Adjourned Session of the Annual Town Meeting

The meeting was called to order at 9:01 am. The attendants were asked to stand as the Jaffrey-Rindge Cadette Troop 10848 presented the colors and Alyssia Maki, Allyson Hocter and Rebecca Thibaudeau lead the assembly in the Plede of Allegiance. Rachelle Belletete from Conat High School sang the National Anthem.

Mr. Phil Cournoyer then asked everyone to be seated. He then introduced the head tables: the Board of Selctmen, Town Manager, Department Heads, and the Budget Committee. Mr. Cournoyer then went over some guidelines for how our town meeting is conducted. Mr. Cournoyer encouraged the assembly to partake in the food and beverages being sold in the lobby by the Fast Food group for the Jaffrey Fire Dpartment.

Don MacIsaac then offered the following Proclamations:

Now, therefore, be it resolved and proclaimed in the Town Meeting convened March 12th, 2016, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.

Art. 38. Be it Resolved: We recognize that the people of New Hampshire towns, cities and counties, have the fundamental right of local community self-government, which includes the power to stop projects of corporations and other business entities which violate the civil, political and environmental rights of our communities.

Our right of local community self-government is premised on our New Hampshire Constitution, Part First, Bill of Rights, which provides in part that all men have certain natural, essential and inherent rights...(Article 2):...*all government of right originates with the people [and] is founded in consent...(Article 1.); all power residing originally in, and being derived from, the people, all magistrates and officers of government are...at all times accountable to them (Article 8.); and government being instituted for the common benefit...and not for...private interest..., whenever the ends of government are perverted...the people may, and of right ought to reform the old, or establish a new government...* (Article 10.).

Without a constitutionally-recognized right of local community self-government, we are left at the mercy of our state government, and the interests of corporations and other business entities, intent on exploiting our communities.

Therefore, we call on the General Court [Legislature] of the State of New Hampshire to place a constitutional amendment on the ballot explicitly recognizing our right of local community self-government, including our right to pass and enforce protective local laws which are not subject to state preemption or corporate "rights", which prohibit projects by corporations and other business entities that seek to violate our rights; and

We call on our State Senators, Representatives and Governor to support our right of local community self-government, and to endorse an amendment to the New Hampshire Constitution recognizing this right.

2016 ANNUAL MEETING MINUTES

Within 30 days of its adoption, this resolution shall be transmitted by written notice from the municipality to the Governor and General Court [Legislature] of New Hampshire informing them of these instructions from their constituents. (By Petition).

Art. 3. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN'S LANGUAGE: The purpose of this article is to accept all reports as printed in the Town Report.

Art. 4. To see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of Fire Special Details. All revenues received for Fire Special Details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund unassigned fund balance. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. *Recommended by the Select Board (2-0).*

LAYMAN'S LANGUAGE: At times, the fire department is asked to provide life safety and other related services by other entities; the level of outside detail activity is difficult to predict from year-to-year. This article would create a special fund whereby all revenues from details would be deposited and all expenses be paid. The Town does not incur any costs when its fire personnel provide special details.

Art. 5. To see if the Town will vote to raise and appropriate the sum of \$1,007,908 (One Million, Seven Thousand, Nine Hundred, Eight Dollars) to pre-pay and retire the following debt

2017 LAYMAN'S WARRANT

service incurred by the Town on the following water system projects:

WATER ENTERPRISE FUND LONG-TERM DEBT

			12/31/2016			
PURPOSE	YEAR ISSUED	ORIGINAL AMOUNT	CURRENT BALANCE	INTEREST RATE	DEBT HOLDER	MATURITY DATE
Water Enterprise Fund						
New Water Source	2011	\$1,318,434.64	\$901,440.44	2.86%	NHDES	2030
(Less - NHDES)		(\$394,015.00)	(\$269,589.39)			
River St Water Main	2006	\$850,000.00	\$420,526.30	3.35%	NHDES	2026
(Less - NHDES)		\$170,000.00	(\$80,526.50)			

And further, to authorize the withdrawal of up to \$675,298 (Six Hundred Seventy-five Thousand, Two Hundred Ninety-eight Dollars) from the Water Restricted Fund and up to \$332,610 (Three Hundred, Thirty-two Thousand, Six Hundred, Ten Dollars) from the General Fund Unassigned Fund Balance to fund this Article. Recommended by the Select Board (2-0) and Budget Committee (6-0).

LAYMAN'S LANGUAGE: The Town has strengthened its financial position over the years whereby funds are now available in the General Fund and Water Restricted Fund to retire some of the Water Department's outstanding debt. In addition, the State of New Hampshire will forgive \$329,378 of the debt through its Principal Forgiveness Program. These two issuances carry the higher interest rates on bonds eligible for early payment, and pre-payment will result in total future savings to the taxpayers and water users totaling \$209,701. (Water - \$138,403; General Fund \$71,298).

Art. 6. To see if the Town will vote to raise and appropriate the following sums for the operation of the water and sewer systems, to be funded entirely through user fees and other non-property tax resources:

Water Department	\$ 875,652
Sewer Department	<u>\$ 2,006,959</u>
	\$ 2,882,611

Recommended by the Select Board (2-0) and Budget Committee (6-0).

LAYMAN'S LANGUAGE: This article provides funds necessary to operate the Town's Water and Sewer Departments on an annual basis.

2017 LAYMAN'S WARRANT

Art. 7. To see if the Town will vote to raise and appropriate the sum of \$6,357,088 (Six Million Three Hundred Fifty-Seven Thousand Eighty-Eight dollars) for general municipal operations. *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is the article that provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 8 To see if the Town will vote to raise and appropriate the sum of \$138,000 (One Hundred Thirty-Eight Thousand) to be deposited into the Highway Equipment Capital Reserve Fund established in 1997 for the purpose of purchasing new, or the refurbishment of existing highway equipment. *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article will place \$138,000 into the Highway Department Capital Reserve Fund for future equipment replacement. The current balance of the account as of 12/31/2016 was \$164,042.50.

Art. 9. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of acquiring land, completing design and engineer and constructing a Town Office building, to raise and appropriate the sum of \$50,000 (Fifty Thousand Dollars) to be placed in this fund (to be known as the Town Office Capital Reserve Fund), and to appoint the Select Board as agent to expend. *Recommended by the Select Board (2-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: This article would create a new Capital Reserve Fund to begin planning for the eventual replacement of the Town Office building. The Select Board recommend that the replacement Town Office be located in the general Downtown Area.

Art. 10. To see if the Town will raise and appropriate \$60,000 (Sixty Thousand dollars) to be deposited into the Fire Department Capital Reserve Fund established in 1996 for the purpose of purchasing new or refurbishing existing firefighting and/or rescue equipment. *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article will place \$60,000 into the Fire Department Capital Reserve Fund for future equipment replacement. The current balance of the account as of 12/31/2016 was \$167,921.30.

2017 LAYMAN'S WARRANT

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$7,500 (Seventy-Five Hundred dollars) for the payment of the property assessment services and to authorize the withdrawal of \$7,500 (Seventy-Five Hundred dollars) from the Property Revaluation Capital Reserve Fund created for this purpose. *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: Under state law the Town is required to conduct a town-wide property revaluation every five years. The law allows towns to conduct the revaluation on a phased basis. The Selectmen have determined that the revaluation next due in 2020 will be completed in phases by reviewing $\frac{1}{4}$ of the town each year (2016 thru 2019), with a statistical revaluation completed in 2020. This will ensure that each property is visited and properly assessed. This article will provide funds to assist with the transition to a program which has stabilized the overall annual cost of the program to the community. The balance of the capital reserve as of 12/31/16 is \$21,462.95.

Art. 12. To see if the Town will vote to establish a TIF District Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of funding infrastructure enhancements to the Downtown area, to raise and appropriate the sum of \$40,000 (Forty Thousand Dollars) to be placed in this fund, and to appoint the Select Board as agent to expend. Funds are to come from the Downtown Tax Increment Finance District. *Recommended by the Select Board (2-0) and the Budget Committee (6-0).*

LAYMAN'S LANGUAGE: The long-planned improvements to the Downtown traffic pattern, including the Five-Way intersection, will begin preliminary design and engineering in 2017 by the State of New Hampshire Department of Transportation, with construction planned in 2021. Although all traffic improvement costs will be paid for through Federal transportation funds, it is recommended that the Town establish a fund to pay for any ancillary improvements as may be desired by the Town to sustain and enhance commerce and other safety considerations in the Downtown TIFD area. **These funds will be redirected from other purposes within the Downtown Tax Increment Financing District, and will not result in any additional tax dollars be raised within the TIF budget.**

Art. 13. To see if the Town will vote to accept the Downtown Tax Increment Finance District Financing Plan. *Recommended by the Select Board (2-0)*

LAYMAN'S LANGUAGE: The Downtown TIFD includes the Downtown District and the Main Street program area. The TIFD supports the Main Street program which is managed by Team Jaffrey, the bond for the community center site, and ongoing

2017 LAYMAN'S WARRANT

renovations and improvements to the Downtown area. This revised financing plan proposes to establish a Capital Reserve Fund for infrastructure enhancements to the Downtown area which may be implemented in conjunction with the State Department of Transportation's planned improvements to the Main Street/Peterborough Street/River Street traffic patterns. These funds will be redirected from other existing appropriations under the current TIFD Plan.

Art. 14. To see if the Town will raise and appropriate \$5,000 (Five Thousand dollars) to be deposited into the Land Acquisition Capital Reserve Fund established in 2008 under the provisions of RSA 35:1. *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This article will place \$5,000 into the Land Acquisition Capital Reserve for future purchase of land or conservation easements. The current balance of the account as of 12/31/2016 is \$35,081.36.

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$1,000 (One Thousand Dollars) to be deposited into the Cemetery Trees Trust Fund established in 2007. *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: The Cemetery Trees Trust Fund was established in 2007 to set aside funds for the care and removal of trees in the Town's cemeteries. A separate private fund has been established for the same purpose. Older trees are of concern as falling branches or worse can causing expensive and sometimes irreparable damage to historic gravestones. Expenditures from the fund totaled \$870, paid to GreenLife Tree Care for tree removal and pruning in Conant Cemetery, Cutter Cemetery & Extension, The Old Burying Ground and Village Cemetery. (The Willa Cather Trust Fund paid an additional \$95 for some of the tree work in The Old Burying Ground, again to GreenLife Tree Care.) The Department of Public Works has also undertaken some tree work, specifically in Phillips-Heil Cemetery. As of 12/31/16, the balance of the Town fund was \$5,398.28 and the private fund balance was \$506.50. The private and public funds are accounted for separately by the Trustees of the Trust Funds.

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$1,000 (One Thousand Dollars) to be deposited into the Gravestone Restoration Trust Fund established in 2000. *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: The Gravestone Restoration Fund, created in 2000, is used to repair and maintain stones that have been damaged or vandalized, specifically in those

2017 LAYMAN'S WARRANT

LAYMAN'S WARRANT

cases where a family member can't be found to assume the responsibility. Expenditures from the fund totaled \$410, paid to Peterborough Marble & Granite for stone repair in Conant and Cutter Cemeteries and The Old Burying Ground. Minor gravestone repairs and stone straightening were done by volunteers, mainly in The Old Burying Ground. As of 12/31/16, the balance was \$5,382.13.

Art. 17. To see if the Town will vote to raise and appropriate the sum of \$1,000 (One Thousand Dollars) to be deposited into the Meetinghouse Trust Fund established in 1991. *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: The Meetinghouse Fund was created in 1991 to support major capital costs associated with Jaffrey's most historic building, the town-owned 1774 Meetinghouse. The South façade was not painted as scheduled but will be done at a later time. The balance in the fund as of 12/31/16 is \$10,028.93.

