

TOWN OF JAFFREY

NEW HAMPSHIRE

ANNUAL REPORT 2014

**Dedicated to
H. Charles “Charlie” Royce**

But mountain, adieu!
No more shall I view
The earth, from the spot where I stand;-
Half century hence,
Some Bard of keen sense
May take a broad glance at the land.

And fully recount
The scenes round the Mount
Made or moulded by human hand;
But this lofty Pile,
Unchanged all the while,
Will still be MONADNOCK the GRAND! ~

Thank you for your service to our town and our Mountain.

The Meetinghouse from Cutter's Hotel—site of the present 60-foot flagpole—sometime before 1884 (the year the clock was installed). Note that the front door has been moved one bay to the west. At this time, Conant High School was on the ground floor and the Town Offices and meeting room were on the second floor. Photograph by J. A. French.

Postcard view of the Clay Library probably soon after it opened in 1896. It was designed by H. M. Francis of Fitchburg, who was also the architect of the Rindge Library. A room on the second floor was provided for use as a Town Office. The Town Vault is still in place there. Photograph by E. D. Putnam.

Postcard view of the Monadnock Bank and the Town Office Building, ca. mid 1960s. It was designed by Alfred T. Granger Associates and opened in 1955. The site, formerly occupied by the Granite State Hotel, was donated by Mr. and Mrs. Julius Prescott. Photograph by Carleton Allen.

Present Town Office Building, January 2015. Originally a lumber warehouse for Goodnow's Department Store, then offices for CFX Bank, it was purchased by the Town, renovated and occupied in 1995. Photograph by Robert Stephenson.

2014 ANNUAL MEETING MINUTES

Adjourned Session of the Annual Town Meeting

The meeting was called to order at 9:00 am. The attendants were asked to stand as the Boy Scouts from Troop 3: Michael Johnson, Bradley Hector and Alex Wentworth presented the colors and led the assembly in the Pledge of Allegiance. Molly Caoutte, a Junior from Conant High School sang the National Anthem.

The moderator, Marc Tieger, the said the following: “Good morning. Sometime in the late 1960’s or early 1970’s these words were written by Alice Lehtinen, who was the co-author with Albert Annett of Volumes I and II of the History of Jaffrey and the author of Volume III. The words are as appropriate today as they were then and for years and years before:

Jaffrey has a healthy social climate, evident at that ancient New England institution, the Town Meeting. Here democracy can be seen at work. Here all voters have a chance to say their say as well as cast their ballots. Here it is often clear that relative newcomers on the voting list have as much interest in Jaffrey’s well-being as the older residents. All Jaffrey people take pride in their town, holding their heads high, even as Monadnock that towers above all.

As we meet this morning in the shadow of our Mount Monadnock it is incumbent upon us, be we recent arrivals or those whose ancestors were here at the incorporation of Jaffrey, to be mindful of Miss Lehtinen’s words.

Each of us has her or his own ideas, convictions, and philosophies in which we passionately believe and it’s only natural that at times we will disagree. But let’s disagree with respect and civility, let’s not just listen but hear what our neighbor is saying and above all, let’s remember that each of us in this room wants the same thing: what is best for this wonderful community, this wonderful Town of Jaffrey, that we call home, and the continuation of our traditional Town Meeting.

Mr. Tieger then asked everyone to be seated. He then introduced the head tables: the Board of Selectmen, Town Manager, Department Heads, Budget Committee, Supervisors of the Checklist and the Assistant Moderator, Phil Cournoyer who would be moderating a few of the articles and overseeing the ballot boxes for any secret ballot articles.

Mr. Tieger then went over some basic guidelines for how our town meeting is conducted. Mr. Tieger encouraged the assembly to partake in the food and beverages being sold in the lobby by the Fast Food group for the Jaffrey Fire Department.

Mr. Tieger then recognized Chairman of the Board of Selectmen, Don MacIsaac

Mr. MacIsaac then offered the following Proclamations:

“Whereas, Kenneth Campbell served the Town of Jaffrey with honor and distinction as a member of the Zoning Board of Adjustment;

Now, therefore, be it resolved and proclaimed in Town Meeting convened March 15, 2014, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.”

“Whereas, James Dumont served the Town of Jaffrey with honor and distinction as a member of the Zoning Board of Adjustment;

Now, therefore, be it resolved and proclaimed in Town Meeting convened March 15, 2014, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made part of the official record of this meeting.”

The resolutions were accepted by acclamation

Mr. Tieger introduced the microphone handlers as Shelby Barden, Eva Quill and Owen Lodge from Conant High School Honor Society.

Mr. Tieger gave special thanks to Steve Rigapoulos for his continuation of making the Town Banner.

Mr. Tieger stated that the warrant had been posted at the Jaffrey Public Library and Post Office.

Mr. Tieger proposed to waive reading of the Warrant in its entirety. It was so moved and seconded.

Mr. Tieger then read the results of Tuesday’s voting.

Art. 3. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

Selectman Don MacIsaac moved the article and Kathy Batchelder seconded. Don MacIsaac addressed the article. He did make one correction for the information he stated last year at Town Meeting. Jeanne LaBrie did not start her first term as selectwomen in 1949. No date was given.

The article passed by voice vote.

Art. 4. To see if the Town will vote to approve the cost items in the collective bargaining agreement reached between the Select Board and AFSCME Local 2973, Department of Public Works employees, which calls for the following increases in salaries and benefits at the current staffing level

Fiscal Year	Estimated Increase
2014	\$14,668
2015	\$14,962

2014 ANNUAL MEETING MINUTES

And further to raise and appropriate the total sum of \$14,668 (Fourteen thousand six hundred sixty eight dollars) for the current fiscal year and authorize the withdrawal of \$2,730 from the Water Department Fund (with the balance of \$11,938 to come from general taxation), such total sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

Selectwomen Kathy Batchelder moved the article and Don MacIsaac seconded. Kathy Batchelder addressed the article and with no discussion the article was moved to vote. **The article passed by voice vote.**

Art. 5. Shall the Town, if Article 4 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 4 cost items only? *Recommended by the Select Board (3-0).*

Since Article 4 was passed, a motion was made by Kathy Batchelder and seconded by Don MacIsaac to pass over this article. **So carried.**

Art. 6. To see if the Town will vote to approve the cost items in the collective bargaining agreement reached between the Select Board and AFSCME Local 3657, Police Department employees, which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
2014	\$13,642
2015	\$13,913

And further to raise and appropriate the sum of \$13,642 (Thirteen thousand six hundred forty two dollars) for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. *Recommended by the Select Board (3-0) and Budget Committee (6-0.)*

Selectwoman Kathy Batchelder moved the article and Don MacIsaac seconded. Kathy Batchelder addressed the article. **Article was passed by voice vote.**

Art. 7. Shall the Town, if Article 6 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 6 cost items only? *Recommended by the Select Board (3-0).*

Since Article 6 was passed, a motion was made by Kathy Batchelder and seconded by Don MacIsaac to pass over this article. **So carried.**

Art. 8. To see if the town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of police special details. All revenues received for police special details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund unassigned fund balance. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. *Recommended by the Select Board (3-0).*

Selectman Tom Rothermel moved the article and Kathy Batchelder seconded. Tom Rothermel addressed the article. After brief questions for clarification the article was moved to vote. **Article passed by voice vote.**

Art. 9. To see if the Town will vote to raise and appropriate the following sums for the operation of the water and sewer systems, to be funded entirely through user fees and other non-property tax resources:

2014 ANNUAL MEETING MINUTES

Water Department	\$ 1,106,739
Sewer Department	\$ 1,855,195
	\$ 2,961,934

Recommended by the Select Board (3-0) and Budget Committee (6-0).

Budget Committee Chairman Norm Langevin moved the article and Don MacIsaac seconded. Norm Langevin addressed the article. With few questions and comments the article was moved to vote.

The article was passed by voice vote.

Town Moderator Marc Tieger requested and received concurrence to move and take action on Articles 31-33.

Art. 31. That the New Hampshire State Legislature join nearly 500 municipalities and 16 other states, including all other New England states, in calling upon Congress to move forward to a constitutional amendment that guarantees the right of our elected representatives and of the American people to safeguard fair elections through authority to regulate political spending, and clarifies that constitutional rights were established for people, not corporations.

That the New Hampshire Congressional delegation support such a constitutional amendment.

That the New Hampshire State Legislature support such an amendment once it is approved by Congress and sent to the state for ratification.

The record of the vote approving this article shall be transmitted by written notice to Jaffrey's congressional delegation, and to Jaffrey's state legislators, and to the President of the United States informing them of the instructions from their constituents by the selectmen within 30 days of the vote. Submitted by petition.

Bill Graf moved the article and John Field seconded. Bill Graf addressed the article. After a few comments and questions the article was moved to vote. **The article passed by voice vote.**

Phil Cournoyer moderated the next two articles.

Art. 32. We the undersigned registered voters of the Town of Jaffrey do hereby petition to have the following article added to the Town Meeting Warrant for 2014.

We recognize and affirm:

- Jaffrey voters have a fundamental and inherent right to an anonymous ballot cast in secret in all elections.
- All citizens and election officials in our town share a fundamental right and responsibility to verify and ensure that ballots are counted and reported accurately.

Submitted by petition

Deb Sumner moved the article and James Poplin seconded. Deb Sumner addressed the article. After close to thirty minutes of lively questions, comments and opinions, the article was moved to vote. A standing vote was taken and the results were as follows: Yes – 24 No – 77

The article was defeated.

Art. 33. We the undersigned registered voters of the Town of Jaffrey do hereby petition to have the following article added to the Town Meeting Warrant for 2014.

2014 ANNUAL MEETING MINUTES

To see if voters want town and election officials to comply with recommendations of 2009 State Advisory Committee Report and develop a plan for our approval in March 2015 that protects our right and responsibility to verify and ensure ballots are counted and reported accurately.

From, p. 21: "Ballot counting accuracy, security and credibility are essential for a democracy to function. Ongoing efforts to test accuracy and maintain security for tabulators and paper ballots must be supported by the cities and towns responsible for counting ballots in elections. The primary cost of tabulator testing and security must be borne by the towns and cities."

The Town's plan should inspire public confidence in elections by protecting against known electronic voting risks:

- Verify that computer is tallying ballots accurately on election day.
- Find common errors voters make in marking ballots and provide voter education as needed.

Submitted by petition

James Poplin moved the article and Deb Sumner seconded. James Poplin addressed the article. Deb Sumner also quoted RSA 659:42. After questions, comments and debate the article was moved vote. Voting was by secret ballot. Yes – 30 No – 94
The article was defeated

Marc Tieger moderated the next article

Art. 10. To see if the Town will vote to raise and appropriate the sum of \$6,103,813 (Six million, one hundred three thousand, eight hundred thirteen dollars) for general municipal operations. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

Selectman Don MacIsaac moved the article and Kathy Batchelder seconded. Don MacIsaac addressed the article. Norm Langevin also addressed and presented a PowerPoint which explained the Budget Committee's review process, approach to the budget and plan to fund capital items. With no discussion the article was moved to a vote. **The article was passed by a voice vote.**

ANNUAL TOWN MEETING WARRANT
2015

Elections – March 10, 2015 (8:00 a.m. to 7:00 p.m.)

Business Meeting – March 14, 2015 (9:00 a.m.)

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Veterans of Foreign War, Post 5613 in said Jaffrey on Tuesday, the 10th of March, 2015 at eight o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2-a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 14th, 2015, at the Ernest J. Pratt Auditorium in Jaffrey, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (by Official Ballot)

Selectman -	one person for three-year term
Trustee of Trust Funds -	one person for three-year term
Library Trustee -	two persons for three-year term
Supervisor of the Checklist -	one person for two-year term
Supervisor of the Checklist -	one person for six-year term

Art. 2. To see if the Town will vote to raise and appropriate the sum of \$100,000 (One Hundred Thousand Dollars) for the purpose of Wastewater Asset Management & Facility Planning, and any other costs related thereto, and to authorize the issuance of not more than One Hundred Thousand Dollars (\$100,000) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et. seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; further, without impairing the status of this bond as a general obligation bond of the Town, it is the intention and expectation of the Selectmen that debt service on this bond will be paid by Sewer User Fees.

Recommended by the Select Board (3-0) and Budget Committee (6-0).

2/3 Ballot Vote Required.

