items along with household trash. Following is a summary of the materials processed at the Transfer Station last year:

In addition to the above, the Public Works Department assisted the Library with a duct cleaning project and extensive repairs to the heating and ventilation system, and also installed power assisted/handicap accessible doors at the Town Office entrance vestibule.

During 2013, the following Public Works employees achieved service anniversaries: Damon Poor of the Highway Department, 15 years; Bruce Hanson at the Transfer Station, 15 years; and Randy Heglin, Public Works Director, 10 years.

RECREATION DEPARTMENT

The years continue to fly by as 2014 will be my 16th year as the Director of Parks and Recreation and I look forward to each one!

This past year, the department worked hard at providing some much needed repairs and renovations to our facilities. Due to storm damage, the youth center shelter at Humiston Field was totally rebuilt and damage to the main building roof was repaired. Also at the youth center, the floor in the main room and bathrooms was resurfaced and the interior painted. A covering for home plate was purchased with ½ of the funding coming from the Conant High School Athletic Boosters. This will decrease the number of rescheduled games due to wet weather. Dugout roofs were re-shingled at Humiston Field and new shingles were installed on our storage building with exterior painting to be completed in the spring. At Community Field much needed fence repairs were done in the fall to the outfield fence and the bottom fence around home plate. A picnic table and bike rack have also been purchased and will be installed in the spring. Community Field repairs, picnic table, and bike rack were financed by the Downtown Tax Increment Finance District and we are grateful for their generosity. At Contoocook Beach, new lighting was installed in the restrooms and changing area. While we experienced some challenges regarding the road closing and beach sand coverage, we have secured necessary permits to once again cover the road with sand and create the beach as in the past.

Spring was busy as we prepared for summer. The Easter Event at the Library is always great and we are guaranteed to stay warm and dry. Thanks to the librarians for helping hide the eggs! We offered spring break activities for children during the week of no school. We are fortunate to have the CHS Baseball teams assist with our spring cleanup at Humiston Field prior to the high school baseball season. We mark and prepare Humiston Field for JRMS, CHS JV, and CHS Varsity baseball games. Thanks to our friends at the Department of Public Works for their help in getting Contoocook Beach and Thorndike Pond ready for the summer.

This past summer was one of the busiest I can remember, as we saw large increases in our day programs for youth. Our Mini's program for 3-5 year olds grew by 13%, AIM program for grade K-5 grew by 15% and was so popular we added another week to total 8 weeks of summer fun, and our Adventure program for grades 6-8 grew by a whopping 65% and expanded to 7 weeks! Other summer programs were also busy with sports camps, swimming lessons, Jaffrey Rindge Marlins Swim Team, and summer baseball. Contoocook Beach and Thorndike Pond continue to be a popular place to be to beat the summer heat. Our Mini Triathlon grew to 74 swimmers, bikers, and runners.

In the Fall, our thoughts turned to a scary time with Halloween Events. The Haunted Hay Ride took over 400 thrill seekers and danger lovers to a scary (not too much) trip at Silver Ranch. Thanks to our volunteers (over 35) for all their help! Our Halloween Party at JGS was great fun and Halloween Window painting added to downtown's decorations. Fall Soccer was also successful, as the seven week program had over 100 participants. We also provided the home soccer field for JRMS by marking the field for their matches and practices.

RECREATION DEPARTMENT

The Holiday Season came on fast, with all openings for the Holiday Craft Fair selling out in just 10 days! Although we experienced rain for Tree Lighting, our friends at TD Bank came through and we had our Santa Greeting in their lobby! We helped children by making sure all their letters were received and answered by Santa and we made a request to Santa for some cold weather so we can open the ice rink! Saturday Morning Basketball continued to be popular, with over 100 eager basketball players from grades K-5 for seven weeks.

During the year, we offered trips to The Big “E”, Boston Red Sox, Bright Nights & Christmas Shopping, Disney on Ice, Foster’s Downeast Clambake, Jeff Dunham, Manchester Monarchs, as well as 9 Senior Trips with Best of Times.

As I mentioned, time just flies by and I consider myself extremely fortunate to work and live in such a wonderful community. Thank you for all your help in providing facilities, programs, and activities for the Town of Jaffrey.

Respectfully Submitted,

Walt Pryor, CPRP (Certified Parks and Recreation Professional)

Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.