Art. 18. To see if the Town will raise and appropriate the sum of \$1,000 dollars (One Thousand dollars) to be deposited into the Municipal Building Maintenance Capital Reserve Fund established in 2010 pursuant to RSA 35:1. *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This fund was created in 2010 based on the recommendation of both the Capital Improvements Plan Committee and the Municipal Facilities Committee. 2012 Town Meeting (Art. 13) designated the Select Board as agents to expend. Major projects for 2017: Town Office – HVAC; Fire Department – boiler; PD – floor replacement; Recreation – various repairs to municipal facilities; Meetinghouse roof. Balance as of 12/31/16 \$220,948.46.

Art. 19. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of design, engineer and rehabilitate bridges throughout Jaffrey, to raise and appropriate the sum of \$50,000 (Fifty Thousand Dollars) to be placed in this fund (to be known as the Bridge Rehabilitation Capital Reserve Fund), and to appoint the Select Board as agent to expend. *Recommended by the Select Board (2-0) and Budget Committee (6-0)*

LAYMAN'S LANGUAGE: This article would create a new Capital Reserve Fund to begin planning for the eventual rehabilitation of bridges throughout Jaffrey. It is the intent of the Town to participate in the State of New Hampshire's Bridge Aid Program, which currently funds 80% of eligible costs.

2017 LAYMAN'S WARRANT

LAYMAN'S WARRANT

Art. 20. Shall the Town vote to adopt the provisions of RSA 72:28-b, All Veterans' Tax Credit? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from service and is not eligible for or receiving a credit under RSA 72:28 or RSA 72:35. If adopted, the credit granted will be \$500, the same amount as the standard or optional veterans' tax credit voted by the Town under RSA 72:28-d.

LAYMAN'S LANGUAGE: Previously only veterans who served during specific periods of conflict were eligible. RSA 72:28-b (effective 8/8/16) revises eligibility to all veterans who served at least 90 days as active duty and were honorably discharged and are not already receiving other veterans' benefits, eg. disability.

Art. 21. To see if the Town will vote to authorize the Select Board to enter into a long-term lease with the State of New Hampshire, Department of Resources and Economic Development which would allow the State to operate and maintain trails on the so-called "Ainsworth Lot" as part of the State's Monadnock State Park. *Recommended by the Select Board (2-0)*

LAYMAN'S LANGUAGE: The Town and the State previously entered into a 25 year lease agreement in 1988 which allowed the State to include this property into its Monadnock State Park trail system. The proposed agreement is for an additional 25 year period and requires the State to maintain the property and adequately police activities on the property, and reserves several rights to the Town, including restrictions on erection of structures, signs and additional trail construction.

Art. 22. To see if the Town will vote to discontinue the Water Department Capital Reserve Fund created in 2006. There are no funds remaining in this this fund and the project has been completed. *(Recommended by Select Board (2-0))*

LAYMAN'S LANGUAGE: The Capital Reserve was created in order to complete a water project which since that time has been completed and paid for. This is a required bookkeeping change.

Art. 23. To see if the Town will vote to discontinue absolutely and completely that portion of Cheshire Street from the easterly side of the intersection of White Road and Cheshire Street running southeasterly to the point where Cheshire Street intersects with US Route 202 (aka Peterborough Street) running through the property of DD Bean and Sons Company, lying outside the present NHDOT right-of-way of US Route 202 that has not been previously discontinued

absolutely and completely. The Town shall retain the right to maintain the existing utilities within the section of road subject to this discontinuance. This discontinuance also preserves the right-of-way from US Route 202 to the Property of DD Bean and Sons Company Map 245 Lot 130. *(Recommended by the Select Board (2-0))*

LAYMAN'S LANGUAGE: The purpose of this discontinuance is to provide safe access to employees between the buildings at DD Bean, provide a measure of security and safety to the tunnel which connects the two manufacturing buildings on site and to retain easement access for the benefit of the Town to water, sewer and other utilities as may exist on site. A plan and easement shall be recorded at the Cheshire County Registry of Deeds.

Art. 24. To see if the Town will raise and appropriate the sum of \$30,000.00 for support of the Jaffrey-Rindge Memorial Ambulance, a non-profit agency, or take any action relating thereto. *(Submitted by petition). Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2016 appropriation - \$30,000.

Art. 25. To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Dollars (\$17,000) to Home Healthcare, Hospice and Community Services to support the continuance of visiting nursing and hospice services being provided to the residents of Jaffrey. *(Submitted by Petition). Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2016 appropriation - \$17,000.

Art. 26. To see if the Town will vote to raise and appropriate the sum of \$8,000 for the support of the Monadnock Community Early Learning Center, a non-profit agency, or take any other action relating thereto. *(Submitted by petition). Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is an article that the Town receives annually, customarily be petition, and provides a benefit to Jaffrey and the region. 2016 appropriation - \$8,000.

Art. 27. To see if the Town will vote to raise and appropriate the sum of \$8,500 to The Community Kitchen, Inc. located in Keene, NH for services provided to Jaffrey residents. (Submitted by Petition). *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2016 appropriation - \$8,000.

Art. 28. To see if the Town will vote to raise and appropriate the sum of \$6,821 for the support of the Monadnock Family Services, a non-profit agency providing services to the Town, or take any other action relating thereto. (Submitted by Petition.) *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2016 appropriation - \$6,821.

Art. 29. We, the undersigned registered Jaffrey voters, petition the Town of Jaffrey to appropriate the sum of \$6,311 (Six thousand Three Hundred Eleven dollars) to Southwestern Community Services, Inc. (SCS), a private non-profit, Community Action Agency. In 2014-2015 SCS provided 1,243 units of service to the citizens of Jaffrey totaling \$603,771 in direct assistance. SCS is requesting 1% of the amount of that direct assistance equaling \$6,038.00. The 1% request results in a decrease from the amount requested in 2014-2015. (Submitted by Petition). *Recommended by the Select Board (2-0) and Budget Committee (6-0).*

LAYMAN'S LANGUAGE: This is a petition article that the Town receives annually and provides a benefit to Jaffrey and the region. 2016 appropriation - \$6,038.

Art. 30. To see if the Town will vote to raise and appropriate the sum of \$3,500 for support of the Jaffrey Civic Center, a non-profit agency, or take any action relating thereto. (Submitted by petition). *Recommended by the Select Board (2-0) and the Budget Committee (6-0).*

INDEFINITE DELEGATION
OF AUTHORITY

INDEFINITE DELEGATION OF AUTHORITY

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as “boilerplate articles.” During the 1999 annual meeting, Jaffrey’s citizens voted (Articles 32-38) to “authorize indefinitely, until specific rescission of such authority” the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire Revised Statutes Annotated (RSA) 31:95-b, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH RSA 202-A:4-c, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH RSA 33:7, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVISES

Shall the Town accept the provisions of NH RSA 31:19, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH RSA 31:95-e, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH RSA 202-A:4-d, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided,

INDEFINITE DELEGATION OF AUTHORITY

however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH RSA 80:80, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Jaffrey, New Hampshire

Additional Offices:
Andover, MA
Greenfield, MA
Manchester, NH
Ellsworth, ME

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2015, and for the year then ended, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such

AUDIT REPORT

opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2015, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis, the Schedule of Proportionate Share of Net Pension Liability, and the Schedule of Contributions, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Jaffrey, New Hampshire's basic financial statements. The schedules of Detail Budget and Actual for Revenues and Expenditures for the general fund appearing on pages 49 - 52 are presented for purposes of additional analysis and are not a required part of the basic financial

AUDIT REPORT

statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

TRUSTEES OF THE TRUST FUND

The three elected Trustees of Trust Funds oversee and administer the many trust funds and capital reserve accounts of the Town of Jaffrey. These funds and accounts are listed and described in the Trustees of Trust Funds page of the Town website. On December 31, 2016, the market value of the three investment accounts was:

Account Name	Market Value
Town of Jaffrey, Common Fund	6,074,035.37
Town of Jaffrey, Capital Reserve Funds	963,285.24
Town of Jaffrey, Other Funds	734,790.78
Total	7,772,111.39

Charter Trust Company is retained by the Trustees to provide investment advice, execute investment transactions, perform trust accounting and prepare reports required by the Town of Jaffrey and the State of New Hampshire.

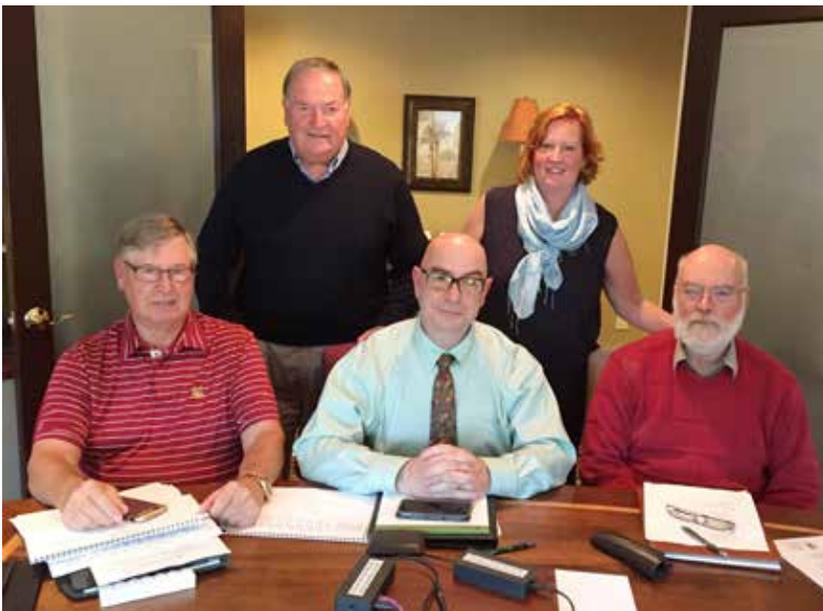

During 2016, the Trustees met quarterly with representatives from Charter Trust, on three occasions at its Peterborough office and once at its headquarters in Concord. These meetings were open to the public and were posted in accordance with statute.

The Trustees also met frequently throughout the year to receive and disburse funds, respond to correspondence and transact other business. These meetings were also open to the public and posted, and were usually held at the Town Office on Wednesdays at 4 p.m.

During 2015, the Board of Selectmen appointed Nancy Belletete as an alternate Trustee. Ms. Belletete along with Mr. Mieso are the two alternates allowed under current statute.

In June, Trustees Raymond and Stephenson and alternate Trustee Belletete attended the annual Trustees workshop in Concord, sponsored by the Charitable Trusts Unit of the NH Department of Justice.

Citizens are invited to create new trusts for the benefit of Jaffrey. More information may be found by visiting the Trustees of Trust Funds page of the Town website: http://town.jaffrey.nh.us/Pages/JaffreyNH_Bcomm/Trustees/index

ALICE POOLE FUND

This past year the Alice Poole Committee made contributions to Santa's House, during the Christmas season, so Jaffrey's needy children could have a Merry Christmas

We sponsored several young children at the AIM summer camp offered by the Jaffrey Recreation Department, as well as two other summer camps, and an adult conference.

We continue to purchase magazine subscriptions for the Good Shepherd Rehabilitation Center and provide small birthday gifts to local residents living there. We also help with the Activity Fund at Good Shepherd.