LAYMAN'S LANGUAGE: Completion of collection system mapping including scanning and data conversion of existing record drawings and incorporation into GIS database, collection system condition tracking and assessment with recommended plan of work, pump station assessment, and wastewater treatment facility assessment. Deliverables of this planning level project will be a GIS database in ESRI format compatible with existing water utility format in a web hosted environment to provide improved access to field personnel. Assessment of infrastructure will result in a report on the capacity and condition of the Town's collection system and treatment facility assets with a design level of service, expected design life of equipment, and item's criticality with respect to system performance and permit compliance. Planning level estimates and recommended repair or replacement alternatives will be presented. The plan will consider upgrades and or

2015 LAYMAN'S WARRANT

improvements over the next 10 year planning period. The ultimate goal for the town is to incorporate capital expenses in a prioritized fashion to best manage limited resources and to provide user rate stabilization. The Town has applied for NHDES SRF funding and this project has ranked on the intended use plan project listing. The project will be eligible for Principal forgiveness, which at this time has not been determined. The amount of forgiveness has not yet been finalized by the NHDES/USEPA

Art. 3. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN'S LANGUAGE: The purpose of this article is to accept all reports as printed in the Town Report.

Art. 4. To see if the Town will vote to raise and appropriate the following sums for the operation of the water and sewer systems, to be funded entirely through user fees and other non-property tax resources:

Water Department	\$ 1,140,443
Sewer Department	\$ 1,990,211
	\$ 3,130,654

Recommended by the Select Board (3-0) and Budget Committee (6-0).

Art. 5. To see if the Town will vote to raise and appropriate the sum of \$6,342,820 (Six Million, Three Hundred Forty-Two Thousand, Eight Hundred Twenty Dollars) for general municipal operations. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is the article that provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 6. To see if the Town will raise and appropriate the sum of \$172,360 (One Hundred Seventy-Two Thousand Three Hundred Sixty Dollars) for final design of a new Town Office Building (to include various town departments, with the possible inclusion of the Police Department), including site design and engineering, geotechnical, easement acquisition, construction bidding and related work. Said appropriation to be offset by \$45,192 (Forty-Five Thousand One Hundred Ninety-Two Dollars) from the Downtown Tax Increment Fund. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until this phase of the project is completed or by December 31, 2017. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article would raise funds for the final design of a new Town Office Building, (to include various town departments, with the possible inclusion of the Police Department), at the site of the current police station located at 26 Main Street. The appropriation will allow the Town to design, engineer and bid the project with the goal of presenting a bond at the 2016 Town Meeting for construction funds. It is the Select Board's goal to fund 50% of this project with Downtown TIF Funds as the continued presence of municipal offices provides an economic stimulus for the Downtown.

Art. 7. To see if the Town will vote to accept the Downtown Tax Increment Finance District Financing Plan. *Recommended by the Select Board (3-0)*

LAYMAN'S LANGUAGE: The Downtown TIFD includes the Downtown District and the Main Street program area. The TIFD supports the Main Street program which is managed by Team Jaffrey, the bond for the community center site, redevelopment at the Elite Laundry site and ongoing renovations and improvements to the Downtown area. This revised financing plan proposes to fund up to 50% of the costs for a new Town Office Building (to include various town departments, with the possible inclusion of the Police Department), including the costs set forth in Article 7 and any future capital costs associated with the project, including debt service.

2015 LAYMAN'S WARRANT

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$1,000 (One Thousand Dollars) to be deposited into the Cemetery Trees Trust Fund established in 2007. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: The Cemetery Trees Trust Fund was established in 2007 to set aside funds for the care and removal of trees in the Town's cemeteries. A separate private fund has been established for the same purpose. Older trees are of concern as falling branches or worse can causing expensive and sometimes irreparable damage to historic gravestones. During 2014, funds from this reserve were used to continue to remove hazardous trees in the Old Burial Ground and at the Conant Cemetery. As of 12/31/14, the balance of the Town fund was \$4,681.27 and the private balance was \$509.74. The private and public funds are accounted for separately by the Trustees of the Trust Funds.

Art. 9. To see if the Town will vote to increase the optional veteran's tax credit as authorized by RSA 72:28 II from \$300 to \$400 effective April 1, 2015. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: State law allows communities to approve property tax credits for veterans up to \$500.00 annually. Approximately 60% of communities in the Jaffrey area grant \$500.00 credits. Increasing the credit \$100.00 would require the Town to raise an additional \$23,500. It is the intention of the Select Board to propose an additional \$100.00 increase in 2016 resulting in a final exemption amount of \$500.00.

Art. 10. To see if the Town will vote to raise and appropriate the sum of \$2,000 (Two Thousand Dollars) to be deposited into the Gravestone Restoration Trust Fund established in 2000. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: The Gravestone Restoration Fund, created in 2000, is used to repair and maintain stones that have been damaged or vandalized, specifically in those cases where a family member can't be found to assume the responsibility. As of 12/31/14, the Fund balance was \$2,816.62.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$3,000 (Three Thousand Dollars) to be deposited into the Meeting House Trust Fund established in 1991. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: The Meetinghouse Fund was created in 1991 to support major capital costs associated with Jaffrey's most historic building, the town-owned 1775 Meetinghouse. As of 12/31/14, the Fund balance was \$13,494.89.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$10,000 (Ten Thousand Dollars) for the payment of the NH constitutionally required revaluation of property every five years and to authorize the withdrawal of \$10,000 (Ten Thousand Dollars) from the Property Revaluation Capital Reserve Fund created for this purpose. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: Under state law the Town is required to conduct a town-wide property revaluation every five years. The law allows towns to conduct the revaluation on a phased basis. The Selectmen have determined that the revaluation due in 2015 will be completed in phases by reviewing $\frac{1}{4}$ of the town each year (2011 thru 2014), with a statistical revaluation completed in 2015. This will ensure that each property is visited and properly assessed. This article will provide funds to assist with the transition to a program which will stabilize the overall annual cost of the program to the community. The balance of the capital reserve as of 12/31/14 is \$31,437.63.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$75,000 (Seventy Five Thousand Dollars) to be deposited into the Municipal Building Maintenance Capital Reserve Fund established in 2010 pursuant to RSA 35:1. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

2015 LAYMAN'S WARRANT

LAYMAN'S LANGUAGE: A Capital Reserve fund is like a savings account for future expenditures. The Building Maintenance Capital Reserve was created upon the recommendation of both the Capital Improvements Plan committee and the Municipal Facilities Committee in 2009, for the purpose of funding major building maintenance needs. The 2012 Town Meeting designated the Select Board as agent to expend, which allows the Board to expend funds in the event of an emergency. Projects addressed in 2014 include access and roof repairs at the Library, improvements to the Jaffrey Center Fire/Storage Building and replacement of the roof at the Recreation Department. It is anticipated that a significant expense will be incurred in 2015 with structural modifications and roof replacement at the Department of Public Works/Highway Garage. The balance of the capital reserve as of 12/31/2014 is \$168,307.19.

Art 14. To see if the Town will vote to authorize the Select Board to enter into a five year lease agreement for \$285,000 (Two Hundred Eighty Five Thousand Dollars) for the purpose of leasing a road grader for the Highway Department, and to raise and appropriate the sum of \$60,510 (Sixty Thousand Five Hundred Ten Dollars) for the first year's payment for that purpose. This lease agreement contains an escape clause. (Majority Vote required). *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This vehicle replaces a 1986 Grader (29 years old). This vehicle was scheduled for replacement in 2019 but had to be pushed up to 2015 due to mechanical issues with the existing grader. The grader has lost its ability to fine grade which is necessary to maintain gravel roads. The cost to repair the grader to regain this function is approximately \$20,000.

Art. 15. Should Article 14 be defeated, to see if the Town will raise and appropriate \$60,510 (Sixty Thousand Five Hundred Ten Dollars) to be deposited into the Highway Equipment Capital Reserve Fund established in 1997 for the purpose of purchasing new or refurbished existing highway equipment. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: This article will place \$60,510 into the Highway Equipment Capital Reserve Fund for future equipment replacement or refurbishment. This appropriation allows the Town to continue its planned annual investment in highway equipment to avoid large, unfunded expenses in future years. The current balance of the account as of 12/31/2014 is \$120,469.52.

Art. 16. Should Article 14 be defeated, to see if the Town will vote to raise and appropriate the sum of \$20,000 (Twenty Thousand Dollars) to repair the 1986 road grader. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: The grader has lost its ability to fine grade which is necessary to maintain gravel roads. The cost to repair the grader to regain this function is approximately \$20,000.

Art 17. To see if the Town will vote to raise and appropriate the sum \$130,000 (One Hundred Thirty Thousand Dollars) for a front end loader for the Highway Department, and authorize the withdrawal of \$33,250 (Thirty-Three Thousand Two Hundred Fifty Dollars) from the Highway Equipment Capital Reserve Fund. The balance of \$96,750 (Ninety-Six Thousand Seven Hundred Fifty Dollars) is to come from general taxation. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This vehicle replaces a 2004 Front End Loader which is the primary use loader. Since 1973, the primary use loader has been replaced on an average of 7 year cycle. The current 2004 model is 11 years old and overdue for replacement.

Art. 18. Should Article 17 be defeated, to see if the Town will raise and appropriate \$96,750 (Ninety-Six Thousand Seven Hundred Fifty Dollars) to be deposited into the Highway Equipment Capital Reserve Fund established in 1997 for the purpose of purchasing new or refurbished existing highway equipment. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

2015 LAYMAN'S WARRANT

LAYMAN'S LANGUAGE: This article will place \$96,750 into the Highway Equipment Capital Reserve Fund for future equipment replacement or refurbishment. This appropriation allows the Town to continue its planned annual investment in highway equipment to avoid large, unfunded expenses in future years. The current balance of the account as of 12/31/2014 is \$120,469.52.

Art. 19. To see if the Town will raise and appropriate \$5,000 (Five Thousand Dollars) to be deposited into the Land Acquisition Capital Reserve Fund established in 2008 under the provisions of RSA 35:1. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: This article will place \$5,000 into the Land Acquisition Capital Reserve for future purchase of land or conservation easements. The current balance of the account as of 12/31/2014 is \$25,003.73.

Art. 20. To see if the Town will raise and appropriate \$40,000 (Forty Thousand Dollars) to be deposited into the Fire Department Capital Reserve Fund established in 1996 for the purpose of purchasing new or refurbished existing firefighting or rescue equipment. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: This article will place \$40,000 into the Fire Department Capital Reserve Fund for future equipment replacement. The current balance of the account as of 12/31/2014 is \$103,586.22.

Art. 21. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of replacing the Recreation Department tractor, to raise and appropriate the sum of \$12,500 (Twelve Thousand Five Hundred Dollars) to be placed in this fund, and to appoint the Select Board as agent to expend. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: This fund will pay for the eventual replacement of the 1981 tractor in use at the Recreation Department. The Town had an analysis completed on the unit, and it was recommended that the Town's best value is to continue to service and use the machine until it suffers a major mechanical failure, which is anticipated to occur in the near term. Replacement cost is estimated at \$25,000.

Art. 22. To see if the Town will vote to authorize the Select Board to enter into a long-term agreement with Borrego Inc., or its successors or assigns, to lease land at the Jaffrey Landfill to facilitate the development of a solar array, with the energy generated to reduce costs to operate the municipal sewer system. *Recommended by the Select Board (3-0)*

LAYMAN'S LANGUAGE: The Town and Borrego Solar on September 19, 2014 submitted a grant application to the NH Public Utilities Commission to develop a 977,600 KW photovoltaic array (solar panels) to be located a top of the closed landfill. If approved for the grant, the town would enter into a long term land lease agreement with the project developer, Borrego Solar. The power generated from the solar array would supply power to the wastewater treatment plant and pump stations. This warrant article allows the Board of Selectmen to negotiate the long term lease agreement with Borrego if the grant is awarded.

Art. 23. To see if the Town will vote, pursuant to RSA 35:9-a II, to authorize the Trustees of Trust Funds to pay for capital reserve fund investment management services, and any other expenses incurred, from capital reserve fund income. No vote by the town to rescind such authority shall occur within five years of the original adoption of this article. *Recommended by the Select Board (3-0)*

LAYMAN'S LANGUAGE: Presently, management services are paid from the General Fund; the Select Board believes that paying these expenses from the capital reserve fund presents a more complete picture of fund performance.

2015 LAYMAN'S WARRANT

Art. 24. To see if the Town will vote to enter into a long-term agreement to lease land on Union Street (Map 239, Lots 212 & 213, known as the Community Center Property) to the Community Center of Jaffrey, Inc., a non-profit corporation, with the purpose of facilitating the construction of a privately-funded community center under terms and conditions to be negotiated by the Select Board. (By petition) *Recommended by the Select Board (3-0).*

Art. 25. To see if the Town will vote to raise and appropriate the sum of \$6,578 (Six thousand five hundred seventy eight dollars) to Southwestern Community Services, Inc. (SCS), a private non-profit, Community Action Agency. In 2013-2014 SCS provided 1,212 units of service to the citizens of Jaffrey totaling \$657,757 in direct assistance. SCS is requesting 1% of the amount of that direct assistance equaling \$6,578.00. The 1% request results in an increase from the amount requested in 2013-2014. Submitted by Petition. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2014 appropriation - \$4,963.

Art. 26. To see if the Town will raise and appropriate the sum of \$30,000.00 for support of the Jaffrey-Rindge Memorial Ambulance, a non-profit agency, or take any action relating thereto. Submitted by petition. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2014 appropriation - \$30,000.

Art. 27. To see if the Town will vote to raise and appropriate the sum of \$7,500 to The Community Kitchen, Inc. located in Keene, NH for services provided to Jaffrey residents. Submitted by Petition. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2014 appropriation - \$7,000.

Art. 28. To see if the Town of Jaffrey will raise and appropriate the sum of \$1,500.00 for the support of The River Center, a nonprofit agency providing services to the citizens of Jaffrey, or take any action relating thereto. Submitted by petition. *Recommended by the Select Board (3-0) and the Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town received for the first time in 2014 and provides a benefit to Jaffrey and the region. 2014 appropriation - \$1,500.

Art. 29. To see if the Town will vote to raise and appropriate the sum of \$3,500 to the Jaffrey Civic Center to help support its ongoing community activities and events. Submitted by petition. *Recommended by the Select Board (3-0) and the Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2014 appropriation - \$3,500.

Art. 30. To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Dollars (\$17,000) to Home Healthcare, Hospice and Community Services to support the continuance of visiting nursing and hospice services being provided to the residents of Jaffrey. Submitted by Petition. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2014 appropriation - \$17,000.

2015 LAYMAN'S WARRANT

Art. 31. To see if the Town will vote to raise and appropriate the sum of \$8,000 for the support of the Monadnock Community Early Learning Center, a non-profit agency, or take any other action relating thereto. Submitted by Petition. *Recommended by the Select Board (3-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2014 appropriation - \$8,000.

Art. 32. To see if the Town will vote to raise and appropriate the sum of \$6,821 for the support of the Monadnock Family Services, or take any other action relating thereto. Submitted by Petition. *Recommended by the Select Board (3-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2014 appropriation - \$6,821.

Art. 33. To see if the Town would prefer to discontinue the process to require outside organizations to submit petition warrant articles seeking town funding, to be replaced by a single warrant article which lists all agencies seeking support along with the Select Board's and Budget Committee's recommended appropriation thereon? *Recommended by the Select Board (3-0)*

Art. 34. To take up any other business which may come legally before this meeting.

Seats of Jaffrey Government

Robert B. Stephenson

30 August 2010

As Jaffrey considers what might be the best way to accommodate its governmental activities—build a new Town Office building, renovate and improve the present one or purchase and adapt an existing property—perhaps looking at how things have been done in the past will offer insight.

For the first century of its existence the town had no office of any sort: records were likely kept at the home or business of those who kept the records, i.e. the town clerk, the selectmen, the tax collector, etc. The only public facility at which town business was carried out was the Meetinghouse where Town Meeting was held until 1915. (Jaffrey's first Town Meeting was held on September 14, 1773, "at the house of Francis Wright, innholder," a house on Gilmore Pond Road that still stands.)

In 1870 the interior of the Meetinghouse was totally rebuilt. The old box pews and the raised pulpit were removed and a floor was installed to make the building two stories. Conant High School had the ground floor which was used every other year alternating with space in the District 2 schoolhouse on School Street in what then was called East Jaffrey. Town offices and a meeting room were on the second floor. Conant eventually stayed downtown but the town offices remained in the Meetinghouse until the Jaffrey Public Library opened in 1896.

The Library, one of Jaffrey's finest buildings, was designed by the Fitchburg architect, H.M. Francis and from the start the intention was to provide space for town offices as well as a "convenient public hall...with a fire-proof vault." So although Town Meeting continued at the Meetinghouse for another 18 years, the various town officials now had a modern and comfortable place to do their work and store their records.

In 1915 Town Meeting moved to the Union Hall in the District 2 schoolhouse and remained there until 1937 when the building was replaced by the current Jaffrey Grade School. It continued in the new school until 1956 when it moved to the "new high school auditorium on Stratton Road," still its location today.

The Granite State Hotel overlooked the village green and was, aside from the neighboring mills, the largest building in the downtown. It was ill-fated, though, the original version and the two successors succumbing to fire, the last in 1923. Rather than rebuilding yet again, the owners, Julius and Ada Prescott, gave the site to the town for a "future town hall." So a need for such a facility must have been evident even back then.

By 1927 a Town Hall Fund and Town Hall Capital Reserve Fund had been created, but nothing happened until the early 1950s when it became clear that "the need for a place for the town officers to do their work was a pressing one..." At the 1953 Town Meeting, a committee consisting of Ralph E. Boynton, Elizabeth D. Sawyer and Alfred S. Despres was appointed to "investigate the feasibility of locating and erecting a structure of the 'Colonial' type, in harmony with traditional New England architecture. The committee reported its findings at the next town meeting... At this time it was 'voted that the Town authorize the construction and partial furnishing of a Town Office Building on the site donated by Mr. and Mrs. Julius E. Prescott...'"

The architect chosen for the project was Alfred T. Granger Associates of Hanover (also the designers of the Jaffrey Grade School) and the contractor was T.H. and E.H. Bergeron of Keene. "The foundation was started in September, 1954, and the building was completed in the summer of 1955." There was "suitable accommodations for the Court Room, Police Department, Town Clerk, Tax Collector, Selectmen, Water Commissioners, and a garage for the police cruiser and the V. F. W. ambulance. The total cost of the building, of brick construction, amounted to \$56,526.76." Not only were most town departments accommodated in the new building but it was purpose-built and had perhaps the finest location in the downtown.

By the early 1990s space for town government functions had again become a problem. The Police Department had moved out and taken over the old Fire Station on River Street (1984). The Water Department now had its new building on Turnpike Road. The Court had also relocated (1985) and was in rented space elsewhere in Jaffrey. Still the Town Office building was cramped. An opportunity presented itself to purchase an industrial building and recycle it as a new Town Office building. For a variety of reasons including its location out of the downtown, this proposal did not fare well. But at about the same time another option arose. The old lumber warehouse for Goodnow's Department Store, which had been renovated for an operations center for the bank, became available.

At the 1995 Town Meeting the voters were asked to raise and appropriate \$470,000 "to purchase and renovate property from CFX Bank, Inc....and to renovate the existing Town Office...The renovations would allow for the Town Office personnel to move to the CFX Building [and] the Police Station to move to the existing Town Office..." The proposal had strong support with the article carrying 223 to 31.

The work was accomplished and the new Town Office was occupied on November 9, 1995. And that's where we are today.

INDEFINITE DELEGATION OF AUTHORITY

INDEFINITE DELEGATION OF AUTHORITY

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as “boilerplate articles.” During the 1999 annual meeting, Jaffrey’s citizens voted (Articles 32-38) to “authorize indefinitely, until specific rescission of such authority” the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire Revised Statutes Annotated (RSA) 31:95-b, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH RSA 202-A:4-c, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH RSA 33:7, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVICES

Shall the Town accept the provisions of NH RSA 31:19, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH RSA 31:95-e, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH RSA 202-A:4-d, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided,

INDEFINITE DELEGATION OF AUTHORITY

however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH RSA 80:80, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

FINANCIAL REPORTS

Ms. Linda Langille, Finance Director
Town of Jaffrey, New Hampshire
10 Goodnow Street
Jaffrey, New Hampshire 03452

Additional Offices:
Andover, MA
Greenfield, MA
Manchester, NH
Ellsworth, ME

Dear Ms. Langille:

We have audited the financial statements of the Town of Jaffrey, New Hampshire as of and for the year ended December 31, 2013 and have issued our report thereon dated April 16, 2014. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter, our responsibility, as described by professional standards, is to form and express an opinion(s) about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Town solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team and others in our firm, have complied with all relevant ethical requirements regarding independence. Safeguards that have been applied to eliminate threats to independence or reduce them to an acceptable level include annual certification by all Firm staff of independence.

Qualitative Aspects of the Entity’s Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Town is included in the notes to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2013. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management’s current judgments.

The most sensitive accounting estimates affecting the financial statements are:

- Estimated lives and depreciation methods for depreciable assets.
- Collectability of receivables.

Management’s estimates of the above are based on various criteria. We evaluated the key factors and assumptions used to develop these estimates and determined that it is reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. We noted no particularly sensitive disclosures affecting the Town's financial statements.

Identified or Suspected Fraud

We have not identified or obtained information that indicates that fraud may have occurred.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. We have not identified any uncorrected financial statement misstatements whose effects in the current and prior periods, as determined by management, that were immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The following summarizes material misstatements that we identified as a result of our audit procedures and were brought to the attention of, and corrected by, management.

<u>Description</u>	<u>Amount of Misstatement</u>
• To adjust entry made to the general fund and TIF funds	\$540,436
• To reclass water encumbrance	\$2,150
• To correct transfer between the general fund and TIF funds	\$145,555
• To close out PY encumbrances	\$80,261
• To record bond proceeds and close out revolving loan fund	\$3,991,008
• To remove previously paid retainage payable	\$178,913
• To close sewer project	\$16,388

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Town's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the letter dated April 16, 2014.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings or Issues

In the normal course of our professional association with the Town, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Town's auditors.

Other Information in Documents Containing Audited Financial Statements

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Town's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. However, in accordance with such standards, we have read the information (if applicable) and considered whether such information, or the manner of its presentation, was materially inconsistent with the presentation in the financial statements.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the governing body and management of the Town and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Melanson, Heath + Company P.C.

TRUSTEES OF THE TRUST FUND

The three elected Trustees of Trust Funds oversee and administer the many trust funds and capital reserve accounts of the Town of Jaffrey. These funds and accounts are listed and described in the Trustees of Trust Funds page of the Town website. Last year the market value of all funds exceeded \$5,000,000 for the first time. At this year's end the balance stood at \$5,809,621.86.

Charter Trust Company is retained by the Trustees to provide investment advice, execute investment transactions, perform trust accounting and prepare reports required by the Town of Jaffrey and the State of New Hampshire.

During 2014, the Trustees met quarterly with representatives from Charter Trust, on three occasions at their Peterborough office and once at their headquarters in Concord. These meetings were open to the public and were posted in accordance with statute.

The Trustees also met frequently throughout the year to receive and disburse funds, respond to correspondence and transact other business. These meetings were also open to the public and posted, and were usually held at the Town Office on Thursdays at 4 p.m.

A recent change in state legislation allows for up to two alternate Trustees to serve for one year terms. At its meeting on December 22, 2014, the Board of Selectmen appointed William Raymond as an alternate.

On June 16, 2014, Trustees Mieso and Stephenson attended the annual Trustees workshop in Concord, sponsored by the Charitable Trusts Unit of the NH Department of Justice.

Citizens are invited to create new trusts for the benefit of Jaffrey. A sample bequest form may be found in the Trustees of Trust Funds page of the Town website: http://townofjaffrey.com/Pages/JaffreyNH_Bcomm/Trustees/sample

ALICE POOLE FUND

This past year the Alice Poole Committee made contributions to Santa's House, during the Christmas season, so Jaffrey's needy children could have a Merry Christmas

We sponsored several young children at the AIM summer camp offered by the Jaffrey Recreation Department, as well as two other summer camps.

We continue to purchase magazine subscriptions for the Good Shepherd Rehabilitation Center and provide small birthday gifts to local residents living there. We also help with the Activity Fund at Good Shepherd. Many of the elderly Jaffrey citizens, in temporary need, were remembered with small gifts, usually in the form of gas cards and small checks as well as fuel assistance.

Gift certificates for food orders were purchased from Market Basket and certificates for clothing were purchased from Wal-Mart. The certificates were distributed during the Holiday Season and at other times during the year, to those in need. Also holiday centerpieces and fruit baskets were distributed at Christmas to Jaffrey residents.

As usual, The Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund Trustees in accordance with the will of Alice Poole.

REPORTS
BOARDS, COMMISSIONS
AND COMMITTEES

BOARD OF SELECTMEN

The past year has been one of transition and continuance. The new staff in the town office, have joined with our long term employees to continue making our town office friendly and receptive to the needs of the public.

The Selectmen and the Town Manager continue to work on goals and strategies to move our town forward. We revisit both our short and long term strategic goals regularly to continue to measure the progress we are making in regards to the deferred State Aid Grant continued funding, the Town Office project proposal and design as well as the NH DOT Downtown Traffic and Intersection Improvements for the Route 202/124 Dogleg.

We are committed to fiscal responsibility and we will collaborate with the town Budget Committee to meet both the needs of the taxpayer and the need for a strong town infrastructure.

As we move forward into 2015, there are new projects to tackle, ideas to be discussed and work to be done. The Selectmen, Town Manager and town employees cannot do it alone and need your help. We have many boards and commissions that work tirelessly to insure that the best of who we are and what we do together as a community will preserve our natural surroundings, strengthen the fabric of the town's physical plant, and promote the spirit of community.