Many of the elderly Jaffrey citizens, in temporary need, were remembered with small gifts, usually in the form of gas cards and small checks as well as fuel assistance.

Gift certificates for food orders were purchased from Market Basket and certificates for clothing were purchased from Wal-Mart. The certificates were distributed during the Holiday Season and at other times during the year, to those in need. Also holiday centerpieces and fruit baskets were distributed at Christmas to Jaffrey residents.

As usual, The Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund Trustees in accordance with the will of Alice Poole.

The year ended on a sad note with the death of former committee member and treasurer, Juliette DeGrandpre.

Committee Members:

Randyl P. Cournoyer, Jr., Chairman

Jeannelle Moore, Treasurer

REPORTS
BOARDS, COMMISSIONS
AND COMMITTEES

BOARD OF SELECTMEN

2016 was a good year for Jaffrey, but certainly not without some sadness:

- We lost 4 of our dedicated citizens; John Peard Sr., Bill Royce, Nancy Isaacs and Jim Balentine. In our recent surveys the sense of community is Jaffrey's most favored characteristic. It's folks like, John, Bill, Nancy and Jim who helped nurture our sense of community. Please take advantage of the many opportunities to do your part to keep Jaffrey a special place. "...and if while you make your stake your neighbor can make one too... your town will be what you want to see, 'it isn't your town – it's you.'"
- Our tax rate decreased for the first time in 5 years. Kudos to our Town employees who struggled to work within tight budget constraints and yet provide the level of service which we expect.
- We completed significant public works projects, i.e. water line replacement along Rt. 124, sewer pump station replacements at River St. and Nelson Circle; we had our Water and Sewer Asset Management Plans to guide us. At the same time we are refinancing some of our long term debt, which will help efforts to stabilize or potentially lower our water/sewer user rates.
- DPW completed a Pavement Management Report resulting in a significant increase in road reconstruction funding planned for 2017.
- Through the efforts of the Recycling Committee we will continue to improve the operating efficiency of our Recycling Center. Please help in reducing the cost and improving the efficiency of the operation; it's good for us, it's good for the planet.
- You should have noticed that we refurbished both the Buddies Monument and the Gold Star Mothers Memorial. They will be rededicated in 2017.
- In an effort to keep you better informed, we will be launching a Town Facebook page; "like us" on Facebook and stay informed. Also, we have been working on the capability to view public town meetings on public TV channel. For those who are not Comcast subscribers, the broadcasts will be available on the Town website. This will be a learning experience; help us with your feedback.
- We have lost our Town Manager, Dave Caron, to Derry. Dave's achievements include assimilating a significant change in Town Staff, and restructuring our finances. Dave leaves a legacy of approachability, capability, accountability and a desire to improve. Thank you to John MacLean for his service as our interim Town Manager. Our new Town Manager Jon Frederick, will have some big shoes to fill, but will also have a firm foundation on which to move Jaffrey forward. Please show him your support.

2016 SELECTMEN

TOWN MODERATOR

I am pleased to report to you, the citizens of Jaffrey. 2016 was a busy year. We began with the State Primary in February, then the annual Town elections and Town Meeting in March followed by the Primary Elections in September and the General Election in November. As the official charged with overseeing the election process I think that it is my purpose to insure that the elections are conducted fairly according to the laws of our State and that the experience is a welcoming and comfortable one for our voters. The ballot clerks are appointed by the chairs of the two major political parties and do a very good job under difficult circumstances. My long time Assistant Moderator Phil Cournoyer is invaluable both at Town Meeting and especially at our November election. It seems as though our Town Clerk Kelly Langevin Rollins has been on the job far far more than the three years she has been with us. She is highly efficient, seemingly unflappable, and friendly and helpful to everyone with whom she interacts. Thank you, too, to our Assistant Town Clerk Dawn Oswalt for always being there to help. The Supervisors of the Checklist are dedicated to the process, and are helpful to all and we could not ask for a better host than the Veterans of Foreign Wars Post 5613.

This past year Governor Chris Sununu announced that one of the first things he was going to do was to eliminate same-day voter registration. I wrote to about 20 area moderators, stating my opinion and asking for theirs. The response was very interesting with ½ of those who responded opposed to the idea and ½ who supported it. In my opinion encouraging people to exercise their ability to register to vote on the day of voting is something that should not be taken away. I have complete confidence in our Secretary of State and Attorney General regarding the propriety of our use of the optical scanner. I don't know if voter fraud is occurring in New Hampshire but I can tell you it is not being perpetrated here. I also highly respect the affirmation of our voting process that you, the voters, have made several times at recent Town meetings. I'll close by thanking you for the honor of serving as your moderator.

Respectfully submitted,

Marc P. Tieger, Moderator

CEMETERY COMMITTEE

THE CEMETERY COMMITTEE was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey's public cemeteries: Conant, The Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is composed of representatives of the American Legion and Veterans of Foreign Wars, the Historical Society, Cournoyer Funeral Home, the Board of Selectmen and up to five appointed Members-at-Large. Randall Heglin, Director of Public Works, and Bruce Hautanen assist the Committee in its work. The Resolution establishing the Committee and the *Cemetery Rules and Regulations* are on the Town's website: <http://townofjaffrey.com>

*Sections A, B & F single lots only. Additional lots will become available in future years.

During 2016 the Committee met five times with Town staff to discuss operation, budget and maintenance issues, or to undertake inspections. Each cemetery is visited by the Committee at least once in a year's time. A designated member of the Committee oversees each cemetery. This oversight involves inspecting the cemetery from time-to-time and reporting on conditions and problems at Committee meetings. Members of the Committee also participated in several work sessions to clean or straighten headstones.

Katsura Landscaping continues to do an excellent job of grass cutting, cleanup and grounds maintenance at all the cemeteries.

The stone entranceway to Conant Cemetery was heavily damaged by an unknown vehicle necessitating major masonry repairs. Much of the cost was covered by the Town's insurance policy. And a new wooden gate was fabricated by Andy Webber to replace the deteriorating one at the northeast corner of the Old Burying Ground.

A Cemetery Trees Trust Fund was established at the 2007 Town Meeting. The balance of this fund at the start of the year was \$4,784.92. At last year's Town Meeting, \$1,000 was added to the fund. Expenditures from the fund totaled \$380, paid to GreenLife Tree Care for pruning in Cutter Cemetery & Extension, and Katsura Landscaping for mulching in Cutter Cemetery. At the end of the year the balance of the Cemetery Trees Trust Fund was \$5,398.28. (The Willa Cather Trust Fund paid an additional \$535 for some of the treework in The Old Burying Ground, again to GreenLife Tree Care, and \$115 to Katsura Landscaping for new plantings at Willa Cather's gravesite.)

A Gravestone Restoration Trust Fund was established at the 2000 Town Meeting to support the repair and maintenance of damaged or vandalized gravestones. The balance of this fund at the start of the year was \$4,387.91. At last year's Town Meeting, \$1,000 was added to the fund. At the end of the year the balance of the Gravestone Restoration Trust Fund was \$5,382.13. Minor gravestone repairs, cleaning and stone straightening were done by volunteers, mainly in The Old Burying Ground.

CEMETERY COMMITTEE

The Committee co-sponsored with the Jaffrey Historical Society a walking tour of Conant Cemetery on Saturday, June 18, 2016. The gravesites of various prominent Jaffrey citizens were visited on this guided tour. A similar tour of the Old Burying Ground is being planned for 2017.

The Jaffrey Department of Public Works maintains a Cemetery Database which can be found at http://www.townofjaffrey.com/Pages/JaffreyNH_Bcomm/Cemetery/inventories

Cynthia Hamilton left the Committee as of Town Meeting in 2016, her position being assumed by Bruce Hill, who has served as an alternate member. Bruce has taken over from Cynthia as Overseer of Cutter Cemetery.

Residents and lot owners are reminded that the Town's Cemetery Rules & Regulations and A Guide to the Public Cemeteries of Jaffrey are available from the Department of Public Works and on the Town website <http://townofjaffrey.com>. The Cemetery Committee has a page on the site under Boards & Committees.

The Committee thanks those volunteers who have shown an interest in Jaffrey's cemeteries by devoting their time and attention to their care and maintenance over the past year.

CONSERVATION COMMISSION

The Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watersheds. The Commission provides a focal point within the town and its government for environmental concerns. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission also manages designated town forests.

The Conservation Commission holds regular meetings, open to the public, on the fourth Wednesday of the month at 7 p.m. in the Town Hall. Meeting minutes are posted on the Town's website. The Conservation Commission's section of the Town's website also contains detailed information about the Town's conservation areas and a copy of the Natural Resources Inventory including detailed maps of resources within the Town of Jaffrey.

2016 was a year of continuing projects and involvement in town committees for the Conservation Commission. The Commission reviewed DES applications, inventoried conservation lands in Jaffrey and continued to develop an open space sub-committee. Several site visits were made to Cheshire Park Conservation Area to resolve issues there, including moving a trail and restoring trails. Other activities included continued support for conservation easements, restocking Conservation Commission brochures, planning educational programs for the public, sponsorship of a Jaffrey student for an educational conservation camp and continued monitoring of easement properties. DES and ZBA application site visits increased significantly in the past year. Our activities are detailed below:

- The Land Acquisition Capital Reserve Fund (LACRF) was funded with \$5,000 at the 2016 Town Meeting.
- An Open Space Sub-Committee was developed with Bill Graf as chair and the following mission statement was developed:

The Open Space Committee is a subcommittee of the Town's Conservation Commission. Through implementation of the Open Space Priorities Plan, the Open Space Committee encourages participation in the voluntary acquisition and protection of open spaces for recreation, common space, woodland, farmland and preservation land. It assists landowners with land protection projects through use of the Land Acquisition Capital Reserve Fund in conjunction with qualified conservation organizations.

- Herb and Collette Gramm have donated property adjacent to the Mountain Brook Reservoir to the Monadnock Conservancy. The property is open to the public for hiking and educational purposes.
- Cheshire Pond Conservation Area (CPCA): With assistance from Charlie Koch and Rick Brackett, Conservation Commission members and volunteers moved the main trail to assure placement on Conservation Area land. Barricades placed were removed and were replaced on the old trail. Assistance from our Fish and Game officer was very helpful. All but one of the metal signs specifying No Motorized Vehicles that were placed in CPCA have been removed and will be replaced. In September, Con Comm members, and volunteers including Ruth Webber and Boy Scouts worked to clear trails. Drainage problems at the Letourneau Road entrance will be addressed in 2017.
- A joint proposal with the Rindge Conservation Commission was made to representatives of the Jaffrey-Rindge School District regarding the possibility of placing a conservation easement on the 100 acre School District Property on Route 202. Representatives of the School District, Jaffrey and

CONSERVATION COMMISSION

Rindge Conservation Commissions and The Forest Society were present. The advantage of creating conservation areas proximal to schools for programmatic use was discussed. Potential grants such as LCHIP and Aquatic Resource Mitigation grants were discussed that could be used to obtain an educational conservation easement and would allow for an option to build a school in the future on the land. Such a co-operative venture with support from both Conservation Commissions will continue to be pursued in the future.

DES Applications: Numerous DES applications were reviewed and site visits were made regarding the applications.

Educational Programs:

Migratory Bird Program by Dan Raleigh, 7/7/16, coordinated with Friends of the Library

Bobcat Program by Rory O'Connell, UNH 8/9/16

Jaffrey Conservation Commission brochures will continue to be placed in the Town Library, Rails to Trails kiosk, Recreation Center, Welcome Center, Civic Center, Community Bulletin Board, Teen Center and distributed at Riverfest.