We invite you to visit our town website www.townofjaffrey.com. There you will find information about departments, budgets, events and our history. The Select Board meets the second and fourth Monday of the month at the town office. Our meetings are open to the public and we welcome your attendance. Be part of Jaffrey's future.

TOWN MODERATOR

Once again it is my honor to report to you, the voters of the Town of Jaffrey, in my 24th year as your Moderator. This past year was a busy one with three elections being held: municipal, the mid-term primary election, and the mid-term general election. As the Moderator I have the overall responsibility to ensure that the election process is carried out properly, but am simply one spoke in the wheel. All of the people involved give so much of themselves: the Supervisors of the Checklist, the assistant Moderator, the Ballot Clerks, our Town Clerk Kelly Rollins, the Selectmen, the extra people that we ask to help with miscellaneous things like crowd control, and especially Dawn Oswalt for her invaluable help. Our Parks and Recreation Department set up and dismantle the polling place, and the folks at the VFW are very cooperative hosts. The Moderator and Ballot Clerks are paid the hourly minimum wage and the Supervisors of the Checklist receive a yearly stipend as do the Selectmen. For some, it's part of their job; for all of us however, it is a labor of love. Each one of us is dedicated to providing you, the voters, with an election process of which you can be proud. I assure you that we do not, in any way, follow what has become to be known as the "Chicago rule": vote early and vote often! My thanks to everybody mentioned, to anyone I've forgotten and to you, the voters, for your confidence in us.

Marc P. Tieger, Moderator

CEMETERY COMMITTEE

THE CEMETERY COMMITTEE was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey's public cemeteries: Conant, The Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is composed of representatives of the American Legion and Veterans of Foreign Wars, the Historical Society, Cournoyer Funeral Home, the Board of Selectmen and up to five appointed Members-at-Large. Randall Heglin, Director of Public Works, and Bruce Hautanen assist the Committee in its work. The Resolution establishing the Committee and the Cemetery Rules and Regulations are on the Town's website: <http://townofjaffrey.com>

*Sections A, B & F single lots only. Additional lots will become available in future years.

During 2014 the Committee met six times with Town staff to discuss operation, budget and maintenance issues, or to undertake inspections. Each cemetery is overseen by a member of the Committee. This oversight involves inspecting the cemetery from time-to-time and reporting on conditions and problems at Committee meetings. Members of the Committee also participated in several work sessions to straighten headstones.

Katsura Landscaping continues to do an excellent job of grass cutting, cleanup and grounds maintenance at all the cemeteries.

A Cemetery Trees Trust Fund was established at the 2007 Town Meeting. During 2014, \$4,575 was spent on tree removal and pruning in Cutter Cemetery, Conant Cemetery and The Old Burying Ground (where a second group of very large white pines were removed). The balance of the Cemetery Trees Trust Fund at the start of the year was \$8,814.82; at the end of the year, \$4,681.27. At last year's Town Meeting, \$1,000 was added to the fund. A Gravestone Restoration Trust Fund was established at the 2000 Town Meeting. During 2014, \$1,145 was spent on repairs carried out in 2013 by Peterborough Marble & Granite. The balance of the Gravestone Restoration Trust Fund at the start of the year was \$1,968.92; at the end of the year, \$2,816.62. At last year's Town Meeting, \$2,000 was added to the fund. Minor gravestone repairs and stone straightening were done by volunteers, mainly in The Old Burying Ground and Village Cemetery.

Residents and lot owners are reminded that the Town's Cemetery Rules & Regulations and A Guide to the Public Cemeteries of Jaffrey are available from the Department of Public Works and on the Town website <http://townofjaffrey.com>. The Cemetery Committee has a page on the site under Boards & Committees. During 2014 the Committee reviewed the Rules & Regulations, at the request of the Town Manager, and recommended to the Board of Selectmen a number of changes. These were approved at the Board's November 10th meeting.

CEMETERY COMMITTEE

During 2014 the Committee welcomed two new members: William Driscoll, Member-at-Large, and Charles Turcotte, VFW Representative.

The Committee thanks those volunteers who have shown an interest in Jaffrey's cemeteries by devoting their time and attention to their care and maintenance over the past year.

CONSERVATION COMMISSION

The Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watersheds. The Commission provides a focal point within the town and its government for environmental concerns. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission also manages designated town forests.

The Conservation Commission holds regular meetings, open to the public, on the fourth Wednesday of the month at 7 p.m. in the Town Hall. Meeting minutes are posted on the Town's website. The Conservation Commission's section of the Town's website also contains detailed information about the Town's conservation areas and a copy of the Natural Resources Inventory of detailed maps of the resources within the Town of Jaffrey.

2014 was a year of accomplishments and the addition of new members for the Conservation Commission. The Commission received a grant of over \$8,000 from the U.S. Department of Resources and Economic Development, Bureau of Trails to have the Student Conservation Commission restore trails and build a bridge in Children's Woods. Numerous projects included first steps to restore and rebuild trails in the Cheshire Pond Conservation area, continued support for conservation easements, printing of trail maps for Children's Woods, restocking Conservation Commission brochures, an educational program for the public, sponsorship of a Jaffrey student for an educational conservation camp and continued monitoring of easement properties. DES application site visits increased in the past year. 2014 also saw the loss of an extraordinary conservationist, Charles Royce. He will be missed, and his many accomplishments will live on for all of us.

- The Land Acquisition Capital Reserve Fund (LACRF) was funded with \$5,000 at the 2014 Town Meeting.
- Children's Woods and Carey Park: In late September, 6 volunteers from the Student Conservation Association worked in Children's Woods for 10 days, restoring trails, improving erosion control by building water dams on trails and constructing a beautiful new, 20 foot bridge out of hemlocks from the property.
- Children's Woods and Carey Park: The Conservation Commission continues to work with the Middle School Science teacher and students in assisting them to study the soil types in Children's Woods, providing information from our Natural Resource maps regarding soils, Water Resources, Unfragmented Lands, Wildlife and Ecology, and their co-occurrences in Jaffrey.
- Children's Woods: After considerable investigation with town officials and forestry experts, approximately 12 pine trees, felt to be potential hazards were removed from the northern border of Children's Woods.
- Cheshire Pond Conservation Area (CPCA): The entrance from Nutting Road to CPCA was broadened and cleared of some brush by the Student Conservation Association volunteers in September. Because of significant damage to trails by motorized vehicles, letters were mailed to abutters and friends of the CPCA in an attempt to clarify permitted activities in the area as stated in the CPCA Management Plan. Metal signs specifying No Motorized Vehicles were purchased and placed at strategic points in the area. Representatives from the Student Conservation Association have in the past presented potential programs in which they could assist in trail building including erosion control at CPCA. Joint programs will be scheduled for 2015 on which they can help to coordinate, oversee and advise.
- DES Applications: Numerous DES applications were reviewed and site visits were made regarding the applications.

CONSERVATION COMMISSION

- Educational Programs: Jaffrey Conservation Commission brochures continue to be placed in the Town Library, Rails to Trails kiosk, Recreation Center, Welcome Center, Civic Center, Community Bulletin Board, Teen Center and distributed at Riverfest.

The Conservation Commission arranged for and sponsored a public educational program in September, by Kevin Walls, NH Audubon Education Director, on “Raptor Rapture” complete with live raptors. There was excellent attendance and participation, with particular interest by many children from Jaffrey.

The Conservation Commission contributed toward a scholarship for a Jaffrey student to attend Camp Wildwood, the Massachusetts Audubon Society’s Conservation Camp.

At Riverfest the Conservation Commission presented a display of invasive species along with the NRI base map and wildlife maps. Additional educational material related to conservation, wildlife and nature and recreational areas was on display. JCC’s weed wrench, available for use by all of the town’s residents, was on display and borrowed by a resident.

The Conservation Commission was pleased that the recycling program initiated by the Environmental Club in our local schools and supported by the Commission was continued through the summer.

- Monitoring of Easements:
Grey Goose Easement: The annual monitoring of the Grey Goose Easement was completed by Conservation Commission members.

Whittemore Island Easement: The Monadnock Conservancy, as holders of the easement completed the annual survey.

- The Jaffrey Representative to the Contoocook and North Branch Rivers Local Advisory Committee continues to be Carolyn D Garretson, appointed for a three year term by the Commissioner of the Department of Environmental Services in October, 2013.
- Membership:
We were sad that Kevin and Barbara Alix moved from Jaffrey, therefore resigning from their positions, but delighted that additional new members joined the Commission. They are Elizabeth Webster, Francis McBride and Matthew Amadon. Bill Graf and Pamela Armstrong were added as alternate members of the commission. We are extremely fortunate to have such a strong membership with outstanding dedication and knowledge.
- Regular activities also included review of wetland permit applications, site visits of applications, and responses for conservation information to town residents.

CONSERVATION COMMISSION

In 2015, the commission has plans to:

- Develop trail maps and enhance current trails in Cheshire Pond Conservation Area
- Continue to investigate development of a Forestry Plan for Children's Woods
- Provide additional educational programs for the public and for commission members
- Provide specific information on invasive species including programs to provide control for invasives in specific areas
- Continue our working relationship between the Commission and the Student Conservation Association
- Continue to participate in ZBA site visits
- Monitor town easements
- Review DES applications
- Provide information on conservation easements to interested residents
- Obtain water testing equipment to be used to test Contoocook River water in 4 locations in Jaffrey in cooperation with CNBRLAC

As your conservation commission, we welcome your participation and input on any and all conservation issues. We invite visitors to our meetings and look forward to developing new initiatives that will conserve and promote Jaffrey's unique character.

LOCAL ADVISORY COMMITTEE

NHDES-W-07-029

Local River Management Advisory Committee 2013 - 2014 Biennial Report

The LAC conducted outreach or educational programs during 2013 & 2014 as follows:

2013: VRAP monitoring.

2014: Event – CNBRLAC recognized former member Marian Baker for her many contributions in the early years of the LAC by installing a plaque at the entrance to the River Walk behind Grimes Field in Hillsborough in October. Present to recognize Marian's achievements were Rep. Jon Manley (D-Bennington) and Marjorie Porter (D-Hillsborough), who presented Marian with a proclamation from the State, along with LAC members, local Con Com members, and representatives from the Harris Center and the high school where Marian taught.

During 2013 and 2014, grants or special recognition for projects included:

2013: Received donations from municipalities in the amount of \$800 for a new VRAP test kit. Monies currently in account.

2014: None.

Work & accomplishments of the LAC, concerns or issues regarding the river, the permit review process, and/or the Rivers Program:

SIGNS ALONG THE RIVER

CNBLAC has bought and posted NH Protected River signs in Bennington, Henniker, Greenfield, Peterborough, Hillsboro, Rindge and Contoocook. We have also purchased a set to re-post near the double stone arch bridge in Stoddard. These were removed by NH-DOT; CNBRLAC is attempting to retrieve them.

MONITORING AND CLEAN-UP ALONG THE RIVER

We continue to monitor various sites along the Contoocook and report the information back to NHDES as part of their Voluntary Rivers Assessment Program. (VRAP). Several towns hosted cleanup days along the river and several of the LAC members participated in these various clean-up efforts. CNBRLAC had quite a bit of trouble with some of the monitoring equipment in 2014 and will need help from DES on the possible purchase of some equipment; monies have been pledged by the Jaffrey Conservation Commission, and there are enough funds in the LAC's own treasury for the purchase of one.

WEED WATCHER PROGRAM

In 2013, a representative from NHDES trained the committee members on how to identify various invasive species along the river corridor. CNBRLAC was trained again by the RiverRunners on NHDES weed watcher program in June of 2014.

NEW MEMBERS

We have several new members on our committee this year but are looking for new representatives from Deering, Hancock, Boscawen and Hopkinton. Our monthly meetings are held the third Monday of each month, usually at 7:00 p.m. at Monadnock Paper Mill in Bennington, and are open to the public.

Local River Management Advisory Committee 2013 - 2014 Biennial Report

We continue to advise towns concerning the Shoreland Protection Act, best management practices for the development of land along the river, and dredge-and-fill and AOT (alteration of terrain) permits. Colcord corridor maps were provided for each town.

EDUCATIONAL AND PUBLICITY ABOUT THE RIVER

CNBRAC has a Powerpoint program on the history of the river, a large display board, a video of the river set to Vivaldi's *Four Seasons* music, a scrapbook of pictures and historical articles about the river, and a brochure available for display at community functions. These items are available for display or can be presented in any town or at a regional organization. We will continue to educate local municipalities and landowners on the importance of the River Management Plan.

PERMITTING PROCESS

DES got a group together to address the issue of timing for comments on the permitting process. DES has improved its notification methods and that it very helpful.