The Conservation Commission contributed toward a scholarship for a Jaffrey student to attend Camp Wildwood, the Massachusetts Audubon Society's Conservation Camp.

Riverfest activities included a display of invasive species along with the Natural Resource Inventory base map and wildlife maps. Additional educational material related to conservation, wildlife and nature and recreational areas was on display. JCC's weed wrench, available for use by town residents, was on display.

Members attended the following educational programs:

- Mapping, Removal and Monitoring of Aquatic Invasives
 - The Town's Role in Invasive Species Management
 - Aquatic Resource Mitigation Fund Resources
 - Town and Community Forests
 - Forest Society's Updated Conservation Easement Model
 - Alternatives to Cold-Calling Landowners
 - Approval Processes for Spending Town Conservation Funds
 - Maximizing Impact, Engaging Youth: Conserving Land Near School
- Monitoring of Easements:
 - Grey Goose Easement: Annual monitoring of the Grey Goose Easement was completed by Jeff Littleton of Moosewood Ecological along with Con Comm members William Graf and Francis McBride. All prior issues have been corrected by the owners, and Steve Perron, Land Surveyor, completed the plat and the survey was recorded.

Whittemore Island Easement: The Monadnock Conservancy, as holders of the easement completed the annual survey.

Children's Woods and Carey Park: The Monadnock Conservancy, as holders of the easement completed the annual survey.

CONSERVATION COMMISSION

- The Jaffrey Representative to the Contoocook and North Branch Rivers Local Advisory Committee continues to be Carolyn D Garretson.
- Regular activities of the commission also included review of wetland permit applications, site visits of applications, and responses for conservation information to town residents.
- Membership:
Tom Rothermel and Kathy Batchelder joined our membership in 2016. In addition, membership includes Pamela Armstrong, Carolyn Garretson, William Graf, Francis McBride, Elizabeth Webster. Our alternate members are Matthew Amadon, Nan Beiter, Nora Bryant, Michael George, Charles Koch and Patricia Weiner. We are extremely fortunate to have such a strong and dedicated membership.

In 2016, the commission has plans to:

- Develop, formalize and expand membership in the Open Space Committee
- Develop plans to improve the Letourneau entrance to Cheshire Pond Conservation Area and make trail maps for the area.
- Charles Koch will develop a Forestry Plan for Children's Woods/Carey Park and Cheshire Pond Conservation Area
- Provide additional educational programs for the public and for commission members
- Present a program on aquatic invasive species including programs to the Select Board to provide initial control for invasives in Contoocook River
- Continue to participate in ZBA and Planning Board site visits
- Monitor town easements
- Review DES applications
- Provide information on conservation easements to interested residents

As your conservation commission, we welcome your participation and input on any and all conservation issues. We invite visitors to our meetings and look forward to developing new initiatives that will conserve and promote Jaffrey's unique character.

ECONOMIC DEVELOPMENT COUNCIL

The Economic Development Council (EDC) is made up of business people, community leaders, and local residents with an interest in promoting the economic vitality and growth of Jaffrey. The EDC is committed to promoting business friendly policies and creating business and job opportunities which build on our retail and manufacturing base.

The year in review begins with the EDC prioritizing top issues to address in 2016: driving new business downtown, filling any empty industrial spaces, increasing access to broadband, promoting downtown as a destination, and improving traffic through downtown. Important, but wider ranging issues include improving communications between the town and citizens, attracting younger involvement and participation in town activities, and concern that the community come together to guide future development. And not least is concern with decreasing property values and increasing taxes.

The recent revaluation drew the attention of several Council members as the assessments for residential and commercial land decreased significantly at 27% and 19% respectively. The EDC asked a subcommittee to look into the revaluation of commercial properties. The committee reported several discrepancies which the Council asked the Town Manager to look into and provide follow-up. As a result, some assessments were revised and a closer examination will be forthcoming.

The EDC considered modifying the TIFD boundaries to reduce the Stone Arch Bridge District and extend the Downtown TIFD in order to provide funding for sidewalk and lighting along Main Street to the west, and sidewalks along Stratton Road. The subcommittee presented three alternatives for the EDC membership. The proposal was eventually tabled as no consensus emerged. As a result of this effort, it was found that available space for commercial development in the downtown is limited; the EDC will work with the Planning Board in the upcoming year to consider expansion of the Downtown Business District.

The Coouncil also reviewed the recent survey completed for the Town of Peterborough and neighboring communities on Broadband services. The Council plans to continue communication with Rindge and Peterborough to assess options for improving services regionally including legislation and grant funding through USDA.

Progress has stalled on the Route 202/124 “dogleg” traffic improvements project. While work has been completed on the final scope and fee, the project has not yet made it for final approval with the Executive Council.

The Elite Laundry brownfield site was sold to a local investor; development plans are uncertain at this time. The Town retains responsibility for the continued monitoring pursuant to the Groundwater Management Permit.

Working closely with DPW, survey work to repair and construct sidewalks along Peterborough Street, Stratton Road and the Rail Trail to Hillcrest Road was completed. Restoration of the Gold Star Mother’s memorial was also completed this year.

ECONOMIC DEVELOPMENT COUNCIL

TIFD Advisory Committees were formally established this year. While the EDC has had appropriate representation for both districts, the Selectmen requested documentation of voting records for each district. TIFD budgets have routinely been reviewed and approved by the EDC membership through periodic updates during the year and annually for the next fiscal year. Through the Planning and Economic Development Department, we provide guidance for new and expanding businesses on the development process and coordinate with the planning board and building department along the way. Our larger businesses continue with expansion plans, and interest in commercial space continues to grow. We are happy to see business clusters taking shape and provide information and support through the Economic Revitalization Zone Program. Four such zones have been adopted in Jaffrey, these provide business profits tax credits and business enterprise tax credits for new investments.

We look forward to the coming year and the opportunities it will present as we proceed with ongoing projects and begin new initiatives to help sustain Jaffrey's economic vitality.

EMERGENCY MANAGEMENT

This was, fortunately, a very quiet year.

Disaster Planning: I attended numerous meeting with the State Emergency Management staff on a wide variety of subjects to include: WebEOC software, Planning, Operations, “See Something, Say Something” campaign. I also attended the State’s Annual Emergency Management Conference.

Disaster Preparation: The town’s emergency response team went in to alert status for Hurricane Mathew on Oct. 5. We ran through the various departmental check lists as well as alerted our shelter locations to possible activation. Happily, it missed us but the exercise was very useful. We have no illusions about being missed again.

Respectfully,

G, Clay Hollister, Emergency Manager, 12/1/2016

HISTORIC DISTRICT COMMISSION

In 1969 the citizens of Jaffrey established the Jaffrey Historic District Commission whose mission is to aid in preserving the rich cultural, social, economic, and architectural histories of our town. 2016 saw formal hearings and members of our community seeking guidance from the Commission.

In January, the Hearse House Proposal was revisited after a new application was made (1-2016). The original proposal was to have a hearing before the Commission last February, 2015, but the application was withdrawn. The Jaffrey Historical Society requested approval to construct a timber-framed one room, single story ca. 330 square foot structure to accommodate two historic hearses on a town-owned site to the south of the Old Burying Ground.

This hearing was well attended by residents of Jaffrey with everyone wishing to have a say being able to do so. The meeting was adjourned and members of the Commission had a site review the next day. Action taken: Disapproved. Members of the Commission felt obliged to abide by the HDC guidelines: New buildings or roads in the Upper or Lower Commons, the Burying Ground, around the Horse Sheds, or in front of Melville Academy are not allowed. With the exception of the location (in so far as it conflicts with the HDC guidelines) the HDC commends the merits of the proposal as appropriate, relevant and desirable.

In April, a local contractor, representing a family in the Historic District, came before the Commission to seek approval for window replacement to improve energy conservation and comfort in the home. The board recognizes the importance of home owners wishing to improve their properties and appreciate the willingness to comply with materials, while modern, that maintain the architectural character of the district.

In June, representatives from the Village Improvement Society came before the Commission requesting input on installing an additional foot path at the Melville Academy. The Commission with the VIS representatives walked over to the the museum to review the plans and offer guidance with respect to a walkway that would be sensitive to visitors that might have difficulty with the original path.

The Commission continues to co-sponsor the annual reading of the Declaration of Independence at our historic meeting house on the 4th of July.

Monthly meetings of the Historic District are held on the first Thursday at 7pm. Winter meetings are held at the Town Office Building and summer meetings in the Meeting House in Jaffrey Center. These meetings are open to the public and all interested parties are invited to attend. Agenda and minutes can be viewed on the town website at <http://town.jaffrey,nh.us/pages/index>.

LIBRARY TRUSTEES

In the last two years the Library Trustees focused on technology and spent more than \$35,000 on computers, rewiring the building for wi-fi and upgrading our network. This year we have been forced to focus on our 120 year-old building and have spent over \$20,000. Although the town owns the building (the oldest, biggest, and most iconic in town and part of the reason I moved here), the trustees participate in the maintenance and upkeep of the structure. Staff, patrons, and volunteers have been complaining about a serious mold issue on the lower level. There has been water intrusion for many years and the problem has become quite extensive. This has now been dealt with and our air ducts have also been cleaned. We believe the mold and other allergens have now been removed. We also finished an extensive interior painting project, including repainting and repairing all windows inside and out.

The trustees are saddened to report that our library director, Libby Feil, resigned her position in December of 2016 for family reasons. However, we are happy to report that we will be welcoming on board our new library director, Ms. Julie Perrin, in January of 2017.

MEETINGHOUSE COMMITTEE

THE MEETINGHOUSE COMMITTEE advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

The Meetinghouse served as a venue for many events between May and October 2016: Amos Fortune Forum (seven lectures), Monadnock Music and Electric Earth concerts, a dance performance, Conant High School's 24th annual Shakespeare Festival, 100th annual First Church Fair, a regional board meeting of the NH Charitable Foundation, a Rotary Camp Quest visit, two Conservation Commission programs, and three weddings. The Meetinghouse was also the scene of numerous other meetings, school group visits, and gatherings throughout the year. The Committee, along with the Jaffrey Historical Society, the Village Improvement Society and the Historic District Commission, co-sponsored the 16th annual reading of The Declaration of Independence on the Fourth of July. The Meetinghouse was again full and the 38 volunteer readers did a marvelous job. All are invited to attend and participate.

The Committee made thorough inspections of the Meetinghouse in May and November. Between these inspections a variety of projects were undertaken, sometimes by members of the Committee and at other times by volunteers, contractors or Town staff (primarily Glenn Ruschioni): Inspection and servicing of the Town clock (overseen by Kevin Sterling and Dick Boutwell and with the professional involvement of D'Avanza Clock Repair of Goffstown); annual testing of the fire alarm system by Monadnock Security and the fire extinguishers by Guyette Fire Protection; the usual touch-up painting (Dennis Wright); minor plumbing (Devlin & Sons) and such tasks as oiling of exterior exposed wood.

Other than this there were no major projects in 2016. The South and East facades are due for painting but this will be delayed until after the roof is replaced in 2017.