TRAINING AND EDUCATION OF MEMBERS

In addition to VRAP training, members Janet Renaud and Ruth Ward attended a LAC workshop which helped clarify some of the details of complying with meeting requirements, as well as the permitting process. Ruth also attended Saving Special Places 2013 and 2014, Drinking Watersource Protection Workshop, 2013 and 2014, NH Water and Watershed Conference, 2014.

ECONOMIC DEVELOPMENT COUNCIL

The Economic Development Council (EDC) is made up of business people, community leaders, and local residents with an interest in promoting the economic vitality and growth of Jaffrey. The EDC is committed to promoting business friendly policies and creating business and job opportunities which build on our retail and manufacturing base. While we have an active and committed membership we need additional members to complete our 9 member board. Interested individuals should contact the Selectmen.

Priorities for this year included closing out the EPA Brownfields grant for the Elite Laundry site. We will be transitioning from an active remediation site to limited treatment activities and long term monitoring. The Groundwater Management Permit is pending from the NH Department of Environmental Services. This permit will detail any potential use restrictions while the site is still undergoing treatment and monitoring. Ongoing improvements to the Downtown District includes repairs and new lighting to the Gazebo, repair of the railing along River Street and marketing support for downtown businesses. An application for grant funding to the NH DOT was submitted under the Transportation Alternatives Program to support pedestrian improvements along Stratton Road, Peterborough St and the Rail Trail. If funding is awarded in January of 2015, the town will have a 20% match commitment for the preliminary survey and engineering work. Funds have been budgeted in the Downtown TIFD to support this work.

In partnership with TEAM Jaffrey, the EDC through the Downtown TIFD, assisted downtown businesses with advertising campaigns in support of downtown events such as Riverfest, Scarecrows on the Common and Holiday Shopping promotions. We also partner on the Jaffrey Commons Marketplace website which is a cooperative enterprise of small business, shops and restaurants located in Town.

Small business continues to come into town, we provide guidance on the development process and coordinate with the planning board and building department along the way. Our larger businesses continue with expansion plans, and interest in commercial space continues to grow.

The Route 202/124 “dogleg” traffic improvements project is on the State’s 10 year transportation plan for funding. The consultant selection process has begun, DOT has kept the Town in close coordination. The current schedule calls for preliminary engineering in 2015 through 2017, rights of way 2018 and construction through 2020.

Tax Increment Financing Districts

Downtown TIFD:

The Downtown TIFD continues its support of TEAM Jaffrey. Projects this year included the traffic improvements to the route 202/124 “dogleg”; matching funding for the EPA grant for the Elite Laundry cleanup, Downtown improvements and bond payments on the purchase of Community Field.

Actual Revenue: \$351,791

Administration		
TEAM Jaffrey	\$30,000	Team Jaffrey Support
Econ Dev./Marketing	\$2,154	Matching funds for marketing projects.
Administration	\$9,557	TIF District Administration costs

Downtown Improvements	\$19,631	Complete repairs/replacements of lighting fixtures; sidewalks, benches and other amenities
Community Field	\$3,811	Ongoing improvements to Community Field
Community Field Bond	\$22,212	Bond for the land purchase and building demolition at the Community Field site
Total Expenses	\$153,938	
Actual Returned	\$197,853	Unexpended revenues are returned to the General Fund

ECONOMIC DEVELOPMENT COUNCIL

Stone Arch Bridge TIFD:

Funding for the construction of the water mains was awarded through a grant from the Department of Commerce’s Economic Development Administration. At this time there are no new projects proposed for the Stone Arch Bridge District.

Actual Revenue \$203,037

Administration		
Econ Dev./Marketing	\$3,000	Matching Funds for marketing projects
Administration	\$9,557	TIF District Administration costs
Projects		
Bridge Bond (2021)	\$47,187	Bond payment for intersection Improvements at Old Sharon Road and Route 202
Water Mains (2033)	\$80,339	Bond payment for water mains construction on Old Sharon Road and Hadley Road
Total Expenses	\$140,083	
Actual Returned	\$62,954	Unexpended revenues are returned to the General Fund

We look forward to the coming year and the opportunities it will present as we proceed with ongoing projects and begin new initiatives to help sustain Jaffrey’s economic vitality.

Disaster Planning

- Negotiated and signed a Mutual Aid Agreement with Good Shepherd to provide special care assistance if the town opens an emergency shelter. The town has a similar agreement with The Jaffrey Bible Church to be used as an emergency shelter.
- Held numerous meeting with State Homeland Security/ Emergency Mgt. representatives to review plans and procedures.
- Attended the Annual State Emergency Management Conference which had workshops and speakers on numerous emergency mgt. topics.

School Emergency Preparedness

- Initiated plans to run an exercise of Conant's emergency plans but the process was put on hold due to staff changes. Expect to hold an exercise in 2015 pending school priorities.
- Reviewed with State experts the Elementary School emergency plans and discussed improvements which are largely dependent on budget. The Plan was considered good, overall.

Hazard Mitigation Plan

- The town's Hazard Mitigation Plan was due for its 5 year update as required by FEMA and NHDHS. This process was begun with a team from all town departments, and representatives from the SAU, the Historical Society, and citizens. Four meeting were held this year and the Plan will be finished in early 2015 and sent to FEMA for review and approval. An approved Plan allows for approved projects to be considered eligible for federal funding.

Respectfully,

Clay Hollister, Emergency Management Director

HISTORIC DISTRICT COMMISSION

In 1969 the citizens of Jaffrey established the Jaffrey Historic District Commission whose mission is to aid in preserving the rich cultural, social, economic, and architectural histories of our town. 2014 saw members of our community seeking guidance from the Commission, whether it was wishing to change the color of their home, landscaping details, or repairs and renovations. Together with our residents, the Commission works to ensure our traditions continue in the spirit of preserving our historical communities.

In May the Commission reprinted the Historic District Booklet. This contains the guidelines which the Commission follows. May also saw the Commission review the progress of repairs to the kitchen at the Monadnock Inn. Also in May, Mr. Robert Stephenson contacted the Commission seeking support for a grant to document the Meeting House in Jaffrey Center through accurate drawings and photographs. The Commission felt that this was a worthy idea and supports the efforts to accomplish this project.

In August representatives from the First Church of Jaffrey sought the Commission's blessing to erect a sign on Route 124 directing travelers to the location of the church. At this meeting it was deemed that the HDC did not have jurisdiction on this matter as the placement of the sign would be outside of the historic district. This was later readdressed when the sign in fact was placed in the District. A hearing was held in October and the signage was unanimously approved by members of the Commission.

In September the Commission held a public hearing (Application 1-2014) 12 Laban Ainsworth Way – Map 228/ Lot 73 with the owner requesting permission to change the color of her house. The application was continued to October at which time the Commission approved the owners request to repair a leaking roof. The applicant will reapply to the Commission if in the future she wishes to change the color of her house.

Members of the Commission attended a workshop in Keene pertaining to ethics and legal considerations when making decisions on applications before the Historic District Commission. This is a program of the National Alliance of Preservation Commissions sponsored by the CLG (Certified Local Government).

In November, the President of the Historical Society, Mr. Rob Stephenson proposed plans for the creation of a replica of the Hearse House to be drafted and built by high school students and placed near the Meeting House, the Horse Sheds, and the Old Burying Grounds in Jaffrey Center. Residents attending were given the opportunity to speak about this project. An informational session was scheduled for the Commission's December meeting. In December, Mr. Stephenson, President of the Jaffrey Historical Society presented detailed drawings and plans for the proposed replica of the Hearse project to the Commission and interested residents.

Over the course of the year Commission members met with a number of residents and businesses in the Historic District to assist them with their property concerns. The Commission expresses thanks to the residents and neighbors of the District for their cooperation and consideration of the impact that any changes to their homes and businesses might have on the overall character of our Historic District.

The Commission continues to co-sponsor the annual reading of the Declaration of Independence at our historic meeting house on the 4th of July. This event is well attended both by residents and neighbors of Jaffrey.

Monthly meetings of the Historic District Commission are held on the first Thursday at 7pm. Winter meetings are held in the Town Office Building and summer meetings in the Meeting House. These meetings are open to the public and all interested parties are invited to attend. Minutes of our meetings can be viewed on the Town of Jaffrey's website.

HISTORIC DISTRICT COMMISSION

On behalf of the Historic District Commission and the Town of Jaffrey I wish to express thanks to Mrs. Teresa Sargent for the many years of service on the Commission.

LIBRARY TRUSTEES

“Innovation” is the theme for the Jaffrey Public Library in 2014-2015.

We have a new interim director, Carol Roberts. With her help, a Community-wide Search Committee will be hiring a permanent, new director this spring.

Thanks to the good advice and initiative of Sequoya Technologies, we have vastly improved WIFI access for the community: stronger, faster, and wider-ranging, to complement a number of new HP computers and Chromebox laptops for use within the library. We are working hard to provide Jaffrey with the best small library WIFI and computer access in the Monadnock Region.

We hosted a successful summer reading program around the science theme of Fizz Boom Read! including everyone who wanted to participate from babies to adults. Children recorded a whopping 2,152 hours of summer reading and 573 books were read by adults and teens.

Thanks to the Friends of the Library, museum passes are back for the Currier Museum in Manchester, Worcester Art Museum, the New England Aquarium in Boston and the Montshire Science Museum in Norwich, VT. They are free and ready to be checked out!

In addition, we have had some extraordinary community collaborations:

The Jaffrey Fire Department presented “Firemen’s Fun Day” in July to over a hundred children and their families, one of the most successful summer programs ever. The Police Department presented a CSI program for adults. And gifted and talented teacher, Faye Hanson, storyteller-extraordinaire has been entertaining and enlivening imaginations monthly at the Bookworm Book Club.

Live animal programs were the highlight of school vacation programming, with Animal Adventures in February and Creature Teachers in June, along with Science Magic from the Museum of Science and the ever-popular Lindsay and her Puppet Pals. Regular pre-school storytimes continue every Monday and Wednesday nearly year-round.

The Friends of the Library are one of the most active Friends groups in New Hampshire, sponsoring stimulating speakers’ events in spring and fall, free and open to the public. Their very successful bargain book sale was held twice this year, enabling the purchase of new shelving, a digital camera, professional journal subscriptions, three reference databases, as well as the newly upholstered couch in the Children’s Room. They are one of our most valuable resources.

The Trustees would also like to thank our hardworking library staff. They are dedicated to keeping the library open, friendly and at-your-service weekdays, evenings, and from 10-2 on Saturdays and to making the library the best it can be. You can also access our catalog and program offerings remotely through our website (Google “Jaffrey Public Library”) and our Facebook page.

Most importantly, thank you, our loyal patrons, for keeping the library a central focus of our community. In Manchester this fall, Michael Chabon, author and chair of the MacDowell Colony, spoke of the wonder of libraries as the link connecting human beings to knowledge and to one another in this digital age. Stop in to the library in 2015. Let us help you connect.

MEETINGHOUSE COMMITTEE

THE MEETINGHOUSE COMMITTEE advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

The Meetinghouse served as a venue for many events between May and October 2014: Amos Fortune Forum (seven lectures), Monadnock Music and Electric Earth concerts, Conant High School's 22nd annual Shakespeare Festival, Jaffrey Historical Society program, Monadnock Garden Club meeting, 98th annual First Church Fair, one memorial service and five weddings. Several Town boards and committees met in the Meetinghouse one or more times. The Meetinghouse was also the scene of numerous other meetings, school group visits, and gatherings throughout the year. The Committee, along with the Jaffrey Historical Society, the Village Improvement Society and the Historic District Commission, co-sponsored the 14th annual reading of The Declaration of Independence on the Fourth of July. The Meetinghouse was again full and the 38 volunteer readers did a marvelous job. All are invited to attend and participate.

The Committee made thorough inspections of the Meetinghouse in May and November. Between these inspections a variety of projects were undertaken, sometimes by members of the Committee and at other times by volunteers or contractors: Inspection and servicing of the Town clock (overseen by Kevin Sterling and Dick Boutwell and with the professional involvement of D'Avanza Clock Repair of Goffstown); annual testing of the fire alarm system by Monadnock Security and the fire extinguishers by Guyette Fire Protection; and the usual touch-up painting, oiling of exterior exposed wood and minor plumbing (Devlin & Sons).

The major projects in 2014: The north façade was painted by Dennis Wright and his crew, the back entry porch was repaired by Andy Webber, and the lightning protection systems was inspected and brought up to modern standards by Smokestack Lightning, Inc

In 2015 selected windows showing deterioration will be prepared, re-glazed and painted by Dennis Wright. The south façade will either be painted in 2015 or 2016 depending on an inspection in the Spring of 2015. Touch-up painting may be sufficient. The informational sign on the west façade beside the entrance ramp to the Tower is now being restored and painted by Dennis Wright and should be reinstalled in the Spring.