Much attention during the past year was focused on the need to replace the wood shingle roof which has reached the end of its useful life. Leaks have occurred on the south side and have caused a certain amount of damage. (Dennis Wright expertly handled the plastering and painting.) The Committee has concluded that action is needed as soon as possible. The intention is to replace the roof in the spring or fall of 2017. The Town has retained Catlin + Petrovick, architects of Keene, to assist in the process, prepare specifications, participate with the Town in the bidding process and oversee the construction. A firm price for the work is expected before Town Meeting in March. The Town was fortunate in receiving a LCHIP (NH Land & Community Heritage Investment Program) grant of \$54,600 to fund a portion of the project. So far an additional \$15,413.80 has been donated from organizations and individuals. Fundraising continues apace. Additional information on this project may be found at <http://www.rs41.org/Meetinghouse/roof.htm>

The balance of the Meetinghouse Trust Fund at the start of the year was \$18,445.61. During 2016 rental fees for the use of the Meetinghouse totaled \$1,850. At last year's Town Meeting, \$3,000 was added to the fund. Expenditures from the trust fund totaled \$12,470, over half related to interior and exterior painting. At the end of the year the balance of the Meetinghouse Trust Fund was \$10,028.93.

For the eleventh year a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 4th. As always, candles are set in the south windows of the Meetinghouse for the holiday season and remain lighted well into January.

The Meetinghouse has its own webpage, hosted on the Town's website at <http://townofjaffrey.com>. Go to > Boards & Committees > Meetinghouse Committee. Here you will find, among other things, historical and financial information, photographs, the current and past schedules of events, and the application and guidelines for use.

The Committee would like to thank Judy Zola, Town Administrative Assistant, for her supportive and professional attention to Meetinghouse matters particularly in scheduling and overseeing applications for use.

The calendar for next season is beginning to fill. Most events benefit the Town through rental fees.

PLANNING BOARD

2016 has been an active year for the Planning Board.

We were forced to bid a fond farewell to long-time Board Chair Mark Kresge. Mark has moved out of state, and we very much miss his knowledge, commitment, and love for Jaffrey. We wish him and family well.

The Board welcomes new members! Patricia Farmer and Tim Gordon joined the Board as Alternates in April 2016. Tim quickly assumed full member status upon Mark Kresge's departure from Jaffrey in July. Robert Sherman joined the Board as an Alternate in November. We now have a full complement of 7 Board members and 2 Alternates. The Board welcomes interest in our activities, and would be happy to see residents participate in our work.

The Board reviewed 5 Technical Sub-divisions, 2 Minor Sub-divisions, and 9 Site Plans in 2016. In addition to "nuts and bolts" work, the Board worked with the Budget Committee and other community members to update Jaffrey's Capital Improvements Plan. It is our hope that the plan will be reviewed annually going forward. Thank you to Jack Belletete, Kevin Chamberlain, John Peard and Ed Merrell for your work to plan ahead for our town.

We also sponsored community forums and surveys to help the Board update the Vision chapter of Jaffrey's Master Plan – presented here for the Town's approval. Thank you to committee members Jo Anne Carr, Patty Farmer, Candra Bergeron, Ed Merrell, Melanie McDonald and Dominique Caissie for leading this effort.

Lastly, the Board prepared updates to the Zoning and Sign Ordinances – for the Town's approval. These updates remove ambiguities, clarify definitions and comply with current state law.

The Board thanks Jaffrey's Director of Planning and Economic Development Jo Anne Carr for her work to keep the Board on track and our Land Use Codes up to date. We also thank Erlene Lemire for keeping us organized.

As Board Chair I want to thank every Board member for giving up their evenings to volunteer for Jaffrey. Your work will help keep the on track for the future!

Laurel McKenzie

SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist are responsible for maintaining an accurate and current list of the voters in Jaffrey. They are elected for six year terms and report directly to the Secretary of State's Office. The state has established a state-wide electronic data base of voters and supervisors are responsible for maintaining the Jaffrey portion of this list by registering new voters and removing voters who have moved out of the town or have died. The Supervisors meet regularly on a monthly basis to make corrections to the Checklist and add new registrations and they also have special sessions prior to elections to register new voters. Dates for these special sessions are published in the local newspaper and are also listed on the Checklist posted in the Town Office. New voters may also register during town, state and general elections and with the Town Clerk during normal business hours.

In addition to registering voters and maintaining the Checklist the Supervisors also attend all Town Meetings and the School Deliberative Sessions to provide oversight. They also certify signatures on petitioned articles to the Town Warrant and nominations for state and federal offices.

This past year was a busy one in that there were two primary elections and a general presidential election in November in addition to the town election. There were almost 500 new voter registrations. The tables compare the figures for Jaffrey voters over the last three years.

Year	Total Number of Voters	Democrat	Republican	Undeclared
2014	3522	1020	1090	1412
2015	3530	1019	1075	1436
2016	4008	1201	1283	1524

The year 2017 will be a quieter year for voters with a focus on local elections. New voters may register in these elections provided they prove citizenship, identity and residence.

TEAM JAFFREY

January 2017

With tremendous support in 2016, TEAM Jaffrey has been able to surge forward in our mission of “enhancing, revitalizing, and improving” our downtown. Our volunteer-driven work—providing boots-on-the-ground support to existing businesses, encouraging new businesses, and promoting tourism to Jaffrey—remains our focus.

Most notably this year, significant improvements to our programs, activities, and business services have led to:

- ❑ We grew the Farmer's Market on the Common in partnership with our FREE downtown Summer Concert Series
- ❑ We expanded RiverFEST and Scarecrows on the Common, also adding two new events—Breakfast with Superheroes and Spaghetti with Santa
- ❑ Over 70 dedicated volunteers generously contributed more than 3,500 hours
- ❑ Assisted in the refurbishing and re-dedication of the Gold Star Mothers Memorial and the Buddies Monument
- ❑ Participated in the National Main Street Center Leadership Training in Wisconsin

We are also looking forward to a successful 2017, as we will be working hard to achieve our goals of:

- Completion of TEAM Jaffrey’s Strategic Planning
- Supporting the Town of Jaffrey’s Strategic Plan and working with the Economic Development Council on the TIF district
- Encouraging new business on Main Street and continuing to support existing business owners
- Offering downtown businesses facade grants

TEAM JAFFREY

Our small size and active board of directors enables us to maintain flexibility in our responsiveness to the ever-changing needs of those who live, work, visit, and play in downtown Jaffrey.

While we are known for our engaging signature events that draw crowds from across New England (Scarecrows on the Common, Free Concerts & Farmers Market, RiverFest, etc), we are eager to share the efforts and activity “behind the scenes” —all of which provide much-needed support for the many independent small businesses here in downtown Jaffrey. From Plaid Friday and Shop Small Saturday promotions to our free, on-site Facebook and QuickBooks training, and business plan reviews, TEAM helps businesses gain access to insight, tools, and training in the comfort of their own location. From the time we invest in offering a downtown voice to Jaffrey’s Economic Development Council, to our work planting flowers in prominent greenspaces—we are hard at work year-round, shining a spotlight on downtown and working to foster civic pride in the process.

2016 by the Numbers

- | | |
|--|--|
| -Number of Volunteers: 90 | -Number of Nonprofit Community Partners: 48 |
| -Number of Volunteer Hours: 3,500 | -Number of Event Attendees in 2016: 9,000 |
| -Value of Volunteer Hours: \$82,460 (\$23.56/hr) | -Number of TIF Businesses utilizing on-site Training: 17 |
| -Number of FREE Downtown Events Held in 2016: 25 | -Number of Public Presentations: 16 |

TEAM Jaffrey was also very proud to have partnered with MilliporeSigma to help advance our vision for downtown. Their volunteer support and active engagement was and will be a tremendous help. TEAM also received grants from the NH State Council for the Arts, the Jewish Federation of NH, and the Susan A. and Donald P. Babson Charitable Foundation.

As a member of the National Main Street program (a division of the National Trust for Historic Preservation), we carry out a four-point approach to downtown revitalization (Design, Outreach, Economic Vitality, and Promotions). Our regular involvement with National Main Street, as well as the New Hampshire Vibrant Communities Program, provides access to best practices, engagement in a state and nationwide network of Main Street volunteers, and access to tools and solutions from other communities. All of this ensures that we continue to learn, evolve, and address the ever-changing challenges and opportunities that impact Jaffrey.

As we begin another year in the heart of downtown Jaffrey, we would like to thank you, our volunteers, partners, and friends, for your support and participation. The Board would also like to thank Melanie McDonald for her 3 years as Executive Director of TEAM Jaffrey. Melanie has accepted a new position in another nonprofit organization and we wish her all the best!

On behalf of TEAM Jaffrey, we would also like to announce Ms. Stephanie Niemela as our new executive director. Stephanie, a 15-year Jaffrey resident, grew up in Temple and graduated from Conval High School. She attended and graduated from the College of Wooster in Wooster, Ohio, with a bachelor's degree in English. Please join us in welcoming Stephanie to TEAM!

TEAM JAFFREY

We always welcome your ideas and your community spirit as we continue our work downtown. Please stop by the TEAM Jaffrey office (located on the lower level of TD Bank), call us at 532-7168, or email us at teamjaffrey@myfairpoint.net to share your thoughts, and find out how to get involved.

STAFF REPORTS

TOWN MANAGER

Thanks to voter support at the Annual Meeting, the Town was able to begin the process of upgrading its water system in an effort to increase efficiency and dependability. The project to replace the water mains along Main Street and Mountain Road proceeded with few issues, which is a testament to a very good contractor, excellent project management at the Department of Public Works and, most importantly, patience and understanding from our residents and visitors who traveled that route and recognized that the temporary inconvenience would soon yield to improved water service and enhanced fire protection.

Voters also deserve thanks for supporting additional funding for road repairs and reconstruction projects throughout the Town. It was grateful to see the confidence placed in the staff to invest these additional dollars wisely into town infrastructure. Many thanks also to members of the Budget Committee and the Select Board who saw the need and advocated for these projects.

The Planning Board and its new leadership deserve commendation for re-assuming a leadership role formulating the Town's Capital Improvement Program. While sometimes seen as a superfluous exercise to obligate millions of dollars, the CIP is a critical planning tool that requires all stakeholders to continuously examine and reprioritize the amount and direction of capital investments in town, with the ultimate goal of investing a predictable and sustainable amount of resources into the Town's infrastructure. The end result is a consensus on the direction of the community and yet another opportunity for citizens to learn about and participate in their town government.

The Select Board and Budget Committee also participated in a process which closely looked at the Town's finances, identified areas where the Town has accumulated excess resources, and how best to invest those resources in areas such as debt reduction and tax rate stabilization. The Town's staff has worked hard over the past several years to manage funds wisely and build a solid financial foundation from which the Town can operate.

Community efforts have continued throughout the year, particularly with the return of the Festival of Fireworks. Both police and fire resources collaborated closely with the Chamber and other stakeholders to ensure that the Festival was safely enjoyed by all attendees; thanks are also due to the neighbors to the Festival's venue and the various property owners who provided off-site parking for the event and who worked with our Police and Fire Chiefs to ensure the safe and orderly movement of pedestrians and vehicles. The Festival is yet another example of how events and projects are successfully managed by cooperation and collaboration of all community members and groups.

In closing, it is difficult to put into words my appreciation for the opportunity I was given to serve as Town Manager for the past 3.5 years. In our ever-changing world, it was gratifying to see an entire community remain so committed to both preserving and enhancing Jaffrey, a place that many call their new home, but so many more call their hometown. You should be proud of the caring, thoughtful and considerate community you have developed. As I moved on to new challenges at the end of 2016, I hope to be able to put to good use the lessons I learned about Jaffrey, of good governance, of community responsibility and of an appreciation for the talents, opinions and contributions of all residents.

FIRE DEPARTMENT

The Jaffrey Fire Department responded to **352 Calls for Service in 2016**. **EMS Medical / Ambulance Assist** top the list for calls for service followed by **Mutual Aid to Surrounding Communities, Automatic Alarm Activations, Motor Vehicle Accidents and Investigations.**

The year 2016 had a decrease of 55 calls for service over the calls for service in 2015.

Assist Ambulance / EMS Incident	85	24.14%
Mutual Aid to Surrounding Communities	77	21.87%
Automatic Alarm Activation	48	13.63%
Motor Vehicle Accident	43	12.21%

Brush Fire	5	1.43%
Structure Fires	3	0.86%
Motor Vehicle Fire	2	0.57%
Rescue (non-medical)	2	0.57%
Chimney Fires	2	0.57%
Landing Zone Set-ups	1	0.29%
2016 Total Calls for Service	352	100.00%

The 2016 calls for service percentage by day of the week were fairly even with **17%** of the calls occurring on Sundays followed closely by Saturday **16%**, Mondays **15%**, Tuesdays **14.5%**, Wednesdays **13.5%**, Fridays **12.5%**, and Thursdays **11.5%**.

The Fire Department ended 2016 with a staff that included the Fire Chief and twenty-one Call Firefighters. Four Firefighters completed Firefighter I Certification Training and two of the four also completed Firefighter II Certification this year. The department currently has fourteen Certified Firefighter II Firefighters, five Certified Firefighter I Firefighters and three Probationary SCBA/PPE Firefighters. The three Probationary Firefighters are scheduled to attend Firefighter I Certification Training in the Fall of 2017. Two Firefighters completed EMT Training and became Certified Emergency Medical Technicians (EMTs), bringing the total number of EMTs on the department to fourteen.

FIRE DEPARTMENT

Firefighter / EMT Michael Greenough retired from the Fire Department December 1, 2016 with 20 years of service. We would like to thank Michael for his 20 years of service to the Fire Department and the Town of Jaffrey. Two of our Firefighters are serving our county on active military duty and are expected to return home in the first part of 2017. We would like to take this time to thank our Firefighters, Retired Firefighters, Family Members of our Department as well as all the Men and Women that have served or are actively serving our Country in the Military.

Weekly, monthly and yearly trainings along with weekly equipment and apparatus checks will continue to be a priority for the department. This allows the equipment and apparatus to remain in response ready status and for the firefighters to be prepared to respond to calls for service in a safe, timely manner and to the best of the department's ability. All apparatus / vehicles are currently in good condition. Continued maintenance and care along with annual maintenance and required testing should allow for the apparatus / vehicles to remain on track for the years of service as estimated in the replacement schedule for the Capital Improvement Plan.

A discussion and a plan needs to be drafted to resolve the lack of showering facilities at the fire station. When the firefighters are exposed to contaminants during a fire incident there is a need to have showering facilities for the firefighters to decontaminate before returning home or back to work. Part of this discussion and plan should be what are the immediate and long term building and facility needs for the fire department. Looking at the immediate and long term facility needs now will allow for good planning to correct and solve immediate and future issues while also looking at ways to lessen the financial impact.

Recruitment of people for staffing of the department with call firefighters continues to be one of the major issues facing the department. Active advertising and recruitment is an ongoing process with low numbers of people showing interest in joining. We are trying to work closely with the Conant High School in supporting the Firefighter I (FF I) and EMT Course offered to high school Juniors and Senior students through the Applied Technology Program at Conval High School. This program allows students during their junior and senior year at Conant to take a FF I Class and EMT class as part of their normal high school classes. We are also working on creating and getting approval for a Junior Firefighter Position (JFP) that would allow for 16 and 17 year olds to join the fire department. The JFP would have strict guidelines as to what the person in the position would be allowed to do. The idea behind the JFP is for the person to gain experience and knowledge by joining the fire department as well as coinciding with the high school FF I program with the ultimate goal of the JFP becoming a Certified Call Firefighter with the fire department when they turn 18 years old. New ideas and a creative plan of action need to continue to be a priority to resolve the shortage of firefighters and future needs of the fire department.

EVERYONE GOES HOME

FIRE DEPARTMENT

Anyone that is interested in becoming a call firefighter or has ideas as to how to help resolve our staffing problems should contact the Fire Chief at the fire station 532-8377, by email firechief@townofjaffrey.com or go to the fire departments website www.jaffreyfire.org for information on joining the fire department.

The level of service provided by the fire department, the facilities, apparatus, equipment, tools, funding and support provided are made possible by the dedicated firefighters, their families, the retired firefighters, the Jaffrey Firefighters Company Inc., the FAST Squad, local businesses, citizens, taxpayers and all of the fire departments in the area that helped us in a time of need. We thank you for your continued support and assistance.

Don't Wait — Check the Date!
Replace Smoke Alarms Every 10 Years

Age matters when it comes to your smoke alarms. Check the manufacture dates on your smoke alarms today!

- 1** Remove the smoke alarm from the wall or ceiling.
- 2** Look at the back of the alarm for the date of manufacture.
- 3** Smoke alarms should be replaced 10 years from the date of manufacture.
- 4** Put the alarm back on the ceiling or wall if it is less than 10 years old.

LIBRARY DIRECTOR

Jaffrey Public Library is pleased to report that, as of the end of 2016, it is providing strong support to the educational, professional, and recreational needs of the community. Its collection currently consists of 36,611 items. Of these, 2264 materials were added in the last year. Membership remains stable from the previous year with 3394 active borrowers. At the same time, circulation has increased from 37,358 in 2015 to 38,683 in 2016. These numbers include both physical and digital library materials. Digital circulation of the library's ebooks and downloadable audiobooks numbered at 2708 in 2016. In an effort to update the collection, a total of 3739 outdated and damaged materials were withdrawn. Beyond the collection the library still provides free passes to a number of regional museums and a high quality telescope for lending.

The Library offers a number of other services to the community such as the use of its computers and wi-fi network, reference assistance, and a range of programs for all ages. During 2016 the computers were used 3671 times, a figure that does not include wireless access. Excluding outreach to local schools and organizations, 3626 people attended library programs. Finally, staff answered more than 1731 questions!

2016 held several major transitions for the Jaffrey Public Library. The first half of the year saw the retirement of much-beloved Children's Librarian Sheila Vanderhorst. Many Jaffrey residents remember being read to by Miss Sheila, and she will be missed. As the new children's librarian I hope, if not exactly to fill her shoes, to cultivate young people's interests and sense of wonder in the world around them. Finally, the end of the year saw the departure of Library Director Libby Feil. Ms. Feil worked tirelessly over the last couple years to refresh the library's collection, update policies, and tackle necessary building maintenance. We are grateful for her hard work and wish her all the best moving forward.

Looking forward, we are excited to welcome Ms. Julie Perrin as the new Library Director. Ms. Julie was the Library Director at the Stephenson Memorial Library in Greenfield for the last two years, and we feel very fortunate to have her know-how and positive spirit at our fingertips. I know the community will embrace her as warmly as they have welcomed me. Jaffrey Public Library looks forward to being a vital resource and enabler of growth in 2017.

POLICE DEPARTMENT

For several years I have mentioned a concern in this report about being short-staffed. There was a variety of reasons for openings to occur ranging from understandable choices by officers to pursue professional advancement to issues of “fit” with this community and our department’s enforcement philosophy.

We have now had a full compliment of police officers for nearly 3 years. Knock on wood, that is a condition we haven’t enjoyed for any substantial length of time for quite awhile.

There are a number of benefits in having lasting retention. There is the significant financial benefit of not having to spend literally tens of thousands of dollars to advertise, test, hire and train a new officer each time an opening occurs. A full staff allows scheduling flexibilities that enables our department to pursue specialized tasks such as focused patrols in problem areas we observe or are brought to our attention by the public. Full staffing allows us to maintain minimum shift coverage when openings are caused by training, vacation, sickness or injury without relying heavily on the use of overtime, and, very importantly, adequate staffing enables us to conduct drug investigations critically needed to try and put a “crimp” in what is being referred to on all levels, local to national, as the drug epidemic. We see evidence on a regular basis that illegal drug abuse, more often than not, contributes to other crimes like theft, burglary, identify theft and the like.

Another benefit of officer retention that I can’t emphasize enough is the value of the depth and quality of training and experience officers acquire with time on the job. Police officers make decisions every day that would expose the town to issues of liability if the officers didn’t have that training and experience. The collection of officers and support staff currently comprising our department demonstrates that value on a daily basis as they continue the work of providing all in Jaffrey a safe and inviting environment.

We at the Jaffrey Police Department deeply appreciate the support and encouragement we receive from the people and businesses of Jaffrey throughout the year.

Chief William Oswalt

PROSECUTOR'S DEPARTMENT

In 2016, the Town of Jaffrey remained ahead of other area agencies in the number of cases submitted to the local court for prosecution. However, the introduction of the “felonies first” legislation, where felony cases are submitted directly to the Superior Court has resulted in a slight drop in the number of cases going before the District Court. This year the Jaffrey Police Department submitted 27 felony cases directly to the Superior Court for prosecution.

The legalization of recreational marijuana use in bordering states and the overall societal acceptance of its use has undoubtedly contributed to the frequency of Possession of Marijuana cases that we have handled. It is astonishing to see the amount of use / abuse of marijuana by our youth. Driving while under the influence of drugs has become more common and presents a myriad of difficulties in the prosecution of such incidents. Our community continues to be impacted by the effects of the opioid crisis. Drug and alcohol related DWI cases, simple assaults, domestic violence, trespass, suspended driver’s licenses, and alcohol and traffic related offenses are cases that are commonly submitted to the court for prosecution.

The Administrative Office of the Courts has further reduced the number of scheduled court sessions which translates to having less court time to handle a higher caseload resulting in some longer court sessions.

The Prosecutor’s Office also faced a unique challenge during 2016. Our regular legal assistant, Michelle Szalanski was out on extended medical leave for several months. A debt of gratitude is owed to Denise Chatel the Administrative Assistant at the Police Department for her help during that time and also to temporary employees, Sarah Laperle, Maria Laperle, and Casey LaBrecque as well for their assistance in keeping the office operations going smoothly.

It has also been our pleasure to continue the partnership that we’ve had with the Con-Val High School student intern program. Several students participated in 2016 and we’ve received compliments from the Coordinator on our work with them.

In cases where it is applicable we have had \$29,776.46 in restitution ordered to be paid to victims through the Court, Department of Corrections or through our office. Over \$10,000.00 of the restitution ordered, is coming back to the Town. Additionally, in most cases where a defendant fails to appear and officers appear at court, witness fees are generally assessed and paid to the Town’s general fund. In 2016, \$371.20 was awarded to the Town in witness fees.

In 2016 we received revenue in the amount of \$225.00 through the collection of discovery fees.

The statistical breakdown is as follows and includes cases that are open, pending, or closed out in 2016.

2012	2013	2014	2015	2016
595	552	599	682	583

Of the 583 cases, 27 were juvenile, 42 were motor vehicle, and 514 were adult criminal cases. In addition, there are 115 cases for which bench warrants have been issued that remain unresolved.

Respectfully submitted,

Richard Carpenter, Jr.
Lieutenant / Police Prosecutor
Jaffrey Police Department

PUBLIC WORKS DEPARTMENT

Cemeteries/Parks and Commons Division: In 2016, the Town performed 5 full-body and 15 cremation burials. The staff assisted and participated with the Cemetery Committee by attending regular meetings, work sessions and the annual cleanup. Annual cemetery cleanup day was performed in November which removed materials from gravesites in preparation for winter and those that do not comply with the regulations to improve the general appearance of the facilities. The Town continued contracting out landscaping maintenance activities to a private contractor. As a reminder to those who have loved ones buried in the cemeteries, artificial flowers are not permitted. These arrangements get entangled in the landscaping equipment and are a serious hazard to the workers.