During 2014 rental fees for the use of the Meetinghouse totaled \$2,450. Capital expenditures totaled \$11,425.09. The balance of the Meetinghouse Trust Fund at the start of the year was \$19,503.37; at the end of the year, \$13,494.88. At last year's Town Meeting, \$3,000 was added to the fund.

For the ninth year a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 7th. As always, candles are set in the south windows of the Meetinghouse for the holiday season and remain lighted until the end of January.

The Meetinghouse has its own webpage, hosted on the Town's website at <http://townofjaffrey.com>. Go to > Boards & Committees > Meetinghouse Committee. Here you will find, among other things, historical and financial information, photographs, the current and past schedules of events, and the application and guidelines for use.

The Town was fortunate to receive a grant close to \$20,000 from the NH Division of Historical Resources to undertake a detailed documentation of the Meetinghouse to include an historical narrative, large-format film photographs and measured architectural drawings. The consultants were chosen in October. The project will continue until the end of September. Full information on the project may be found at <http://www.rs41.org/CLG/clg.htm>.

The calendar for next season is beginning to fill. Other than the usual events, one wedding and one concert have already been booked. These and other private gatherings benefit the Town through rental fees.

MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept tax deductible donations. MAC is a primary source for search and rescue supplies & equipment.

New Monadnock State Park Manager and Rindge native, Beth Kintz, is happy to be back in New Hampshire. She comes to the position with a background from NH State Parks, US Army Corps of Engineers and SD State Parks. She has a Bachelor of Science Degree in Parks and Ecotourism

There have been many positive comments about the new exhibits and building updates at the Visitor Center. This is a great example of private/public partnership with MAC, Antioch/MERE Program and NH Parks.

During 2014, day use attendance at Park headquarters was 80,734, while at other trailheads the numbers totaled 19,925. The Monadnock State Park staff responded to 25 search & rescue calls.

Some required coordination with NH Fish & Game, DHART, Jaffrey-Rindge Memorial Ambulance Service, Jaffrey Fire & Rescue and area Police departments.

PLANNING BOARD

A total of nine applications were processed by the Planning Board during 2014. Applications and decisions included the following items:

- Two major subdivisions (one 3-lot and one 4-lot) were approved or conditionally approved.
- One site plan applicant did not choose to proceed to public hearing.
- Two minor (two-lot) subdivisions were approved.
- Four technical subdivisions (lot line adjustments) were approved.

Aside from application reviews, the Planning Board also addressed some needed changes to the zoning ordinance, subdivision regulations, and supporting documents:

- The Board adopted new Design Guidelines for non-residential construction in the downtown and gateway areas of Jaffrey. This document provides guidance to site plan applicants on design elements that are considered to be consistent with Jaffrey's community character and the goals of the Jaffrey Master Plan and Downtown Plan.
- The Board reviewed our current Regulations Governing Earth Excavation and solicited input from state officials on how to ensure consistency between Town regulations and State requirements. These discussions are ongoing, with final action expected during 2015 to adopt new regulations.
- A major reorganization, renumbering, and minor language changes to the Zoning Ordinance, Subdivision Regulations and Site Plan Regulations to improve clarity, consistency and general usability was approved at 2014 Town Meeting. The newly consolidated and re-formatted document is titled as the Jaffrey Land Use Code.
- Changes to the sections of the Zoning Ordinance dealing with development and road standards on Class VI and private roads were approved at 2014 Town Meeting. The Board approved corresponding changes to the Subdivision Regulations during 2014 in order to document and clarify the road standards that are applicable for requests to build on Class VI and private roads.

The Board wishes to thank Dick Grodin for his many years of service to the Town. His relocation to Keene in 2014 forced him to relinquish his position on the Board, but his long-standing dedication to public service and comprehensive knowledge of New Hampshire planning law was an inspiration to us all. We also welcome new member Laurel McKenzie to her Alternate position on the Board, and the transition of Candra Bergeron to full member status from her previous Alternate position. We are currently seeking a new member with an interest in the interplay between community development and land use issues to join the Board as an Alternate member.

SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist are responsible for maintaining an accurate and current list of the voters in Jaffrey. They are elected for six year terms and report directly to the Secretary of State's Office. The state has established a state-wide electronic data base of voters and the supervisors are responsible for maintaining the Jaffrey portion of this list by registering new voters and removing voters who have moved out of town or have died. They report regularly to the Secretary of State's Office and meet in frequent sessions to register new voters and update the Checklist. New voters may also register with the town clerk and may register during local, state and national elections. The current Checklist is always available to the public and is posted in the town office. The supervisors attend all Town Meetings, School District Deliberative Sessions and all state and national elections. The Supervisors also certify voter signatures on petitioned articles to the Town Warrant and nominations for state and federal offices.

This past year was busy in that there were two elections, the State Primary and State General Election, in which new voters could register.

Event	No. of voters added	Republican	Democrat	Undeclared
Primary Election	25	17	4	4
General Election	101	28	22	51

The following table summarizes the voter activity to the end of the year 2014.

Total no. of voters	Republican	Democrat	Undeclared	Additions	Removals
3522	1090	17	4	4	4

In 2014 there were some changes in the Supervisors. Caroline Hollister's term was up and she was replaced by Bonnie Mitchell. Carolyn Saari moved out of town and her replacement is Nancy Beiter.

Since our inception in 1999, TEAM Jaffrey's commitment to our mission to "enhancing, revitalizing and improving the downtown area of Jaffrey" remains strong. Our work supporting existing commercial establishments, encouraging new businesses and promoting tourism, continues to thrive with the help of our partners- the Town of Jaffrey, downtown businesses, area non-profits, over 75 active volunteers, and Jaffrey's devoted citizens.

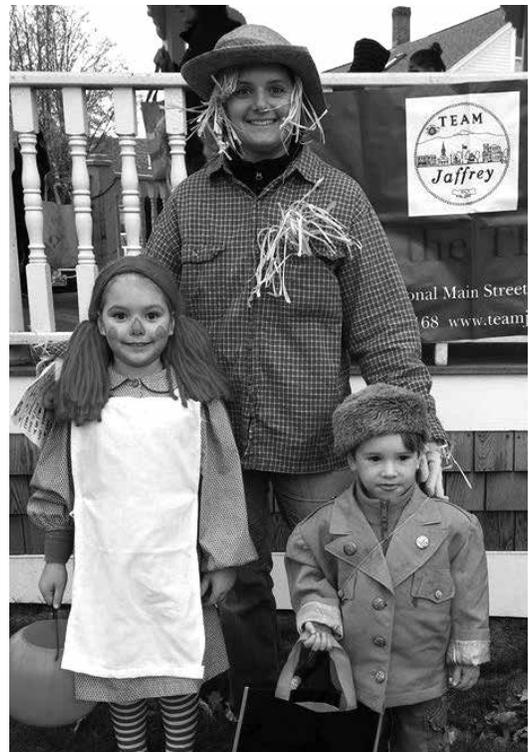

2014 was a successful year marked by growth and transition as we welcomed new leadership, developed ways to better serve the businesses in our district, and strengthened regional partnerships to attract visitors and tourists downtown. Here are some highlights:

- ✓ A 25% increase in downtown business engagement and participation
- ✓ Attendance at Free Summer Concerts on the Common has doubled
- ✓ Our 75 dedicated volunteers contributed over 1,000 hours of service to our community.
- ✓ Combined Downtown Event participation of nearly 5,000 from within and beyond Jaffrey
- ✓ A successfully revived Downtown Holiday Window Contest which engaged ten businesses and over 500 individuals who voted and cheered on their favorite displays
- ✓ TEAM Executive Director selected to represent Jaffrey on Regional Branding Task force
- ✓ TEAM Executive Director joins Monadnock Buy Local Advisory Board

Additionally, there is tremendous activity 'behind-the-scenes' as we expand our efforts responding to the needs of the diverse businesses in our district:

- Free customized social media training helping businesses optimize free & low-cost tools
- Free and confidential one-on-one consultations to address hardships and celebrate successes
- Expanded opportunities for retailers to participate in regional and national "Shop Local" promotions
- "On-ramp" brainstorming sessions to discover new ways to attract and engage prospective customers through events, classes, and demonstrations

Our free downtown community events, including our Summer Concert Series, Scarecrows on the Common, Trick-or-Treat on the Town, and Riverfest, bring thousands of people to explore and enjoy all downtown Jaffrey has to offer. These events generate considerable economic activity for downtown businesses. Perhaps just as important, they offer opportunities for local residents and visitors to get together, and help ensure that our downtown community continues to be vibrant and sustainable – a great place to live, work, play, and do business.

TEAM JAFFREY

As we begin another year in the heart of downtown Jaffrey, we would like to extend a warm thanks to you- our partners and friends for your support and participation. We always welcome your comments, your ideas, and your community spirit. Please stop by the TEAM office on the lower level of TD Bank on Main Street, call (532-7168) or email us (teamjaffrey@myfairpoint.net) to discuss ways that you can get involved.

STAFF REPORTS

Continued long-term financial planning to stabilize the costs to provide traditional and statutory services highlighted our work in 2014.

In 2014 the Select Board and Budget Committee supported a concept to stabilize the Town's Capital Improvements costs by limiting these expenses to an amount not greater than the total capital appropriations raised by the Town in 2013. Town Meeting also supported this process by approving projects and costs at the 2014 Town Meeting which were within this margin.

The study phase of the Town Offices project was completed in 2014. Supported by a \$30,000 appropriation at the 2013 Town Meeting, the Town reviewed and evaluated a number of options to keep Town Offices downtown. The Select Board will be recommending voter consideration of a plan to construct a new Town Offices, including the Police Department, on the current police station site adjacent to the Town Common. Although the project initially will cost more than originally projected, it will address both an immediate need (Town Office) and a mid-term need (Police Station) at significant savings over what separate buildings would cost. Voters will have an opportunity to weigh in on the proposal for design funds at the 2015 Town Meeting, or can instead decide to build a stand-alone Town Office on Goodnow Street. The design costs for either option fit within the capital spending parameters as noted above.

The Town continues to make investments into its information technology infrastructure in order to more efficiently serve the public and enhance recordkeeping and reporting, all in an effort to stabilize costs. Due to Microsoft's decision to discontinue its support of the XP operating system, the Town was forced to accelerate the desktop replacement program which resulted in a two year lease payment arrangement to replace systems planned for 2014 or 2015 replacement. The Town will resume its systematic replacement schedule in 2016.

The State Department of Revenue Administration requires communities to update all property values every five years: Jaffrey's year is 2015. Town staff spent time in 2014 preparing for this project, including contracting with a firm experienced with both updates and the cyclical review process which occurs in the years between updates. With this new process we hope to achieve the dual goals of stabilizing assessment costs from year to year and being more responsive to market fluctuations to temper significant assessment changes which can occur during the fifth year update.

The Town continues to collaborate with the NH Department of Transportation for improvements to the Downtown traffic flow. The Planning and Economic Development Department has been coordinating the Town's participation in the state/federally funded project to look at options such as reworking the five-way intersection and possibly constructing a new bridge south of Downtown. NHDOT is in the process of hiring an engineer as the project is scheduled for construction in 2020.

The Department of Public Works is managing a number of projects designed to stabilize costs and obtain non-local funding. In addition to continuously refining the Highway Department equipment replacement schedule to avoid large, unanticipated replacements in the future, the Department collaborated with a private entity to file an application with the Public Utilities Commission which would provide the financial catalyst to construct a solar array on the closed landfill. The array will be connected directly to the Wastewater Treatment Facility and under current projections should save sewer customers about \$1M in energy savings over a twenty year period.

DPW is also beginning to plan for the implementation of the Water Department's Asset Management Program which is designed to systematically replace aging pipes and other infrastructure (some 100+ years old) while

stabilizing rates paid by our water customers. A similar program for the sewer department is proposed for 2015. I would like to thank our staff of dedicated employees for their service to the community and to the large number of elected and appointed officials and volunteers who provide invaluable service, support and direction to the community.

TOWN OF JAFFREY FIRE DEPARTMENT

The calls for service percentage by day of the week were very fairly even with Thursdays **16%** and Saturdays **16%** being the busiest of the days followed by Sunday **15%**, Mondays **15%**, Tuesdays **14%**, Wednesdays **14%**, and Fridays **10%**

The Fire Department ended 2014 with a staff that included the Fire Chief and 26 call firefighters. One of our 26 firefighters Greg Beals is currently on leave from the fire department serving active military duty in the Army. The firefighters continued to train on Fire, Rescue, EMS and Specialty Operations throughout the year and also maintained and check all of the equipment and apparatus on a weekly basis. Training and maintaining the equipment and apparatus in a response ready status will continue to be a priority which will allow the department to respond to calls for service safely and to the best of our ability. Several of the firefighters took firefighter training course this year and became Firefighter One and Firefighter Two Certified Firefighters. We have six Probationary Firefighters who will be working towards their Firefighter One Certification in 2015.

The Command Truck that was approved at last year's Town Meeting encountered a delay in being purchased during 2014 and is planned to be received and put in service in early 2015. The rest of the fire department apparatus is in good condition and we will continue to maintain the apparatus so they remain in good condition and continue to be in response ready status. Annual pump testing, ladder testing and hose testing was also conducted during the summer months.

We will continue to seek out grants and other ways of funding training, new and replacement equipment for the fire department. The Fire Department was awarded an Assistance to Firefighters Grant Program (AFG) in 2014 for the purchase of much needed Self Contained Breathing Apparatus (SCBA). The AFG Grant was a 95/5% shared grant with \$148,200.00 (95%) coming from federal funds and \$7800.00 (5%) coming from the Fire Departments Harold and Francis Turner Equipment Trust Fund for a Grant Total of \$156,000.00. This grant allow the fire department to replace the old SCBAs with 24 New SCBAs that meet all the current safety standards to protect our firefighters when doing their job. This equipment will be received and put into service in February of 2015.

The shortage of firefighters available during the daytime hours continues to be a problem. Resolving this problem needs to be addressed soon with firefighter safety and the safety of the people that we protect being the priority that drives the finding of a solution to the shortage of firefighters. A focus in this upcoming year will be discussions with the Town Manager, Select Board and Citizens on how this issue can be addressed and resolved in the near future. Anyone that is interested in becoming a call firefighter should contact the Fire Chief at the fire station 532-8377 or go to the fire departments website www.jaffreyfire.org for information on joining the fire department.

TOWN OF JAFFREY FIRE DEPARTMENT

We would like to recognize Firefighter Richard Trempe who retired from the Jaffrey Fire Department on November 30, 2014 with 20 Years of Service. Thank you to Firefighter Trempe for his many years of service to the Fire Department and the Town of Jaffrey.

Smoke alarms and carbon monoxide detectors are your first line of defense in being notified in the event of a smoke or carbon monoxide problem in your home. Smoke alarms and carbon monoxide detectors need to be installed on every level of your home and additional smoke detectors should be installed in every bedroom and hallway outside of the bedrooms. The smoke alarms and carbon monoxide detectors need to be tested at least once a month and the batteries need to be change once per year or according to the manufacturer's instructions. Please contact the fire department with any questions and or the need for help with a fire escape plan or installing smoke alarms and or carbon monoxide detectors.

The purchase of apparatus, equipment, tools and the ability to accomplish our mission and the level of service provided by the fire department are made possible by the dedicated firefighters, their families, the retired firefighters, the Jaffrey Firefighters Company Inc., the FAST Squad, local businesses, citizens, taxpayers and all of the fire departments in the area that helped us in a time of need. We thank you for your continued support and assistance.

POLICE DEPARTMENT

It is clear that the information contained in the pages of each annual town report is a small window into events and current affairs of our town and, in certain ways, also reflects issues occurring in the nation and the world. So, for the historical record, I submit that 2014 was an interesting year for issues involving law enforcement, particularly on the national scale.

From a controversial police involved shooting in Ferguson, Missouri to an in-custody death in New York City, incidents have occurred involving law enforcement that have generated a national debate examining topics such as the perceived militarization of law enforcement agencies and critical analysis of police tactics and procedures. Cell phones have become so commonly possessed and so computationally powerful that the information they contain and privacy rights pertaining to that information have been the subject of U. S. Supreme Court decisions.

The incidents of most concern have occurred in comparatively large jurisdictions far away from Jaffrey NH. Those incidents are still informative and worthy of examination even in the context of our own small community. For example, we have had cameras in our police cruisers for over 6 years. Body worn cameras are now a much talked about piece of equipment that, for the moment, seems to be getting some degree of support across the nation. I am not opposed to that particular piece of technology and we are currently exploring the costs and feasibility of getting those cameras for our department.

Our officers carry Tasers. We wear body armor vests as part of our uniform. Our communications capability has improved significantly over recent years with upgrades in computer, radio and cell phone communications networks. We are continually adding technological tools that help us do our work in a constantly evolving technological environment.

On overall examination, I report to you that the Jaffrey Police Department is currently a fully staffed (finally!), well trained group of dedicated officers and support staff and that we conduct our operations every day in a manner that is consistent with the mores and values of our community. The data that follows this narrative is just one form of quantifying the work we do and the role we perform to make Jaffrey a safe and inviting place to be. I hope you agree that we have been successful in that regard and approve.

Chief William J. Oswalt

PROSECUTOR'S DEPARTMENT

The Town of Jaffrey has consistently been a leader in the number of cases submitted to the local court for prosecution. Unfortunately this includes a dramatic increase in the number of cases involving the use / abuse of controlled drugs. The presence of heroin in our community is alarming and the frequency in which marijuana is discovered is staggering. There has also been a significant increase in cases involving the illegal possession and use of prescription drugs. DWI cases have become more prevalent in our area while simple assaults, suspended driver's licenses, domestic issues, and alcohol related offenses are the most common types of cases that we prosecute.

Budget driven legislation continues to have an impact on law enforcement and has resulted in many changes to existing law. It has been challenging to adapt to, and to implement these changes. Critical changes and revisions in the Juvenile Laws in the last few years has resulted in a slight decline in the number of juvenile cases that are before the court however that does not translate to a decline in juvenile related problems. Budget restrictions in the court system have resulted in a reduction in the number of days that court sessions can be held. This results in heavier dockets and longer sessions and often complicates scheduling.

We are further pleased to report that we have maintained our association with the student intern program at Contoocook Valley Regional High School in Peterborough.

In all areas of offenses we have had \$ 20,377.30 in restitution ordered to be paid to victims through the Court, Department of Corrections or through our office. Additionally, in most cases where a defendant fails to appear and officers appear at court, witness fees are generally assessed and paid to the town's general fund.

In 2014 we received revenue in the amount of \$ 454.25 through the collection of discovery fees.

The statistical breakdown is as follows and includes cases that are open, pending, or closed out in 2014

2005	2006	2007	2008	2009	2010	2011	2012	2013	2014
728	735	775	887	923	1036	662	595	552	599

Of the 599 cases, 30 were juvenile, 49 were motor vehicle, and 520 were adult criminal cases. 2 of the 30 Juvenile cases were referred to the Juvenile Diversion Committee as a court alternative.

Richard Carpenter, Jr.
Lieutenant / Police Prosecutor

PUBLIC WORKS DEPARTMENT

Cemeteries/Parks and Commons Division: In 2014, the Town performed 8 full-body and 14 cremation burials. The staff assisted and participated with the Cemetery Committee by attending regular meetings, work sessions and the annual cleanup. Annual cemetery cleanup day was performed in November which removed materials from gravesites in preparation for winter and those that do not comply with the regulations to improve the general appearance of the facilities. The Town continued contracting out landscaping maintenance activities to a private contractor. As a result of the establishment and continued funding at Town Meeting of the Cemetery

Tree removal at the Old Burial Ground during 2014

Trees Trust Fund, staff coordinated the removal of 8 miscellaneous trees at the Old Burying Ground and several trees at Conant Cemetery. As a reminder to those who have loved ones buried in the cemeteries, artificial flowers are not permitted. These arrangements get entangled in the landscaping equipment and are a serious hazard to the workers.

Highway Division: In 2014, the Highway Department reconstructed Parker Road and Howard Hill Road. White Road and portions of Harkness Road and Hadley Road were also resurfaced. Highway Crews performed winter and summer (seasonal) maintenance on over 64 miles of Town roads (including 20 miles of gravel road) and assisted other Departments throughout the year including the Water, Sewer, Recreation, Fire and Police.

The Mechanic with assistance from Highway staff maintained and kept operational the Town's vehicles and in addition to maintaining highway vehicles, over 189 hours of labor was expended maintaining Fire, Police, Water, Sewer, and Recreation Department vehicles and equipment. During the year, following authorization at the 2014 Town Meeting, the Town purchased and placed into service at the Highway Department, a new GMC pickup truck, a CAT 450 backhoe, an International Terrastar dump truck and a 6 wheel Peterbilt dump truck.

New CAT 450 Backhoe

Wastewater Division: In 2014, the wastewater treatment plant processed approximately 194,827,000 gallons (average 533,733 gallons per day) of wastewater from 825 connections. United Water is in the ninth year of contract operations of the sewer facilities including the wastewater treatment plant, Hadley Road head works, 5 pump stations and 15 miles of collection sewer. As part of their normal operations, 7 manholes were repaired during the year and 14,280 linear feet of sewer was cleaned. The sewer cleaning program is part of a preventive maintenance program begun in 2004 addressing the sanitary sewer collection system, manholes and pump stations. During 2014, there were 10 callouts for sewer related problems (blockages or overflows in the collection system) of which 2 were on the Town side.

PUBLIC WORKS DEPARTMENT

The Town completed the fifth full year of operation of the advanced wastewater treatment plant and third full year of operation of the filtration system providing tertiary treatment both built to comply with NPDES requirements and an EPA Administrative Order to meet more stringent effluent standards.

Total residential septage waste received at the new wastewater plant during 2014 was 1,893,900 gallons (equivalent to about 1,894 - 1,000 gallon residential septage holding tanks). Revenues to the Town from septage disposal totaled just under \$154,000.

Total sludge processed at the wastewater plant in 2014, was 137.15 dry tons. The sludge was then transported to the Merrimack, NH wastewater plant composting facility where it was composted for beneficial reuse.

As reported in previous years, the Town continued working on the system-wide infiltration/inflow reduction and sewer rehabilitation program in priority areas identified and during 2012. In 2014, in addition to spot repairs and manhole sealing, 1,800 linear feet of the Town's 18 inch diameter trunk sewer was lined (cure-in-place lining) on Peterborough Street upstream of the Hadley Road pump station/head works.

As reported last year, the Town was advised by DES that replacement of the River Street and Nelson Circle sewer pump stations are eligible for funding (40%) from the State of New Hampshire CWSRF to supplement local funds that had been previously appropriated. Engineering design, survey and preparation of bidding documents is expected to be complete by the spring of 2015 and the project is expected to be bid later in the year.

Students from the 8th grade science classes from the Jaffrey-Rindge Middle School with wastewater staff

Water Division: In 2014, the Department produced 101,255,640 gallons (average 277,413 gallons per day) from four (4) groundwater wells at the Contoocook, Turnpike, and Quantum well houses and provided potable drinking water and fire protection to over 1,500 accounts in Jaffrey and Rindge. The Department responded to seven (7) water main breaks and six (6) service breaks. Hydrant maintenance continued with the repairs of four (4) hydrants and repairs to twelve (12) curb stops. Two hundred and fifty-nine (259) hydrants were flushed twice during the year (spring and fall). Forty-seven (47) meters were replaced, and twenty-one (21) water meters were reprogrammed and one hundred and twenty-two (122) MXU (radio read) change outs.

PUBLIC WORKS DEPARTMENT

Continued administration of the Cross Connection and Backflow Testing Program with town staff and a contractor to complete mandatory semi-annual testing of all backflow prevention devices in town. To date there are 105 backflow prevention devices at 51 businesses, schools and town buildings included in this program and tested twice per year.

The Town completed an asset management plan during the year following receipt of a \$15,000 grant from the New Hampshire Department of Environmental Services for asset management and financial planning of the water distribution system. The plan included expanding the buried water system inventory; organizing and incorporating the water system geographic system (GIS) data and the Town's existing GIS data into a web-based GIS; updating the water distribution system model; prioritize water main improvement projects; and, develop a capital spending plan.

The Town applied for and received a grant from NHDES for a town-wide acoustic leak detection survey of the water distribution system. The survey is tentatively planned for July of 2015.

The Board of Selectmen approved revisions to the Town's Water Regulations in November. The revised regulations are available on the Town website.

The Water Department continues to make great strides in identifying leaking in the distribution system. Last year, the unaccounted for water is estimated to be approximately 5%. The Department monitors the water production carefully and compares to billing and other records as a means of ensuring that we are most efficiently pumping and treating the water to both limit operating costs and preserve the valuable resource.

Finally, during the year, the Jaffrey Water Department received the 2014 Sustainability Award from New Hampshire Department of Environmental Services and also took 2nd place honors in the Granite State Rural Water Association's best tasting drinking water contest.

Administration and Engineering: In 2014, in addition to managing all Department of Public Works functions, assistance was provided to other town departments and committees as necessary including the Cemetery Committee, Energy Committee and Joint Loss Management Control Committee. Special projects included continued work on GPS/field locating and GIS mapping of the water and sewer system physical structures and also drainage structures; infiltration/inflow reduction program for the sewer system; water conservation and asset management programs; administration of the industrial pretreatment program; updating the wastewater local limits and sewer use ordinance; administration of the septage program; and, cemetery inventory program.