Highway Division: In 2016, the Highway Department reconstructed portions of Fitzwilliam Road, Gilmore Pond Road and Nutting Road. Portions of Prospect Street, Crestview Drive, Fitzwilliam Road and Thorndike Pond Roads were also paved. Highway Crews performed winter and summer (seasonal) maintenance on over 64 miles of Town roads (including 20 miles of gravel road) and assisted other Departments throughout the year including the Water, Sewer, Recreation, Fire and Police Departments. The department corrected a long standing drainage problem on Thorndike Pond Road and with assistance from Lydon Company replaced seals on both gates at the Main Street Dam.

The Mechanic with assistance from Highway staff maintained and kept operational the Town's vehicles and in addition to maintaining highway department vehicles, over 225 hours of labor was expended maintaining Fire, Police, Water, Sewer, and Recreation Department vehicles and equipment. During the year, following authorization at the 2016 Town Meeting, the Town purchased and placed into service at the Highway Department, a new multi-purpose tractor for roadside mowing and sidewalk winter maintenance. The department also purchased and placed into service a new chipper.

Wastewater Division: In 2016, the wastewater treatment plant processed approximately 145,790,000 gallons (average 398,333 gallons per day) of wastewater from 825 connections. SUEZ Environmental (United Water) is the contract operator of the sewer facilities including the wastewater treatment plant, Hadley Road head works, 5 pump stations and 15 miles of collection sewer. As part of their normal operations, 16 manholes were repaired during the year and 14,775 linear feet of sewer was cleaned. The sewer cleaning program is part of a preventive maintenance program begun in 2004 addressing the sanitary sewer collection system, manholes and pump stations. During 2016, there were 31 callouts for sewer related problems

PUBLIC WORKS DEPARTMENT

(blockages or overflows in the collection system) of which 5 were on the Town side.

The Town completed the seventh full year of operation of the advanced wastewater treatment plant and fifth full year of operation of the filtration system providing tertiary treatment both built to comply with NPDES requirements and an EPA Administrative Order to meet more stringent effluent standards.

Total residential septage waste received at the wastewater plant during 2016 was 2,016,850 gallons (equivalent to about 2,017 - 1,000 gallon residential septage holding tanks). Revenues to the Town from septage disposal totaled just under \$165,000 for the year.

Total sludge processed at the wastewater plant in 2016, was 140.15 dry tons. The sludge was then transported to the Merrimack, NH wastewater plant composting facility where it was composted for beneficial reuse.

As reported in previous years, the Town continued working on the system-wide infiltration/inflow reduction and sewer rehabilitation program in priority areas identified and during 2012. In 2016, sections of sanitary sewer on Goodnow Street, School Street, North Street, and Peterborough Street were lined by Insituform utilizing cure-in-place lining and a couple of short sections of sewer was replaced on Main Street downtown and in Jaffrey Center.

As reported last year, replacement of the River Street and Nelson Circle sewer pump stations was advertised in January, 2016 and construction began last spring. Both projects were substantially complete by the end of the year. Some additional site work remains for the spring that could not be accomplished this winter. The cost for these projects is being aided by the State of New Hampshire CWSRF which provides funding for up to 40% of the project's cost.

Roofs were replaced at the Jaffrey Center sewer pump station and the old lagoon aeration building now utilized for storage. A new multi-purpose tractor was also purchased for use at the treatment plant.

Water Division: In 2016, the Department produced 140,598,510 gallons (average 384,149 gallons per day) from four (4) groundwater wells at the Contoocook, Turnpike, and Squantum well houses and provided potable drinking water and fire protection to over 1,500 accounts in Jaffrey and Rindge.

In addition to daily checks and maintenance of the pump stations, samples and state reporting, the Department performed high water usage checks for customers, located water lines for DigSafe, performed seasonal water turn-on and shut-off requests and assisted with leak detection. The Department also responded to ten (10) water main breaks, two (2) service line breaks and made repairs to five (5) curb stops. One hundred and thirty-two (132) hydrants were flushed during the spring and the department did

PUBLIC WORKS DEPARTMENT

not flush hydrants in the fall due to drought concerns across the State. One hundred and two (102) meters were replaced and one hundred and forty-two (142) MXU (radio read) were changed out.

Continued administration of the Cross Connection and Backflow Testing Program with town staff and a contractor to complete mandatory semi-annual testing of all backflow prevention devices in town. To date there are 107 backflow prevention devices at 58 businesses, schools and town buildings included in this program and tested twice per year.

The Town completed an asset management plan in 2014, following receipt of a \$15,000 grant from the New Hampshire Department of Environmental Services for asset management and financial planning of the water distribution system. The plan which included expanding the buried water system inventory; organizing and incorporating the water system geographic system (GIS) data and the Town's existing GIS data into a web-based GIS; and, updating the water distribution system model also prioritized water main improvement projects and, developed a capital spending plan. The first such improvement project was approved at the 2016 Town Meeting and was substantially completed during the year with replacement of old water mains on Main Street and Mountain Road and improvements at the Prospect Street booster pump station. This project is also being aided financially by the State of New Hampshire DWSRF.

The Water Department continues to be proactive in identifying leaking in the distribution system. The Department monitors the water production carefully and compares to billing and other records as a means of ensuring that we are most efficiently pumping and treating the water to both limit operating costs and preserve the valuable resource.

Administration and Engineering: In 2016, in addition to managing all Department of Public Works functions, assistance was provided to other town departments and committees as necessary including the Cemetery Committee, Recycling Committee and Joint Loss Management Control Committee. Special projects included continued work on GPS/field locating and GIS mapping of the water and sewer system physical structures, drainage structures, and signage inventory; infiltration/inflow reduction program for the sewer system; water conservation and asset management programs; administration of the industrial pretreatment program; updating the wastewater local limits and sewer use ordinance; administration of the septage program; and, cemetery inventory program.

Staff renewed Green SnowPro Certification (DES and the Snow and Ice Management Association). This program covers highway winter maintenance and more efficient methods to improve or enhance plowing and ice control. One such method is calibration of spreaders which results in more efficient treatment of roads with salt and sand. The Highway Department purchased and installed a loader scale which more accurately calculates the amount of salt and road sand loaded to the trucks for treatment. We continue to monitor and refine the application rates of materials used.

The pavement management program, initiated in 2015, was completed last summer with the assistance of an engineering student intern. All roads were inspected and rated based on a variety of conditions. The pavement management program is the first step in establishing a comprehensive road reconstruction and resurfacing plan over time. The program was presented to the Board of Selectmen in August and is available on the Town's website.

An asset management study of all wastewater facilities (wastewater plant, pump stations, and collection sewers) funded in part from a competitive grant from DES, was completed and presented to the Board of Selectmen last August. As an added benefit by completing this study, the plant will be receiving a comprehensive energy audit paid for by DES.

PUBLIC WORKS DEPARTMENT

A comprehensive study of the Town's bridges was completed with recommendations for short term and long term improvements. A capital reserve fund is recommended for future bridge improvements which will also allow the Town to participate in the New Hampshire Department of Transportation's funding assistance program for municipalities which funds 80% of the engineering design and construction costs.

As reported last year, the Department implemented a Public Works Software program which tracks all service requests and complaints that public works receives including but limited to road conditions (summer and winter), drainage problems, water turn-on and shut-offs, sewer blockages and general questions on cemeteries and transfer station. The program also tracks the maintenance activities being completed at all town buildings. Residents can either call the office, use email, or can access through the Town's website. During the year, 742 service requests were documented and handled.

The department continued to work with the NHDES Dam Bureau on dam inspections and updating of operations and maintenance and emergency operations plans.

Oversee gas and groundwater monitoring as required by NHDES at closed landfill and wastewater lagoons and file required reports.

The division also applied for and received various DES permits for culvert work and highway maintenance as needed and as required.

Support was provided to the Planning Board as needed by reviewing site and subdivision plans, inspecting development projects, preparing bond recommendations for projects incorporating public improvements and approving as-built plans.

Mechanic David Kemp in the shop building the U-Blade that is used for snowplowing by one of the loaders. By rebuilding the U-Blade in-house it saved the Town close to \$10,000.

Solid Waste/Transfer/Recycling Division: Material received and processed at the Transfer Station in 2016 included the following approximate amounts: 789 tons compactor waste, 501 tons bulky waste including construction and demolition debris, 177.8 tons recycled material (plastics, paper, corrugated), 138 tons light iron, 8.7 tons aluminum, 477 home electronic items (televisions, computer monitors, VCR and DVD players, and microwaves), 1 trailer load and 2 containers of tires, 287 propane tanks, batteries, 155 Freon containing items (refrigerators, freezers, air conditioners, and dehumidifiers), and fluorescent bulbs.

In March of 2016, the Board of Selectmen appointed an Ad-Hoc committee to study operations at the Transfer Station and make recommendations to the Board with regard to operations, revenues and facility improvements including building and layout. The committee met several times a month and visited several nearby facilities to compare operations to Jaffrey. The Committee continues to meet with the goal

PUBLIC WORKS DEPARTMENT

of providing a plan to the Board of Selectmen in 2017 with recommendations to improve our facility. Staff continues to provide support to the committee as requested.

In 2016, facility improvements include the replacement of the roof at the transfer station through contract with Davis Construction. A floor scale was also procured and installed with the assistance of a grant from New Hampshire the Beautiful. This will allow staff to weight each bale of recycled materials prior to going to market.

The town continues to participate in a regional Household Hazardous Waste disposal program offered in Keene with collections held during summer and fall and the town in cooperation with DES, EPA and DEA has sponsored prescription drug take-back days at the Jaffrey Police Department as well as area police departments in accordance with a national program to promote safe drug disposal and keeping discarded drugs from solid waste and wastewater.

In 2016, the Town of Jaffrey was awarded a grant from NH the Beautiful (NHtB) in the amount of \$1,293.00. This grant was used toward the purchase of a new floor scale/ printer. A floor scale is a valuable tool that will give staff the ability to track inventory and document load weights. The following is text received from NHtB.

NH the Beautiful, Inc. (www.nhthebeautiful.org) is a private non-profit charitable trust founded in 1983. All NHtB funding comes from voluntary donations made by the soft drink, grocery, and malt beverage industries in NH.

NHtB has been helping New Hampshire communities improve their recycling programs for over 30 years by providing equipment grants and recycling signs as well as offering discounted pricing on recycling bins and containers.

NHtB New Hampshire the Beautiful, Inc. also supports the NRRA School Education Program (the CLUB). The Northeast Resource Recovery Association (NRRA) (www.nrra.net) is administrator for the New Hampshire the Beautiful programs.

NH the Beautiful is pleased to support the Town of Jaffrey its efforts to improve its recycling program.

Planet Aid reported that they collected a total of 2,227 pounds (1.1 tons) of donated clothing at the receptacle box located at the Transfer Station.

The staff will continue to check for valid “dump” stickers and remind all residents that stickers can be obtained at both the Town Clerk’s office and at the Transfer Station with a proof of residency. Seasonal stickers can be obtained at the DPW office.