In February, the town's first full-time building craftsperson started with the town. He has been a great addition to the town staff. Repairs and ordinary maintenance are being completed by town staff, tasks that either would not have not been completed or contractors would have been hired. For instance, inoperable windows in the town office now work.

The Department implemented a Public Works Software program which tracks all service requests and complaints. This software, used by over 475 municipalities throughout the country, was first implemented into Fleet Management, replacing an old MSDOS program that was no longer supported and would not run on the new version of windows computers. The program has also been implemented into building maintenance to track the maintenance activities being completed at all town buildings. The program will be implemented to the remaining DPW divisions this coming year.

The Department continued to work with the NHDES Dam Bureau on dam inspections and updating of operations and maintenance and emergency operations plans.

PUBLIC WORKS DEPARTMENT

A grant application for a 1 megawatt solar photovoltaic system to be located at the closed landfill was submitted to the New Hampshire Public Utilities Commission for funding under the renewable energy fund. If successful in obtaining funding from this competitive grant, significant savings in electrical costs would be realized at the wastewater treatment facility.

Following a compliance inspection by the New Hampshire Department of Labor, the department assisted other Town departments and buildings in correcting several deficiencies and also updated the Town's Safety Plan.

Oversee gas and groundwater monitoring as required by NHDES at closed landfill and wastewater lagoons and file required reports.

Participated in updating the Town's Hazard Mitigation plan which is required every 5 years.

The division also applied for and received various DES permits for culvert work and highway maintenance as needed.

Support was provided to the Planning Board as needed by reviewing site and subdivision plans, inspecting development projects, preparing bond recommendations for projects incorporating public improvements and approving as-built plans.

Repairs were made to the sanitary sewer on Peterborough Street in December prior to cure-in-place lining by Insituform as part of the Town's sewer inflow/infiltration program

Solid Waste/Transfer/Recycling Division: Material received and processed at the Transfer Station in 2014 included the following approximate amounts: 811 tons compactor waste, 639 tons bulky waste including construction and demolition debris, 165.76 tons recycled material (plastics, paper, corrugated), 61 tons light iron, 12 tons aluminum, 260 home electronic items (televisions, computer monitors, VCR and DVD players, and microwaves), 2 trailer loads of tires, 28 propane tanks, 50 batteries, and 81 Freon containing items (refrigerators, freezers, air conditioners, and dehumidifiers).

The Department continues to address operational and environmental recommendations presented by the Board of Selectmen's citizen advisory committee in 2004. In 2014 NRRA completed an evaluation of the Transfer Station and presented a report to the town. The suggestions in the report are under consideration for implementation in 2015. Eventual replacement and insulation of the transfer station roof are incorporated in the Town's Capital Improvement Plan. Recent annual reports from DES indicated that Jaffrey's recycling rate continues to exceed the statewide average. The town continues to participate in a regional Household

PUBLIC WORKS DEPARTMENT

Hazardous Waste disposal program offered in Keene with collections held during summer and fall. The town in cooperation with DES, EPA and DEA has sponsored prescription drug take-back days at the Jaffrey Police Department as well as area police departments in accordance with a national program to promote safe drug disposal and keeping discarded drugs from solid waste and wastewater. Planet Aid reported that they collected a total of 3,740 pounds of donated clothing at the receptacle box located at the Transfer Station.

The staff continues to check for valid “dump” stickers and remind all that stickers can be obtained at both the Town Clerk’s office and at the Transfer Station with a proof of residency. Seasonal stickers can be obtained at the DPW office.

We continue to process commodities through the NRRA, which competitively bids commodities and insures the best prices for their members. Throughout this year, we have seen the prices received for recyclables remain dismal. We are attempting to stockpile some recyclables until the market improves as we are able to receive more favorable pricing if full loads of the same commodity are sent to the vendor. Estimated revenue received from the sale of these commodities totaled approximately \$ 33,767 in 2014. By actively recycling, the town saved over \$14,504 by not disposing of recyclable items along with household trash. Following is a summary of the materials processed at the Transfer Station last year:

“Eco Scouts” from the Earth Dance School volunteered to mark out storm drains with a message promoting watershed awareness and clean water. This was actually done in 2013 but we were remiss to recognize their important work in our 2013 annual report. A special Thanks to them and Miss Stephanie Sherr for this great project!

During 2014, the following Public Works employees achieved service anniversaries:
Tom Lambert (Water Department), 15 years; Sherry Blood (Transfer Station), 10 years;
Andy Baranowski (Water Department), 10 years; and Doug Starr (Town Engineer), 10 years.

Also during the year Mechanic Dave Kemp was recognized by the Rotary Club as a Paul Harris Fellow and Water Foreman Tom Lambert who also coaches the Conant High School girls’ softball team was named NHIAA Division 3 Coach of the Year for New Hampshire.

RECREATION DEPARTMENT

I would like to begin this year's report with recognition for a special lady who has worked with our department since March 26, 1990. Janet Sullivan began working as our Administrative Assistant and then became our Senior's Coordinator, working one day a week. She recently retired from the department and her kind and gentle manner will be greatly missed.

Work continued on Park and Recreation facilities during 2014. The storage building at Humiston field was completed, with painting and window installation finished. The grass continues to grow in and the field is looking great. Also at Humiston Field, seven new trees were planted on the hill between the field and the road leading to the Recreation Department office. Safe Play Chips were added to the playground area, making it safer for our many visitors. Thanks to the Downtown TIF District, we purchased Safety Top Fence Guard and other equipment for Community Field to be installed in the Spring of 2015. At Contoocook Beach, our permit application for covering the road with sand was granted and the beach once again had the familiar appearance as in year's past.

Winter was hit or miss in 2014 with the ice rink, as the fluctuations in temperature kept us on our toes. Winter trips included Disney on Ice and three Winter Break Trips. The Saturday Morning Basketball Program was again popular and our thanks to Conant High School Varsity Basketball players for their assistance. The Senior's Coffee Hour continued at the Jaffrey Civic Center through the end of school in June.

Spring began with our normal preparation of facilities. Thanks to the Conant High School Boy's Baseball teams as they assisted with field preparation at Humiston Field. JRMS and Conant teams used the field during the spring. Community Field was utilized by the JRMS Softball Team during the spring also. We offered four Spring Break Trips in April. The Easter Bunny paid a visit to the Library for the Annual Egg and Candy Hunt. Due to the lateness of school ending for the summer, we had very little time to train summer staff and get facilities up and running, but thanks to our great returning staff we were ready! Rails to Trails was mowed and leveled for summer use.

As one would expect, summer is our busiest time of the year and this past summer was extremely so. Summer programs included day programs for children 3 years through 8th grade, baseball and basketball camps, swim lessons, Mini Triathlon, Jaffrey / Rindge Marlins Swim Team, and the seven-day operation at Town Beaches (Contoocook Lake and Thorndike Pond). Humiston Field was utilized by Monadnock Boy's Babe Ruth and Community Field by Monadnock Girls Softball.

It seemed as though summer ended too early, and it was on to the Fall Programs. Facilities were cleaned and closed for the season and Humiston Field was prepped for Soccer. The JRMS Boys and Girls Soccer team utilize Humiston Field as well as our Saturday Morning Soccer Program. Halloween was great fun with the Haunted Hay Ride limited to one night due to weather. Halloween Window Painting had over 25 participants with some awesome artwork. We experienced problems with our irrigation system at Humiston Field and made some repairs, but there are more that need to be done in 2015. A Fall Pure Shot basketball program was also offered. Senior Coffee began after a summer off and we welcomed returning and new friends.

As 2014 came to a close, we had great weather for the Christmas Tree Lighting and the Holiday Craft Fair sold out the 57 tables available in record time. The department helped collect letters to Santa from over 50 children. Many other activities and programs took place during 2014 and I would encourage you to check the complete listing of programs and participation that follows this report.

So that brings us "full circle" for 2014. As always, the Jaffrey Parks and Recreation Department is grateful for the support and volunteer efforts of the community. Have a great 2015!

Respectfully Submitted,

Walt Pryor, CPRP (Certified Parks and Recreation Professional), Director

Incorporated: 1773

Origin: In 1749 this territory was chartered as Monadnock Number 2, sometimes called Middle Monadnock or Middletown. It was one of the first towns established under the New Hampshire proprietors' purchase of undivided lands under the Masonian claim. The grant was renewed in 1767, and the town incorporated in 1773 as Jaffrey, in honor of George Jaffrey, member of a prominent Portsmouth family. Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.

Villages and Place Names: Hadley, Jaffrey Center, Squantum

Seats of Jaffrey Government

Robert B. Stephenson

30 August 2010

As Jaffrey considers what might be the best way to accommodate its governmental activities—build a new Town Office building, renovate and improve the present one or purchase and adapt an existing property—perhaps looking at how things have been done in the past will offer insight.

For the first century of its existence the town had no office of any sort: records were likely kept at the home or business of those who kept the records, i.e. the town clerk, the selectmen, the tax collector, etc. The only public facility at which town business was carried out was the Meetinghouse where Town Meeting was held until 1915. (Jaffrey's first Town Meeting was held on September 14, 1773, "at the house of Francis Wright, innholder," a house on Gilmore Pond Road that still stands.)

In 1870 the interior of the Meetinghouse was totally rebuilt. The old box pews and the raised pulpit were removed and a floor was installed to make the building two stories. Conant High School had the ground floor which was used every other year alternating with space in the District 2 schoolhouse on School Street in what then was called East Jaffrey. Town offices and a meeting room were on the second floor. Conant eventually stayed downtown but the town offices remained in the Meetinghouse until the Jaffrey Public Library opened in 1896.

The Library, one of Jaffrey's finest buildings, was designed by the Fitchburg architect, H.M. Francis and from the start the intention was to provide space for town offices as well as a "convenient public hall...with a fire-proof vault." So although Town Meeting continued at the Meetinghouse for another 18 years, the various town officials now had a modern and comfortable place to do their work and store their records.

In 1915 Town Meeting moved to the Union Hall in the District 2 schoolhouse and remained there until 1937 when the building was replaced by the current Jaffrey Grade School. It continued in the new school until 1956 when it moved to the "new high school auditorium on Stratton Road," still its location today.

The Granite State Hotel overlooked the village green and was, aside from the neighboring mills, the largest building in the downtown. It was ill-fated, though, the original version and the two successors succumbing to fire, the last in 1923. Rather than rebuilding yet again, the owners, Julius and Ada Prescott, gave the site to the town for a "future town hall." So a need for such a facility must have been evident even back then.

By 1927 a Town Hall Fund and Town Hall Capital Reserve Fund had been created, but nothing happened until the early 1950s when it became clear that "the need for a place for the town officers to do their work was a pressing one..." At the 1953 Town Meeting, a committee consisting of Ralph E. Boynton, Elizabeth D. Sawyer and Alfred S. Despres was appointed to "investigate the feasibility of locating and erecting a structure of the 'Colonial' type, in harmony with traditional New England architecture. The committee reported its findings at the next town meeting... At this time it was 'voted that the Town authorize the construction and partial furnishing of a Town Office Building on the site donated by Mr. and Mrs. Julius E. Prescott...'"

The architect chosen for the project was Alfred T. Granger Associates of Hanover (also the designers of the Jaffrey Grade School) and the contractor was T.H. and E.H. Bergeron of Keene. "The foundation was started in September, 1954, and the building was completed in the summer of 1955." There was "suitable accommodations for the Court Room, Police Department, Town Clerk, Tax Collector, Selectmen, Water Commissioners, and a garage for the police cruiser and the V. F. W. ambulance. The total cost of the building, of brick construction, amounted to \$56,526.76." Not only were most town departments accommodated in the new building but it was purpose-built and had perhaps the finest location in the downtown.

By the early 1990s space for town government functions had again become a problem. The Police Department had moved out and taken over the old Fire Station on River Street (1984). The Water Department now had its new building on Turnpike Road. The Court had also relocated (1985) and was in rented space elsewhere in Jaffrey. Still the Town Office building was cramped. An opportunity presented itself to purchase an industrial building and recycle it as a new Town Office building. For a variety of reasons including its location out of the downtown, this proposal did not fare well. But at about the same time another option arose. The old lumber warehouse for Goodnow's Department Store, which had been renovated for an operations center for the bank, became available.

At the 1995 Town Meeting the voters were asked to raise and appropriate \$470,000 "to purchase and renovate property from CFX Bank, Inc....and to renovate the existing Town Office...The renovations would allow for the Town Office personnel to move to the CFX Building [and] the Police Station to move to the existing Town Office..." The proposal had strong support with the article carrying 223 to 31.

The work was accomplished and the new Town Office was occupied on November 9, 1995. And that's where we are today.