We continue to process commodities through the NRRA, which competitively bids commodities and insures the best prices for their members. Throughout this year, we have seen the prices received for recyclables remain dismal. We are attempting to stockpile some recyclables until the market improves as we are able to receive more favorable pricing if full loads of the same commodity are sent to the vendor. Estimated revenue received from the sale of these commodities and fees totaled approximately \$ 27,000 in 2016. By actively recycling, the town saved over \$42,000 by not disposing of recyclable items along with household trash. Following is a summary of the materials processed at the Transfer Station last year:

During 2016, Mechanic David Kemp celebrated 25 years of service to the Department of Public Works, and three long term employees retired or resigned: Averil Currier the Department's Administrative Assistant retired in July with 16 years of service; Highway Department Truck Driver Damon Poor retired in December with over 18 years of service; and, Solid Waste Facility Operator Sherry Blood resigned with over 12 years of service. All were valuable employees to Public Works and assets to the Town and we wish them well!

RECREATION DEPARTMENT

The Recreation Department went through changes and growth throughout 2016. Program offerings were expanded to provide more services to the teen and adult population. Department staffing was expanded to include a part-time Program Coordinator and seasonal Maintenance Technicians.

Long time staff members, Alan and Karen Morris left the department early in 2016. We would like to thank Alan and Karen for their many years of service and dedication to the residents of Jaffrey. We wish them both success and happiness in their new endeavors.

The weather was erratic early 2016 with January and February seeing shifts in temperature from 0 degrees to 50 degrees in the course of one week. Maintaining the ice rink during this weather pattern was challenging and there was only a week or two of ice skating available this winter. The Learn to Ice Fish class offered in conjunction with New Hampshire Fish and Game had to be canceled. We will try again next winter.

The afterschool ski program continued again this year and was expanded to include youth in second grade through high school. The program was also offered two days a week. These changes contributed to participation number more than double with 27 children participating in the afterschool program in 2016 compared to 10 afterschool participants in 2015.

In January, we offered a Safe Sitter Babysitting course for the first time in partnership with The River Center for middle and high school aged youth. This course filled quickly and we offered a second class during February school vacation week. Thank you Jaffrey Fire Department for the use of your facility!

Middle-school and high-school aged youth also had the option of attending a CPR/First Aid Class offered in partnership with the Jaffrey Fire Department during February school vacation week, which filled with 12 participants.

February school vacation trips had children learning trapeze and tight rope walking at the New England Center for Circus Arts; bowling, swimming, and jumping at Launch Trampoline Park; skiing and snowboarding; playing at the Franklin Pierce Bubble; and enjoying a movie at Chunky's Movie Cinema.

The Annual Easter Egg hunt was held on a Saturday morning in March on the Civic Center Lawn and inside both the Children's section and main section of the Jaffrey Public Library. The event was over within minutes as delighted children raced for brightly colored treat-filled eggs. Volunteers from our weekly Senior Coffee Hour filled nearly 1,500 eggs for the event. The Easter Egg Hunt was also supported by the volunteer efforts of the Conant High School Interact club who hid eggs and provided a Mr. E. Bunny.

April brought us a few firsts at the Recreation Department: the first annual Teen Lock In – a sleepless sleepover - an overnight of fun and games at the Franklin Pierce University Bubble; the first annual Mother-Son Extravaganza – Galactic Bowling; and the first walking club for adults and children. The Teen Lock-In had 15 participants, and the Mother-Son Extravaganza had two dozen moms and sons enjoyed a fun Sunday morning bowling under the black lights, and taking goofy pictures in a photo booth. April

RECREATION DEPARTMENT

school vacation offerings included Magic Monday – a time for avid Magic the Gathering card players to get together at the Jaffrey Public Library and play several games; Pure Shot basketball camp which served 58 participants; and field trips to Launch Trampoline Park, Roll On America, the Franklin Pierce University Bubble, and the movie theater to see The Jungle Book. April trip offerings for our active adult residents included weekly bowling trip to Yankee Lanes in Keene, NH and a monthly movie trip to Chunky's Movie Cinema.

Summer programs saw some changes we redesigned our youth day program, Adventure in Movement (AIM). Community service and leadership opportunities were incorporated in the teen program, the age range for the program was extended to make the program available for youth in preschool through 9th grade, and more choices were offered in the elementary day program.

Special sports camps were offered over the summer including the popular Baseball & Softball and Pure Shot Basketball program with David Springfield, and new offerings including Love of the Run Cross Country Camp, and Challenger Sports British Soccer Camp.

Warm weather adult and family trips included Foster's Clam Bake in Maine and a Boston's Red Sox game.

Other summer highlights include new light guard stands at Contoocook Beach. The Contoocook Beach lifeguard chairs had come to the end of their life and new replacement stands were purchased. The new stands provide a safer place for our lifeguard staff to stand or sit at an elevated level to maintain a watchful position over the beachfront.

The department also offered two field trips a week throughout the summer open to all youth in the community. The children went to Monkey Trunks, Hampton Beach, Adam's Pool, Mt. Watatic, Pack Monadnock, Mulligan's Mini Golf, and Six Flags.

In August, Anne Lambert Maher, was hired as a Recreation Program Coordinator. She has jumped into her position with both feet, quickly learning, and enhancing the offerings of the Recreation Department. Anne will be overseeing programs for youth and families. As a Jaffrey native, Anne has passion for bring quality programs to the community.

In September, a new online registration system was implemented to address the needs of patrons who wanted online registration and easily accessible information. This new software allows the department to offer online registrations, accept credit card payments, and offer a more user friendly and up to date department website: **Jaffrey.recdesk.com**. The overall response from residents has been positive, with the more than 30% of our registrations being processed online in the last quarter of 2016.

Fall programs and events saw participation numbers consistent with previous years. We had 109 children enrolled in our Saturday Morning Soccer program. We would like to thank all the coaches that made this program run smoothly. Without you, this program would not be possible.

RECREATION DEPARTMENT

The 2nd Annual Halloween Hoopla entertained approximately 300 people through the course of the evening with carnival games, a costume contest sponsored by McDonald's of Jaffrey, hot food, and a spooky trail created by the Recreation Department's Youth Advisory Committee. Thank you to Conant High School's Interact Club for volunteering your time and overseeing the carnival games.

The 2nd Annual Father Daughter Dance, sponsored by Woodbound Inn, was a sold out event again this year. With 126 people in attendance, there was an increase from the 75 fathers and daughters who attended last year. Sadly, we had to turn away approximately 30 people. Planning for next year's event has already begun.

The Annual Town Tree Lighting started out with a bit of a snafu, when a fuse was blown on the common and the only lighting provided was from the soft glow of the sidewalk luminaries created by the local Girl Scouts. With the help of the Jaffrey Police Department and the Jaffrey Fire Department, the breaker was found and the Common was lit-up just in time for the Tree Lighting to begin. Library Director, Libby Feil, provided a dramatic reading of The Polar Express, and silver bells were handed out to the children in the crowd of over 250 people. Santa Claus arrived by fire engine to provide a magical countdown for the Christmas Tree lights to be turned on. Santa stayed to visit with each and every child, before heading back to the North Pole.

The 36th Annual Holiday Craft Fair was a sold out event again this year. An estimated 700 patrons walked through the doors to experience free visits with Santa Claus, 60 vendor spaces, hot food, and festive spirit. Conant High School Interact club volunteered their time assisting the concession stand, and members of the Recreation Department's Youth Advisory Committee volunteered to help set-up and clean-up the event, assist Santa Claus, and work in the concession stand. Thank you to Caren Lewis, Recreation Department Administrative Assistant and craft fair organizer, for continuing to make this annual tradition one that the community looks forward to each year.

2016 saw an increase in community collaborations. The Department paired with The River Center to offer Safe Sitter Babysitting Training classes. We worked with New Hampshire Fish and Game to offer fishing classes. The Jaffrey Fire Department has been a great partner this year providing facilities to hold classes as well as working together to offer a First Aid/CPR/AED Training Class to youth over February school vacation week as well as all of the Recreation Department staff. The Jaffrey Civic Center continues to partner with the department to offer Coffee Hour on Wednesday mornings and an Easter Egg Hunt for older elementary aged youth on the front lawn as well as provided children's crafts to enhance the Easter festivities.

The interior of the Recreation Department office was freshened up over the winter with a fresh coat of paint throughout. The press box at Community Field was completed with the finished walls and ceiling installed, as well as lights and smoke alarms. Weather damaged window casings were also replaced in the Press Box. The Community Field bathroom was updated to be ADA compliant and weather damage to wall panels were repaired in the Community Field concession stand.

RECREATION DEPARTMENT

In May, Dana Kurylo joined the Recreation Department as lead Maintenance Technician. Dana's attention to detail and pride in work is evident in the quality of work shown in each of our facility and grounds projects. Be sure to take a moment to see the great work being done.

Concession stand and bathhouse at Contoocook beach received a new roof and a fresh coat of paint. A new floor coating was applied to the concession stand. The vegetation overgrowth around buildings were trimmed back, rotten trim boards replaced, and new doors to the bathhouse and concession stand were installed.

The War Memorial at Humiston Park were pruned in April, allowing the flag to fly without getting tangled in the branches. New swings were installed at Humiston Park playground and safety mats to keep the protective wood chips in proper position.

The baseball/softball fields at Humiston Park and Community Field were improved upon with a series of projects that spanned a six-month period of time. At Humiston Park, the pitching mound was rebuilt to the proper height, new infield mix was added to level out home plate and the infield to provide a safer playing surface. At Community field infield mix was added and leveled, and bases were realigned. At Humiston Park, baseball field improvements included rebuilding the pitching mound, adding infield clay mix, loam and seed were added to level the infield and improve the safety of the field, and bases were realigned. The irrigation system needed multiple sprinkler head and pipe repairs at both Humiston and Community Fields.

The lawn at the War Memorial was scraped, loam added and re-seeded. The young roots are taking hold and should be ready for use in the spring. The electrical was updated in the warming hut to include new emergency exit signs and lights, new bathroom lights and fans, and motion sensors to improve efficiency.

The Recreation Department continues to support the community with snow clearing at town buildings and Common, set-up for elections and town meeting, and maintaining recreation facilities and grounds at Community Field, Shattuck Park, Contoocook Beach, and Humiston Field.

Thank you to the members of the Recreation Department's Youth Advisory Committee (YAC). Lead by committee chair Kamryn Call, this group of young adults in grades 7-12, works with the recreation department staff to create programs, trips, and events for teens. The YAC also provides much needed volunteer support help at our annual events including Halloween Hoopla, Tree Lighting, and Craft Fair. This group volunteered over 100 hours with the Recreation Department in 2016. Thank you YAC!

Keep up-to-date on Recreation Department happenings throughout the year by joining our e-newsletter list and following us on Facebook and Instagram.

Respectfully Submitted,

Renee Sangermano
Recreation Director

Incorporated: 1773

Origin: In 1749 this territory was chartered as Monadnock Number 2, sometimes called Middle Monadnock or Middletown. It was one of the first towns established under the New Hampshire proprietors' purchase of undivided lands under the Masonian claim. The grant was renewed in 1767, and the town incorporated in 1773 as Jaffrey, in honor of George Jaffrey, member of a prominent Portsmouth family. Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.

Villages and Place Names: Hadley, Jaffrey Center, Squantum

Population, Year of the First Census Taken: 1,235 residents in 1790

Population Trends: Population change for Jaffrey totaled 2,262 over 54 years, from 3,154 in 1960 to 5,416 in 2014. The largest decennial percent change was a 30 percent increase between 1970 and 1980, followed by a 24 percent increase over the next decade. The 2014 Census estimate for Jaffrey was 5,416 residents, which ranked 60th among New Hampshire's incorporated cities and towns.

Population Density and Land Area, 2014 (US Census Bureau): 141.0 persons per square mile of land area. Jaffrey contains 38.4 square miles of land area and 1.8 square miles of inland water area.
